- HEALTH DEPARTMENT NOTES
- No further modification of these lots and common areas will occur until such time as a plat of a survey of the entire subdivision has been approved by the Shalby County Health Department.
 - Health Department must approve each lot. Adequate information must be submitted for each individual lot before a sewer disposal permit will be issued.
- SUBDIVISION NOTES
- The purpose of this survey is to redivide Lots 100A and 105A to establish a more suitable building area and access to lot 105A.
 - This is a private subdivision for residential, Country Club, and related purposes only. Shalby County will not be involved in the construction or maintenance of roads, water, sewer, drainage, or other facilities in this subdivision. All such facilities shall be the responsibility of the owner. ANY ROADWAY ELEMENTS SHOWN ON THIS PLAT OUTSIDE OF THE PUBLIC RIGHT OF WAY, SHALL BE THE RESPONSIBILITY OF THE SUBDIVISION DEVELOPER.
 - Shoal Creek Association, Inc. an Alabama nonprofit corporation, will maintain all common areas including roads, easements, drainage, etc., within the subdivision limits.
 - The common area referred to in Section 7 of Article 1 of the Declaration of Covenants and Restrictions of this subdivision is comprised of all road right-of-way and all property located within either the existing or new 75' building setback.
 - The declaration of Covenants and Restrictions of Shoal Creek Subdivision #72 recorded in Map Volume 13, Page 861, in the office of the Probate Court of Shalby County, Alabama, Recorded October 31, 1991, Book 300, Page 928-965.
 - Contractor and/or Developer are responsible for providing building site free of drainage problems.
 - No further subdivision of any parcel shown hereon shall be allowed without the prior approval of the Shalby County Planning Commission.
 - This measure takes into consideration actual topographical conditions and allows for a more natural building site.
