TO HAVE AND TO HOLD this property unto Lender and Lender's successors and assigns, forever, together with all the improvements now or hereafter erected on the property, and all encumbrances, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this security instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully vested in the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered except for encumbrances in favor of Borrower warrants and will defend generally the title to the Property against all claims and defenses subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for standard use and non-assignable covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum of "Funds" for property taxes and assessments which may attain priority over this Security Instrument as a lien on the Property, for any and all payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums, (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any taxes payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the amount amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the Federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2604 et seq. a "REMIC" analysis, whether law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, including, but not limited to, a bank, savings and loan association, or credit union. If Lender is such an institution or in any Federal Home Loan Bank, Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, including verifying the Escrow Items, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applies the same to the Funds. Lender may require Borrower to pay a one-time charge for an independent third estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. If no such agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all loans covered by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall release to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly release to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied, first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions, attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of payments to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, and consents to grant Lender the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion appear to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which has priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien on the one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amount and for the

All insurance policies and renewals shall be negotiable to Lender. Lender may, at its option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

all insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, in such proceeds shall be applied to the cost of repair or replacement of the Property damaged. If the restoration or repair is not economically feasible and Lender's security is not impaired, it may be applied to the sums secured by this Security Instrument, whether or not then due, with any interest paid as Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the mortgagee has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or replace the Property or to pay sums secured by this Security Instrument, whether or not then due. The above proceeds will be due when the notice is given.

Unless Lender and Borrower otherwise agree in writing, in such proceeds shall be applied to the cost of repair or replacement of the Property damaged. If the restoration or repair is not economically feasible and Lender's security is not impaired, it may be applied to the sums secured by this Security Instrument, whether or not then due, with any interest paid as Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the mortgagee has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or replace the Property or to pay sums secured by this Security Instrument, whether or not then due. The above proceeds will be due when the notice is given.

6. **Occupancy, Preservation, Maintenance, and Insurance.** Lender and Borrower otherwise agree in writing, any application or proceeds or proceeds shall not be used to postpone the due date of the monthly payments referred to in paragraph 1 and 2 or change the amount of that payment. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance, particularly, and proceeds, resulting from damage to the Property prior to the acquisition shall pass to Lender in the event of the death of the Borrower. If the Instrument immediately prior to the acquisition.

6. **Occupancy, Preservation, Maintenance and Protection of the Property.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within one year after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees, in writing, which agreement shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property; allow the Property to deteriorate, in whole or in part; or allow the Property to be in default if any foreclosure action or proceeding, whether civil or criminal, is brought against Lender's good faith interest in the Property or otherwise materially impair the debt secured by this Security Instrument or could result in forfeiture of the Property or otherwise materially impair the debt secured by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, or reinstate or reinstate, all, by making the action of proceeding to be dismissed with a ruling that, in Lender's good faith determination, the action or proceeding is not in the interest in the Property or other material impairment of the loan created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan administration period, provides false or inaccurate information or statements to Lender (contained to provide Lender with an accurate representation of the status of the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and any other title shall not merge with the fee title to the merger in writing.

7. **Protection of Lender's Rights in the Property.**

7. Protection of Lender's Rights in the Property. If Borrower fails to perform its obligations under this Security Instrument, or there is a legal proceeding to take possession of the Property, or if the Property is sold, transferred, conveyed, or otherwise disposed of, Lender may do and pay for whatever is necessary to protect the value of the Property, and Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument appearing in court, paying reasonable attorneys' fees and entering on the Property as provided herein. Although Lender may take action under this paragraph 7, Lender does not have to do so.
Any amounts disbursed by Lender under this paragraph shall constitute a first lien in favor of Lender on the Property.

Any amounts disbursed by Lender under this paragraph 7 shall be made subject to the terms and conditions set forth in the Security Instrument. Unless Borrower and Lender agree to other terms of payment, interest, premiums and fees, interest from the date of disbursement at the Note rate and shall be payable, with interest, upon maturity, to the Lender or its assigns.

8. **Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premiums being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loan reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any

condemnation or other taking of any part of the Property, or for any other cause, the proceeds shall be applied to the payment of the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument, immediately before the taking, and/or Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds produced by the following fractions: (a) the total amount of the sums secured immediately before the taking, divided by the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, and/or Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument in the following order: first, to the sums then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Property is abandoned, an award or settlement for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to the sums secured by this Security Instrument, whether or not then due, or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any applicable law or provision of law shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 of this Security Instrument, or the payment of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Lender's forbearance in granting or extending the maturity of the sums secured by this Security Instrument, or in granting or extending the maturity of the sums secured by this Security Instrument, or in granting or extending the maturity of the sums secured by this Security Instrument, shall not operate to release the liability of the original Borrower or any successor or assignee of the original Borrower, or to constitute a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability of Successors. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, whether or not the provisions of paragraph 17, Borrower's covenants and agreements shall be joint and several. Any Borrower who assigns this Security Instrument, but does not execute the Note, shall be deemed to have assigned the interest in the Property under the terms of this Security Instrument, and shall be personally obligated to pay the sums secured by this Security Instrument, and to agree that Lender and any other Borrower or assignee of the original Borrower may make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law, which sets, determines, limits, charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then, to the extent such law charges shall be reduced by the law, the lender shall be required to reduce the charge to the permitted limit and the any sums already collected from Borrower which exceed the permitted limit shall be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction shall be treated as a prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law, and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as

applicable law may specify for reinstatement before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. These conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other obligations secured by this Security Instrument; and (c) provides evidence satisfactory to Lender that the lien of this Security Instrument shall continue uninterrupted. Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue uninterrupted. Lender's obligation to reinstate this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note together with this Security Instrument may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. Thereafter may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use or storage on the Property of small quantities of Hazardous Substances that are generally recognized as being suitable for normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, lawsuit, demand or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substances or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is required by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substances affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with applicable law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as such or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable liquids, petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or lead-based paint, and other toxic materials. As used in this paragraph 20, "Environmental Law" means federal, state and local laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS Borrower and Lender further covenant and agree as follows:

21. Acceleration Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to deny the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give a copy of a notice to Borrower in the manner provided in paragraph 14. Lender shall publish the notice of sale once a week for three consecutive weeks in a newspaper pub-

lited in Jefferson County, Alabama, and thereupon shall sell the Property to the highest bidder at public auction at the front door of the County Courthouse of this County. Lender shall deliver to the purchaser Lender's deed conveying the Property. Lender or its designee may purchase the Property at any sale. Borrower covenants and agrees that the proceeds of the sale shall be applied in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any reasonable costs.

23. Waiver. Borrower waives all rights of homestead exemption in the Property and releases all rights of dower and dower in the Property.

24. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into this Security Instrument and supplement the covenants and agreements of this Security Instrument as if the riders were a part of this Security Instrument.
