The Borrower shall, at its expense, diligently prosecute any such proceedings, deliver to the Lender copies of all papers served in connection therewith and consult and cooperate with the Lender, its attorneys and agents, in carrying on and defense of any such proceedings, provided that no settlement of any such proceedings shall be made by the Borrower without the Lender's consent, not to be unreasonably withheld.

(b) **Lender's Rights to Proceeds.** All proceeds of condemnation awards or proceeds of sale in lieu of condemnation, and all judgments, decrees and awards for injury or damage to the Property shall be paid to the Lender. The Borrower authorizes the Lender to collect and receive the same, to give receipts and acquittances therefor, and to appeal from any such judgment, decree or award. The Lender shall in no event be liable or responsible for failure to collect, or exercise diligence in the collection of, any of the same.

(c) **Application of Proceeds.** The Lender shall have the right to apply any proceeds, judgments, decrees or awards referred to in subsection (b) of this Section 4.04 first, to reimburse the Lender for all reasonable costs and expenses, including attorneys' fees, incurred in connection with the proceeding in question or the collection of such amounts, and second, the remainder thereof in the same manner as provided in Section 4.03(b) with respect to insurance proceeds held by the Lender.

Section 4.05. Liens and Liabilities.

(a) **Discharge of Liens.** The Borrower will pay, bond or otherwise discharge, from time to time when the same shall become due, all lawful claims and demands of mechanics, materialmen, laborers and others which, if unpaid, might result in, or permit the creation of, a Lien on the Property, or any part thereof, and in general, the Borrower shall do, or cause to be done, at the Borrower's sole cost and expense, everything necessary to fully preserve the Lien and priority of this Mortgage.

(b) **Creation of Liens.** The Borrower will not, without the Lender's consent, create, place or permit to be created or placed, or through any act or failure to act acquiesce in the placing of, or allow to remain, any voluntary or involuntary Lien, whether statutory, constitutional or contractual, against or covering the Property, prior to, on a parity with or subordinate to the Lien of this Mortgage, other than Permitted Encumbrances. If any such Lien becomes attached to the Property without such consent, the Borrower will promptly commence and diligently proceed to cause the same to be discharged and released.

(c) **No Consent.** Nothing in the Loan Documents shall be deemed or construed in any way as constituting the consent or request by the Lender, express or implied, to any contractor, subcontractor, laborer, mechanic or materialman for the performance of any labor or the furnishing of any material for any improvement, construction, alteration or repair of the Property. The Borrower further agrees that the Lender does not stand in any fiduciary relationship to the Borrower by reason of the transactions contemplated by the Loan Documents.

Section 4.06. Tax and Insurance Deposits. At any time during the term of this Mortgage, upon demand by the Lender, the Borrower shall deposit with the Lender a sum that bears the same relation to the annual insurance premiums for all insurance required by the terms hereof and Impositions assessed against the Property for the insurance period or tax year then in effect, as the case may be, as the number of months elapsed as of the date of such demand since the last preceding installment of said premiums or Impositions shall have become due and payable bears to twelve (12). For the purpose of this computation, the month in which such last preceding installment of premiums or Impositions became due and payable and the month in which such demand is given shall be included and deemed to have elapsed. On the first day of the month next succeeding the month in which such demand is given, and thereafter on the first day of each and every month during the term of this Mortgage, the Borrower shall deposit with the Lender a sum equal to one-twelfth of such insurance premiums and such Impositions for the then-current annual insurance period and tax year, so that as each installment of such premiums and Impositions shall become due and payable, the Borrower shall have deposited with the

Lender a sum sufficient to pay the same. All such deposits shall be received and held by the Lender, and shall be applied to the payment of each installment of such premiums and Impositions as they shall become due and payable. The Lender shall, upon demand, furnish evidence to the Borrower of the making of each such payment. If the amount of such premiums and Impositions has not been definitely ascertained at the time when any such monthly deposits are required to be made, the Borrower shall make such deposits based upon the amount of such premiums and Impositions for the preceding year, subject to adjustment as and when the amount of such premiums and Impositions are ascertained. If at any time when any installment of such premiums and such Impositions becomes due and payable the Borrower shall not have deposited a sum sufficient to pay the same, the Borrower shall, within ten days after demand, deposit any deficiency with the Lender. Upon payment in full of the Obligations secured by this Mortgage, any remaining amount on deposit with the Lender shall be repaid to the Borrower. The Borrower shall deliver to the Lender all insurance and tax bills promptly following receipt during any period when such monthly deposits are to be made with the Lender in such order as the Lender in its sole discretion may elect. If the Obligations shall be accelerated as herein provided, all funds so deposited may, at the Lender's option, be applied to the Obligations in the order determined by the Lender or to cure said Event of Default or to the payment of insurance premiums and Impositions as provided in this Section.

Section 4.07. Operations; Utilities; Waste, Demolition, Alteration or Replacement.

Upon completion, the Borrower will continuously operate the Project, in accordance with sound business practices, and will not engage in any activity that would diminish the value of the Property or decrease the income from the Property. The Borrower shall pay or cause to be paid all bills for utilities and other materials and services used on or in connection with the Property. The Borrower shall cause the Property and every part thereof to be maintained, preserved and kept in safe and good repair, working order and condition; shall not commit or permit waste thereon; except as contemplated by the Plans, shall not remove, demolish or alter the design or structural character of any Improvements erected on the Land without the express prior written consent of the Lender; and shall from time to time make all necessary and proper repairs, renewals, additions and restorations thereto so that the value and efficient use thereof shall be fully preserved and maintained. The Borrower agrees not to remove any of the fixtures or Personal Property included in the Property without the express prior written consent of the Lender and unless the same are immediately replaced with like property of at least equal value and utility.

Section 4.08. Rents and Tenant Leases. The Borrower shall: (i) observe and perform each obligation and condition provided for under the terms of the Tenant Leases to be observed and performed by the Borrower, and shall give prompt notice to the Lender in the event the Borrower fails to observe and perform the same; (ii) enforce or secure in the name of the Lender the observance and performance of each and every obligation and condition to be observed and performed by any Tenant under the terms of the Tenant Leases; (iii) appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with the Tenant Leases or the obligations, duties or liabilities of the Borrower and any Tenant thereunder, and, upon request by the Lender shall do so in the name and on behalf of the Lender but at the expense of the Borrower, and shall pay all costs and expenses of the Lender, including

reasonable attorneys' fees, in any action or proceeding in which the Lender may appear; (iv) not receive or collect any Rents from any present or future Tenant for a period of more than one month in advance, or pledge, transfer, mortgage or otherwise grant or permit any Lien on future payments of the Rents; (v) not waive, excuse, condone, discount, set off, compromise, or in any manner release or discharge any Tenant of and from any obligations and conditions by said Tenant to be kept, observed and performed, including the obligation to pay rent in the manner and at the place and time specified in any Tenant Lease; (vi) not enter into any Tenant Leases except on a form approved by the Lender, nor cancel, terminate or consent to any surrender of any Tenant Lease, or modify or in any way alter the terms thereof without, in each such instance, the prior written consent of the Lender; (vii) not renew or otherwise extend the term of the Existing Tenant Leases; provided, however, that nothing herein contained shall prevent the Borrower, upon expiration of the now-current term (or other expiration or termination) of the Existing Tenant Leases, from leasing the property covered thereby to the Tenant thereunder by a lease or leases expressly subject and fully subordinate to the Liens of this Mortgage; (viii) promptly upon the execution by the Borrower of any future Tenant Lease, (A) furnish the Lender with the name and address of the Tenant thereunder, the term of such Tenant Lease and a description of the premises covered thereby and, upon request of the Lender, a copy of such Tenant Lease, and (B) execute all such further assignments of such Tenant Lease and the Rents therefrom as the Lender may require; (ix) not, without the prior written approval of the Lender, execute any management or leasing agreements affecting any of the Property; and (x) if required by the Lender, cause each Tenant Lease to provide, in a manner approved by the Lender, that the Tenant Lease is junior and subordinate to the Liens of this Mortgage and that the Tenant will recognize, as lessor, the Lender or any person succeeding to the interest of the Lender upon any foreclosure of this Mortgage.

Section 4.09. Sale, Lease or Transfer, etc. The Borrower covenants and agrees that neither the Real Property, nor any part thereof, nor any interest therein, shall be (i) sold, assigned, transferred, conveyed, leased with an option to purchase, exchanged or otherwise disposed of, nor shall the Borrower contract with any person for any of the foregoing, without the Lender's prior written consent, except for the sale of individual Lots in the Project in the ordinary course of the Borrower's business in connection with any which sales the minimum release price is paid to the Lender in accordance with Section 6.15; or (ii) subject to any additional Lien, either voluntarily or involuntarily, without the Lender's prior written consent. Upon the occurrence of any such sale, assignment, transfer, conveyance, lease with an option to purchase, exchange, other disposition, contract or Lien, this Mortgage shall be deemed to be in default at the option of the Lender and the Lender may, at its sole option: (A) declare the Obligations immediately due and payable in full and exercise the remedies on default hereunder; or (B) require the payment, after the date of such occurrence, of a higher rate of interest on the unpaid principal portion of the Obligations as a condition to not exercising such option to accelerate the Obligations and other remedies, whether such rights and remedies be exercised by the Lender to obtain a higher rate of interest on the Obligations or to protect the security of this Mortgage. The Borrower further covenants and agrees that without the prior written consent of the Lender, the Borrower shall not be dissolved, liquidated or terminated, whether by operation of law or otherwise. Any such dissolution, liquidation or termination, without the Lender's prior written consent, shall constitute a default hereunder. The Borrower expressly

covenants and agrees, and acknowledges the Lender's express reliance hereon, that any sale, pledge, encumbrance, contract to sell, assignment or other transfer of any equity interest in the Borrower, or any other transaction whereby the legal or beneficial ownership of the Borrower is changed, including the sale of additional stock or other equity interests, the liquidation or dissolution of the Borrower, or the merger or consolidation of the Borrower with any other person, shall be treated as a transfer of the Real Property for purposes of this section.

Section 4.10. Use, Governmental Compliance, etc. The Borrower will use the Property solely as a single-family residential subdivision and for no other purpose. The Borrower shall maintain all material certificates, licenses, authorizations, registrations, permits and other approvals of Governmental Authorities necessary for the operation of any of the Property, the conduct of the Borrower's business at the Real Property, and the construction, completion and occupancy of the Project, including all required zoning, building, land use, subdivision, lot sale, environmental, occupancy, fire and other approvals. The Borrower shall comply with and make all payments required under all Governmental Requirements now or hereafter affecting the Property or any part thereof or the business or activity conducted or to be conducted thereon. The Borrower shall not commit, suffer, permit or allow any act to be done in or on the Property in violation of any such Governmental Requirements or that constitutes a public or private nuisance, or that makes void, voidable or cancelable, or increases the premium of, any insurance then in force with respect thereto. The Borrower shall not permit any Lien to exist on the Property, or any part thereof, in favor of any Governmental Authority or other person under any Governmental Requirement that might have priority over this Mortgage.

Section 4.11. Zoning; Title Matters. The Borrower will not, without the Lender's consent, (i) initiate or support any zoning reclassification of the Property, seek any variance under existing zoning ordinances applicable to the Property or use or permit the use of the Property in a manner that would result in such use becoming a non-conforming use under, or violate, applicable zoning ordinances, (ii) modify, amend or supplement any Permitted Encumbrances in any manner that would materially increase the obligations or decrease the rights of the Borrower or adversely affect the rights of the Lender under the Loan Documents; (iii) subject the Property to any restrictive covenants or encumbrances (other than the Permitted Encumbrances), execute or file any subdivision plat affecting the Property (except as approved in writing in advance by the Lender) or consent to the annexation of the Property to any municipality or (iv) permit or suffer the Property to be used by the public or any person in such manner as might make possible a claim of adverse usage or possession or of any implied dedication easement or easement by prescription.

Section 4.12. Environmental Compliance. The Borrower shall (i) not, and shall not permit any Tenant or other person to, bring any Hazardous Substances on to the Property; (ii) if any Hazardous Substances are brought or found on the Property, immediately remove and properly dispose thereof in accordance with applicable Environmental Laws; (iii) cause the Property and the operations conducted thereon (including all operations conducted thereon by Tenants and other persons) to comply with all Environmental Laws; (iv) permit the Lender from time to time to inspect the Property and observe the Borrower's operations thereon and to

perform tests (including soil and ground water tests) for Hazardous Substances on the Property; (v) undertake any and all preventive, investigatory and remedial action (including emergency response, removal, clean up, containment and other remedial action) that is (A) required by any applicable Environmental Law or (B) necessary to prevent or minimize any property damage (including damage to any of the Property), personal injury or harm to the environment, or the threat of any such damage or injury, by releases of or exposure to Hazardous Substances in connection with the Property or the operations of the Borrower on the Property; (vi) promptly give notice to the Lender in writing if the Borrower should become aware of (A) any spill, release or disposal of any Hazardous Substances, or imminent threat thereof, at the Property, in connection with the operations on the Property, or at any adjacent property that could migrate to, through or under the Property, (B) any violation of Environmental Laws regarding the Property or operations on the Property, and (C) any investigation, claim or threatened claim under any Environmental Law, or any notice of violation under any Environmental Law, involving the Borrower or the Property; and (vii) deliver to the Lender, at the Lender's request, copies of any and all documents in the Borrower's possession or to which the Borrower has access relating to Hazardous Substances or Environmental Laws and the Property, and the operations on the Property, including laboratory analyses, site assessments or studies, environmental audit reports and other environmental studies and reports. If the Lender at any time reasonably believes that the Borrower is not complying with all applicable Environmental Laws or the requirements of this Mortgage regarding the same, or that a material spill, release or disposal of Hazardous Substances has occurred on or under the Property, the Lender may require the Borrower to furnish to the Lender an environmental audit or site assessment reasonably satisfactory to the Lender with respect to the matters of concern to the Lender. Such audit or assessment shall be performed at the Borrower's expense by a qualified consultant approved by the Lender.

Section 4.13. Maintenance of Lien Priority. The Borrower shall take all steps necessary to preserve and protect the perfection, validity and priority of the Liens on the Property created hereby. The Borrower shall execute, acknowledge, deliver, file and record such additional instruments as the Lender may deem necessary in order to perfect, preserve, protect, continue, extend or maintain the Liens created hereby as first priority Liens on the Property, subject to Permitted Encumbrances, or to subject after-acquired property of the Borrower or proceeds to such Liens. If the Liens, validity or priority of this Mortgage, or if title to any of the rights of the Borrower or the Lender in or to the Property shall be endangered or questioned, or shall be attacked directly or indirectly, or if any action or proceeding is instituted against the Borrower or the Lender with respect thereto, the Borrower will promptly notify the Lender thereof and will diligently endeavor to cure any defect that may be developed or claimed, and will take all necessary and proper steps for the defense of such action or proceeding, including the employment of counsel, the prosecution or defense of the litigation, and subject to the Lender's approval, the compromise, release or discharge of any and all adverse claims other than Permitted Encumbrances. The Lender (whether or not named as a party to such actions or proceedings) is authorized and empowered (but shall not be obligated) to take such additional steps as it may reasonably deem necessary or proper for the defense of any such action or proceeding or the protection of the Liens, validity or priority of this Mortgage or of such title or rights, including the employment of counsel, the prosecution or

defense of litigation, the compromise, release or discharge of such adverse claims, and the removal of prior Liens. The Borrower shall, on demand, reimburse the Lender for all expenses (including attorneys' fees and disbursements) reasonably incurred by the Lender in connection with any of the foregoing matters.

Section 4.14. Construction Documents. (i) The Borrower shall (A) perform and observe each and every condition and obligation of the Borrower contained in the Construction Documents; (B) give prompt notice to the Lender of any claim of default under the Construction Documents given to the Borrower or by the Borrower, together with a complete copy of any such claim; (C) at the sole cost and expense of the Borrower, enforce the performance and observance of each and every obligation and condition of the Construction Documents to be performed or observed by any other person thereunder; and (D) appear in, and defend any action growing out of, or in any manner connected with, the Construction Documents or the obligations or liabilities of the Borrower, or any guarantor thereunder; and (ii) the Borrower shall not (A) modify the terms of the Construction Documents unless required so to do by the terms of the Construction Documents; or (B) waive or release the observance or performance of any obligation or condition of the Construction Documents or any liability on account of any warranty given by them.

Section 4.15. Certificates. The Borrower, within ten days after request therefor by the Lender, shall furnish to the Lender a written statement, duly acknowledged, certifying to the Lender or the Lender's designee as to (i) the amount of the Obligations then owing under this Mortgage, (ii) the terms of payment and maturity date of the Obligations, (iii) the date to which interest has been paid under this Mortgage, (iv) whether any offsets or defenses exist against the Obligations and, if any are alleged to exist, a detailed description thereof, (v) the representations and warranties of the Borrower set forth herein being true and correct on the date of such certification, (vi) the Loan Documents being valid, in full force and effect and unmodified (except as may be specifically noted therein) on the date of such certification, and (vii) whether there are any defaults under the Loan Documents, and to the best knowledge of the Borrower, whether any event has occurred or any condition or state of facts exist which constitute, or with the giving of notice or the lapse of time or both would constitute a default under the Loan Documents. Such certificate shall be binding upon the Borrower and its successors and assigns, and may be relied upon by any prospective assignee of the Loan Documents.

Section 4.16. Lot Contracts. The Borrower covenants and agrees, with respect to all existing Lot Contracts, if any, and all Lot Contracts that are entered into hereafter, until this Mortgage is terminated as set forth in Section 6.16: (i) to keep the Lot Contracts in full force and effect and not to transfer or convey title to the Lots referred to in the Lot Contracts to any of the Purchasers without requiring compliance with the terms and conditions of the Lot Contracts and complying with the terms and conditions of the Loan Documents; (ii) not to (A) terminate, modify or amend the Lot Contracts or any of the terms thereof, (B) grant any concessions in connection therewith, or (C) accept a surrender thereof without the prior written consent of the Lender (any such attempted termination, modification, amendment, concession or surrender without such written consent to be null and void); (iii) not to execute any other assignments of the Lot Contracts, or any interest therein or any sums payable thereunder, or

permit any Lien on any of the same; (iv) to perform, in a timely manner, all of the Borrower's covenants and agreements under the Lot Contracts and not to suffer or permit to occur any release of liability of the Purchasers; (v) to give prompt notice to the Lender of any notice received from the Purchasers of default, or alleged default, on the part of the Borrower with respect to any of the Lot Contracts, and to furnish the Lender with complete copies of said notices; (vi) if so requested by the Lender, to enforce the Lot Contracts and all remedies available to the Borrower against the Purchasers in case of default by the Purchasers under the Lot Contracts; (vii) that notwithstanding any variation of the terms of any of the other Loan Documents, or any extension of time for payment of the Loan thereunder, or any release of part or parts of other collateral for the Loan under any of the other Security Documents, the Lot Contracts and benefits hereby assigned shall continue as security for the Loan and the other Obligations in accordance with the terms hereof; (viii) not to consent to the transfer or assignment of any of the Lot Contracts by the Purchasers without the prior written consent of the Lender; (ix) not to exercise any right of election, whether specifically set forth in any Lot Contract or otherwise, that would in any way diminish the Purchasers' obligations thereunder; (x) that all Lot Contracts will be in a form approved by the Lender, and that the Borrower will not enter into any other leases, options or other agreements with respect to any of the Lots; (xi) not to sell the Lot without immediate payment to the Lender in cash of the minimum release price for that Lot required by Section 6.15; (xii) not to accept any prepayment, in whole or in part, of any amounts due under any of the Lot Contracts without the prior written consent of the Lender and immediately to pay over to the Lender the proceeds of any such prepayment for application to the Obligations in such order as the Lender, in its sole discretion, may elect; (xiii) to enforce or secure (in the name of the Lender, if requested by the Lender) the performance of each and every obligation, term, covenant, condition and agreement to be performed by any Purchaser under the terms of the Lot Contracts; (xiv) to appear in and defend any action or proceeding arising under the Lot Contracts, or the obligations of the Borrower thereunder, and upon request of the Lender, to do so in the name and on behalf of the Lender, but at the expense of the Borrower; and to pay all costs and expenses of the Lender, including reasonable attorneys' fees, in any action or proceeding in which the Lender may appear; (xv) not to waive, excuse, condone, discount, set off, compromise, or in any manner release or discharge any Purchaser from any covenants, obligations, conditions and agreements to be observed or performed by said Purchaser under the Lot Contract; (xvi) if required by the Lender, cause each Lot Contract to provide, in manner approved by the Lender, that the Lot Contract is junior and subordinate to this Mortgage (it being the express intention of the Lender and the Borrower that the Lot Contracts shall be subordinate to this Mortgage) and that the Purchaser will recognize the Lender, its successors and assigns, as a party to the Lot Contract upon the exercise of the Lender's rights under this Agreement; and (xvii) promptly on the request of the Lender, to execute individual assignments (the form and content of which shall be satisfactory to the Lender) of any or all Lot Contracts, whether now existing or hereafter acquired or created.

V. DEFEASANCE, DEFAULT AND REMEDIES

Section 5.03. Rights and Remedies of Lender Upon Default.

(a) **Acceleration of Obligations.** Upon the occurrence of an Event of Default or at any time thereafter, the Lender may at its option and without demand or notice to the Borrower, declare all or any part of the Obligations immediately due and payable, whereupon all such Obligations shall forthwith become due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Borrower, and the Lender may immediately enforce payment of all such amounts and may exercise any or all of its rights and remedies under this Mortgage, the Note, any of the other Loan Documents and applicable law. The Borrower also waives any and all rights the Borrower may have to a hearing before any Governmental Authority prior to the exercise by the Lender of any of its rights under this Mortgage or any of the other Loan Documents and applicable law.

(b) **Operation of Property by Lender.** Upon the occurrence of an Event of Default or at any time thereafter, in addition to all other rights herein conferred on the Lender, the Lender (or any person designated by the Lender) may, but will not be obligated to, (i) enter upon and take possession of any or all of the Property, exclude the Borrower therefrom, and hold, use, administer, manage and operate the same to the extent that the Borrower could do so, without any liability to the Borrower resulting therefrom; (ii) perform any and all obligations of the Borrower under the Construction Documents and exercise any and all rights of the Borrower thereunder as fully as the Borrower could; (iii) collect, receive and receipt for all proceeds accruing from the operation and management of the Property; (iv) make repairs and purchase needed additional property; (v) insure or reinsure the Property; (vi) maintain and restore the Property; (vii) have furnished to the Property utilities and other materials and services used on or in connection with the Property; and (viii) exercise every power, right and privilege of the Borrower with respect to the Property.

(c) **Judicial Proceedings; Right to Receiver.** Upon the occurrence of an Event of Default or at any time thereafter, the Lender, in lieu of or in addition to exercising the power of sale hereinafter given, may proceed by suit to foreclose its Lien on the Property, to sue the Borrower for damages on account of or arising out of said default or breach, or for specific performance of any provision contained herein, or to enforce any other appropriate legal or equitable right or remedy. The Lender shall be entitled, as a matter of right, upon bill filed or other proper legal proceedings being commenced for the foreclosure of this Mortgage, to the appointment by any competent court or tribunal, without notice to the Borrower or any other party, of a receiver of the rents, issues and profits of the Property, with power to lease and control the Property and with such other powers as may be deemed necessary.

(d) **Power of Sale.** Upon the occurrence of any Event of Default, or at any time thereafter, this Mortgage shall be subject to foreclosure and may be foreclosed as now provided by law in case of past due mortgages, and the Lender shall be authorized, at its option, whether or not possession of the Property is taken, to sell the Property (or such part or parts thereof as the Lender may from time to time elect to sell) under the power of sale which is hereby given to the Lender, at public outcry, to the highest bidder for cash, at the front or main door of the courthouse of the county in which the Land to be sold, or a substantial and material part thereof, is located, after first giving notice by publication once a week for three successive weeks of the time, place and terms of such sale, together with a description of the Property to be sold, by publication in some newspaper published in the county or counties in which the Land to be sold is located. If there is Land to be sold under this Mortgage in more than one county, publication shall be made in all counties where the Land to be sold is located, but if no newspaper is published in any such county, the notice shall be published in a newspaper published in an adjoining county for three successive weeks. The sale shall be held between the hours of 11:00 a.m. and 4:00 p.m. on the day designated for the exercise of the power of sale hereunder. The Lender, its successors and assigns, may bid at any sale or sales had under the terms of this Mortgage and may purchase the Property, or any part thereof, if the highest bidder therefor. The purchaser at any such sale or sales shall be under no obligation to see to the proper application of the purchase money. At any foreclosure sale, any part or all of the Property, real, personal or mixed, may be offered for sale in parcels or en masse for one total price, the proceeds of any such sale en masse to be accounted for in one account without distinction between the items included therein or without assigning to them any proportion of such proceeds, the Borrower hereby waiving the application of any doctrine of marshalling or like proceeding. In case the Lender, in the exercise of the power of sale herein given, elects to sell the Property in parts or parcels, sales thereof may be held from time to time, and the power of sale granted herein shall not be fully exercised until all of the Property not previously sold shall have been sold or all the Obligations shall have been paid in full.

(e) **Personal Property and Fixtures.** On the happening of any Event of Default or at any time thereafter, the Lender shall have and may exercise with respect to the Personal Property and all other personal property and fixtures included in the Property (the "UCC Property") all rights, remedies and powers of a secured party under the Alabama Uniform Commercial Code, including the right and power to sell at public or private sale or sales or otherwise dispose of, lease or utilize the UCC Property and any part or parts thereof in any manner to the fullest extent authorized or permitted under the Alabama Uniform Commercial Code after default hereunder, without regard to preservation of the UCC Property or its value and without the necessity of a court order. The Lender shall have, among other rights, the right to take possession of the UCC Property and to enter upon any premises where the same may be situated for the purpose of repossessing the same without being guilty of trespass and without liability for damages occasioned thereby and to take any action deemed appropriate or desirable by the Lender, at its option and its sole discretion, to repair, restore or otherwise prepare the UCC Property for sale, lease or other use or disposition. At the Lender's request, the Borrower shall assemble the UCC Property and make the UCC Property available to the Lender at any place designated by the Lender. To the extent permitted by law, the Borrower expressly waives any notice of, and any other formalities prescribed by law with respect to, any sale or other

disposition of the UCC Property or to the exercise of any other right or remedy of the Lender after default. To the extent that such notice is required and cannot be waived, the Borrower agrees that if such notice is given to the Borrower in accordance with the provisions of Section 6.14 below, at least five days before the time of the sale or other disposition of UCC Property or exercise of such other right or remedy, such notice shall be deemed reasonable and shall fully satisfy any requirement for giving said notice.

The Borrower agrees that the Lender may proceed to sell or dispose of both the real and personal property comprising the Property in accordance with the rights and remedies granted under this Mortgage with respect to the real property covered hereby. The Borrower hereby grants the Lender the right, at its option after default hereunder, to transfer at any time to itself or its nominee the UCC Property or any part thereof and to receive the monies, income, proceeds and benefits attributable to the same and to hold the same as collateral or to apply it on the Obligations in such order and amounts and manner as the Lender may elect. The Borrower covenants and agrees that all recitals in any instrument transferring, assigning, leasing or making other disposition of the UCC Property or any part thereof shall be full proof of the matters stated therein and no other proof shall be required to establish the legal propriety of the sale or other action taken by the Lender and that all prerequisites of sale shall be presumed conclusively to have been performed or to have occurred.

The Lender may, at its option, use any of the Property, including that described in Section 2.02(i), for any purpose for which the Borrower could have used such Property, including the construction or financing of the Project and any other lawful purpose, or the Lender may apply such Property to the Liabilities in such order and proportions as the Lender, in its sole discretion, may elect.

(f) **Rents and Tenant Leases.** Upon the occurrence of an Event of Default or at any time thereafter:

(1) The Lender, at its option, shall have the right, power and authority to exercise and enforce any or all of the following rights and remedies with respect to Rents and Tenant Leases:

(A) to terminate the license granted to the Borrower in Section 2.02(d)(iii) hereof to collect the Rents, and, without taking possession, in the Lender's own name to demand, collect, receive, sue for, attach and levy the Rents, to give proper receipts, releases and acquittances therefor, and to apply the proceeds thereof as set forth in Section 5.03(h);

(B) without regard to the adequacy of the security, with or without any action or proceeding, through any person or by agent, or by a receiver to be appointed by court, to enter upon, take possession of, manage and operate the Property or any part thereof for the account of the Borrower, make, modify, enforce, cancel or accept surrender of any Tenant Lease, remove and evict any Tenant, increase or reduce rents, decorate, clean and make repairs, and otherwise

do any act or incur any cost or expenses the Lender shall deem proper to protect the security hereof, as fully and to the same extent as the Borrower could do if in possession, and in such event to apply any funds so collected to the operation and management of the Property (including payment of reasonable management, brokerage and attorney's fees) and as set forth in Section 5.03(h); and

(C) to take whatever legal proceedings may appear necessary or desirable to enforce any obligation or covenant or agreement of the Borrower under this Mortgage.

(2) The collection of the Rents and application thereof (or holding thereof in reserve) as aforesaid or the entry upon and taking possession of the Property or both shall not cure or waive any default or waive, modify or affect any notice of default under this Mortgage, or invalidate any act done pursuant to such notice, and the enforcement of such right or remedy by the Lender, once exercised, shall continue for so long as the Lender shall elect, notwithstanding that the collection and application aforesaid of the Rents may have cured the original default. If the Lender shall thereafter elect to discontinue the exercise of any such right or remedy, the same or any other right or remedy hereunder may be reasserted at any time and from time to time following any subsequent default.

(g) **Foreclosure Deeds.** To the extent permitted by applicable law, the Borrower hereby authorizes and empowers the Lender or the auctioneer at any foreclosure sale had hereunder, for and in the name of the Borrower, to execute and deliver to the purchaser or purchasers of any of the Property sold at foreclosure good and sufficient deeds of conveyance or bills of sale thereto.

(h) **Order of Application of Proceeds.** All payments received by the Lender as proceeds of the Property, or any part thereof, as well as any and all amounts realized by the Lender in connection with the enforcement of any right or remedy under or with respect to this Mortgage, shall be applied by the Lender as follows: (i) to the payment of all necessary expenses incident to the execution of any remedies under this Mortgage, including reasonable attorneys' fees as provided herein and in the other Loan Documents, appraisal fees, title search fees and foreclosure notice costs, (ii) to the payment in full of any of the Obligations that are then due and payable (including principal, accrued interest and all other sums secured hereby) and to the payment of attorneys' fees as provided herein and in the other Loan Documents, all in such order as the Lender may elect in its sole discretion, (iii) to a cash collateral reserve fund to be held by the Lender in an amount equal to, and as security for, any of the Obligations that are not then due and payable, and (iv) the remainder, if any, shall be paid to the Borrower or such other persons as may be entitled thereto by law, after deducting therefrom the cost of ascertaining their identity.

(i) **Multiple Sales.** Upon the occurrence of any Event of Default or at any time thereafter, the Lender shall have the option to proceed with foreclosure, either through the courts or by power of sale foreclosure as provided for in this Mortgage, but without declaring the

whole Obligations due. Any such sale may be made subject to the unmatured part of the Obligations secured by this Mortgage, and such sale, if so made, shall not in any manner affect the unmatured part of the Obligations secured by this Mortgage, but as to such unmatured part of the Obligations this Mortgage shall remain in full force and effect as though no sale had been made under the provisions of this paragraph. Several sales may be made under the provisions of this paragraph without exhausting the right of sale for any remaining part of the Obligations whether then matured or unmatured, the purpose hereof being to provide for a foreclosure and sale of the Property for any matured part of the Obligations without exhausting any power of foreclosure and the power to sell the Property for any other part of the Obligations, whether matured at the time or subsequently maturing.

(j) **Waiver of Certain Laws.** The Borrower waives, to the fullest extent permitted by law, the benefit of all laws now existing or hereafter enacted providing for (i) any appraisalment before sale of any portion of the Property (commonly known as appraisalment laws), or (ii) any extension of time for the enforcement of the collection of the Obligations or any creation or extension of a period of redemption from any sale made in collecting the Obligations (commonly known as stay laws and redemption laws).

(k) **Prerequisites of Sales.** In case of any sale of the Property as authorized by this Section 5.03, all prerequisites to the sale shall be presumed to have been performed, and in any conveyance given hereunder all statements of facts, or other recitals therein made, as to the nonpayment of any of the Obligations or as to the advertisement of sale, or the time, place and manner of sale, or as to any other fact or thing, shall be taken in all courts of law or equity as rebuttably presumptive evidence that the facts so stated or recited are true.

Section 5.04. Construction Documents. Upon the occurrence of an Event of Default or at any time thereafter, the Lender may exercise any or all of the rights and remedies of the Borrower under the Construction Documents, to the same extent as the Borrower could in the absence of such Event of Default, including the completion of the construction of the Project pursuant to the Construction Documents and in the course of such construction the making of such changes in the Plans and other Construction Documents as the Lender in its sole discretion may deem advisable. The Lender may, but without obligation so to do and without notice to or demand on the Borrower or releasing the Borrower from its obligations so to do, perform any covenant or condition of the Borrower under the Construction Documents and, to the extent that the Lender shall incur any costs or pay any monies in connection therewith, including any costs or expenses of litigation, then such costs, expense or payment shall be included in the Obligations and shall bear interest from the incurring or payment thereof at the Default Interest Rate. The Lender shall have the right to call on the Architects, the Contractors, the Engineers and any other party to the Construction Documents, to advise and consult with the Lender concerning construction of the Project and other matters relating thereto, and to furnish to the Lender information concerning the Project. If the Lender calls on the Architects, the Contractors, the Engineers or any other person for such services, the Borrower agrees to pay all charges thereof for performing such services.

Section 5.05. Lot Contracts. Upon the occurrence of any Event of Default or at any time thereafter, the following provisions shall apply with respect to the Lot Contracts in addition to any other rights and remedies provided elsewhere in this Mortgage:

(a) The Lender at its option may collect all or any part of the sums due under the Lot Contracts, bring or defend any lawsuits in connection with the Lot Contracts in the Lender's name or in the Borrower's name, and perform such other acts in connection with the Lot Contracts, including the consummation thereof in the name of the Borrower or of the Lender, as the Lender in its judgment may deem necessary or proper.

(b) The Lender, at its option, shall be entitled, upon notice to the Purchasers, to all amounts related to the Lot Contracts and included in the Property, and this Agreement shall constitute a direction and full authority to the Purchasers to pay all such amounts to the Lender without proof of the Event of Default relied upon by the Lender. The Borrower hereby releases any claims against any Purchasers for any sums paid to the Lender in accordance with this Mortgage. The Borrower hereby irrevocably authorizes the Purchasers to rely upon and comply with (and the Purchasers shall be fully protected in so doing) any notice or demand by the Lender for the payment to the Lender of any such amounts, and the Purchasers shall have no right or duty to inquire as to whether any Event of Default has actually occurred or is then existing.

(c) The Borrower empowers the Lender, and its agents or attorneys, at the Lender's option, to demand, collect, receive, sue for, attach and levy all sums included in the Property, to settle, compromise and give acquittances, receipts and releases for all such sums, to make, modify, enforce, cancel or accept the release of any Lot Contract, and to exercise all remedies for the enforcement of the Lot Contracts and all rights in and under the Lot Contracts that the Borrower might have pursued but for this Mortgage. At the request of the Lender, the Borrower agrees that the Borrower will take such action as may be necessary to enforce the Lot Contracts.

(d) The Borrower hereby irrevocably appoints the Lender, its successors and assigns, and each officer of the Lender and such successors and assigns, as the Borrower's agent and attorney in fact to exercise, at the Lender's option at any time after the occurrence of an Event of Default, all or any of the following powers: (i) to take control, in any manner, of any item of payment on, or proceeds of the Lot Contracts; (ii) to use the information recorded on or contained in any data processing equipment and computer hardware and software relating to the Lot Contracts to which the Borrower has access; (iii) to execute any and all deeds and other documents and to do all other acts and things necessary to consummate the Contracts; and (iv) to do all acts and things necessary, in the Lender's sole discretion, to fulfill the Borrower's obligations under this Agreement and to carry out the purposes of this Mortgage.

VI. MISCELLANEOUS

Section 6.01. Collection Costs. The Borrower agrees to pay all costs, including reasonable attorneys' fees, incurred by the Lender in collecting or securing, or attempting to collect or secure, the Obligations, or any part thereof, or in defending or attempting to defend the priority of this Mortgage against any Lien on the Property (unless this Mortgage is herein expressly made subject to any such Lien) and all costs incurred in the foreclosure of this Mortgage, either under the power of sale contained herein, or by virtue of the decree of any court of competent jurisdiction. The full amount of such costs incurred by the Lender shall be a part of the Obligations.

Section 6.02. No Obligations of Lender; Indemnification. The Lender shall not by virtue of this Mortgage, any of the other Loan Documents or otherwise assume any duties, responsibilities, liabilities or obligations with respect to any Tenant Lease, the Improvements, the Personal Property, the Land, the Construction Documents, the Lot Contracts or any of the other Property (unless expressly assumed by the Lender under a separate agreement in writing), and this Mortgage shall not be deemed to confer on the Lender any duties or obligations that would make the Lender directly or derivatively liable for any person's negligent, reckless or wilful conduct. The Borrower agrees to defend, indemnify and save harmless the Lender from and against any and all claims, causes of action, judgments and other loss, cost and expense (collectively called "claims and losses") relating to or arising out of any default in the Borrower's performance of its representations, warranties, covenants, agreements, duties, responsibilities and obligations under this Mortgage or any of the other Loan Documents and with respect to any of the Property. The provisions of this Section 6.02 shall survive the payment of the Obligations in full and the termination, satisfaction, release (in whole or in part) and foreclosure of this Mortgage with respect to claims and losses asserted against or suffered by the Lender. Without limiting the generality of the foregoing, the Borrower agrees that the Borrower's obligation to defend, indemnify and save harmless the Lender set forth in this Section shall specifically include all claims and losses asserted against or suffered by the Lender that are related to or arise out of (i) any representations or warranties set forth in Section 3.03 hereof that shall prove to be false or untrue in any material respect, (ii) any default in the performance or nonperformance of the Borrower's covenants and agreements set forth in Section 4.07 hereof, and (iii) any clean up or removal of, or other remedial action with respect to, any Hazardous Substances now or hereafter located on or included in the Property, or any part thereof, that may be required by any Environmental Law or Governmental Authority.

Section 6.03. Construction of Mortgage. This Mortgage is and may be construed as a mortgage, deed of trust, chattel mortgage, conveyance, assignment, security agreement, pledge, financing statement, hypothecation or contract, or any one or more of them, in order fully to effectuate the Liens created hereby and the purposes and agreements herein set forth.

Section 6.04. Successors and Assigns. All covenants and agreements herein made by the undersigned shall bind the undersigned and the heirs, personal representatives, successors and assigns of the undersigned; and every option, right and privilege herein reserved or secured to the Lender shall inure to the benefit of the Lender's successors and assigns.

Section 6.05. Waiver and Election. The exercise by the Lender of any option given under the terms of this Mortgage shall not be considered as a waiver of the right to exercise any other option given herein, and the filing of a suit to foreclose the Liens granted by this Mortgage, either on any matured portion of the Obligations or for the whole of the Obligations, shall not be considered an election so as to preclude foreclosure under power of sale; nor shall the publication of notices for foreclosure under power of sale preclude the prosecution of a later or simultaneous suit to collect the Obligations or foreclose the Liens granted by this Mortgage. No failure or delay on the part of the Lender in exercising any right, power or remedy under this Mortgage shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder or thereunder. The remedies provided in this Mortgage and in the other Loan Documents are cumulative and not exclusive of any remedies provided by law. No amendment, modification, termination or waiver of any provisions of this Mortgage or any of the other Loan Documents, nor consent to any departure by the Borrower therefrom, shall be effective unless the same shall be in writing and signed by an executive officer of the Lender, and then such waiver or consent shall be effective only in this specific instance and for the specific purpose for which given. No notice to or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

Section 6.06. Landlord-Tenant Relationship. Any sale of the Property under this Mortgage shall, without further notice, create the relationship of landlord and tenant at sufferance between the purchaser and the Borrower.

Section 6.07. Enforceability. If any provision of this Mortgage is now or at any time hereafter becomes invalid or unenforceable, the other provisions hereof shall remain in full force and effect, and the remaining provisions hereof shall be construed in favor of the Lender to effectuate the provisions hereof.

Section 6.08. Application of Payments. If the Liens created by this Mortgage are invalid or unenforceable as to any part of the Obligations or are invalid or unenforceable as to any part of the Property, the unsecured or partially secured portion of the Obligations shall be completely paid prior to the payment of the remaining and secured or partially secured portion of the Obligations, and all payments made on the Obligations, whether voluntary or under foreclosure or other enforcement action or procedures, shall be considered to have been first paid on and applied to the full payment of that portion of the Obligations that are not secured or not fully secured by said Liens created hereby.

Section 6.09. Other Mortgages Encumbering the Land. The Borrower hereby authorizes the holder of any other mortgage encumbering any of the Real Property to disclose to the Lender from time to time and at any time the following information: (i) the amount of debt secured by such mortgage; (ii) the amount of such debt that is unpaid; (iii) whether such debt is or has been in arrears; (iv) whether there is or has been any default with respect to such mortgage or the debt secured thereby; and (v) any other information regarding such mortgage or the debt secured thereby that the Lender may request from time to time.

The Borrower expressly agrees to comply with the terms of any other mortgage encumbering any of the Real Property and agrees not to consent to or permit any amendment or modification thereof without the prior written consent of the Lender. The Borrower further agrees that if default should be made in the payment of principal, interest or any other sum secured by any other mortgage encumbering any of the Real Property, the Lender may (but shall not be required to) pay all or any part of such amount in default, without notice to the Borrower. The Borrower agrees to repay any such sum advanced upon demand, with interest from the date such advance is made at the Default Interest Rate, and any sum so advanced with interest shall be a part of the Obligations.

Section 6.10. Meaning of Particular Terms. The words "Borrower" and "Lender" shall include their respective successors and assigns. The term "Borrower" as used in this Mortgage refers to each of the undersigned, jointly and severally, whether one or more natural persons, corporations, associations, trusts, partnerships or other entities or organizations.

Section 6.11. Advances by the Lender. If the Borrower shall fail to comply with the provisions hereof with respect to the securing of insurance, the payment of Liens or Impositions, the keeping of the Property in repair, the performance of the Borrower's obligations under any Tenant Lease or any Construction Document, the payment or performance of any prior mortgages, the compliance with Environmental Laws or the other provisions of Section 4.12 hereof, or the performance of any other term or covenant herein contained, the Lender may (but shall not be required to) make advances to perform the same, and where necessary enter the Property for the purpose of performing any such term or covenant. The Borrower agrees to repay all such sums advanced upon demand, with interest from the date such advances are made, at the Default Interest Rate, and all sums so advanced with interest shall be a part of the Obligations. The making of any such advances shall not be construed as a waiver by the Lender of any Event of Default resulting from the Borrower's failure to pay the amounts paid.

Section 6.12. Release or Extension by the Lender. The Lender, without notice to the Borrower and without in any way affecting the rights of the Lender hereunder as to any part of the Property not expressly released, may release any part of the Property or any person liable for any of the Obligations and may agree with any party with an interest in the Property to extend the time for payment of all or any part of the Obligations or to waive the prompt and full performance of any term, condition or covenant of the Note or any of the other Loan Documents.

Section 6.13. Partial Payments. Acceptance by the Lender of any payment of less than the full amount due on the Obligations shall be deemed acceptance on account only, and the failure of the Borrower to pay the entire amount then due shall be and continue to constitute an Event of Default, and at any time thereafter and until the entire amount due on the Obligations has been paid, the Lender shall be entitled to exercise all rights conferred on it by the terms of this Mortgage in case of the occurrence of an Event of Default.

Section 6.14. Notices. Any notice provided with respect to this Mortgage shall be conclusively deemed to have been received by a party hereto and be effective on the day on

which delivered to such party at the address set forth below (or at such other address as a party shall specify to the other party in writing) or if sent by registered or certified mail, on the third business day after the day on which mailed to such address:

(a) If to the Borrower, at: Reamer Development Corporation, Post Office Box 36849, Birmingham, Alabama 35236, Attention John G. Reamer, Jr.; and

(b) If to the Lender, at: National Bank of Commerce of Birmingham, 1927 First Avenue North, Birmingham, Alabama 35203, Attention: William G. Sanders, Jr.

Section 6.15. Release of Lots. So long as no Event of Default shall have occurred and be continuing, any Lots in the Project may be released from the Lien of this Mortgage upon the Borrower's request in connection with a bona fide sale of such Lot to a Purchaser accompanied by payment to the Lender of a sum equal to the following amount for each Lot for which a release is requested: the greater of (i) \$34,000 or (ii) ninety percent (90%) of the gross proceeds received by the Borrower from the sale of such Lot. Upon payment to the Lender of the release price with respect to any Lot, the Lender shall promptly deliver to the Borrower a partial release of said Lot from the Lien of this Mortgage, and the Lender shall apply the release price to the reduction of the Obligations secured hereby in such order as the Lender, in its sole discretion, may elect.

Section 6.16. Termination of Mortgage. This Mortgage and the Lender's Lien under this Mortgage in the Property will not be terminated until a written mortgage satisfaction instrument executed by one of the Lender's officers is filed for record in the county in which the Land is located. Even if the Borrower should pay all of the Obligations owing to the Lender at any one time, this Mortgage will continue to secure any sum the Borrower should later owe the Lender until the mortgage satisfaction instrument referred to above has been executed by the Lender. Except as otherwise expressly provided in this Mortgage, no satisfaction of this Mortgage shall in any way affect or impair the representations, warranties, agreements, covenants, obligations, duties and liabilities of the Borrower or the powers, rights and remedies of the Lender under this Mortgage with respect to any transaction or event occurring prior to such satisfaction, all of which shall survive such satisfaction. In no event shall the Lender be obligated to satisfy its Lien under this Mortgage or return or release the Property or any portion thereof to the Borrower (a) until payment in full of the Obligations then outstanding and the expiration of the applicable period for avoiding or setting aside such payment under bankruptcy or insolvency laws or (b) if the Lender is obligated to extend credit to the Borrower.

IN WITNESS WHEREOF, the undersigned Reamer Development Corporation has caused this instrument to be executed by its duly authorized officer on the date first written above.

1. **General Requirements Relating to Insurance Carriers.** All insurance coverages required by the Commitment must be provided by insurance companies acceptable to the Lender that are rated "A" or better by Best's Insurance Guide and Key Ratings and a claim payment rating by Standard & Poor's Corporation of AA or better. The aggregate amount of coverage provided by a single company must not exceed 5% of the company's policyholders' surplus. Any reinsurance endorsements must be approved by the Lender in writing. Reinsurance endorsements must stipulate that the Lender will receive 10 days' advance notice of any change in or cancellation of the reinsurance agreement. All insurance companies must be licensed and qualified to do business in the state where the insured collateral is located.

2. **Terms of Policies.**

(a) The deductible amount under each insurance policy must not exceed \$1,000.00. The original copy of each insurance policy or, in the case of a blanket policy, a copy of the original policy certified in writing by a duly authorized agent for the insurance company as a "true and certified" copy of the policy, must be delivered to the Lender. The Borrower shall not submit a certificate of insurance, in lieu of the original policy.

(b) Each policy must provide that, insofar as the Lender's interests under the policy are concerned, the coverage afforded thereby shall not lapse or be terminated, cancelled or modified by reason of (i) any act or negligence, or breach of any condition, declaration or warranty contained in any such policy, by the Borrower or any third party, (ii) the occupation, operation or use of the Project for purposes more hazardous than those permitted by the terms of the policy, (iii) any foreclosure or other proceeding or notice of sale relating to the Project, or (iv) any change in the title to or ownership of all or any portion of the Project.

(c) Each insurance policy must (i) provide primary insurance without right of contribution from any other insurance carried by the Lender, (ii) contain an express waiver by the insurer of any right of subrogation, setoff or counterclaim against any insured party thereunder, (iii) permit the Lender to pay premiums at the Lender's discretion and (iv) provide that no claims in excess of \$25,000.00 thereunder shall be adjusted or settled without the prior written consent of the Lender, which consent shall not be unreasonably withheld or delayed by the Lender.

3. **Types of Insurance.** The Borrower will at all times keep the Project insured against loss or damage from such causes as are customarily insured against, by prudent owners of similar facilities. Without limiting the generality of the foregoing, the Borrower will obtain and maintain in effect the following amounts and types of insurance:

(a) to the extent that any above-ground Improvements are now or hereafter included in the Project and such insurance is required by the Lender, until such time as the construction of the Improvements has been completed, builder's risk insurance with respect to all parts of the Project affected by or involved in such construction (including any equipment or other Personal Property so affected or involved) to such extent as is necessary to provide for full payment of the costs of restoring or replacing the property damaged or destroyed or, if insurance to such extent is not available, to the extent of the full insurable value of such parts of the Project;

(b) workmen's compensation insurance covering all persons involved in the construction of the Improvements and all employees of the Borrower to the extent required by law;

(c) to the extent that any above-ground Improvements are now or hereafter located on the Property or included in the Project and such insurance is required by the Lender, insurance against loss or damage to the Project (including plate glass breakage) due to fire, lightning, water, wind, theft, vandalism and malicious mischief with a uniform standard extended coverage endorsement, under which endorsement any loss is valued on a replacement cost basis, to the extent of the full insurable value of the Project, but in any event providing coverage in an amount not less than the unpaid principal amount of the Loan; provided, however, that the Borrower shall not be required to maintain such insurance with respect to Improvements fully covered by the builder's risk insurance required by subparagraph (a) of this paragraph 3; provided, further, however, that not less than 30 days before the date such builder's risk insurance will expire, the Borrower shall deliver to the Lender evidence satisfactory to the Lender that the insurance required by this subparagraph (c) will be in full force and effect when such builder's risk insurance expires;

(d) if any portion of the Project is located in a flood hazard area designated as such under the national flood insurance program, flood insurance in the amount of the lesser of (i) the unpaid principal amount of the Loan or (ii) the maximum limit of coverage made available with respect to the Project under said program; and

(e) comprehensive general liability insurance covering claims for bodily injury to or death of persons and for damage to or loss of property occurring on or about the Land or in any way related to the condition or operation of the Project, in the minimum amounts of \$500,000.00 for death of or bodily injury to any one person, \$1,000,000.00 for all death and bodily injury claims resulting from any one accident, and \$100,000.00 for property damage.
