Borrower warrants and covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant, convey and assign the Property, that the Property is unencumbered (except for any Permitted Title Liens, as defined below), and that Borrower shall warrant and defend generally the title to the Property against all claims and demands, subject to any easements and restrictions or other matters listed in a schedule of exceptions to coverage in any title insurance policy insuring Lender's interest in the Property, as set forth in Exhibit B attached hereto and by this reference incorporated herein (the "Permitted Title Liens").

**Uniform Covenants.** Borrower and Lender covenant and agree as follows:

1. **PAYMENTS.** Borrower shall promptly pay when due the principal of and interest on and any deposits and other sums due under the Master Reimbursement Agreement (subject to any applicable notice and/or cure periods expressly set forth therein), all amounts due and owing under or secured by the Fannie Mae Mortgages or the Bond Mortgages (subject to any applicable notice and/or cure

periods expressly set forth therein) and all other sums secured by this Instrument.

2. FUNDS FOR TAXES, INSURANCE AND OTHER CHARGES.

(a) Subject to applicable law, to the provisions hereof or to a written waiver by Lender, Borrower shall pay to Lender on the first day of each calendar month (or on another day designated in writing by Lender), until the obligations of Borrower under the Master Reimbursement Agreement or otherwise secured hereby are satisfied in full, a sum (herein, "Funds") equal to one-twelfth of (i) the yearly taxes and assessments and any other Federal, state and local governmental charges or impositions, general, special, ordinary or extraordinary (other than income or franchise tax imposed upon Borrower's income or profits) which may now or hereafter be levied, assessed or imposed on the Property or any portion thereof and for the non-payment of which a lien may be imposed on the Property and (ii) water and sewer fees or charges which may be levied on the Property and the yearly premium installments for fire and other hazard insurance, rent loss insurance and such other insurance covering the Property as Lender may require pursuant to paragraph 5 hereof. Except as provided herein, any waiver by Lender of the requirement that Borrower pay such Funds may be revoked by Lender, in Lender's sole discretion, at any time upon notice in writing to Borrower. Upon the occurrence of a Default or an Event of Default, Lender may require Borrower to pay to Lender, in advance, such other Funds for other taxes, charges or premiums, in connection with the Property which Lender shall reasonably deem necessary to protect Lender's interests (herein, "Other Impositions"). Unless otherwise provided by applicable law, Lender may require Funds for Other Impositions to be paid by Borrower in a lump sum or in periodic installments, at Lender's option. So long as no Default or Event of Default has occurred and is continuing hereunder, Lender hereby waives the obligation of the Borrower to pay to Lender the Funds for premiums for insurance and water and sewer charges pursuant to clause (ii) above, provided, however, that (i) with respect to insurance premiums, the Borrower shall pay such amounts directly to the payee thereof and send to the Lender invoices and paid receipts, or other documentation satisfactory to Lender, evidencing payment of insurance on the earlier of the date that such insurance is due and payable or thirty (30) days prior to the expiration date of the insurance policy and (ii) with respect to water and sewer charges, the Borrower shall pay such charges directly to the payee thereof and retain in its books and records paid receipts, or other documentation satisfactory to Lender, evidencing payment of such charges on the last day such charges are payable without penalty, premium, interest

cost or late charges attaching and shall include such payments in its monthly and annual property income and expense data. The foregoing waiver hereunder shall, at the option of Lender, be revoked upon a Default or an Event of Default hereunder, and the Borrower's obligations under Section 2 hereof to deposit such funds shall be reinstated.

(b) The Funds shall be held in an interest bearing account in an institution(s) the deposits or accounts of which are insured or guaranteed by a Federal or state agency. Neither Lender nor any servicer shall have any obligation to obtain a specific return or yield on the Funds deposited and Borrower acknowledges that any interest paid on such Funds may not be at the highest rate available in the market place. Lender shall apply the Funds to pay said charges, rents, taxes, assessments, insurance premiums and Other Impositions so long as no Event of Default has occurred and is continuing under this Instrument. Lender shall make no charge for so holding and applying the Funds, analyzing said account or for verifying and compiling said assessments and bills, unless Lender pays Borrower interest, earnings or profits on the Funds and applicable law permits Lender to make such a charge. So long as no Default or Event of Default has occurred and is continuing under this Instrument the Borrower shall be paid annually all interest earned on the Funds deposited with the Lender pursuant to paragraph 2(a) hereof. Lender shall give to Borrower, without charge, an annual accounting of the Funds in Lender's normal format showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Instrument.

(c) Subject to subsection (d) below, if the amount of the Funds held by Lender at the time of the annual accounting thereof shall exceed the amount required to provide for the payment of water and sewer charges, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, such excess shall be credited to Borrower on the next monthly installment or installments of Funds due. If at any time the amount of the Funds held by Lender shall be less than the amount required to pay water and sewer rates, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency within thirty days after notice from Lender to Borrower requesting payment thereof.

(d) Upon the occurrence and continuation of any Event of Default, Lender may apply, in any amount and in any order as Lender shall determine in Lender's sole discretion, any Funds held by Lender at the time of application (i) to

pay any charges, rents, taxes, assessments, insurance premiums and Other Impositions which are now or will hereafter become due, or (ii) as a credit against sums secured by this Instrument. Notwithstanding the occurrence of an Event of Default, to the extent the Lender holds any insurance premiums, Lender shall apply such sums to the payment of insurance premiums. Upon payment in full of all sums secured by this Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Lender from Borrower under this Instrument or the Master Reimbursement Agreement shall be applied by Lender in the following order of priority: (i) amounts payable to Lender by Borrower under paragraph 2 hereof; (ii) interest payable under the Master Reimbursement Agreement; (iii) principal payable under the Master Reimbursement Agreement; (iv) all other Secured Obligations and amounts payable under the Master Reimbursement Agreement, (v) interest payable on advances made pursuant to paragraph 8 hereof; (vi) principal of advances made pursuant to paragraph 8 hereof; and (vii) any other sums due under or secured by this Instrument in such order as Lender, at Lender's option, may determine; provided, however, that Lender may, at Lender's option, apply any sums payable pursuant to paragraph 8 hereof prior to interest and principal of the Mortgage Notes and amounts payable under the Master Reimbursement Agreement, but such application shall not otherwise affect the order of priority of application specified in this paragraph 3.

4. CHARGES, LIENS. Borrower shall pay all water and sewer rates, rents, taxes, assessments, premiums, and Other Impositions attributable to the Property, at Lender's option, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof in the manner provided herein, or, upon the occurrence and continuation of a Default (as hereinafter defined) or a "Default" under the Master Reimbursement Agreement, in such other manner as Lender may designate in writing. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph 4, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments in the manner provided herein. Borrower shall promptly pay, bond or discharge of record any lien which has, or may have, priority over or equality with, the lien of this Instrument, and Borrower forthwith shall do, at the sole cost and expense of Borrower, everything necessary to fully preserve the lien of this Instrument and priority hereof. Without Lender's prior written permission,

Borrower shall not allow any lien inferior to this Instrument to be created or exist against the Property.

5. HAZARD INSURANCE.

(a) Borrower shall keep the improvements now existing or hereafter erected on the Property insured by carriers at all times satisfactory to Lender against loss by fire, hazards included within the term "extended coverage," rent loss and such other hazards, casualties, liabilities and contingencies as Lender shall require to satisfy the standards for insurance of the Fannie Mae Delegated Underwriting and Servicing Guide (in its present form and as the same may be amended, modified, supplemented or reissued from time to time, the "DUS Guide"), and in such amounts and for such periods as Lender shall require to satisfy the DUS Guide; provided, however, such amounts shall not be required to exceed the full replacement cost of such improvements. All premiums on insurance policies shall be paid, in the manner provided under paragraph 2 hereof, or by Borrower making payment, when due, directly to the carrier, or, upon the occurrence and continuation of a Default or an Event of Default, in such other manner as Lender may designate in writing.

(b) All insurance policies and renewals thereof shall be in a form acceptable to Lender to satisfy the requirements of the DUS Guide (subject to subsection (a) above) and shall include a standard mortgagee clause naming Lender as additional insured and loss payee in form acceptable to Lender. Borrower shall assign and deliver to Lender all such insurance policies (or certified copies of duplicate originals thereof); so that Lender and its successors and assigns shall at all times have and hold such policies as collateral and further security for obligations of Borrower secured hereby. Borrower shall not take out or permit any separate or additional insurance that is contributing in the event of loss unless it is endorsed in favor of Lender in accordance with the requirements hereof and otherwise satisfactory to Lender in all respects. Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. At least thirty days prior to the expiration date of a policy, Borrower shall deliver to Lender a renewal policy (or a certified copy or duplicate original thereof) in form satisfactory to Lender.

(c) (i) In the event of loss, Borrower shall give immediate written notice to the insurance carrier and to Lender.

(ii) Borrower hereby authorizes and empowers Lender as attorney-in-fact for Borrower to make proof of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance proceeds, and to deduct therefrom Lender's expenses incurred in the collection of such proceeds; provided, however, that nothing contained in this paragraph 5 shall require Lender to incur any expense or take any action hereunder.

(iii) Borrower further authorizes Lender, at Lender's option, (A) to hold the balance of such proceeds to be used to reimburse Borrower for the cost of reconstruction or repair of the Property or (B) to apply the balance of such proceeds to the payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof.

(d) If the insurance proceeds are held by Lender to reimburse Borrower for the cost of restoration and repair of the Property, the Property shall be restored to the equivalent of its condition immediately prior to such event of loss or to such other condition as Lender may approve in writing, provided that upon completion of the restoration work the quality and class of the Property shall be substantially equal to the original quality and class of the Property. Lender may, at Lender's option, condition disbursement of said proceeds on Lender's approval of such plans and specifications of an architect satisfactory to Lender, contractor's cost estimates, architect's certificates, waivers of liens, sworn statements of mechanics and materialmen and such other evidence of costs, percentage completion of construction, application of payments, and satisfaction of liens as Lender may reasonably require. If the insurance proceeds are applied to the payment of the sums secured by this Instrument, any such application of proceeds to principal shall not extend or postpone the due dates of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amounts of such installments, subject to the provisions of the Mortgage Notes. If the Property is sold pursuant to paragraph 27 hereof or if Lender acquires title to the Property, Lender shall have all of the right, title and interest of Borrower in and to any insurance policies and unearned premiums thereon and in and to the proceeds resulting from any damage to the Property prior to such sale or acquisition.

(e) The provisions of this Uniform Covenant 5 are supplemented by Section D of the Rider.

6. PRESERVATION AND MAINTENANCE OF PROPERTY.

(a) Borrower (i) shall not commit waste or permit impairment or deterioration of the Property, (ii) shall not abandon the Property, (iii) in the event of any damage, injury or loss to the Property, shall restore or repair promptly and in a good and workmanlike manner all or any part of the Property to the equivalent of its condition immediately prior to such event of damage, injury or loss thereto, or such other condition as Lender may approve in writing, whether or not insurance proceeds are available to cover in whole or in part the costs of such restoration or repair but provided that Lender releases to Borrower any such insurance proceeds that are held by Lender, (iv) shall comply with the provisions of Section 7.14 of the Master Reimbursement Agreement, and (v) shall comply with all applicable laws, ordinances, orders, rules or regulations of the United States, the State of Alabama, the County of Shelby or any political subdivision of any of them, and any agency, department, commission, board, bureau or instrumentality of any of them that exercises or claims to have jurisdiction over the Property or any part thereof, including, without limitation, any Hazardous Materials Laws (as defined below), which would have a Material Adverse Effect or a Project Material Adverse Effect (as such terms are defined in the Master Reimbursement Agreement) (collectively, the "Requirements").

(b) Borrower shall not, nor shall Borrower permit any tenant or other persons, to remove, demolish or alter any improvement now existing or hereafter erected on the Property or any fixture, equipment, machinery or appliance in or on the Property except when incident to the replacement of fixtures, equipment, machinery and appliances with items of like kind or utility.

7. USE OF PROPERTY.

(a) Unless required by applicable law or unless Lender has otherwise agreed in writing, Borrower shall not allow changes in the use for which all or any part of the Property was intended at the time this Instrument was executed.

(b) Borrower shall not initiate or acquiesce in a change in the zoning classification of the Property without Lender's prior written consent; provided, however, that Lender shall not unreasonably withhold its consent as long as the uses of the Property permitted under the zoning classification at all times permit use of the Property for multifamily residential rental units.

8. PROTECTION OF LENDER'S SECURITY.

(a) If Borrower fails to perform any of the covenants, obligations or agreements contained in this Instrument, or if any action or proceeding is commenced which adversely affects the Property or title thereto or the interest of Lender therein, including, but not limited to, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt or decedent, or if an "Event of Default" (as such term is defined in the Master Reimbursement Agreement) occurs and is continuing under the Master Reimbursement Agreement, then Lender, at Lender's option, may make such appearances, disburse such sums and take such action as Lender deems necessary, in its sole discretion, to protect Lender's interest, including, but not limited to, (i) disbursement of attorneys' fees and costs, (ii) entry upon the Property to make repairs, and (iii) procurement of satisfactory insurance as provided in paragraph 5 hereof.

(b) Any amounts disbursed by Lender pursuant to this paragraph 8, with interest thereon, shall become additional indebtedness of Borrower secured by this Instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be immediately due and payable and shall bear interest from the date of disbursement at the "Default Rate" (as such term is hereinafter defined) unless collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law. As used herein, "Default Rate" shall mean a rate of interest equal to the "Activity Rate" (as such term is defined in the Master Reimbursement Agreement). Borrower hereby covenants and agrees that Lender shall be subrogated to the lien of any mortgage or other lien discharged, in whole or in part, by the indebtedness secured hereby. Nothing contained in this paragraph 8 shall require Lender to incur any expense or take any action hereunder.

9. INSPECTION. Subject to Section 7.08 of the Master Reimbursement Agreement, Lender may make or cause to be made reasonable entries upon and inspections of the Property.

10. BOOKS AND RECORDS. Borrower shall keep and maintain at all times accurate books of accounts and records adequate to reflect correctly the results of the operation of the Property in accordance with the terms and provisions of Section 7.06 of the Master Reimbursement Agreement.

11. CONDEMNATION.

(a) Borrower shall promptly notify Lender of any action or proceeding relating to any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, and Borrower shall appear in and prosecute any such action or proceeding unless otherwise permitted not to do so by Lender in writing. Borrower authorizes Lender, at Lender's option, as attorney-in-fact for Borrower, to commence, appear in and prosecute, in Lender's or Borrower's name, any action or proceeding relating to any condemnation or other taking of the Property, whether direct or indirect, and to settle or compromise any claim in connection with such condemnation or other taking. The proceeds of any award, payment or claim for damages, direct or consequential, in connection with any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, or for conveyances in lieu of condemnation, are hereby assigned to and shall be paid to Lender.

(b) Borrower authorizes Lender to apply such awards, payments, proceeds or damages, after the deduction of Lender's expenses incurred in the collection of such amounts, at Lender's option, to restoration or repair of the Property or to payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof, with the balance, if any, to Borrower. Unless Borrower and Lender otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly installments and other payments referred to in paragraphs 1 and 2 hereof or change the amount of such installments, subject to the provisions of the Mortgage Notes. Borrower agrees to execute such further evidence of assignment of any awards, proceeds, damages or claims arising in connection with such condemnation or taking as Lender may require.

12. BORROWER AND LIEN NOT RELEASED. From time to time, Lender may, at Lender's option, without giving notice to or obtaining the consent of Borrower, Borrower's successors or assigns or of any junior lienholder or guarantors, without liability on Lender's part and notwithstanding the occurrence and continuation of a Default or an Event of Default, extend the time for payment of said indebtedness or any part thereof, reduce the payments thereon, release anyone liable on any of said indebtedness, accept a renewal note or notes therefor, release from the lien of this Instrument any part of the Property, release other or additional security, reconvey any part of the Property, consent to any map or plan of the Property, consent to the granting of any easement, join in any

extension or subordination agreement, and agree in writing with Borrower to modify the payment terms under the Master Reimbursement Agreement or change the amount of the monthly installments payable thereunder. Any actions taken by Lender pursuant to the terms of this paragraph 12 shall not affect the obligation of Borrower or Borrower's successors or assigns to pay the sums secured by this Instrument and to observe the covenants of Borrowers contained herein, shall not affect the guaranty of any person, corporation, partnership or other entity for payment of the indebtedness secured hereby, and shall not affect the lien or priority of lien hereof on the Property. Borrower shall pay Lender a reasonable service charge, together with such title insurance premiums and attorneys' fees as may be incurred at Lender's option, for any such action if taken at Borrower's request.

13. FORBEARANCE BY LENDER NOT A WAIVER. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy. The acceptance by Lender of payment of any sum secured by this Instrument after the due date of such payment shall not be a waiver of Lender's right to either require prompt payment when due of all other sums so secured or to declare a default for failure to make prompt payment thereafter (unless Lender has taken action to exercise any of its remedies under this Instrument or any of the other Loan Documents in respect of such default, in which event Lender shall have the right to declare such a default notwithstanding its acceptance of any such payment and may exercise any of its other remedies in respect thereof). The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Instrument, nor shall Lender's receipt of any awards, proceeds or damages under paragraphs 5 and 11 hereof operate to cure or waive Borrower's default in payment of sums secured by this Instrument.

14. ESTOPPEL CERTIFICATES. Borrower shall within 15 days of a written request from Lender furnish Lender with a written statement, duly acknowledged, setting forth the sums secured by this Instrument and confirming that no right of set-off, counterclaim or other defense exists against such sums and the obligations of Borrower under this Instrument. Lender shall within thirty days of a written request from Borrower furnish Borrower a written statement, duly acknowledged, confirming the sums secured by this Instrument and stating, to its actual knowledge, without duty to inquire, whether Borrower is in default under this Instrument.

15. UNIFORM COMMERCIAL CODE SECURITY AGREEMENT.

This Instrument is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the items specified above as part of the Property which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and Borrower hereby grants Lender a security interest in said items. Borrower agrees that, subject to applicable law, Lender may file this Instrument, or a reproduction thereof, in the real estate records or other appropriate index, as a financing statement for any of the items specified above as part of the Property. Subject to applicable law, any reproduction of this Instrument or of any other security agreement or financing statement shall be sufficient as a financing statement. In addition, Borrower agrees to execute and deliver to Lender, upon Lender's request, any financing statements, as well as extensions, renewals and amendments thereof, and reproductions of this Instrument in such form as Lender may require to perfect a security interest with respect to said items. Borrower shall pay all costs of filing such financing statements and any extensions, renewals, continuations, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements that Lender may reasonably require. Without the prior written consent of Lender, Borrower shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said items, including replacements and additions thereto. Upon the occurrence and continuation of an Event of Default under this Instrument, Lender shall have the remedies of a secured party under the Uniform Commercial Code and, at Lender's option, may also invoke the remedies provided in paragraph 27 of this Instrument as to such items. In exercising any of said remedies, Lender may proceed against the items of real property and any items of personal property specified above as part of the Property separately or together and in any order whatsoever, without in any way affecting the availability of Lender's remedies under the Uniform Commercial Code or of the remedies provided in paragraph 27 of this Instrument.

16. LEASES OF THE PROPERTY. Borrower shall comply with and observe Borrower's obligations under Section 7.15 of the Master Reimbursement Agreement with respect to all leases. All leases of the Property entered into or renewed, extended or otherwise modified after the date hereof shall specifically provide that such leases are subordinate to this Instrument; that the tenant attorns to Lender, such attornment to be effective upon Lender's acquisition of title to the Property; that the attornment of the tenant shall not be terminated by foreclosure; and that Lender may, at Lender's option, accept or reject such

attornments. Borrower shall not, without Lender's written consent, execute, modify, surrender or terminate, either orally or in writing, any lease now existing or hereafter made of all or any part of the Property providing for a term of three years or more, permit an assignment or sublease of such lease without Lender's written consent, or request or consent to the subordination of any lease or all or any part of the Property to any lien subordinate to this Instrument.

Upon written request by Lender to Borrower after the occurrence and continuation of an Event of Default, Borrower shall assign to Lender, by written instrument satisfactory to Lender, all leases now existing or hereafter made of all or any part of the Property, and pay over to Lender all prepaid installments of rents made by any tenant that are not yet due and payable under such tenant's lease and all security deposits made by tenants in connection with such leases of the Property. Upon assignment by Borrower to Lender of any leases of the Property, Lender shall have all of the rights and powers possessed by Borrower prior to such assignment and Lender shall have the right to modify, extend or terminate such existing leases and to execute new leases, in Lender's sole discretion, without assuming any of Borrower's obligations thereunder other than any obligation with respect to security deposits actually delivered by Borrower to Lender, if any.

17. REMEDIES CUMULATIVE. Each remedy provided in this Instrument is distinct from and cumulative to all other rights or remedies under this Instrument or afforded by law or equity, and may be exercised concurrently, independently, or successively, in any order whatsoever.

18. ACCELERATION IN CASE OF INSOLVENCY. If (i) Borrower, the General Partner or Parent shall (A) commence a voluntary case under the Federal bankruptcy laws (as now or hereafter in effect), (B) file a petition seeking to take advantage of any other laws, domestic or foreign, relating to bankruptcy, insolvency, reorganization, debt adjustment; winding up or composition or adjustment of debts, (C) consent to or fail to contest in a timely and appropriate manner any petition filed against it in an involuntary case under such bankruptcy laws or such other laws, (D) apply for or consent to, or fail to contest in a timely and appropriate manner, the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or of a substantial part of its property, domestic or foreign, (E) admit in writing its inability to pay, or generally not be paying its debts as they become due, (F) make a general assignment for the benefit of creditors, (G) dissolve or liquidate for any reason (whether voluntary or involuntary) or (H) take any corporation or partnership

action for the purpose of effecting any of the foregoing; or (ii) if a case or other proceeding shall be commenced against Borrower, the other General Partner or the Parent in any court of competent jurisdiction seeking (A) relief under the Federal bankruptcy laws (as now or hereafter in effect) or under any other laws, domestic or foreign, relating to bankruptcy, insolvency, reorganization, winding upon or composition or adjustment of debts, or (B) the appointment of a trustee, receiver, custodian, liquidator or the like of Borrower, the General Partner or the Parent or of all or a substantial part of the property, domestic or foreign, of Borrower, the General Partner or the Parent and any such case or proceeding shall continue undismissed or unstayed for a period of sixty (60) consecutive calendar days, or any order granting the relief requested in any such case or proceeding against Borrower, the General Partner or the Parent (including, but not limited to, an order for relief under such Federal bankruptcy laws) shall be entered; or (iii) if there is an attachment or other judicial seizure of any portion of Borrower's, the General Partner's or the Parent's assets, or an execution of a substantial portion of Borrower's, the General Partner's or the Parent's assets, and such seizure is not discharged within thirty days, then Lender may, at Lender's option, declare all of the sums secured by this Instrument to be immediately due and payable without prior notice to Borrower, and Lender may invoke any remedies permitted by paragraph 27 of this Instrument. Any attorneys' fees and other expenses incurred by Lender in connection with Borrower's bankruptcy or any of the other aforesaid events shall be additional indebtedness of Borrower secured by this Instrument pursuant to paragraph 8 hereof.

19. TRANSFERS OF THE PROPERTY OR BENEFICIAL INTERESTS IN BORROWER; ASSUMPTION. See the Rider attached hereto.

20. NOTICE. See the Rider attached hereto.

21. SUCCESSORS AND ASSIGNS BOUND; JOINT AND SEVERAL LIABILITY; AGENTS; CAPTIONS. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender (including, without limitation, Fannie Mae and Trustee) and Borrower, subject to the provisions of the Rider, as referred to in paragraph 19 hereof. All covenants and agreements of Borrower shall be joint and several. In exercising any rights hereunder or taking any actions provided for herein, Lender may act through its employees, agents or independent contractors as authorized by Lender. The captions and headings of the paragraphs of this

Instrument are for convenience only and are not to be used to interpret or define the provisions hereof.

22. UNIFORM MULTIFAMILY INSTRUMENT; SEVERABILITY. This form of multifamily instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property and related fixtures and personal property. In the event that any provision of this Instrument, the Master Reimbursement Agreement or the other Loan Documents conflicts with applicable law, such conflict shall not affect other provisions of this Instrument, the Master Reimbursement Agreement or the other Loan Documents which can be given effect without the conflicting provisions, and to this end the provisions of this Instrument, the Master Reimbursement Agreement or the other Loan Documents are declared to be severable. In the event that any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any charge provided for in this Instrument or in the Master Reimbursement Agreement or on the other Loan Documents, whether considered separately or together with other charges levied in connection with this Instrument and the other Loan Documents and the Master Reimbursement Agreement, violates such law, and Borrower is entitled to the benefit of such law, such charge is hereby reduced to the extent necessary to eliminate such violation. The amounts, if any, previously paid to Lender in excess of the amounts payable to Lender pursuant to such charges as reduced shall be applied by Lender to reduce the principal of the indebtedness evidenced by the Mortgage Notes and the amounts owing under the Master Reimbursement Agreement. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all indebtedness which is secured by this Instrument or evidenced by the Master Reimbursement Agreement or the other Loan Documents and which constitutes interest, as well as all other charges levied in connection with such indebtedness which constitute interest, shall be deemed to be allocated and spread over the stated term of the Mortgage Notes and the Master Reimbursement Agreement. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest computed thereby is uniform throughout the stated term of the Mortgage Notes and the Master Reimbursement Agreement.

23. WAIVER OF STATUTE OF LIMITATIONS. Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce the other Loan

Documents, the Master Reimbursement Agreement or any other obligation secured by this Instrument.

24. WAIVER OF MARSHALLING. Notwithstanding the existence of any other security interests in the Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Property shall be subjected to the remedies provided herein. Lender shall have the right to determine the order in which any or all portions of the indebtedness secured hereby are satisfied from the proceeds realized upon the exercise of the remedies provided herein. Borrower, any party who consents to this Instrument and any party who now or hereafter acquires a security interest in the Property and who has actual or constructive notice hereof hereby waives any and all right to require the marshalling of assets in connection with the exercise of any of the remedies permitted by applicable law or provided herein.

25. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION.

(a) As part of the consideration for the indebtedness evidenced by the Mortgage Notes and the obligations evidenced by the Master Reimbursement Agreement, Borrower hereby absolutely and unconditionally assigns and transfers to Lender all the rents and revenues of the Property, including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable. Borrower hereby authorizes Lender or Lender's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such rents to Lender or Lender's agents; provided, however, subject to the terms and provisions of the Cash Management Agreement (as defined in the Master Reimbursement Agreement, that prior to the occurrence of an Event of Default, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower, to apply the rents and revenues so collected to the sums secured by this Instrument in the order provided in paragraph 3 hereof with the balance, so long as no Event of Default has occurred and is continuing, to the account of Borrower, it being intended by Borrower and Lender that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery by Lender to Borrower of written notice of the occurrence of an Event of Default (a "Default Notice"), and without the necessity of Lender entering upon and taking and maintaining full control of the Property in person, by agent or by a court-appointed receiver, Lender shall immediately

be entitled to possession of all rents and revenues of the Property as specified in this paragraph 25 as the same become due and payable, including but not limited to rents then due and unpaid and rents not yet due and prepaid, and all such rents shall immediately upon the delivery of such Default Notice be held by Borrower as trustee for the benefit of Lender only; provided, however, that the Default Notice shall contain a statement that Lender exercises its rights to such rents. Borrower agrees that, subject to the terms and provisions of the Cash Management Agreement, commencing upon delivery of such Default Notice by Lender to Borrower, each tenant of the Property shall make such rents payable to and pay such rents to Lender or Lender's agents on Lender's written demand to each tenant therefor, delivered to each tenant personally, by mail or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of the matters set forth in such Default Notice. Borrower acknowledges and agrees that, pursuant to the Master Reimbursement Agreement, Borrower and Lender shall, at Lender's request, enter into that certain Cash Management Agreement, in which event the provisions of such Cash Management Agreement shall govern to the extent such provisions are inconsistent with the provisions of this paragraph 25(a).

(b) Except for any Permitted Title Liens, Borrower hereby covenants that Borrower has not executed any prior assignment of said rents, that Borrower has not performed, and will not perform, any acts or has not executed, and will not execute, any instrument which would prevent Lender from exercising its rights under this paragraph 25, and that, except as provided in the last sentence of this clause (b), at the time of execution of this Instrument there has been no anticipation or prepayment of any of the rents of the Property for more than two months prior to the due dates of such rents. Borrower covenants that, except as provided in the last sentence of this clause (b), Borrower will not hereafter collect or accept payment of any rents of the Property more than two months prior to the due dates of such rents. Borrower further covenants that Borrower will execute and deliver to Lender such further assignments of rents and revenues of the Property as Lender may from time to time request. Notwithstanding the foregoing, Borrower may collect de minimis amounts of advance rents prior to the due dates thereof, provided, however, that such prepayments shall in no event exceed the lesser of (x) 1% of the aggregate monthly rentals with respect to the Property and (y) with respect to any single lease, twelve months advance monthly rentals thereunder.

(c) Upon the occurrence and continuation of an Event of Default under this Instrument, Lender may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Lender's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed by Lender best to protect the security of this Instrument. In the event Lender elects to seek the appointment of a receiver for the Property upon an Event of Default, Borrower hereby expressly consents to the appointment of such receiver. Lender or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

(d) All rents and revenues collected subsequent to delivery of a Default Notice by Lender to Borrower shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, attorneys' fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Borrower as lessor or landlord of the Property and then to the sums secured by this Instrument. Lender or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those rents actually received. Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Property by reason of anything done or left undone by Lender under this paragraph 25.

(e) If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by this Instrument pursuant to paragraph 8 hereof. Unless Lender and Borrower agree in writing to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof and shall bear interest from the date of disbursement at the Default Rate.

Any entering upon and taking and maintaining of control of the Property by Lender or the receiver and any application of rents as provided herein shall not cure or

waive any default hereunder or invalidate any other right or remedy of Lender under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this Instrument is satisfied by the holder hereof.

26. [Reserved.]

**Non-Uniform Covenants.** Borrower and Lender further covenant and agree as follows:

27. **ACCELERATION; REMEDIES.** Upon the occurrence of an Event of Default, Lender at Lender's option may declare all of the sums secured by this Instrument to be immediately due and payable without further demand and may invoke the power of sale and any other remedies permitted by applicable law or provided herein. Borrower acknowledges that the power of sale herein granted may be exercised by Lender without prior judicial hearing. Borrower has the right to bring an action to assert the non-existence of an Event of Default or any other defense of Borrower to acceleration and sale. Lender shall be entitled to collect all costs and expenses incurred in pursuing such remedies, including, but not limited to, reasonable attorney's fees and costs of documentary evidence, abstracts and title reports.

If Lender invokes the power of sale, Lender shall mail a copy of a notice of sale to Borrower in the manner provided in paragraph 20 hereof. Lender shall publish the notice of sale once a week for three consecutive weeks in a newspaper published in Shelby County, Alabama, and thereupon shall sell the Property to the highest bidder at public auction at the front door of the County Courthouse of said County. Lender may sell the Property in one or more parcels and in such order as Lender may determine. Lender may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or Lender's designee may purchase the Property at any sale.

Lender shall deliver to the purchaser Lender's deed conveying the Property so sold without any covenant or warranty, expressed or implied. The recitals in Lender's deed shall be prima facie evidence of the trust of the statements made therein. Borrower covenants and agrees that the proceeds of any sale shall be applied in the following order (a) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable attorney's fees and costs of title evidence; (b) to all sums secured by this Instrument in such order as Lender, in Lender's sole

discretion, directs; and (c) the excess, if any, to the person or persons legally entitled thereto.

28. MASTER REIMBURSEMENT AGREEMENT. Borrower covenants and agrees, for the benefit of Lender, to perform its obligations to Fannie Mae under the Master Reimbursement Agreement.

29. RELEASE. Upon payment of all sums secured by this Instrument, Lender shall cancel this Instrument of record. Borrower shall pay Lender's reasonable costs including recording fees incurred in cancelling this Instrument.

30. WAIVER OF HOMESTEAD. Borrower hereby waives all right of homestead exemption in the Property.

31. ASSUMPTION NOT A NOVATION. Lender's consent to any Transfer (including any agreement by Lender to release Borrower or any other party from any of its obligations evidenced or secured hereby) shall not constitute a novation.

32. CONFLICT WITH MASTER REIMBURSEMENT AGREEMENT. Any terms and conditions contained in this Instrument that may also be contained in the Master Reimbursement Agreement shall not, to the extent reasonably practicable, be construed to be in conflict with each other, but rather shall be construed as duplicative, confirming, additional or cumulative provisions. To the extent that any ultimate conflict between the terms and conditions of this Instrument and those set forth in the Master Reimbursement Agreement is determined to exist, the terms and conditions of the Master Reimbursement Agreement shall control.

33. WAIVER OF EXEMPTIONS, DOWER AND CURTESY. Borrower hereby waives all rights of exemption as to personal property and relinquishes all right of dower and curtesy in the Property.

IN WITNESS WHEREOF, Borrower has executed and sealed this Instrument or has caused the same to be executed and sealed by its representatives thereunto duly authorized.

The Property is located entirely within the State of Alabama (the "Property Jurisdiction").

The term "Loan Documents" when used herein shall mean, collectively, the following documents: (i) the Multifamily Instrument; (ii) the Other Security Instruments; (iii) Mortgage Notes; (iv) the Master Reimbursement Agreement; and (v) all other documents or agreements, including any Ancillary Collateral Agreements (as defined below), the Cash Management Agreement (as defined below) and the Payment Guaranty (as defined in the Master Reimbursement Agreement), arising under, related to, or made in connection with, the Master Reimbursement Agreement and the Mortgaged Notes, as such Loan Documents may be amended, supplemented or otherwise modified from time to time. The covenants and agreements of this Rider, and the covenants and agreements of any other riders to the Instrument, shall be incorporated into and shall amend and supplement the covenants and agreements of the Instrument as if this Rider and the other riders were a part of the

Instrument, and all references to the "Multifamily Instrument" or similar term in the Loan Documents shall mean the Instrument as so amended and supplemented. Any conflict between the provisions of the Instrument and this Rider shall be resolved in favor of this Rider.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Instrument, Borrower and Lender further covenant and agree as follows:

A. Funds for Taxes, Insurance and Other Charges

Uniform Covenant 2 of the Instrument ("Funds for Taxes, Insurance and Other Charges") is amended to change the title to "Funds for Taxes, Insurance and Other Charges; Ancillary Collateral Agreements." Existing Uniform Covenant 2 is amended to become Uniform Covenant 2A. The following new Uniform Covenant 2B is added at the end of Uniform Covenant 2A:

2B. Replacement Reserve Agreement and Other Ancillary Collateral Agreements.

(a) Replacement Reserve Agreement

Borrower shall deposit with Lender the amounts required by the Replacement Reserve and Security Agreement (the "Replacement Reserve Agreement"), if any, each between Borrower and Fannie Mae, dated as of the date hereof, at the times required by the Replacement Reserve Agreement and shall perform all other obligations as and when required pursuant thereto.

(b) Ancillary Collateral Agreements

As used herein, the term "Ancillary Collateral Agreement" shall mean the Replacement Reserve Agreement, the Cash Management, Security, Pledge, and Assignment Agreement (the "Cash Management Agreement"), if any, dated as of the date hereof, between Borrower and Fannie Mae, Management Subordination, Attornment and Assignment Agreement (the "Subordination of Management Agreement") dated as of the date hereof, between Borrower and Fannie Mae, and the O&M Agreements (as defined below), if any.

B. Application of Payments

Uniform Covenant 3 of the Instrument ("Application of Payments") is amended to add the following sentence at the end thereof:

Notwithstanding the preceding sentence and except as provided in the Mortgage Notes, (i) Lender shall be permitted to apply any partial payment received from Borrower in any manner determined by Lender and in any order of priority of application as determined by Lender, in Lender's sole discretion, and (ii) upon the occurrence and continuation of an Event of Default, notwithstanding any provisions in any of the Loan Documents to the contrary, Lender may apply any funds held pursuant to this Multifamily Instrument (including, without limitation, any insurance or condemnation proceeds or any security given in connection therewith), any Ancillary Collateral Agreement, the Master Reimbursement Agreement or otherwise in connection with the indebtedness evidenced or secured hereby to satisfy any and all of Borrower's obligations to Lender under any of the Loan Documents in any order of priority of application as determined by Lender, in Lender's sole discretion; provided, however, that Lender agrees that any funds deposited with Lender for the payment of insurance premiums shall, to the extent of the amount so deposited, be applied to the payment of insurance premiums.

C. Charges; Liens

Uniform Covenant 4 of the Instrument ("Charges; Liens") is amended to add the following provisions at the end thereof:

Provided that no Event of Default has occurred and is continuing, Borrower shall not be required to pay or discharge any obligation imposed upon Borrower by Uniform Covenant 4 so long as Borrower shall in good faith and at its sole cost and expense diligently contest the same or the validity thereof by appropriate legal proceedings, which proceedings must operate to prevent the collection thereof or other realization thereon, the sale of the lien thereof and the sale or forfeiture of the Property or any portion thereof to satisfy the same; provided, however, that during such contest (i) Borrower shall, at the option of Lender, provide security satisfactory to Lender sufficient to cover the amount of the contested obligations, with interest for the period that such proceedings may reasonably be expected to take, assuring the discharge of Borrower's obligations hereunder and of any additional interest, charge, fine, penalty, fee or expense arising from or incurred as a result of such contest, and (ii) the title company insuring the Property agrees to insure over any potential lien that may result from such contest. If at any time the payment of any obligation imposed upon Borrower by

Uniform Covenant 4 shall become necessary to prevent (a) the delivery of a tax deed conveying the Property or any portion thereof, or (b) the sale of the tax lien therefor because of non-payment, or (c) the imposition of any penalty, fine, charge, fee, cost or expense on Lender, then Borrower shall pay the same in sufficient time to prevent the occurrence of any of the foregoing.

D. Hazard Insurance; Restoration of Property.

Uniform Covenant 5 of the Instrument ("Hazard Insurance") is amended to add the following clause (iv) to clause (c) thereof:

(iv) Notwithstanding clause (ii) above, and subject to the next sentence, in the event of a loss for which the estimated aggregate cost of reconstruction and/or repair, as determined by Lender, is less than Two Hundred Thousand and 00/100 Dollars (\$200,000.00), Lender agrees, provided that no Event of Default has occurred and is continuing, to waive its right to act as Borrower's attorney-in-fact and hold and apply the insurance proceeds (each as set forth in clause (ii) above) upon the condition that (A) Borrower shall give prompt written notice thereof to Lender, (B) any casualty loss draft is made payable to both Lender and Borrower, (C) such reconstruction and/or repair is performed by Borrower promptly, in a good and workmanlike manner, and in compliance with all applicable Requirements, (D) the Property shall be restored to the equivalent of its condition immediately prior to such event of loss or to such other condition as Lender may approve in writing, provided that upon completion of the restoration work the quality and class of the Property shall be substantially equal to the original quality and class of the Property, (E) upon completion of the reconstruction and/or repair, Borrower shall certify in writing to Lender that such reconstruction and/or repair was performed in full compliance with all applicable Requirements and that the Property, as reconstructed and/or repaired, is in full compliance with all applicable Requirements and (F) Borrower shall provide Lender with evidence satisfactory to Lender of the payment of all costs of the reconstruction and/or repair and the satisfaction of all liens filed against the Property by reason of nonpayment or alleged nonpayment, in whole or in part, of the cost of any work, labor or services performed or any materials, supplies or equipment furnished in connection with the reconstruction and/or repair of the Property. Notwithstanding the foregoing, upon and

after a breach by Borrower of its covenants, obligations and agreements set forth in clauses (A) through (F) hereof, Lender may revoke its waiver of its right to act as Borrower's attorney-in-fact and its right to hold and apply the insurance proceeds. In the event of a loss for which the estimated aggregate cost of reconstruction and/or repair, as determined by the Lender, exceeds Two Hundred Thousand and 00/100 Dollars (\$200,000.00), Lender agrees, provided that no Event of Default has occurred and is continuing, that it shall not exercise its right to act as Borrower's attorney-in-fact and its right to hold and apply the insurance proceeds (as set forth in clause (ii) above) provided that Borrower deposits with Lender an amount equal to one hundred and fifty percent (150%) of the estimated aggregate cost of the reconstruction and/or repair of the Property, as determined by Lender, in the form of cash or a letter of credit, which letter of credit shall be in form and substance satisfactory to Lender and shall be issued by a bank acceptable to Lender, as security for the full and faithful performance by Borrower of all of the terms, covenants, agreements, obligations and conditions on Borrower's part to be performed with respect to the reconstruction and/or repair of the Property, and Lender has determined that the conditions of clause (d) below are satisfied and Borrower proceeds to reconstruct or repair the Property in accordance with the terms hereof (including clauses (A) through (F) above. In the event Borrower, from time to time, requests a reduction of such cash security or letter of credit, Lender shall if it is satisfied in its sole discretion that Borrower is in compliance with the obligations and agreement set forth in this clause (c) and clause (d) below and that the cash or the amount of the letter of credit held by Lender is equal to or greater than 150% of the estimated aggregate cost of completion of the reconstruction and/or repair of the Property, it shall refund to Borrower (or in the case of the letter of credit reduce) that portion of the security which exceeds 150% of the estimated aggregate cost of completion of such work.

Uniform Covenant 5 of the Instrument ("Hazard Insurance") is amended to add the following sentence at the end of clause (d) hereof:

Lender shall not exercise Lender's option to apply insurance proceeds or other funds held by Lender to the payment of the sums secured by the Instrument, and Borrower shall not be required to apply insurance

proceeds Borrower has received to the payment of the sums secured by the Instrument, if all of the following conditions are met: (i) no Event of Default has occurred and is continuing; (ii) Lender determines that there will be sufficient funds to restore and repair the Property to a condition approved by Lender; (iii) Lender determines that the rental income of the Property, after restoration and repair of the Property to a condition approved by Lender, will be sufficient to meet all operating costs and other expenses, payments for reserves and loan repayment obligations relating to the Property; and (iv) Lender determines that restoration and repair of the Property to a condition approved by Lender will be completed prior to the earlier of either (1) the termination date of the Master Reimbursement Agreement or (2) within one year of the date of the loss or casualty to the Property; provided, however, that, notwithstanding the foregoing, Borrower covenants and agrees so to apply the proceeds to the payment of the sums secured by the Instrument if all of the above conditions are not met and if Lender does not otherwise, in its sole discretion, waive such conditions in writing.

E. Preservation and Maintenance of Property

Existing Uniform Covenant 6 ("Preservation and Maintenance of Property") of the Instrument is hereby amended to become Uniform Covenant 6A. Uniform Covenant 6A(b) of the Instrument is amended to add the following provision at the end thereof:

Notwithstanding the foregoing, and subject to the next sentence, provided that no Event of Default has occurred and is continuing, Borrower may cause or allow alterations to the improvements now existing or hereafter erected on the Property or any fixture, equipment, machinery or appliance in or on the Property, provided that the cost of such alterations does not exceed, in the aggregate in any calendar year, the lesser of (x) \$100,000 or (y) the product of One Thousand and 00/100 Dollars (\$1,000.00) times the number of individual apartment units located on the Property; and provided further that (i) such alterations are performed by Borrower promptly, in a good and workmanlike manner and in compliance with all applicable Requirements, (ii) Borrower provides the Lender with evidence satisfactory to Lender that the conditions set forth in clause (i) hereof will be fully satisfied and that Borrower has sufficient funds available to apply to the cost of the alterations

and/or improvements, (iii) upon completion of the alterations and/or improvements, Borrower shall certify in writing to Lender (and any servicer appointed by Lender) that (1) such alterations and/or improvements were performed in full compliance with all applicable Requirements, (2) the Property is in full compliance with all applicable Requirements, and (3) the value of the Property is at least equal to its value immediately prior to the performance of such alterations and/or improvements, and (iv) Borrower shall provide Lender with evidence satisfactory to Lender of the payment of all costs of the alterations and/or improvements and the satisfaction or waiver of all liens filed against the Property by reason of nonpayment or alleged nonpayment, in whole or in part, of the cost of any work, labor or services performed or any materials, supplies or equipment furnished in connection with the performance of the alterations and/or improvements to the Property. Upon and after a breach by Borrower of its covenants, obligations and agreements set forth in clauses (ii), (iii) and (iv) hereof, Borrower shall no longer have the right to cause or allow any alterations to the improvements now existing or hereafter erected on the Property or any fixture, equipment, machinery or appliance in or on the Property without the prior written consent of Lender.

Uniform Covenant 6B is added at the end of Uniform Covenant 6A:

6B. Hazardous Materials/Prohibited Activities or Conditions

Borrower covenants and agrees that Borrower shall not:

(a) cause or permit the presence, use, generation, manufacture, production, processing, installation, release, discharge, storage (including aboveground and underground storage tanks for petroleum or petroleum products), treatment, handling, or disposal of any Hazardous Materials (as defined below) (except with respect to the presence of Hazardous Materials that have been disclosed in an environmental hazard assessment report of the Property received by Lender prior to the date of the Instrument, in quantities no greater than those so disclosed, and excluding the safe and lawful use and storage of quantities of Hazardous Materials customarily used in the operation and maintenance of comparable multifamily properties or for normal household purposes) on or

under the Property, or in any way affecting the Property or its value, or which may form the basis for any present or future demand, claim or liability relating to contamination, exposure, cleanup or other remediation of the Property; or

(b) cause or permit the transportation to, from or across the Property of any Hazardous Material (excluding the safe and lawful use and storage of quantities of Hazardous Materials customarily used in the operation and maintenance of comparable multifamily properties or for normal household purposes); or

(c) cause or exacerbate any occurrence or condition on the Property that is or may be in violation of Hazardous Materials Law (as defined below); or

(d) fail to comply with all Hazardous Materials Laws.

(The matters described in (a), (b), (c) and (d) above are referred to collectively below as "Prohibited Activities or Conditions").

Except with respect to any matters which have been disclosed in writing by Borrower to Lender prior to the date of the Instrument, including matters which have been disclosed in an environmental hazard assessment report of the Property received by Lender prior to the date of the Instrument, Borrower represents and warrants that it has not at any time caused or permitted any Prohibited Activities or Conditions and to the best of its knowledge, no Prohibited Activities or Conditions exist or have existed on or under the Property. Borrower shall take all appropriate steps (including but not limited to appropriate lease provisions) to prevent its employees, agents, and contractors, and all tenants and other occupants on the Property, from causing, permitting or exacerbating any Prohibited Activities or Conditions. Borrower shall not lease or allow the sublease of all or any portion of the Property for use to any tenant or subtenant that, in the ordinary course of its business, would cause, permit or exacerbate any Prohibited Activities or Conditions, and all leases and subleases shall provide that tenants and subtenants shall not cause, permit or exacerbate any Prohibited Activities or Conditions.

If Borrower has disclosed that Prohibited Activities or Conditions exist on the Property, Borrower shall comply in a timely manner with, and cause all employees, agents, and contractors of Borrower and any other

persons present on the Property to so comply with, (1) any program of operations and maintenance ("O&M Program") relating to the Property that is acceptable to Lender with respect to one or more Hazardous Materials (which O&M Program may be set forth in an agreement of Borrower (an "O&M Agreement")) and all other obligations set forth in any O&M Agreement, and (2) all Hazardous Materials Laws. Any O&M Program shall be performed by qualified personnel. All costs and expenses of the O&M Program shall be paid by Borrower, including without limitation Lender's fees and costs incurred in connection with the monitoring and review of the O&M Program and Borrower's performance thereunder. If Borrower fails to timely commence or diligently continue and complete the O&M Program and comply with any O&M Agreement, then Lender may, at Lender's option, declare all of the sums secured by the Instrument to be immediately due and payable, and Lender may invoke any remedies permitted by paragraph 27 of the Instrument.

Borrower represents that Borrower has not received, and has no knowledge of the issuance of, any outstanding claim, citation or notice of any pending or threatened suits, proceedings, orders, or governmental inquiries or opinions involving the Property that allege the violation of any Hazardous Materials Law or that could give rise to any payment of fines, any response costs or other liabilities of my kind under any Hazardous Materials Law ("Governmental Actions").

Borrower shall promptly notify Lender in writing of: (i) the occurrence of any Prohibited Activity or Condition on the Property; (ii) Borrower's actual knowledge of the presence on or under any adjoining property of any Hazardous Materials which can reasonably be expected to have a material adverse impact on the Property or the value of the Property, discovery of any occurrence or condition on the Property or any adjoining real property that could reasonably be expected to cause any restrictions on the ownership, occupancy, transferability or use of the Property under Hazardous Materials Law; (iii) any Governmental Action; and (iv) any claim made or threatened by any third party against Borrower, Lender, or the Property relating to loss or injury resulting from any Hazardous Materials. Any such notice by Borrower shall not relieve Borrower of, or result in a waiver of any obligation of Borrower under this paragraph E. Borrower shall cooperate with any governmental inquiry and shall comply with any governmental or judicial order or directive which arises from any alleged Prohibited Activities or Conditions; provided, however, that so long as no Default or Event of Default has occurred and is continuing under this Instrument or no "Default" has

occurred and is continuing under the Master Reimbursement Agreement, Borrower shall not be required to comply with any such governmental or judicial order or directive provided that Borrower shall in good faith and at its sole cost and expense diligently contest the same or the validity thereof by appropriate legal proceedings; provided further, that (1) not later than sixty (60) days after the initiation of such contest, Borrower shall, at the option of Lender, provide security satisfactory to Lender sufficient to cover the amount of any interest, charge, fine, penalty, fee or expense arising from or incurred as a result of such contest and (2) during such contest, if any time compliance with any such governmental or judicial order or directive becomes necessary to prevent the imposition of any penalty, fine, charge, fee, cost or expense on Lender, then Borrower shall comply with the same in sufficient time to prevent the occurrence of any of the foregoing.

Borrower shall pay promptly the costs of any environmental audits, studies or investigations (including but not limited to reasonable fees and expenses of attorneys and consultants, whether incurred in connection with any judicial or administrative process or otherwise) and the removal of any Hazardous Materials from the Property required by Lender as a condition of its consent to any sale or transfer under paragraph G hereof of all or any part of the Property or any transfer occurring upon a foreclosure or a deed in lieu of foreclosure or any interest therein, or required by Lender following a reasonable determination by Lender that there may be Prohibited Activities or Conditions on or under the Property. Borrower authorizes Lender and its employees, agents and contractors to enter onto the Property for the purpose of conducting such environmental audits, studies and investigations. Any such costs and expenses incurred by Lender (including but not limited to fees and expenses of attorneys and consultants, whether incurred in connection with any judicial or administrative process or otherwise) which Borrower fails to pay promptly shall become immediately due and payable and shall become additional indebtedness secured by the Instrument pursuant to Uniform Covenant 8 of the Instrument.

Borrower shall hold harmless, defend and indemnify Lender and its officers, directors, trustees, employees, and agents from and against all proceedings (including but not limited to Government Actions), claims, damages, penalties, costs and expenses (including without limitation fees and expenses of attorneys and expert witnesses, investigatory fees, and cleanup and remediation expenses, whether or not incurred within the context of the judicial process), arising directly or indirectly from (i) any breach of any

representation, warranty, or obligation of Borrower contained in this paragraph E or (ii) the past, present or future presence, leaking, escaping, emanation or migration (in each case, whether actual or alleged) of Hazardous Materials at, on or under the Property or any past, present or future use, generation, treatment, storage, discharge, disposal, release, spill, pumping, injection or dumping (in each case, whether actual or alleged) of any Hazardous Materials by Borrower or any other party at, on or under the Property, or any other past, present or future acts or activities conducted or conditions created at, on or under the Property by Borrower or any other party or (iii) any past, present or future noncompliance with any Hazardous Materials Laws by Borrower or any other party in respect of the Property.

The term "Hazardous Materials," for purposes of this paragraph E, includes petroleum and petroleum products, flammable explosives, radioactive materials (excluding radioactive materials in smoke detectors), polychlorinated biphenyls, lead, asbestos in any form that is or could become friable, hazardous waste, toxic or hazardous substances or other related materials whether in the form of a chemical, element, compound, solution, mixture or otherwise including, but not limited to, those materials defined as "hazardous substances," "extremely hazardous substances," "hazardous chemicals," "hazardous materials," "toxic substances," "solid waste," "toxic chemicals," "air pollutants," "toxic pollutants," "hazardous wastes," "extremely hazardous waste," or "restricted hazardous waste" by Hazardous Materials Law or regulated by Hazardous Materials Law in any manner whatsoever.

The term "Hazardous Materials Law," for the purposes of this paragraph E, means all federal, state, and local laws, ordinances and regulations and standards, rules, policies and other binding governmental requirements and any court judgments, now or hereafter in existence, applicable to Borrower or to the Property relating to industrial hygiene or to environmental or unsafe conditions or to human health including, but not limited to, those relating to the generation, manufacture, storage, handling, transportation, disposal, release, emission or discharge of Hazardous Materials, those in connection with the construction, fuel supply, power generation and transmission, waste disposal or any other operations or processes relating to the Property, and those relating to the atmosphere, soil, surface and ground water, wetlands, stream sediments and vegetation on, under, in or about the Property.

The representations, warranties, covenants, agreements, indemnities and undertakings of Borrower contained in this paragraph E shall be in addition to any and all other obligations and liabilities that Borrower may have to Lender under applicable Requirements.

The representations, warranties, covenants, agreements, indemnities and undertakings of Borrower contained in this paragraph E shall continue and survive notwithstanding the satisfaction, discharge, release, assignment, termination, subordination or cancellation of the Instrument or the payment of all sums payable and the performance of all obligations owing under the Master Reimbursement Agreement and the payment of all other sums payable under the Loan Documents or the foreclosure of the Instrument or the tender or delivery of a deed in lieu of foreclosure or the release of any portion of the Property from the lien of the Instrument, except with respect to any Prohibited Activities or Conditions or violation of any of the Hazardous Materials Laws which first commences and occurs after the satisfaction, discharge, release, assignment, termination or cancellation of the Instrument following the payment in full of all sums payable under the Master Reimbursement Agreement and the performance in full of all obligations owing under the Master Reimbursement Agreement and all other sums payable under the Loan Documents or which first commences or occurs after the actual dispossession from the entire Property of the Borrower and all entities which control, are controlled by, or are under common control with the Borrower (each of the foregoing persons or entities is hereinafter referred to as a "Responsible Party") following foreclosure of the Instrument or acquisition of the Property by a deed in lieu of foreclosure. Nothing in the foregoing sentence shall relieve the Borrower from any liability with respect to any Prohibited Activities or Conditions or violation of Hazardous Materials Laws where such Prohibited Activities or Conditions or violation of Hazardous Materials Laws commences or occurs, or is present as a result of, any act or omission by any Responsible Party or by any person or entity acting on behalf of a Responsible Party.

F. Condemnation

Uniform Covenant 11 of the Instrument ("Condemnation") is amended to add the following provision at the end thereof:

Notwithstanding the foregoing, in the event of any condemnation claim(s) in connection with any condemnation or other taking that, in the aggregate, is

less than Two Hundred Thousand and 00/100 Dollars (\$200,000.00), Lender agrees, provided that no Event of Default has occurred and is continuing, to waive its right to act as Borrower's attorney-in-fact (as set forth in the second sentence of Uniform Covenant 11) upon the condition that Borrower (i) shall give prompt written notice thereof to Lender and (ii) shall diligently and continuously prosecute such claim to completion. In the event of any condemnation claim(s) in connection with any condemnation or other taking that, in the aggregate, is in excess of Two Hundred Thousand and 00/100 Dollars (\$200,000.00), Lender agrees that it shall not exercise its right to act as Borrower's attorney-in-fact if Borrower deposits with Lender an amount equal to one hundred and fifty percent (150%) of the aggregate amount of such claims in the form of cash or a letter of credit, which letter of credit shall be in form and substance satisfactory to Lender and shall be issued by a bank acceptable to Lender, as security for the prompt and diligent prosecution by Borrower of the prosecution of such condemnation claim(s). The letter of credit or such funds shall be retained by the Lender until either (x) the application of the condemnation proceeds to the amounts secured hereby, as aforesaid, or (y) the completion of any reconstruction, if the Lender shall have determined to so apply such proceeds.

G. Transfers of the Property or Significant Interests in Borrower.

Uniform Covenant 19 of the Instrument ("Transfers of the Property or Beneficial Interests in Borrower, Assumption") is amended to read as set forth below:

(1) A Transfer that occurs by inheritance, devise, or bequest or by operation of law upon the death of a natural person who is an owner of the Property or the owner of a direct or indirect ownership interest in the Borrower.

(2) The grant of a leasehold interest in individual dwelling units for a term of two years or less and leases for commercial uses provided that (i) commercial leases do not exceed five percent (5%) of (A) the rentable space of the Property (measured as required by Lender) and (B) the rental income from the Property, (ii) all such commercial leasehold interests (A) do not contain an option to purchase the Property, (B) do not adversely affect the value of the Property and (C) are coincidental to the current use of the Property for multifamily residential purposes.

(4) The creation of a mechanic's or materialmen's lien or judgment lien against the Property which is released of record or otherwise remedied to Lender's satisfaction, within 30 days of the date of creation,

(5) The grant of an easement, if prior to the granting of the easement the Borrower causes to be submitted to Lender all information required by Lender to evaluate the easement, and if Lender consents to such easement based upon Lender's determination that the easement will not materially affect the operation of the Property or Lender's interest in the Property and Borrower pays to Lender, on demand, all costs and expenses incurred by Lender in connection with reviewing Borrower's request. Lender shall not unreasonably withhold its consent to or withhold its agreement to subordinate the lien of the Multifamily Instrument to (i) the grant of a utility easement serving the Property to a publicly operated utility, or (ii) the grant of an easement related to expansion or widening of roadways, provided that any such easement is in form and substance reasonably acceptable to Lender and does not materially and adversely affect the access, use or marketability of the Property.

(6) The Transfer of shares of common stock or other beneficial or ownership interests or other forms of securities in the Parent, and the issuance of all varieties of convertible debt, equity and other similar securities of the Parent, and the subsequent Transfer of such securities; provided, however, that no Change of Control occurs as a result of such Transfer, either upon such Transfer or upon the subsequent conversion to equity of such convertible debt or other securities.

(7) The Transfer of limited partnership interests by the limited partners of Borrower, including, without limitation, the conversion or exchange of limited partnership interests in Borrower to shares of common stock or other beneficial or ownership interests or other forms of securities in the Parent; provided, however, that no Change of Control occurs as the result of such Transfer.

(8) The issuance by Borrower of additional limited partnership units or convertible debt, equity and other similar securities, and the subsequent Transfer of such units or other securities; provided, however, that no Change of Control occurs as the result of such Transfer, either upon such Transfer or upon the subsequent

conversion to equity of such convertible debt or other securities.

(9) A merger with or acquisition of another entity by Borrower or Parent provided that (x) Borrower or the Parent, as the case may be, is the surviving entity after such merger or acquisition, (y) no Change of Control occurs, and (z) such merger or acquisition does not result in a Default or Event of Default, as such terms are defined under the Master Reimbursement Agreement.

(10) A merger or consolidation of Parent and the General Partner, a liquidation or dissolution of General Partner, provided that the Parent is the surviving entity in any such transaction and the sole general partner of Borrower, and otherwise no Change of Control occurs as a result thereof.

I. Governing Law

The Borrower and Lender covenant and agree as follows:

(a) Choice of Law

The validity of the Multifamily Instrument, each of its terms and provisions, and the rights and obligations of Borrower under the Multifamily Instrument, shall be governed by, interpreted, construed, and enforced pursuant to and in accordance with the laws of the District of Columbia without regard to the conflicts of law principles, except to the extent that Federal laws may govern; provided, however, that matters respecting the creation, perfection, priority and foreclosure of the liens on and security interests in the Property created by this Instrument shall be governed by, and construed and enforced in accordance with, the internal laws of the Property Jurisdiction without giving effect to the conflicts of law principles of such Property Jurisdiction.

(b) Consent to Jurisdiction

(i) Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any District of Columbia court or Federal court of the United States of America sitting in the District of Columbia and any court of the Property Jurisdiction or Federal court of the United States of America sitting in the Property Jurisdiction, and any appellate court from any thereof, in any action or proceeding arising out of or relating to the Multifamily Instrument or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such District of Columbia court or Property Jurisdiction court or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in the Multifamily Instrument shall affect any right that Lender may otherwise have to bring any action or proceeding relating to the

Multifamily Instrument in the courts of any jurisdiction.

(ii) Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to the Multifamily Instrument in any District of Columbia court or Property Jurisdiction or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(iii) Borrower and Lender each irrevocably consents to service of process in the manner provided for notices in paragraph H above. Nothing in the Multifamily Instrument will affect the right of Lender or Borrower to serve process in any other manner permitted by law.

J. Acceleration; Remedies

Covenant 27 of the Instrument ("Acceleration; Remedies") is amended to add the following at the end of the first paragraph:

Upon the occurrence and continuation of an Event of Default, Lender, at Lender's option, may, in addition to any remedies specified in this covenant, invoke any other remedies provided in any Ancillary Collateral Agreement or the Master Reimbursement Agreement.

If Borrower is in default under any promissory note (other than the Mortgage Notes) evidencing a loan (the "Subordinate Loan") secured by a security instrument (other than the Instrument) covering all or any portion of the Property (the "Subordinate Instrument") or under any Subordinate Instrument or other loan document executed in connection with the Subordinate Loan, (and whether or not the Borrower has obtained the prior approval of Lender to the placement of such Subordinate Instrument on the Property) which default remains uncured after any applicable cure period, such default shall be deemed to be an Event of Default. In that event, the outstanding principal balance of any of the Mortgage Notes and the entire amount of unpaid sums owing under the Master

Reimbursement Agreement, accrued interest and any other sums due Lender secured by the Instrument, then will become due and payable, at Lender's option. If Lender exercises this option to accelerate, Lender will do so in accordance with the provisions of the Mortgage Notes, the Master Reimbursement Agreement and the Instrument, and Lender may invoke any and all remedies permitted by applicable law, the Mortgage Notes, the Master Reimbursement Agreement, the Multifamily Instrument, the other Security Instruments or any of the other Loan Documents.

K. [Reserved]

L. Non-Recourse Liability

Subject to the provisions of paragraph M and notwithstanding any other provision in the Master Reimbursement Agreement or the Multifamily Instrument, the personal liability of Borrower or the General Partner or any guarantor or any other Person liable through or in respect of Borrower to pay the principal of and interest on the debt evidenced by the Master Reimbursement Agreement and any other agreement evidencing Borrower's obligations under the Master Reimbursement Agreement and the Multifamily Instrument shall be limited to (1) the real and personal property described as the "Property" in the Multifamily Instrument, (2) the personal property described in and pledged under any Ancillary Collateral Agreement executed in connection with the loan evidenced by the Master Reimbursement Agreement, (3) the rents, profits, issues, products and income of the Property received or collected by or on behalf of Borrower (the "Rents and Profits") to the extent such receipts are necessary, first, to pay the reasonable expenses of operating, managing, maintaining and repairing the Property, including but not limited to real estate taxes, utilities, assessments, insurance premiums, repairs, replacements and ground rents, if any (the "Operating Expenses") then due and payable as of the time of receipt of such Rents and Profits, and then, to pay the principal, interest and other sums then due and payable under the Master Reimbursement Agreement, and any other sums due under the Multifamily Instrument (including but not limited to deposits or reserves due under any Ancillary Collateral Agreement), except to the extent that Borrower did not have the legal right, because of a bankruptcy, receivership or similar judicial proceeding, to direct the disbursement of such sums.

Except as provided in paragraph M, Lender shall not seek (a) any judgment for a deficiency against Borrower or the General Partner or the General Partner's or any guarantor or any other Person liable through or in respect of Borrower, or their respective successors or assigns, or the partners, officers, directors, shareholders or agents of Borrower or the General Partner in any action to enforce any right or remedy under the Multifamily Instrument, or (b) any judgment on the Master Reimbursement Agreement except as may be necessary in any action brought under the Multifamily Instrument to enforce the lien against the Property or to exercise any remedies under any Ancillary Collateral Agreement.

M. Exceptions to Non-Recourse Liability

(a) If, without obtaining Lender's prior written consent, (i) a Transfer or a Change of Control shall occur which, pursuant to Uniform Covenant 19 of the Multifamily Instrument or paragraph G hereof, gives Lender the right, at its option, to declare all sums secured by the Multifamily Instrument immediately due and payable, or (ii) Borrower shall encumber the Property with any lien in connection with any financing by Borrower, any of such events shall constitute a default by Borrower under the Master Reimbursement Agreement, the Multifamily Instrument and the other Loan Documents and if such event shall continue for 30 days, paragraph L shall not apply from and after the date which is 30 days after such event and the Borrower and any guarantor or other Person liable through or in respect of Borrower (each individually on a joint and several basis if more than one) shall be personally liable on a joint and several basis for full recourse liability for all of the Borrower's obligations under the Master Reimbursement Agreement and the Multifamily Instrument. In addition, the Borrower and any guarantor or other Person liable through or in respect of Borrower (each individually on a joint and several basis if more than one), shall be personally liable on a joint and several basis (w) for full recourse liability for all obligations under the Master Reimbursement Agreement and the other Loan Documents as provided in Section 4.06 of the Master Reimbursement Agreement, (x) for full recourse liability under any indemnification obligations contained in Uniform Covenant 6B or in any other section of the Multifamily Instrument, or the Master Reimbursement Agreement and (y) for full recourse liability for the obligations of Borrower under Section 7.13 of the Master Reimbursement Agreement, and (z) for full recourse liability for all other obligations under the Master Reimbursement Agreement and the other Loan Documents but only to the extent that Borrower shall fail at any time to deposit any

Rents and Profits as provided in and in accordance with the terms and provisions of the Cash Management Agreement.

(b) Notwithstanding paragraph L, Borrower and any guarantor or other Person liable through or in respect of Borrower (each individually on a joint and several basis if more than one) shall be personally liable on a joint and several basis, for and shall indemnify and hold Lender harmless from any loss, damage, cost or expense (including but not limited to attorneys' fees, other than the internal overhead expenses of the Lender, such as salaries and other compensation of employees) incurred or suffered by Lender resulting from (A) fraud or intentional misrepresentation by Borrower or Borrower's officers, agents, employees, or the Key Principals in connection with (i) the execution and delivery of the Multifamily Instrument, the Master Reimbursement Agreement, or any other agreement executed and delivered by Borrower in connection herewith or therewith, (ii) the transactions contemplated under the Multifamily Instrument or the Master Reimbursement Agreement, or (iii) complying with any of Borrower's obligations under the Multifamily Instrument or the Master Reimbursement Agreement, (B) insurance proceeds, condemnation awards, security deposits from tenants or other sums or payments received by or on behalf of Borrower in its capacity as owner of the Property not being applied in accordance with the provisions of the Multifamily Instrument (except to the extent that Borrower did not have the legal right, because of a bankruptcy, receivership or judicial proceeding, to direct disbursement of such sums or payments), (C) all Rents and Profits (except to the extent that Borrower did not have the legal right, because of a bankruptcy, receivership or similar judicial proceeding, to direct the disbursement of such sums), not being applied, first, to the payment of the reasonable Operating Expenses as such Operating Expenses become due and payable, and then, to the payment of principal and interest then due and payable under the Mortgage Notes and all other sums due under the Multifamily Instrument, the Master Reimbursement Agreement and the other Loan Documents (including but not limited to deposits or reserves payable under any Ancillary Collateral Agreement) (provided, however, that it is expressly understood that the priorities set forth in this clause (C) shall be calculated on the basis of Borrower's fiscal year and shall not be deemed to require application of cash on a more frequent basis than annually for each fiscal year in such order of priority), (D) Borrower's failure following an Event of Default hereunder, to deliver to Lender on demand all Rents and Profits, security deposits (except to the extent that Borrower did not have the legal right because of a bankruptcy, receivership or similar judicial proceeding to

direct disbursement of such sums), and books and records relating to the Property, and (E) any representation or warranty made by Borrower herein, or any other Loan Document or in any instrument furnished by Borrower in compliance with or in reference to any of the foregoing is false or misleading.

(c) No provision of paragraphs L or M shall (i) release or reduce the debt or obligations evidenced by the Master Reimbursement Agreement, (ii) impair the right of Lender to enforce the provisions of paragraph D of the Rider, (iii) impair the lien of the Multifamily Instrument or (iv) impair the right of Lender to enforce the provisions of any Ancillary Collateral Agreement.

(d) Notwithstanding anything to the contrary contained in clause (C) of subsection (b) above, Borrower or the General Partner or any guarantor or any other person liable through or in respect of Borrower shall have no liability for Rents and Profits from the Property which were expended or distributed in any fiscal year, provided that Borrower paid the Operating Expenses, all capital expenditures during such fiscal year, all amounts due under this Multifamily Instrument, the Mortgage Notes, the Master Reimbursement Agreement and the other Loan Documents and all other permitted debt service relating to the Property for that fiscal year.

N. Waiver of Jury Trial

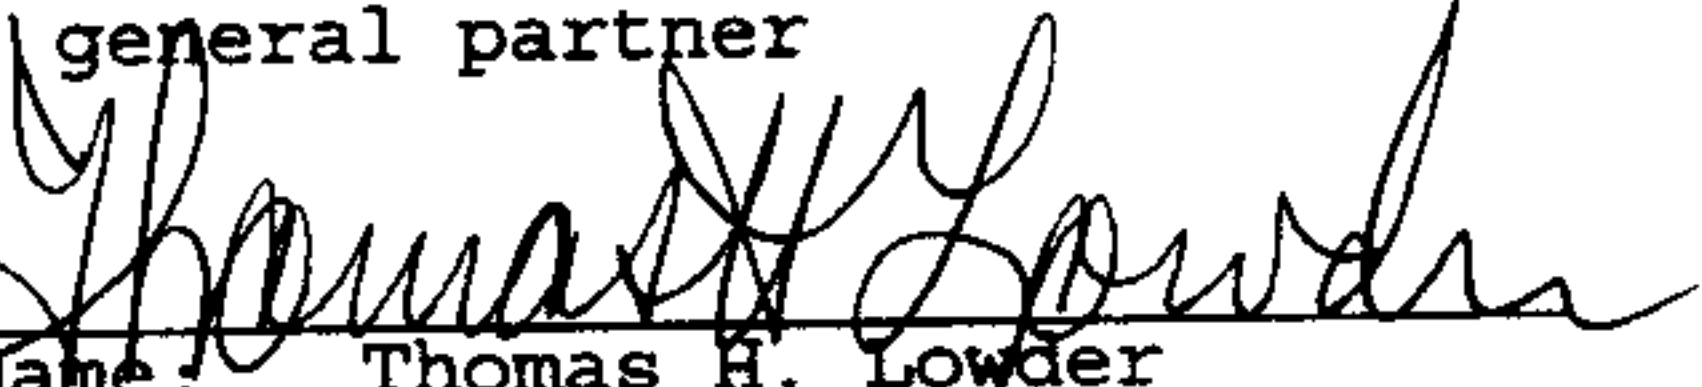

Borrower (i) covenants and agrees not to elect a trial by jury with respect to any issue arising under any of the Loan Documents triable by a jury and (ii) waives any right to trial by jury to the extent that any such right shall now or hereafter exist. This waiver of right to trial by jury is given, knowingly and voluntarily with the benefit of competent legal counsel by Borrower, and this waiver is intended to encompass individually each instance and each issue as to which the right to a jury trial would otherwise accrue. Further, Borrower hereby certifies that no representative or agent of Lender (including, but not limited to, Lender's counsel) has represented, expressly or otherwise, to Borrower that Lender will not seek to enforce the provisions of this paragraph N.

## SPECIAL RIDER TO SECOND MULTIFAMILY INSTRUMENT

THIS SPECIAL RIDER TO SECOND MULTIFAMILY INSTRUMENT (this "Special Rider") is made as of the 1st day of June, 1996, and is incorporated into and shall be deemed to amend and supplement the Multifamily Second Mortgage, Assignment of Rents and Security Agreement (the "Instrument") given by the undersigned, Colonial Realty Limited Partnership, a limited partnership organized and existing under the laws of Delaware, whose address is 2101 6th Avenue North, Suite 750, Birmingham, Alabama 35202-1687 (together with its permitted successors and assigns, "Borrower") to Federal National Mortgage Association and its successors and assigns ("Lender") dated as of the date as this Special Rider, as amended and supplemented by a Rider to Multifamily Instrument (the "Rider") dated as of the date as this Special Rider (the Instrument, as amended by the Rider to Multifamily Instrument, this Special Rider, any other riders to the Instrument and any future riders or amendments to the Instrument, is referred to as the "Multifamily Instrument"). The Master Reimbursement Agreement between Borrower and Fannie Mae, dated as of the date hereof together with all renewals, extensions, amendments and modifications thereof, is hereinafter referred to collectively as the "Master Reimbursement Agreement". This Multifamily Instrument covers the property located at 3100 Heatherbrooke Road, Birmingham, Alabama 35242, and commonly referred to as the "Heatherbrooke Project", as more particularly described in the Instrument (the "Property"). The Property is located entirely within the State of Alabama.

The covenants and agreements of this Special Rider, and the covenants and agreements of any other riders to the Instrument, shall be incorporated into and shall amend and supplement the covenants and agreements of the Instrument as if the Special Rider and the other riders were a part of the Instrument, and all references to the "Multifamily Instrument" in the Loan Documents shall mean the Instrument as so amended and supplemented. Any conflict between the provisions of the Instrument (including the covenants and agreements of the Rider to Multifamily Instrument) and this Special Rider shall be resolved in favor of this Special Rider.

The Multifamily Instrument secures the Secured Obligations.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Instrument, Borrower and Lender further covenant and agree as follows:

I. Regulatory Agreement. Lender acknowledges and agrees that the operation of the Property is subject to certain covenants and restrictions contained in one or more Regulatory Agreements (as defined in the Master Reimbursement Agreement) and listed on Exhibit B to the Multifamily Instrument.

II. Default/Event of Default/Cross Default.

A. A breach by Borrower in the payment or performance of any covenant, obligation or agreement under the Multifamily Instrument shall constitute a "Default" hereunder.

B. Each of the following events shall constitute an "Event of Default" hereunder, whatever the reason for such event and whether it shall be voluntary or involuntary, or within or without the control of Borrower, or be effected by operation of law or pursuant to any judgment or order of any court or any order, rule or regulation of any governmental body, and shall entitle Lender, at its option, to invoke any of the remedies set forth in paragraphs 25 and 27 of the Multifamily Instrument or as otherwise afforded by law or equity, subject to the provisions of paragraph L and M of the Rider.

(i) The failure by Borrower to pay any amounts due and owing under the Multifamily Instrument that is not specified in clause (iii) or (iv) below.

(ii) The failure by Borrower to perform or observe any covenant, obligation or agreement under the Multifamily Instrument that is not specified in clause (iii) or (iv) below.

(iii) The failure by Borrower to perform or observe any covenant set forth in Section 6A(a)(i), 6A(a)(iv), 6A(a)(v), 6A(b)(ii), 6A(b)(iii), 6A(b)(iv), 7(b), 10 or 16 of the Multifamily Instrument and Section III of this Special Rider within thirty (30) days after receipt of notice from the Lender identifying such failure.

(iv) A default by Borrower beyond any applicable cure period, if any, in the payment or performance of any obligation of Borrower, or an "Event of Default," contained in (a) the Master Reimbursement Agreement, (b) any document, agreement, or instrument evidencing or securing any

indebtedness or liability of Borrower in excess of \$5,000,000 which, in the event such indebtedness or liability is not paid or in the event of any other default in respect thereof could result in a judgement, or lien or levy against the Property, or any Subordinate Instrument or other agreement, document or instrument in connection with a Subordinate Loan, (c) the Regulatory Agreement, (d) any of the Other Security Instruments, or (e) any other Loan Document.

(v) The failure by Borrower to cause any judgment, attachment or other levy rendered against the Property to be discharged or bonded pending appeal within thirty (30) days from the entry thereof.

III. Leases. All leases of the residential rental housing units in the Property (i) shall (a) be legally valid, binding and enforceable obligations of the tenants, (b) comply with all applicable laws and (c) satisfy the standards of the DUS Guide in its present form and, with respect to any leases entered into or amended hereafter, as the DUS Guide shall have been amended, modified, supplemented or reissued as of the date of any such lease, and (ii) shall not contain any options to purchase, rights of first refusal or any other similar provisions other than rights of first refusal relating to a condominium board or similar organization's rights with respect to any condominium unit on the Property.

IV. Mortgage Expenses. If Lender pays any Mortgage Expenses (defined below), Borrower shall on demand immediately reimburse Lender for the full amount of such Mortgage Expenses paid by Lender and the amount thereof shall be added to the indebtedness secured hereby. For purposes of this paragraph IV, "Mortgage Expenses" shall mean the cost of all real estate taxes, appraisal fees, insurance fees, legal fees and any other reasonable expenses which may be required to maintain the priority of, or to protect or enforce Lender's rights in, the Multifamily Instrument, including fees and expenses of the Lender and the fees of any servicer, trustee, remarketing agent, issuer or any other party related to an issue of "Refunding Bonds" (as such terms are defined in the Master Reimbursement Agreement) which are not paid by Borrower, or to maintain in full force and effect or realize the benefit of any insurance with respect to the Multifamily Instrument, and legal fees incurred in connection with any foreclosure, judicial sale or other proceeding to enforce the lien hereof.

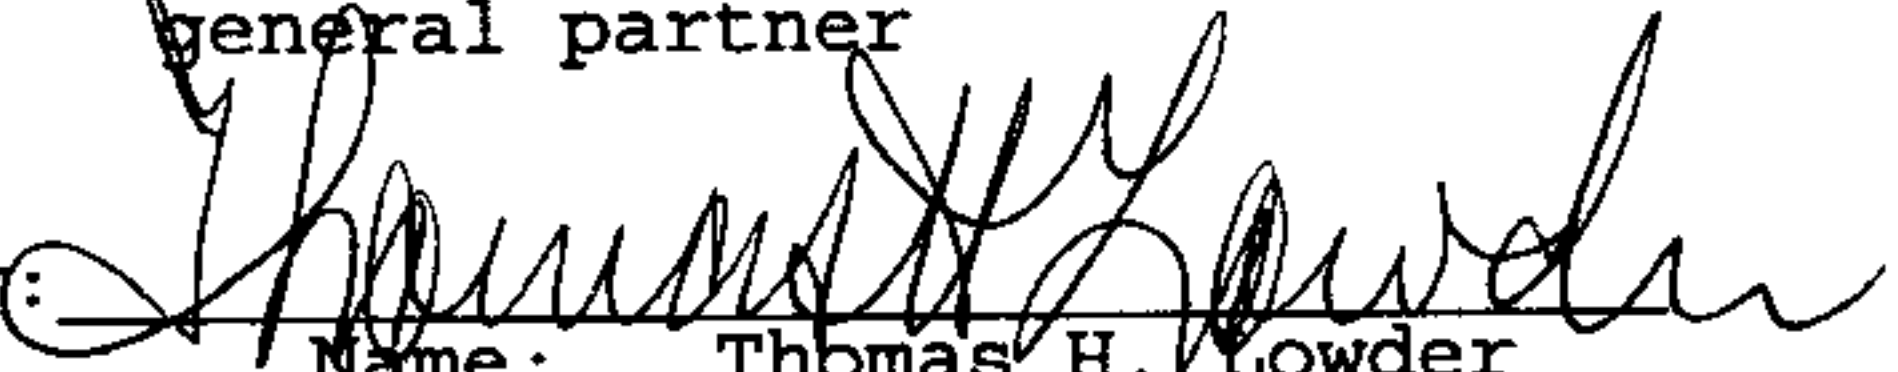

V. Variable Rate Notes. The Mortgage Notes are subject to interest rate adjustment from time to time as provided therein.

BY SIGNING AND SEALING BELOW, the Borrower accepts and agrees to the covenants and agreements contained in this Special Rider.
