Borrower agrees that this agreement shall cover all future leases, whether written or verbal, or any letting of, or any agreement for the use or occupancy of, any part of said property.

Borrower further agrees that it will not assign the rent or any part of the rent of said property, nor collect rents under any leases or other agreements relating to use of any part of the property, for a period further in advance than one (1) month without the written consent of the Lender, nor do any other act whereby the lien of the Mortgage and this assignment may, in the opinion of the Lender, be impaired in value or quality.

Borrower agrees that it has not and will not enter into any fictitious lease or any lease for the purpose of avoiding creditors, and any attempt to do so will be void. Borrower represents and warrants that all leases presently in effect are, and all leases hereafter entered into will be, for a rental rate, which, in Borrower's best judgment, represents a fair market rental.

Borrower further agrees that this assignment is to remain in full force and effect so long as the Note remains unpaid and that it may be enforced by Lender.

It is expressly understood and agreed by Borrower and Lender that said Borrower reserves, and is entitled to collect, said rents, income and profits upon, but not prior to, their accrual under the aforesaid leases, and to retain, use and enjoy the same unless and until the occurrence of an Event of Default pursuant to (and as defined in) the Loan Documents, or until the violation of any term, condition or agreement of this Assignment, each of which shall constitute an "Event of Default" hereunder.

Borrower does hereby authorize and empower Lender to collect, upon demand, after any Event of Default hereunder, all of the rents, issues and profits now due or which may hereafter become due under or by virtue of any lease, whether written or verbal, or any letting of, or agreement for the use or occupancy of, any part of said property, and to take such action, legal or equitable, as may be deemed necessary to enforce payment of such rents, issues and profits. Any lessee making such payment to Lender shall be under no obligation to inquire into or determine the actual existence of any Event of Default claimed by Lender.

Any amount received or collected by Lender by virtue of this agreement shall be applied for the following purposes, but not necessarily in the order named, priority and application of such funds being within the sole discretion of Lender:

- (1) to the payment of all necessary expenses for the operation, protection and preservation of the property, including the usual and customary fees for management services;

(2) to the payment of taxes and assessments levied and assessed against the property as said taxes and assessments become due and payable;

(3) to the payment of premiums due and payable on any insurance policy related to the property;

(4) to the payment of installments of principal and interest on the Note as and when they become due and payable pursuant to the terms of the Note whether by acceleration or otherwise;

(5) to the payment of any other sums due to Lender, including those due under the Mortgage and the other Loan Documents, and

(6) the balance remaining after payment of the above shall be paid to the then owner of record of said property.

Borrower hereby agrees to indemnify Lender for, and to save it harmless from, any and all liability, loss or damage which Lender might incur under said leases or by virtue of this assignment, and from any and all claims and demands whatsoever which may be asserted against Lender thereunder or hereunder, and, without limiting the generality of the foregoing, covenant that this assignment, prior to any such default by said Borrower and entry upon the property by said Lender by reason thereof, shall not operate to place responsibility for the control, care, management or repair of said property upon Lender, nor the carrying out of any of the terms and conditions of said leases; nor shall it operate to make Lender responsible or liable for any waste committed on the property by the tenants or any other party, or for any negligence in the management, upkeep, repair or control of said property resulting in loss or injury or death to any tenant, licensee, invitee, employee, stranger or other person.

The terms "Note" and "Mortgage" shall refer to such instruments as they may hereafter be amended by Borrower and Lender. This agreement shall be binding upon the Borrower, their heirs, personal representatives, successors and assigns and subsequent owners of the property, or any part thereof, and shall inure to the benefit of Lender, its successors and assigns and any holder of the Note.

This instrument amends and restates that certain Assignment of Rents and Leases dated February 5, 1990, between Borrower and Lender, recorded in Real Volume 277, Page 768, in the Probate Office of Shelby County, Alabama.

IN WITNESS WHEREOF, Borrower has caused these presents to be properly executed as of the day and year first above written.
