RESCISSION OF SOCIAL SECURITY POLICY AND APPLICATION
NOTICE BY AFFIDAVIT OF CHARLES T. ANGLIN

State of Alabama)
18th Judicial Circuit) affirmed:
in and for Shelby county)

I, Charles T. Anglin, the undersigned, a Free, white Citizen within the meaning of the Preamble to and the Constitution for the United States of America, of the People of the Sovereign Body Politic of the State of Alabama hereby affirm, declare and give notice that:

1. I, Charles T. Anglin, am of lawful age and competent, I am a Free, white Citizen of the People of the Sovereign Body Politic of the State of Alabama by natural birth, inheritance and domicile and thereby within the United States of America, protected by the Constitution for the United States of America and by the Constitutions of the several States, including...

STATEMENT OF ORIGINAL STATUS

2. I, Charles T. Anglin, a Free White Citizen, of the People of the Sovereign Body Politic of the State of Alabama, was born on or about May 31, 1951, in the county of Jefferson, in the State of Alabama, a State of the United States of America; and,

3. I, Charles T. Anglin, was sired by Charlie Thomas Anglin a Free, White Citizen, within the meaning of the Preamble to and the Constitution for the United States of America, and thereby of the People of the Sovereign Body Politic of the State of Georgia, born on or about October 26, 1922, in the county of Troup, in the State of Georgia, a State of the United States of America; and,

4. I, Charles T. Anglin, was given birth by Margaret G. Anglin, a Free, White Citizen of the State of Alabama, born on or about September 12, 1925 in the county of Sumter, in the State of Alabama, a State of the United States of America; and,

5. Charlie Thomas Anglin and Margaret G. Anglin were one, joined in the state of Holy Wedlock at the time Charles T. Anglin was natural born to them; and,

STATEMENT OF CAUSE

6. Social Security (FICA) is a voluntary social insurance which, by submission, suborns me, an otherwise natural born Free,

white Citizen of the People of the Sovereign Body Politic in the State of Alabama, into the Federal jurisdiction that has been created within regional concepts, to divest the Posterity of **their birthright in the Declaration of Independance** and to **reduce** the Posterity to mere subjects of the United States and, thereby, reduce the sovereignty of the several States to no effect, as districts, in a scheme of centralized government throughout the national socialist scheme of the Social Security Act; and,

7. The Social Security (FICA) social insurance scheme is deployed to limit my status as "Free Citizen", with intent, through misrepresentation, to impair, extort and divest me of my God-given unalienable Rights, otherwise protected by the limitations set out in the Organic Law for the United States of America, by requiring me through uninformed, implied and direct, consent (submission) to surrender or limit the effect of my status as a Citizen of the People of the Sovereign Body Politic in Alabama, to accomplish ends wholly beyond the sphere marked out by the Declaration of Independance, the Constitution for the United States of America and the Bill of Rights; and,

8. The Social Security (FICA) scheme is a stealthy encroachment on, and an easy way to circumvent, the limitation(s) and guarantee(s) provided by "We the People" against singular centralized government, specifically, but not limited to, the limitations and guarantees against abridgement and subornation of my Inalienable and Unalienable Rights of God, as expressed and asserted in the Declaration of Independance, as set out in the original Constitution for the United States of America and its Bill of Rights, and as earlier expressed and asserted in the Declaration and Resolves of the First Continental Congress; and,

9. Participation in Social Security, a social insurance policy and the agency (power of attorney) scheme thereunder, is an attempt by creatures of the government to compel me into a joint venture, with regional (interstate & international) statutory implications, of an intragovernmental nature, in the jurisdiction(s) that now exist in the United States, codified pursuant to declaratory Amendments not provided for in the Constitution for the United States of America; and,

10. Only by my informed consent can the Government exercise an otherwise unauthorized intragovernmental authority over me, in the jurisdiction(s) of the United States, outside the limitations of the Constitution for the United States of America; and,

11. All power resides within me to accept or deny control, in areas of law which are not within the jurisdiction of the organic Constitution for the United States of America and/or protected by the Constitutions for the several States, that could pertain or attempt to pertain to me as one of "We the People" of the Preamble to and within the Constitution for the United States of America, which power is protected by the limitations set out in

the 9th and 10th Article in Amendment to the Constitution for the United States of America and,

12. I was deceived into believing that I was required, or could be required, to obtain a Social Security account and number in order to exercise my basic Rights of Life, Liberty and Property; and,

13. The application for Social Security Account(SS-5) contains no warning of its implications or conditions, nor does it set forth where its implications or conditions might be discovered; and,

RESCISSION FOR CAUSE

14. WHEREFORE, formal notice is hereby given that I, Charles T. Anglin, was in fact duped, deceived and misled into submission without my informed consent by the(se) device(s) and cloak(s) of the Government(s) of the United States and the several States, do hereby RESCIND, CANCEL and REPUDIATE the application for the aforesaid undermining social insurance scheme and reclaim my status as a Free, white Citizen in the State of Alabama and thereby, in the United States of America, and do hereby rescind said Social Security account and number 419-72-4684 and the agency(s) represented thereby and specifically deny any consent, whatsoever, to be governed by this jurisdiction, for the past, this day, and all time; and, .

15. WHEREFORE, formal notice is also given that I, Charles T. Anglin, hereby repudiate all statutory benefits and obligations of the aforesaid social insurance scheme; that I absolutely will not use accounts established thereunder, identifying numbers or other identifiers which represent said account, except to repudiate same and that I will not apply for, receive, collect or attempt to apply for, receive or collect, any privilege or benefit established under the said social insurance scheme whatsoever, and that said numbered account will be treated as though it never had been established as fully and completely as if same had never been applied for or assigned; and

INTENT

16. My intent is to be a Free, white Citizen of the People of the Sovereign Body Politic in the State of Alabama, by virtue of birth and inheritance and thereby a Citizen within the United States of America and Co-Heir to the Organic Law as stated in The Declaration of Independance and as restated in the Preamble to the Constitution for the United States of America, which I am in fact, by said Organic Law; to claim my God-given Rights declared by the Statute of 1776, and the limitations on government set out in the Constitution for the United States of America; and to re-establish myself as a Citizen (de jure) pursuant to my Rights as Co-Heir to the Statute of 1776 and the Organic Law, to the end of preserving the Christian Republics of the United States of Ameri-

ca as formed, and limited, by the Constitution for the United States of America and further limited by the Bill of Rights; and,

NOTICE TO TRESPASSERS

17. This is notice to all who would subject me to a deprivation of my Rights and corresponding responsibility as a Citizen pursuant to the Declaration of Independance. All claimants have thirty (30) days from the date of this "Notice by Affidavit" to make any claims such claimants may wish to assert in a Court of Law; failure to do so is an admission of estoppel and laches upon all comers. Any further deprivation of my vested Rights by any governmental agent(s) or agency(ies) will be, by its taking place a declaration of Mixed War between codified statutory law and common law waged against me by whatever person or entity who might commit such trespass and will be remedied by whatever action is necessary and lawful, taking into account the moral gravity of the deprivations in the particular instance; and,

18. The statements and information contained herein are true and correct to the best of my knowledge, are set forth for cause, superseding any previous denials of aforementioned I may have made to date, and my Signature and Seal hereafter are the voluntary act of my own hand; and,

FURTHER AFFIANT SAITH NOT.

Affirmed, subscribed and sealed nunc pro tunc on the date of my reaching my majority the 31st day of May, 1972.

Affirmed, subscribed and sealed this 31st day of JANUARY, in the Year of our Lord and Savior, Nineteen Hundred and Ninety Six, in the county of Shelby, State of Alabama.
