3. That they will keep the buildings on said premises continuously insured in such amounts, in such manner and in such companies as may be satisfactory to the Mortgagee against loss by fire and such other hazards as Mortgagee may specify, with loss, if any, payable to said Mortgagee, and will deposit with Mortgagee policies for such insurance and will pay premiums therefor as the same become due. 5. That no delay or failure of the Mortgagee to exercise any option to declare the maturity of any debt secured by this mortgage shall be taken or deemed as a waiver of the right to exercise such option or to declare such forfeiture either as to past or present default on the part of said Mortgagors, and that the procurement of insurance or payment of taxes by the Mortgagee shall not be taken or deemed as a waiver of the right to declare the maturity of the indebtedness hereby secured by reason of the failure of the Mortgagors to procure such insurance or to pay such taxes, it being agreed that no terms or conditions contained in this mortgage can be waived, altered, or changed except as evidenced in writing signed by the Mortgagors and by the Mortgagee.

6. That they will well and truly pay and discharge any indebtedness hereby secured as it shall become due and payable including the note or notes above described, or renewals or extensions thereof, and any other notes or obligations of Mortgagors to Mortgagee whether now or hereafter incurred.

7. That the debt hereby secured shall at once become due and payable and this mortgage subject to foreclosure as herein provided at the option of the holder hereof when and if any statement of lien is filed under the statutes of Alabama relating to liens of mechanics and materialmen, without regard to the form and contents of such statement and without regard to the existence or non-existence of the debt or any part thereof, or of the lien on which such statement is based.

10. Transfer of the Property; Assumption. If all or any part of the mortgaged property or an interest therein is sold or transferred by Mortgagors without Mortgagee's prior written consent, excluding (a) the creation of a lien or encumbrance subordinate to this Mortgage, (b) the creation of a purchase money security interest for household appliances, (c) a transfer by devise, descent or by operation of law upon the death of a joint tenant or (d) the grant of any leasehold interest of three years or less not containing an option to purchase, Mortgagee may, at Mortgagee's option, declare all the sums secured by this Mortgage to be immediately due and payable. Mortgagee shall have waived such option to accelerate if, prior to the sale or transfer, Mortgagee and the person to whom the mortgaged property is to be sold or transferred reach agreement in writing that the credit of such person is satisfactory to Mortgagee and that the interest payable on the sums secured by this Mortgage shall be at such rate as Mortgagee shall request.

If Mortgagee exercises such option to accelerate, Mortgagee shall mail Mortgagors notice of acceleration. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Mortgagors may pay the sums declared due.
