I, Arthur Duane Ipson, the undersigned, am a Citizen, within the meaning of the Constitution of the United States of America, of the People of the Sovereign Body Politic in the state of Alabama, and thereby in the United States of America, hereby affirm, declare and give notice that:

1. I, Arthur Duane Ipson, am of lawful age and competent, I am a free white Citizen of the People of the Sovereign Body Politic in the state of Alabama and thereby in the United States of America, by natural birth and inheritance, within the state of Alabama, protected by the Constitution of the state of Alabama (1819) and by the original Constitution of the United States of America (1787), including...; and,

STATEMENT OF ORIGINAL STATUS

2. I, Arthur Duane Ipson, a free white Citizen of the People of the Sovereign Body Politic in the state of Alabama, was born on or about November 19, 1947 in the county of Yavapai, in the state of Arizona, a State of the United States of America; and,
3. I, Arthur Duane Ipson, was sired by Harmon Wilhelm Ipson, a Citizen, within the meaning of the Preamble to and the Constitution of the United States of America, and thereby a member of the Sovereign Body Politic, in the state of Oklahoma, born on or about May 31, 1925, in the county of Dewey, in the state of Oklahoma, a State of the United States of America; and,
4. I, Arthur Duane Ipson, was given birth by Jerry Dean Proffit, a free white Citizen of the Sovereign Body Politic, in the state of Washington, born on or about March 12, 1929, in the county of Dewey, in the state of Oklahoma, a State of the United States of America; and,
5. Harmon Wilhelm Ipson and Jerry Dean Proffit were one, joined in the state of Holy wedlock at the time Arthur Duane Ipson was natural born to them; and,

STATEMENT OF CAUSE

6. The agency statutorily empowered to issue and regulate driver's licenses is a subdivision of the state of Alabama; and,
7. By implied and direct consent, through licensing this subdivision of the state of Alabama, I would allow said subdivision to regulate my person by statutory law and would surrender my rights, property, and title to same, to the state of Alabama in exchange for privileges, and I decline to do so; and,
8. The state of Alabama is barred from forcing a member of the Posterity to license: the State to step outside the Constitution of the United States of America (1787) or the Constitution of the state of Alabama (1819), and pursuant to the limitation in Article I, Section 10 of the Constitution of the United States of America (1787) and the 9th Article of the Bill of Rights, the power to offer or refuse such statutory license is retained by the people in their individual capacity; and,
9. The power to license the people against their will is not granted to the united States or the State in the Organic law of either the United States of America or the state of Alabama; and,

10. It can be seen from the Tenth Article of the Bill of Rights this power to license must be granted to either the United States of America, in the Constitution of the United States of America 1787, or to the States by their respective state constitutions, otherwise, the power remains reserved to the people, subject to the vested rights retained by the individual members therein; and,
11. I am now more knowledgeable about my right to license or not to license this State, being aware that to license the State is in the nature of allowing the State to impose an otherwise unauthorized statutory jurisdiction on me, and, being aware that giving uninformed consent to the sanctions and police power of government, is void for fraud; and,
12. The application for, and driver's license does not contain any warning, whatsoever, that any rights are being waived or that a privilege is being obtained instead of my vested rights, nor does said application set forth the conditions thereof or indicate where those conditions may be found; and,
13. I was deceived into believing that application for and issue of a driver's license was a legitimate function of the agency issuing same, and, that I was, required to make application in order to exercise my rights to locomotion, have access and egress, and to own and use property in the form of a private automobile; and,
14. The application for driver's license contains no warning of its implications or conditions, nor does it set forth where its full implications and conditions might be discovered; and,

RESCISSION FOR CAUSE

15. WHEREFORE, formal notice is hereby given, that I, Arthur Duane Ipson, am of lawful age and competent, am a natural born free white Citizen of the People of the Sovereign Body Politic in the state of Alabama, by virtue of birth and inheritance, and thereby a Citizen within the United States of America and Co-Heir to the limitations set forth in the Organic Law, in fact having fully considered said application for and license 4641510; and realizing said license was created by submission without my informed consent, now exercise my rights as stated in the Declaration of Independence (1776), and protected by the Preamble to and Article I, Section X of the Constitution of the United States of America (1787) and the 9th and 10th Articles of the Bill of Rights (1791); and for the aforementioned cause, fully and completely, hereby, RESCIND and CANCEL said application and license, nunc pro tunc for the inducement of fraud, and from this day and for all time let it be known that the corporate government of the state of Alabama will hereafter be in trespass of my rights which are protected by the conditions set forth in the Organic Law of these United States of America, whenever attempting to exercise the aforementioned unauthorized power over me; and,
16. WHEREFORE, formal notice is also hereby given, that I, Arthur Duane Ipson, hereby repudiate all special benefits and obligations of the aforesaid license; that I absolutely will not use accounts established thereunder, identifying numbers or other identifiers, which represent said account, except to repudiate same; and, that I will not apply for, receive, collect, or attempt to apply for, receive, or collect, any privilege or benefits established under said application and license, whatsoever; and, that said numbered account will be treated as though it never had been established as fully and completely as if same had never been applied for or assigned; and,

INTENT

17. My intent is to be a free, lawful, Natural American Citizen and Co-Heir to the Organic Law as stated in The Declaration of Independence (1776) and as restated in the Preamble to the Constitution of the United States of America (1787), which I am in fact by said Organic Law; to claim my God-given Rights declared by the Statute of 1776, and the limitations on government set forth in the original Constitution of the United States of America (1787) and its Bill of [Limitations] Rights (1791); and to reestablish myself as an American Citizen (de jure), pursuant to my rights as a Co-Heir to the Statute of 1776 and the Organic Law, to the end of preserving the Christian Republic of the United States of America as formed, and limited, by the Constitution of the United States of America (1787), and further limited by the Bill of Rights (1791) and the Constitution of the state of Alabama (1819); and,

NOTICE TO TRESPASSERS

18. This is notice to all who would subject me to a deprivation of my rights and corresponding responsibility, as an American Citizen pursuant to the Statute of 1776 (The Declaration of Independence). All claimants have 30 days from the date of this "Notice of Affidavit" to make any claims such claimants may wish to assert in a Court of law of Article III judicial authority; failure to do so is an admission of estoppel and laches upon all comers. Any further deprivation of my vested rights as an American Citizen by any governmental agent(s) or agency(ies) will be, by its taking place, a declaration of Mixed War between codified statutory law and common

law, waged against me, by whatever person or entity who might commit such trespass, and will be remedied by whatever action is necessary and lawful taking into account the moral gravity of the deprivations in the particular instance; and,

19. The statements and information contained herein are true and correct to the best of my knowledge; are set forth for cause, superseding all denials aforementioned made to date; and my signature and seal hereafter are the voluntary act of my own hand; and,

FURTHER AFFIANT SAITH NOT.

Affirmed and subscribed nunc pro tunc on the date of my reaching majority, the November 19, 1968.

Affirmed, subscribed and sealed this 21st Day of February, in the Year of our Lord and Savior, Nineteen Hundred and Ninety-Five, in the county of Shelby.
