It is expressly understood and agreed by Assignor and Assignee hereof that said Assignor reserves, and is entitled to collect, said rents, income and profits upon, but not prior to, their accrual under the aforesaid leases, and to retain, use and enjoy the same unless and until Assignor defaults in the performance of the terms and conditions of the Note or the Mortgage or this Assignment or any other other indebtedness owed by Assignor to Assignee.

Assignor does hereby authorize and empower Assignee, its successors and assigns, or the holder of the Note, upon default to take immediate possession of the real estate without notice and to collect upon demand, after any default hereunder or under the Mortgage or Note or under the documents evidencing or securing any other indebtedness due Assignee from Assignor, all of the rents, issues and profits now due or which may hereafter become due under or by virtue of any lease or leases, whether written or verbal, or any letting of, or agreement for the use or occupancy of any part of said real estate or the improvements thereon, and to take such action, legal or equitable, as may be deemed necessary to enforce payment of such rents, issues and profits. Any lessee or tenant making such payment to Assignee shall be under no obligation to inquire into or determine the actual existence of any default claimed by Assignee.

Any amounts received or collected by Assignee, its successors or assigns, by virtue of this Assignment shall be applied for the following purposes, but not necessarily in the order named, priority and application of such funds being within the sole discretion of the holder of the Note:
