SUBJ: Notification of Eligibility for Retired Pay at Age 60 and Audit of Retirement Points

TO: TSG ROBERT W BRAMAN, ANG
257 GARRETT ST
VINCENT AL 35178-9744

1994-21743

1. This is to notify you that, having completed the required years of service under the provisions of Title 10, United States Code (U.S.C.), Section 1331, you will be entitled to retired pay upon application at age 60. Your eligibility for retired pay may not be denied or revoked on the basis of any error, unless it resulted directly from fraud or misrepresentation on your part. However, the number of years of creditable service and retirement points upon which retired pay is computed may be adjusted to correct any error. When such a correction is made, you will be eligible for retired pay in accordance with the number of years of creditable service, as corrected, from the date retired pay is granted.

2. This letter also serves as notification that you are eligible to participate in the Reserve Component Survivor Benefit Plan (RCSBP). This plan permits you to provide a monthly annuity to your designated beneficiaries in the event of your death. The options available are: Option A (defer election to age 60), Option B (annuity to begin on the date you would have reached age 60), and Option C (immediate annuity). Within 30 days you should receive detailed information on RCSBP by certified mail. If you do not receive the RCSBP package or have questions regarding the RCSBP package, contact the Entitlements Branch, ARPC/DPAE, DSN 926-6576 or toll free at 1-800-525-0102, ext 228. If you reside in the Denver Metro Area, call 676-6576.

3. In the event you are now or later become entitled, under any provision of law, to retired pay from an Armed Force or as a member of the Fleet Reserve or Fleet Marine Corps Reserve, you will not be entitled to retired pay under the provisions of 10 U.S.C. 1331, nor would you be eligible for the coverage provided under the RCSBP.

4. As of 7 February 1994 our records show that you have accrued 3516 points for retired pay. Points subsequently accrued prior to age 60 will also be credited to the maximum allowed.
