SUBJECT: NOTARY BOND

DATE: AUGUST 28, 1989

The State of Alabama has broadened its Blanket Employee Dishonesty Bond so that it now provides full coverage for all Notaries Public employed by the State. Coverage is for \$10,000, as required by statute and extends through the four year license term. Additionally, the bond covers all of a notary's official acts, whether or not they are related to state business.

The new endorsement, a copy of which is attached, eliminates two understandable objections which Probate Judges had raised to the old policy - that it provided coverage for only one year, and covered only state business.

We are very pleased that we were able to persuade the Hartford Insurance Company to provide this broadened coverage at no extra cost.

Please advise if we can provide additional information.
