I, Arthur Duane Ipson, a free white Citizen within the meaning of the Preamble to, and the Constitution of the United States of America, of the People of the Sovereign Body Politic, hereby affirm, declare and give notice that:

1. I, Arthur Duane Ipson, am of lawful age and competent, I am a free white Citizen of the People of the Sovereign Body Politic in the state of Alabama and thereby in the United States of America, by natural birth and inheritance, within the state of Alabama, protected by the Constitution of the state of Alabama (1819) and by the original Constitution of the United States of America (1787), including...; and,

STATEMENT OF ORIGINAL STATUS

2. I, Arthur Duane Ipson, a free white Citizen of the People of the Sovereign Body Politic in the state of Alabama, was born on or about November 19, 1947 in the county of Yavapai, in the state of Arizona, a State of the United States of America; and,
3. I, Arthur Duane Ipson, was sired by Harmon Wilhelm Ipson, a Citizen, within the meaning of the Preamble to and the Constitution of the United States of America, and thereby a member of the Sovereign Body Politic, in the state of Oklahoma, born on or about May 31, 1925, in the county of Dewey, in the state of Oklahoma, a State of the United States of America; and,
4. I, Arthur Duane Ipson, was given birth by Jerry Dean Proffit, a free white Citizen of the Sovereign Body Politic, in the state of Washington, born on or about March 12, 1929, in the county of Dewey, in the state of Oklahoma, a State of the United States of America; and,
5. Harmon Wilhelm Ipson and Jerry Dean Proffit were one, joined in the state of Holy wedlock at the time Arthur Duane Ipson was natural born to them; and,

STATEMENT OF CAUSE

6. Social Security (FICA) is a voluntary social insurance policy which, by submission, suborns me, an otherwise natural born free white Citizen of the People of the Sovereign Body Politic in the state of Alabama, by virtue of birth and inheritance and thereby a Citizen within the United States of America, into the Federal jurisdiction that has been created within regional concepts, to divest the Posterity of their birthright in the Statute of 1776 (The Declaration of Independence) and to reduce the posterity to mere subjects of the United States and, thereby, reduce the sovereignty of the several States to no effect, as districts, in a scheme of centralized government throughout the national socialist scheme of the Social Security Act; and,
7. The Social Security (FICA) social insurance scheme is deployed to limit my title of "Citizen," with intent, through misrepresentation, to impair, extort and divest me of my God-given Unalienable Rights (viz, natural rights), otherwise protected by the limitations set forth in the Organic Law for the United States of America, by requiring me through uninformed, implied and direct, consent (submission) to surrender or limit the affect of my title of Citizen of the People of the Sovereign Body Politic in Alabama, to accomplish ends wholly beyond the sphere set forth by the Declaration of Independence (1776), the original Constitution of the United States of America (1787), ant the Bill of Rights (1791); and,

8. The Social Security scheme (FICA) is a stealthy encroachment on, and an easy way to circumvent, the limitation(s) and guarantee(s), provided by "We the People," against singular centralized government, specifically, but not limited to, the limitations and guarantees against abridgement and subornation of my Inalienable and Unalienable Rights of God, as expressed and asserted in the Declaration of Independence (1776), as set forth in the original Constitution of the United States of America (1787), and its Bill of Rights (1791), and, as earlier expressed and asserted in the Declaration and Resolves of the First Continental Congress (1774); and,
9. Participation in Social Security, a social insurance policy, and the agency (power of attorney) scheme thereunder, is an attempt by creatures of the government to compel me into a joint adventure, with regional (interstate and international) statutory implications, of an intragovernmental nature, in the jurisdiction(s) that now exist in the United States, codified pursuant to declaratory Amendments not provided for in the Constitution of the United States of America (1787); and,
10. Only by my informed consent can the government exercise an otherwise unauthorized intragovernmental authority over me, in the jurisdiction(s) of the United States, outside the limitations of the original Constitution (1787) and the Bill of Rights (1791); and,
11. All power (right) belongs within me, to accept or deny control, in areas of law which are not within the jurisdiction of the organic Constitution of the United States of America (1787) and the Constitutions of the several States, that could pertain, or attempt to pertain, to me, as one of "We the People" of the Preamble to the Constitution of the United States of America (1787), which power (right) is protected by the limitations set forth in the 9th Article in Amendment to the Organic Constitution [Bill of Rights (1791)]; and,
12. I was deceived into believing that I was required, or could be required, to obtain a Social Security account and number in order to exercise my basic rights of Life, Liberty, and the Pursuit of Happiness; and,
13. The application for, and Social Security Account (SS-5) contains no warning of its implications or conditions, nor does it set forth where its implications or conditions might be discovered; and,

RESCISSION FOR CAUSE

14. WHEREFORE, formal notice is hereby given, that I, Arthur Duane Ipson, am of lawful age and competent, am a natural born free white Citizen of the People of the Sovereign Body Politic in the state of Alabama, by virtue of birth and inheritance, and thereby a Citizen within the United States of America and Co-Heir to the limitations set forth in the Organic Law, in fact was duped, deceived and misled into submission, without my informed consent, by the(se) device(s) and cloak(s) of the Government(s) of the United States and the several States, do hereby, RESCIND, CANCEL, and REPUDIATE the application for the aforesaid undermining Social Insurance scheme and reclaim my title as a free, white, Citizen in the state of Alabama, and thereby in the United States of America, and Co-Heir to the Declaration of Independence (1776), and, do hereby rescind said Social Insurance account and number, 536-44-5367 and the agency represented thereby, and, specifically deny any consent, whatsoever, to be governed by this unauthorized jurisdiction, for the past, this day, and for all time; and,
15. WHEREFORE, formal notice is also given, that I, Arthur Duane Ipson, hereby repudiate all statutory benefits and obligations of the aforesaid social insurance scheme; that I absolutely will not use accounts established thereunder, identifying numbers or other identifiers, which represent said account, except to repudiate same; and, that I will not apply for, receive, collect, or attempt to apply for, receive, or collect, any privilege or benefits established under said social insurance scheme, whatsoever; and, that said numbered account will be treated as though it never had been established as fully and completely as if same had never been applied for or assigned; and,

INTENT

16. My intent is to be a free white Citizen of the People of the Sovereign Body Politic in the state of Alabama by virtue of birth and inheritance and thereby a Citizen within the United States of America and Co-Heir to the Organic Law as stated in The Declaration of Independence (1776) and as restated in the Preamble to the Constitution of the United States of America (1787), which I am in fact by said Organic Law; to claim my God-given Rights declared by the Statute of 1776, and the limitations on government set forth in the original Constitution of the United States of America (1787) and its Bill of [Limitations] Rights (1791); and to re-establish myself as an American Citizen (de jure), pursuant to my rights as a Co-Heir to the Statute of 1776 and the Organic Law, to the end of preserving the Christian Republic of the United States of America as formed, and limited, by the Constitution of the United States of America (1787), and further limited by the Bill of Rights (1791); and,

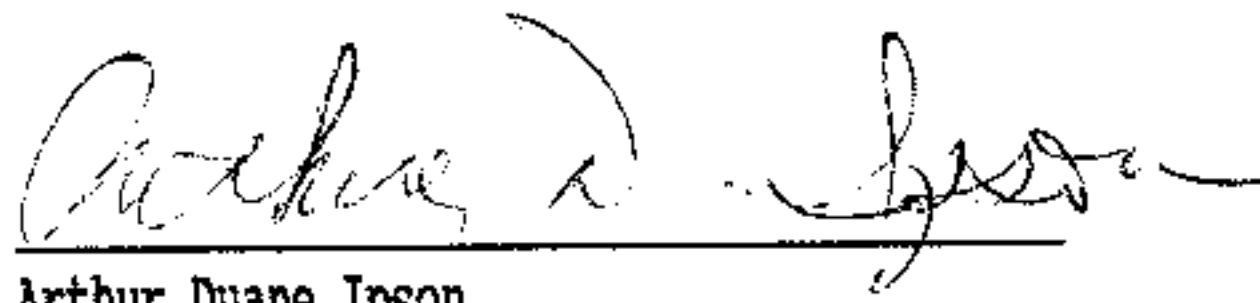

NOTICE TO TRESPASSERS

17. This is notice to all who would subject me to a deprivation of my rights and corresponding responsibility, as an American Citizen pursuant to the Statute of 1776 (The Declaration of Independence). All claimants have 30 days from the date of this "Notice by Affidavit" to make any claims such claimants may wish to assert in a Court of law of Article III judicial authority; failure to do so is an admission of estoppel and laches upon all comers. Any further deprivation of my vested rights as an American Citizen by any governmental agent(s) or agency(ies) will be, by its taking place, a declaration of Mixed War between codified statutory law and common law, waged against me, by whatever person or entity who might commit such trespass, and will be remedied by whatever action is necessary and lawful, taking into account the moral gravity of the deprivations in the particular instance; and,
18. The statements and information contained herein are true and correct to the best of my knowledge; are set forth for cause, superseding any previous denials of aforementioned I may have made to date; and my signature and seal hereafter are the voluntary act of my own hand; and,

FURTHER AFFIANT SAITH NOT.

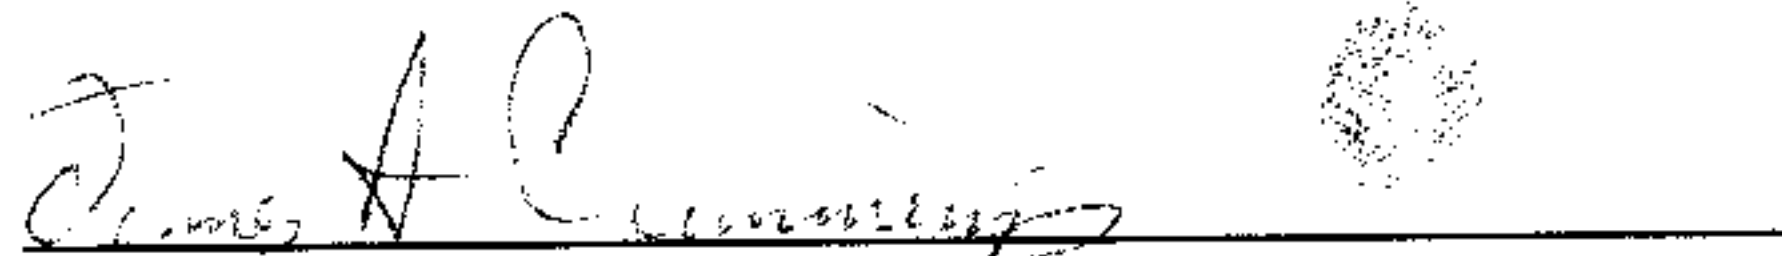

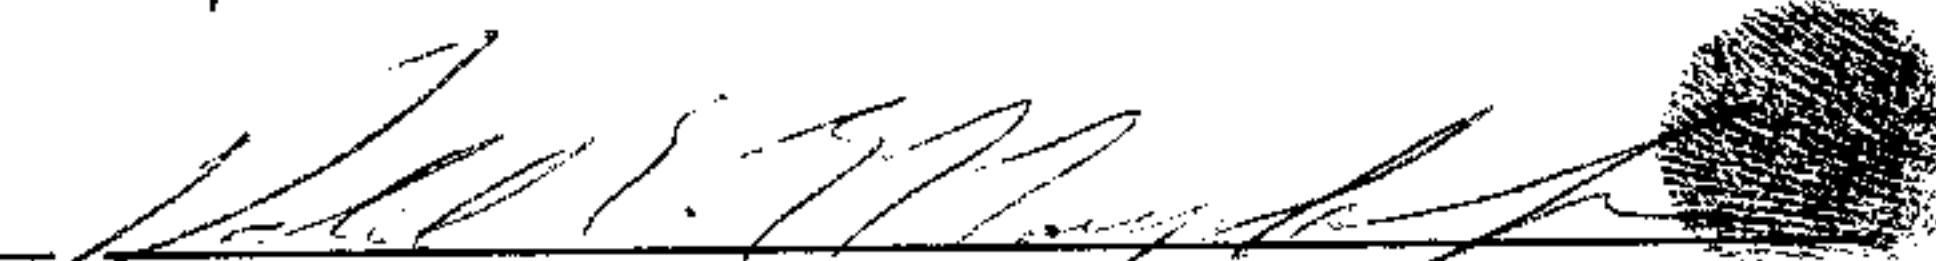

Affirmed and subscribed nunc pro tunc on the date of my reaching majority, the November 19, 1968.

Affirmed, subscribed and sealed this 21st Day of February, in the Year of our Lord and Savior, Nineteen Hundred and Ninety-Five, in the county of Shelby.
