AMERICAN BANKERS ASSOCIATION - 1515 K STREET, N.W. - WASHINGTON, D.C. 20004

1994-24597

TO HAVE AND TO HOLD this property unto Lender and Lender's successors and assigns, forever, together with all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to manage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record, Borrower covenants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for material use and has uniform components with local variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Escrow Items") equal to taxes and assessments which may attain priority over this Security Instrument as a lien on the Property, (b) monthly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums, (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender as required by the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These sums are called "Funds." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amounts set forth above. A related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law that applies to the loan sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the amount that Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of costs of collecting the Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency (including state agencies) (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually, which may be waived by Lender, or for verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to charge a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax auditor to inspect a charge. Unless otherwise agreed in writing, or as provided by law, if applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest on interest on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the funds. Lender may, at any time, furnish without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the previous balance each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall disburse or hold such for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender is less than the amount necessary to pay the Escrow Items when due, Lender may so notify Borrower in writing and, no later than three months, shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly release the escrow items. Funds held by Lender, if, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the value secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraph 1, 2 and 3 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Chargear Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attachable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them in the manner of the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees, in writing, to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) consents to good faith defense thereby, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to give the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

Form 2001-240

5. Hazard or Property Insurance. Borrower shall keep the improvements from existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and acts of God, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 1.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard waiver of subrogation. Lender shall have the right to hold the policies and renewals, if Lender requires. Borrower shall pay premium to Lender in advance of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged. If the restoration or repair is economically feasible and Lender's security is not threatened if the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds need not be applied to the losses secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has refused to make a claim that Lender may collect the insurance proceeds, Lender may use the proceeds to repair or restore the Property and apply excess secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to repair shall not extend the postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or, except the amount of the payment. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance premium and insurance relating to damage to the Property prior to the acquisition shall pass to Lender to the extent of the amount secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Duties & Agreements; Lender's Duties. Borrower shall occupy, establish, and use the Property as Borrower's principal residence or other place where the title is set forth in this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which agreement shall not be unreasonably withheld or delayed unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall use Borrower's best efforts to protect the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall not, in default of any forthcoming action or proceeding, whether civil or criminal, it begun that in Lender's good faith judgment might create a forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by curing the action or proceeding or the default with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall show the undefault if Borrower, during the loan application process, gave materially false or inaccurate information or representations to Lender (or failed to provide Lender with any material information) in connection with the loan offered by the Note, contracting, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this security interest is one a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires the title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce liens or judgments, then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appealing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve or loss of mortgage insurance. Loss reserve

payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a fire reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for encroachment in law or otherwise, are hereby constituted joint and several liability.

In the event of a total taking of the Property, the proceeds shall be applied to the extent necessary to the satisfaction of Lender, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property to satisfy the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree, the amount received by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following percentage, and the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property to an amount less than the market value of the Property immediately before the taking is less than the amount of the sums secured by this Security Instrument, unless Borrower and Lender otherwise agree in writing or unless applicable law provides otherwise, the full amount shall be applied to the sums secured by this Security Instrument whether or not the sum is less than the amount received.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the same is about to be sold or awarded or settle a claim for damages, Borrower fails to respond to Lender within ten (10) days after such notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to extinguish the debt or to the payment of any other sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds in part or in whole or payment or postponement of the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of any payment or

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Notwithstanding the otherwise automatic amortization of the sums secured by this Security Instrument granted by Lender to any holder or assignee of Borrower, shall not operate to release the liability of the original Borrower or Borrower's successors or assigns unless made so by general or commenced proceedings against any successor in interest or refuse to extend term for payment or require complete extinguishment of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be construed as a waiver of the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Consignment. The successors and assigns of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only as a witness, trust or attorney that Borrower's interest in the Property under the terms of this Security Instrument, (b) is not expressly authorized to sign the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower who signs the Note, need not forbear or make any accommodations with regard to the terms of this Security Instrument or the sums secured thus Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a state or local law requiring loans charges, and that law is finally interpreted so that the interest or other loan charges collected by the creditor in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be deducted by the creditor necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial payment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it, or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a holder of record) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by law or by the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall contain a statement of time less than 30 days from the date the notice is delivered or mailed within which Borrower must pay the sums required by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may, at its option and permitted by this Security Instrument without further notice or demand on Borrower:

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower may have the right to reinstate this Security Instrument discontinued at any time prior to the earlier of (a) 5 days after notice given under applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. These conditions are that Borrower (a) pays Lender all sums which then would be due under this Security Instrument and the Note as of the date payment was received, (b) cures any default of any other covenants or agreements, (c) pays all expenses incurred in defending this Security Instrument including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably request to ensure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligations to pay the sum(s) referred to in this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, the Borrower's obligations under this obligation secured hereby shall remain fully effective as if no acceleration had occurred. However, the right to accelerate does not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note is a partial interest in the Property and is not transferable. This Security Instrument may be sold one or more times without prior notice to Borrower. A sale may result in a change of the servicer. Borrower (the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. The new servicer may make no more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change in the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The new servicer will receive the same address of the new Loan Servicer and the address to which payments should be made. The new servicer will receive the same information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence of, creation or storage, removal or use of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use or storage on the Property of small quantities of Hazardous Substances that are generally recognized as being present in residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, notice or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substances or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is required, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined or deemed to be substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic substances, paint, paint thinners and稀释剂, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument that and prior to acceleration under paragraph 17 unless applicable law provides otherwise. The notice shall specify: (a) the default; (b) the actions required to cure the default; and (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

FIXED/ADJUSTABLE RATE RIDER

(1-Year Treasury Index—Rate Caps—Fixed Rate Conversion Option)

THIS FIXED/ADJUSTABLE RATE RIDER is made this 28th day of July 1994, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to Collateral Mortgage, Ltd. (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

5156 South Broken Bow Drive Birmingham, Alabama 35242

[Property Address]

THE NOTE PROVIDES FOR A CHANGE IN THE BORROWER'S FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A NEW FIXED RATE.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 7.625%. The Note also provides for a change in the initial fixed rate to an adjustable interest rate, as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of August 1, 1999, and on that day every 12th month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date of day before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two and three fourth's percentage points (2.75%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 12.625% or less than 5.625%. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 12.625%, which is called the "Maximum Rate".

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given, and also the name and telephone number of a person who will answer any questions I may have regarding the notice.

B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a new fixed interest rate, as follows:

5. FIXED INTEREST RATE CONVERSION OPTION

(A) Option to Convert to Fixed Rate

I have a Conversion Option that I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below.

The conversion can only be done on the first, second or third Change Date. Each Change Date on which my interest rate can convert from an adjustable rate to a fixed rate also is called the "Conversion Date." I can convert my interest rate only on one of these three Conversion Dates.

If I want to exercise the Conversion Option, I must first meet certain conditions. These conditions are that: (i) I must give the Note Holder notice that I want to do so; (ii) on the Conversion Date, I must not be in default under the Note or the Security Instrument; (iii) by a date specified by the Note Holder, I must pay the Note Holder a conversion fee of U.S. \$ 250.00 ; and (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

(B) Calculation of Fixed Rate

My new, fixed interest rate will be equal to the Federal National Mortgage Association's proposed net yield as of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%), or (ii) if the original term of this Note is 15 years or less, 15-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%). If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using a comparable rate method. My new rate calculated under this Section 5(B) will not be greater than the Maximum Rate stated in Section 4(D) above.

(C) New Payment Amount and Effective Date

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the accelerated payment that would be sufficient to repay the unpaid principal I am expected to owe on the 1st day of each month in full on the Maturity Date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the Maturity Date.

C. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

1. Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, or after the Borrower exercises the Conversion Option under the conditions stated in Section B above, Uniform Covenant 17 of the Security Instrument shall be in effect as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of that period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. When Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section 4 above, and until Borrower exercises the Conversion Option under the conditions stated in Section B above, Uniform Covenant 17 of the Security Instrument contained in Section C. 1 above shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall be amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Fixed/Adjustable Rate Rider.
