All repla ements and additions shall also ce overed cy this Se urity Instrument. All of the foregoing is referred to in this Se urity Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate herecy onveyed and has the right to mortgage, grant and onvey the Property and that the Property is unen uncered, ex ept for en uncran es of re ord. Borrower warrants and will defend generally the title to the Property against all laims and demands, sucje t to any en uncran es of re ord.

THIS SECURITY INSTRUMENT omcines uniform ovenants for national use and non-uniform ovenants with limited variations cy jurisdi tion to onstitute a uniform se urity instrument overing real property.

UNIFORM COVENANTS. Borrower and Lender ovenant and agree as follows:

- 1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the prin ipal of and interest on the dect eviden ed cy the Note and any prepayment and late harges due under the Note.
- 2. Funds for Taxes and Insurance. Sucjet to appli acle law or to a written waiver cy Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments whi h may attain priority over this Se urity Instrument as a lien on the Property; (c) yearly leasehold payments or ground rents on the Property, if any; () yearly hazard or property insuran e premiums; (d) yearly flood insuran e premiums, if any; (e) yearly mortgage insuran e premiums, if any; and (f) any sums payacle cy Borrower to Lender, in a ordan e with the provisions of paragraph 8, in lieu of the payment of mortgage insuran e premiums. These items are alled "Es row Items." Lender may, at any time, olle t and hold Funds in an amount not to ex eed the maximum amount a lender for a federally related mortgage loan may require for Borrower's es row a ount under the federal Real Estate Settlement Pro edures A t of 1974 as amended from time to time, 12 U.S.C. Se tion 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, olle t and hold Funds in an amount not to ex eed the lesser amount. Lender may estimate the amount of Funds due on the casis of urrent data and reasonacle estimates of expenditures of future Es row Items or otherwise in a ordan e with appli acle law.

The Funds shall ce held in an institution whose deposits are insured cy a federal agen y, instrumentality, or entity (in luding Lender, if Lender is su h an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Es row Items. Lender may not harge Borrower for holding and applying the Funds, annually analyzing the es row a ount, or verifying the Es row Items, unless Lender pays Borrower interest on the Funds and appli acle law permits Lender to make su h a harge. However, Lender may require Borrower to pay a one-time harge for an independent real estate tax reporting servi e used cy Lender in onne tion with this loan, unless appli acle law provides otherwise. Unless an agreement is made or appli acle law requires interest to ce paid, Lender shall not ce required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall ce paid on the Funds. Lender shall give to Borrower, without harge, an annual a ounting of the Funds, showing redits and decits to the Funds and the purpose for whi h ea h decit to the Funds was made. The Funds are pledged as additional se urity for all sums se ured cy this Se urity Instrument.

If the Funds held cy Lender ex eed the amounts permitted to ce held cy appli acle law, Lender shall a ount to Borrower for the ex ess Funds in a ordan e with the requirements of appli acle law. If the amount of the Funds held cy Lender at any time is not suffi ient to pay the Es row Items when due, Lender may so notify Borrower in writing, and, in su h ase Borrower shall pay to Lender the amount ne essary to make up the defi ien y. Borrower shall make up the defi ien y in no more than twelve monthly payments, at Lender's sole dis retion.

Upon payment in full of all sums se ured cy this Se urity Instrument, Lender shall promptly refund to Borrower any Funds held cy Lender. If, under paragraph 21, Lender shall a quire or sell the Property, Lender, prior to the a quisition or sale of the Property, shall apply any Funds held cy Lender at the time of a quisition or sale as a redit against the sums se ured cy this Se urity Instrument.

3. Application of Payments. Unless appli acle law provides otherwise, all payments re eived cy Lender under paragraphs 1 and 2 shall ce applied: first, to any prepayment harges due under the Note; se ond, to amounts payacle under paragraph 2; third, to interest due; fourth, to prin ipal due; and last, to any late harges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, harges, fines and impositions attricutacle to the Property whi h may attain priority over this Se urity Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these ocligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time dire tly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to ce paid under this paragraph. If Borrower makes these payments dire tly, Borrower shall promptly furnish to Lender re cipts eviden ing the payments.

Borrower shall promptly dis harge any lien whi h has priority over this Se urity Instrument unless Borrower: (a) agrees in writing to the payment of the ocligation se ured cy the lien in a manner a eptacle to Lender; (c) ontests in good faith the lien cy, or defends against enfor ement of the lien in, legal pro eedings whi h in the Lender's opinion operate to prevent the enfor ement of the lien; or () se ures from the holder of the lien an agreement satisfa tory to Lender sucordinating the lien to this Se urity Instrument. If Lender determines that any part of the Property is sucjet to a lien whi h may attain priority over this Se urity Instrument, Lender may give Borrower a noti e identifying the lien. Borrower shall satisfy the lien or take one or more of the a tions set forth acove within 10 days of the giving of noti e.

Form 3001 9/90

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter ere ted on the Property insured against loss cy fire, hazards in luded within the term "extended overage" and any other hazards, in luding floods or flooding, for whi h Lender requires insuran e. This insuran e shall ce maintained in the amounts and for the periods that Lender requires. The insuran e arrier providing the insuran e shall ce hosen cy Borrower sucje t to Lender's approval whi h shall not ce unreasonacly withheld. If Borrower fails to maintain overage des riced acove, Lender may, at Lender's option, octain overage to prote t Lender's rights in the Property in a ordan e with paragraph 7.

All insuran e poli ies and renewals shall ce a eptacle to Lender and shall in lude a standard mortgage lause. Lender shall have the right to hold the poli ies and renewals. If Lender requires, Borrower shall promptly give to Lender all re eipts of paid premiums and renewal noti es. In the event of loss, Borrower shall give prompt noti e to the insuran e arrier and Lender. Lender may make proof of loss if not made promptly cy Borrower.

Unless Lender and Borrower otherwise agree in writing, insuran e pro eeds shall ce applied to restoration or repair of the Property damaged, if the restoration or repair is e onomi ally feasicle and Lender's se urity is not lessened. If the restoration or repair is not e onomi ally feasicle or Lender's se urity would ce lessened, the insuran e pro eeds shall ce applied to the sums se ured cy this Se urity Instrument, whether or not then due, with any ex ess paid to Borrower. If Borrower acandons the Property, or does not answer within 30 days a noti e from Lender that the insuran e arrier has offered to settle a laim, then Lender may olle t the insuran e pro eeds. Lender may use the pro eeds to repair or restore the Property or to pay sums se ured cy this Se urity Instrument, whether or not then due. The 30-day period will cegin when the noti e is given.

Unless Lender and Borrower otherwise agree in writing, any appli ation of pro eeds to prin ipal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or hange the amount of the payments. If under paragraph 21 the Property is a quired cy Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the a quisition shall pass to Lender to the extent of the sums secured cy this Se urity Instrument immediately prior to the a quisition.

- 6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall o upy, estaclish, and use the Property as Borrower's prin ipal residen e within sixty days after the exe ution of this Se urity Instrument and shall ontinue to o upy the Property as Borrower's prin ipal residen e for at least one year after the date of o upan y, unless Lender otherwise agrees in writing, whi honsent shall not ce unreasonacly withheld, or unless extenuating ir umstan es exist whi h are ceyond Borrower's ontrol. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or ommit waste on the Property. Borrower shall ce in default if any forfeiture a tion or pro eeding, whether ivil or riminal, is cegun that in Lender's good faith judgment ould result in forfeiture of the Property or otherwise materially impair the lien reated cy this Se urity Instrument or Lender's se urity interest. Borrower may ure such a default and reinstate, as provided in paragraph 18, cy ausing the ation or proceeding to ce dismissed with a ruling that, in Lender's good faith determination, pre ludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien reated cy this Se urity Instrument or Lender's se urity interest. Borrower shall also ce in default if Borrower, during the loan appli ation pro ess, gave materially false or ina urate information or statements to Lender (or failed to provide Lender with any material information) in onne tion with the loan eviden ed cy the Note, in luding, cut not limited to, representations on erning Borrower's o upan y of the Property as a prin ipal residen e. If this Se urity Instrument is on a leasehold, Borrower shall omply with all the provisions of the lease. If Borrower a quires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.
- 7. Protection of Lender's Rights in the Property. If Borrower fails to perform the ovenants and agreements ontained in this Se urity Instrument, or there is a legal pro ceding that may signifi antly affe t Lender's rights in the Property (su h as a pro eeding in cankrupt y, procate, for ondemnation or forfeiture or to enfor e laws or regulations), then Lender may do and pay for whatever is ne essary to prote t the value of the Property and Lender's rights in the Property. Lender's a tions may in lude paying any sums se ured cy a lien whi h has priority over this Se urity Instrument, appearing in ourt, paying reasonacle attorneys' fees and entering on the Property to make repairs. Although Lender may take a tion under this paragraph 7, Lender does not have to do so.

Any amounts discursed cy Lender under this paragraph 7 shall ce ome additional dect of Borrower se ured cy this Se urity Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall cear interest from the date of discursement at the Note rate and shall ce payacle, with interest, upon noti e from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insuran e as a ondition of making the loan se ured cy this Se urity Instrument, Borrower shall pay the premiums required to maintain the mortgage insuran e in effe t. If, for any reason, the mortgage insuran e overage required cy Lender lapses or eases to ce in effe t, Borrower shall pay the premiums required to octain overage sucstantially equivalent to the mortgage insuran e previously in effe t, at a ost sucstantially equivalent to the ost to Borrower of the mortgage insuran e previously in effe t, from an alternate mortgage insurer approved cy Lender. If sucstantially equivalent mortgage insuran e overage is not available, Borrower shall pay to Lender ea h month a sum equal to one-twelfth of the yearly mortgage insuran e premium ceing paid cy Borrower when the insuran e overage lapsed or eased to ce in effe t. Lender will a ept, use and retain these payments as a loss reserve in lieu of mortgage insuran e. Loss reserve

Form 3001 9/90

payments may no longer ce required, at the option of Lender, if mortgage insuran e overage (in the amount and for the period that Lender requires) provided cy an insurer approved cy Lender again ce omes available and is octained. Borrower shall pay the premiums required to maintain mortgage insuran e in effe t, or to provide a loss reserve, until the requirement for mortgage insuran e ends in a ordan e with any written agreement cetween Borrower and Lender or appli acle law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give

Borrower noti e at the time of or prior to an inspe tion spe ifying reasonacle ause for the inspe tion.

10. Condemnation. The pro eeds of any award or laim for damages, dire t or onsequential, in onne tion with any ondemnation or other taking of any part of the Property, or for onveyan e in lieu of ondemnation, are herecy assigned and shall ce paid to Lender.

In the event of a total taking of the Property, the pro eeds shall ce applied to the sums se ured cy this Se urity Instrument, whether or not then due, with any ex ess paid to Borrower. In the event of a partial taking of the Property in whi h the fair market value of the Property immediately cefore the taking is equal to or greater than the amount of the sums se ured cy this Se urity Instrument immediately cefore the taking, unless Borrower and Lender otherwise agree in writing, the sums se ured cy this Se urity Instrument shall ce redu ed cy the amount of the pro eeds multiplied cy the following fra tion: (a) the total amount of the sums se ured immediately cefore the taking, divided cy (c) the fair market value of the Property immediately cefore the taking. Any calan e shall ce paid to Borrower. In the event of a partial taking of the Property in whi h the fair market value of the Property immediately cefore the taking is less than the amount of the sums se ured immediately cefore the taking, unless Borrower and Lender otherwise agree in writing or unless appli acle law otherwise provides, the pro eeds shall ce applied to the sums se ured cy this Se urity Instrument whether or not the sums are then due.

If the Property is acandoned cy Borrower, or if, after noti e cy Lender to Borrower that the ondemnor offers to make an award or settle a laim for damages, Borrower fails to respond to Lender within 30 days after the date the noti e is given, Lender is authorized to olle t and apply the pro eeds, at its option, either to restoration or repair of the Property or to the sums se ured cy this Se urity Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any appli ation of pro eeds to prin ipal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or hange the amount of su h payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured cy this Security Instrument granted cy Lender to any successor in interest of Borrower shall not operate to release the liacility of the original Borrower or Borrower's successors in interest. Lender shall not ce required to ommen e proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured cy this Security Instrument cy reason of any demand made cy the original Borrower or Borrower's successors in interest. Any forcearance cy Lender in exercising any right or remedy shall not ce a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The ovenants and agreements of this Se urity Instrument shall cind and cenefit the su essors and assigns of Lender and Borrower, sucjet to the provisions of paragraph 17. Any Borrower who o-signs this Se urity Instrument cut does not exe ute the Note: (a) is o-signing this Se urity Instrument only to mortgage, grant and onvey that Borrower's interest in the Property under the terms of this Se urity Instrument; (c) is not personally ocligated to pay the sums se ured cy this Se urity Instrument; and () agrees that Lender and any other Borrower may agree to extend, modify, forcear or make any a ommodations with regard to the terms of this Se urity Instrument or the Note without that Borrower's onsent.

13. Loan Charges. If the loan se ured cy this Se urity Instrument is sucjet to a law which sets maximum loan harges, and that law is finally interpreted so that the interest or other loan harges olle ted or to be olle ted in onne tion with the loan ex eed the permitted limits, then: (a) any such loan harge shall be reduced by the amount necessary to reduce the harge to the permitted limit; and (c) any sums already olle ted from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may hoose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment harge under the Note.

14. Notices. Any noti e to Borrower provided for in this Se urity Instrument shall ce given cy delivering it or cy mailing it cy first lass mail unless appli acle law requires use of another method. The noti e shall ce dire ted to the Property Address or any other address Borrower designates cy noti e to Lender. However, this option shall not ce exer ised cy Lender if exer ise is prohicited cy federal law as of the date of this Se urity Instrument.

If Lender exer ises this option, Lender shall give Borrower noti e of a eleration. The noti e shall provide a period of not less than 30 days from the date the noti e is delivered or mailed within whi h Borrower must pay all sums se used cy this Se usity Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted

There also may ce one or more hanges of the Loan Servi er unrelated to a sale of the Note. If there is a hange of the Loan Servi er, Borrower will ce given written noti e of the hange in a ordan e with paragraph 14 acove and appli acle law. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. FIXED/ADJUSTABLE RATE RIDER
(1 Year Treasury Index - Rate Caps - Fixed Rate Conversion Option)

THIS FIXED/ADJUSTABLE RATE RIDER is made this 30th day of <u>December</u> , 1994, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to <u>GREAT FINANCIAL BANK</u> , FSB
(the "Lender") of the same date and covering the property described in the Security Instrument and located at: 5167 GREYSTONE WAY , B/IRMINGHAM, AL 35242
Hoover Q30 (Hoperty Address)
THE NOTE PROVIDES FOR A CHANGE IN THE BORROWER'S FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE INITIAL FIXED RATE TO A NEW FIXED RATE.
ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:
A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES
The Note provides for an initial fixed interest rate of 9.0000 %. The Note also provides for a change in the initial fixed rate to an adjustable interest rate, as follows:
4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES
(A) CHANGE DATES
The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of <u>January</u> and on that day every 12th month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date".
(B) THE INDEX
Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index".
If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.
(C) CALCULATION OF CHANGES
Before each Change Date, the Note Holder will calculate my new interest rate by adding Three percentage point(s) (3.000%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.
The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the

unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) LIMITS ON INTEREST RATE CHANGES

The interest rate I am required to pay at the first Change Date will not be greater than _____14.0000_% or less than _____4.0000_%. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than _____14.0000_%, which is called the "Maximum Rate".

(E) EFFECTIVE DATE OF CHANGES

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) NOTICE OF CHANGES

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a new fixed interest rate, as follows:

5. FIXED INTEREST RATE CONVERSION OPTION

(A) OPTION TO CONVERT TO FIXED RATE

I have a one time Conversion Option that I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an initial fixed rate to a new fixed rate calculated under Section 5(B) below.

The conversion can only take place on the first Change Date. The Change Date on which my interst rate can convert from an initial rate to a new fixed rate also is called the "Conversion Date." I can convert my interest rate only on this Conversion Date.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) I must give the Note Holder notice that I want to do so; (ii) on the Conversion Date, I must not be in default under the Note or the Security Instrument; (iii) by a date specified by the Note Holder, I must pay the Note Holder a conversion fee of U.S. \$____250.00; and (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

(B) CALCULATION OF FIXED RATE

My new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield as of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus

one and one-eighths of one percentage point (1.125%), rounded to the nearest one-eighth of one percentage point (0.125%), or (ii) if the original term of this Note is 15 years or less, 15-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus one and one-eighths of one percentage point (1.125%), rounded to the nearest one-eighth of one percentage point (0.125%). If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information. My new rate calculated under this Section 5(B) will not be greater than the Maximum Rate stated in Section 4(D) above.

(C) NEW PAYMENT AMOUNT AND EFFECTIVE DATE

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the Maturity Date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the Maturity Date.

C. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

1. After the Borrower exercises the Conversion Option under the conditions stated in Section B above, Uniform Convenant 17 of the Security Instrument shall be in effect as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. Prior to the first Change Date, and if the Borrower does not exercise the Conversion Option under the conditions stated in Section B above, Uniform Covenant 17 of the Security Instrument contained in Section C 1 above shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall be amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless the Lender releases Borrower in writing.

Program 1J7G - Multistate, 11-28-94

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Fixed/Adjustable Rate Rider.
