Unless we agree otherwise, any payments you receive in full or in part will be applied first to any amounts I owe you on the secured debt (exclusive of interest or principal), second, to interest and then to principal. You may require me to assign any rights, claims or defenses which I may have against parties who supply materials or services to maintain the property.

If the property is located in more than one county, a similar publication will be made in all counties where the property is located. Upon payment to you of the purchase price at such foreclosure, you are authorized to execute to the purchaser for and in our names a good and sufficient deed to the property. You agree to apply the proceeds of any such sale or sales under this mortgage as follows: (a) to the expenses of the sale, including, but not limited to, reasonable attorney's fees, (b) to the payment of any amounts that may have been expended or may be necessary to expend in paying insurance taxes and other encumbrances, (c) to the payment of the secured debt hereby secured, and (d) the balance, if any, will be paid over to me, or to whomsoever shall be legally entitled to it. NOTICE: The Mortgage and this Amendment secure an adjustable rate home equity line of credit which contains provisions allowing for changes in the interest rate and allowing for sums to be borrowed, repaid and then reborrowed, all subject to the terms of the Home Equity Agreement between the Mortgagor and the Mortgagee. Increases in the interest rate may result in higher payments or a larger final payment.

This Home Equity Loan Amendment to Mortgage, dated February 21, 1996, amends and supplements the Mortgage dated February 21, 1996 between Bank of Alabama ("Mortgagee") and the undersigned Mortgagor. This Amendment covers the property (as such term is defined in the Mortgage).

As used in this Amendment, the Agreement shall mean that certain Equity Agreement made and entered into between the Mortgagor and the Mortgagee on February 21, 1996, including any amendment or modification to such Agreement and any extension or renewal of such Agreement or the indebtedness advanced thereunder.

The Mortgagee and the Mortgagor do hereby agree to amend the Mortgage in the following respects:

1. The Agreement between the Mortgagee and the Mortgagor is an open-end credit agreement under which the Mortgagor may borrow, repay and reborrow from the Mortgagee from time to time so long as the aggregate unpaid principal of such loans outstanding from time to time does not exceed the sum of \$ 40,000.00.
2. The rate of interest payable on loans made under the Agreement is a variable interest rate which may change daily based on changes in the base rate (as defined in the Agreement). The beginning rate of interest is 9.75 %.
3. The Agreement is an open-end credit agreement which will continue in effect until terminated by the Mortgagee or the Mortgagor pursuant to the terms of the Agreement, and as a result, there is no fixed maturity date for the loans made under the Agreement; provided, however, that if any amount shall remain unpaid under the Agreement on the date (the "maturity date") which is twenty (20) years after the date of the Agreement, then all such sums, whether principal, interest, or other charges, shall then be due and payable in full on the maturity date.
4. The Mortgage shall continue in full force and effect until all of the following events shall occur: (a) there is no outstanding indebtedness or other obligation secured by the Mortgage and (b) there shall be no remaining or enforceable commitment or agreement by the Mortgagee to make advances, incur obligations or otherwise give value under any contract, including, but without limitation, the Agreement. The Mortgagee and the Mortgagor agree that this shall result in the Mortgage continuing in full force and effect until the events described in the first sentence of this paragraph shall have occurred, even though from time to time and for extended periods of time there may be no outstanding indebtedness owed to the Mortgagee under the Agreement and no other outstanding indebtedness hereby secured, it being the intention of the Mortgagee and the Mortgagor that this Mortgage upon the property conveyed to the Mortgagee shall remain in full force and effect and shall secure all indebtedness owing at any time and from time to time under the Agreement whether now owed or hereafter incurred at any time prior to termination of the Mortgage pursuant to the occurrence of the events described in the first sentence of this paragraph. Within the time required by law, the Mortgagee agrees to file a properly executed and notarized satisfaction of the Mortgage, or otherwise cause the Mortgage to be satisfied in accordance with other applicable provisions of law, upon receipt of a written request to satisfy the Mortgage signed by the undersigned Mortgagor and by all other persons (if any) who have a right to require the Mortgagee to extend value.
5. In the event of any inconsistency between the terms of the Mortgage and of this Amendment, the provisions in this Amendment shall control. In that regard, and without limiting the generality of the foregoing, it is expressly understood and agreed between the Mortgagee and the Mortgagor that the acceleration of the maturity of amounts owing under the Agreement may be made only upon the express terms of the Agreement, and it is further understood that the Mortgage will be satisfied and terminated only as provided for in paragraph 4 of this Amendment.

IN WITNESS WHEREOF, the Mortgagee and the undersigned Mortgagor have entered into this Amendment as of the date and year specified above.
