Re: Chert Road running Northwesterly off County Highway 41 known as the Adams Road and Adams Lane.

This is to advise that the chert road known as the Adams Road is presently maintained by the Shelby County Highway Department. It is maintained for approximately 2800 feet to the intersection of Adams Lane. Adams Lane is also presently maintained by our department for approximately 300 feet to the left from the intersection of Adams Road. This involves periodic blading and ditch cleaning when it can be scheduled by the Department.

Said roads are located in the N W 1/4 of Section 18, Township 18 South, Range 1 East.

If additional information is needed, please contact me at this office.

Yours truly,

Rick Mitchell
