- B.7. No chain link or solid wood fencing shall extend nearer the street than the rear line of the dwelling. In any event, all fences must be approved in advance by the ACC.

The same sightline limitations shall apply on any lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No trees shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at such sufficient heights to prevent obstruction of such sightlines.

- B.14. It is the intent of the Developer to preserve for present and future lot owners a heavily wooded physical environment in which a maximum amount of existing vegetation is preserved in an undisturbed state, typical of an oak-hickory forest, and that each lot owner is required to replace dying, diseased or absent trees in order to maintain a desired degree of tree coverage. Hence, each lot owner in the Development shall observe the following restrictions regarding removal and restoration of vegetation: no more than fifty percent (50%) of the trees may be removed; the owner must replant dead or diseased trees; any clearing, cutting or pastureland must be approved by the ACC and must be located behind the home and no closer than thirty (30) feet from the boundary line.

Developer or its transferrors or assigns reserves the right to make any road or other improvements abutting on said property, to change the present road or other street grades, if necessary, without liability to the lot owners their heirs and assigns for any claims for damages; and further reserves the right to change or modify the restrictions on any property in said development.
- B.16. During all construction, all vehicles, including those delivering supplies, must enter the building lot on the driveway only as approved by the undersigned so as not to unnecessarily damage trees, and street paving. Any damage not repaired by the contractor will be repaired by the undersigned (after ten (10) days written notice) and will be charged to the contractor (owner) at a reasonable charge for such services, which charge shall constitute a lien upon such enforceable by appropriate proceedings at law or equity. During construction, all Builders must keep the homes, garages, and building sites clean. All building debris, stumps, trees, etc. must be removed from each building lot by the Builder as often as necessary to keep the house and lot attractive. - B.18. HAMPTON LAKE - There shall be reserved for the Developer, its heirs and assigns (including the Homeowners' Association) a beautification easement extending from the water line of Hampton Lake for thirty (30) feet inward on the lot. No permanent structure or other item detracting from the aesthetic value of said lake shall be permitted to be constructed or remaining on said easement. Other lakes in the subdivision shall be deeded to the abutting property owners who may, from time to time, establish such rules and regulations for their exclusive use as they determine to be appropriate. There shall be no live bait used in any of the lakes, nor shall there be any motor driven boats allowed.
- B.19. No lot shall be sold or used for the purpose of extending any public or private road, street, or alley, for the purpose of opening any road, street, or alley, except by the prior written consent of the Developer, it's successors and assigns.

- B.21. Motorized vehicular traffic of any type is strictly prohibited on any common area or beautification easement in the Development except as may be required by the Developer of Homeowner's Association for maintenance or construction.
- B.22. No basketball goal or similar object may be installed nearer the street than the front building line of the dwelling. The backboard will be of clear or smoked flexiglas construction and the supporting structure shall be painted dark green.
- B.23. All mailboxes shall be of a standard design and type as determined by the Developer and shall be installed at the expense of the builder or owner.
- b.24. No lot in said subdivision may be subdivided or replatted without the express written consent and approval of the Developer and the appropriate government agency.

IV. HIGH HAMPTON HOMEOWNERS' ASSOCIATION

- A. Every owner of a lot in the Development is subject to assessment and shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment and subject to the provisions of the Protective Covenants.
- B. The Association shall have one (1) class of voting membership. The members shall be owners and shall be entitled to one (1) vote for each lot owned. When more than one (1) person holds an interest in any lot, all such persons shall be members. The vote for such lot shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any lot.

C. ASSESSMENT

- C.1. There will be an annual assessment of One Hundred Twenty and no/100 Dollars (\$120.00) to be paid for the maintenance of the entrance way, Hampton Lake, landscaping and any other deemed common area within the subdivision. The assessment will be due and payable at the closing of each home in the subdivision, or twelve (12) months from the lot closing, or whichever occurs first. The annual assessment of One Hundred Twenty and no/100 Dollars (\$120.00) shall be made payable to Savannah Development, Inc. Maintenance Account and due on the anniversary date of each year thereafter until one hundred per cent (100%) of the homes in the subdivision have sold and closed.
- C.2. With respect to lots 78, 79, 80, 81, and 82 the annual assessment shall not exceed that of one (1) lot until and unless any lot is used for the location of a dwelling. In that event, the lot so used shall be assessed as an individual lot at the then level of assessment. The same shall also extend to voting privileges.
- C.3. The homeowner will be notified in writing within thirty (30) days of 100% of the homes closing that the assessment will then become due to the High Hampton Homeowners' Association and placed in an escrow account. The certification of 100% of the homes closing shall state that the ACC, maintenance of the entrance way, Hampton Lake, landscaping and any other deemed common area in the subdivision will be the sole responsibility of the High Hampton Homeowners' Association. The Developer shall have the sole authority to allow the Homeowners' Association to take over the above responsibilities at an earlier date if he so chooses by a recorded document.
- C.4. The maximum annual assessment may be increased each year by not more than five (5) percent of the previous year's assessment without a majority vote of the Homeowners' Association. The Homeowners' Association may fix the annual assessment at an amount not to exceed One Hundred Fifty and no/100 Dollars (\$150.00) unless greater assessment be approved by a two-thirds (2/3) vote of the membership of the Homeowners' Association.
- C.5. Written notice of any meeting called for the purpose of taking any action authorized under Section C.4. shall be sent to all members not less than thirty (30) days but not more than sixty (60) days in advance of the meeting. At the first such called meeting, the presence of members or proxies entitled to cast sixty (60) percent of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

- C.6. The Homeowners' Association shall upon demand and for a reasonable charge furnish a certificate signed by an officer of the Association setting forth whether the assessment has been paid. A properly executed certification of the Association as to the status of the assessment on a lot is binding upon the Association as of the date of its issuance. This will be the responsibility of the Developer until such time as it is turned over to the Association.
- C.7. Any assessments which are not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Association may bring action against the Owner personally obligated to pay the same or foreclose the lien against the property. This lien may be foreclosed by the Association upon the sale of the property by Owner or the nonpayment of assessment for two (2) consecutive years. No owner may waive or otherwise escape liability for the assessment provided herein. (except for Section C.2.)
- C.8. The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lots shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceedings and lien thereof shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall release such lot from liability for any assessment thereafter becoming due or from the lien thereof.

V. PROTECTIVE COVENANTS RUNNING WITH THE LAND

It is understood and agreed that the foregoing covenants and restrictions shall attach to and run with the land for a period of twenty-five (25) years from February 15, 1995, at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless by a vote of the majority of the then owners of the lots, it is agreed to change same in whole or part, and that it shall be lawful for the developer and lot owners to institute and prosecute any proceedings at law or in equity against that person, persons, corporation or corporations violating or threatening to violate said covenants and restrictions; and failure to institute proceedings for any one or more violations shall not constitute approval of same or be construed as a waiver of any right of action contained herein, for past or future violations of said covenants and restrictions.

VI. ALTERATION

These covenants and restrictions may be altered only with the consent of a majority vote of lot owners and agreement of the developer.

VII. NOTICES

Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed by United States mail, postage paid, to the street address of the lot owned by such owner.

VIII. SEVERABILITY

Each and every covenant and restriction contained herein shall be considered to be an independent and separate covenant and agreement, and in the event any one or more of said covenants or restrictions shall, for any reason, be held to be invalid or unenforceable, all remaining covenants and restrictions shall nevertheless remain in full force and effect. Invalidity of any provision or provisions hereof by judgement or court order shall in no way affect any previous other provision, all of which shall remain in full force and effect.

IX. GOVERNING LAW

Should any dispute or litigation arise between any of the parties whose rights or duties are affected or determined by this Declaration as the same may be amended from time to time, said dispute or litigation shall be governed by the laws of the State of Alabama, city of Pelham and County of Shelby.

X. CAPTIONS
