together with all rents and other revenues thereof and all rights, privileges, easements, tenements, interests, improvements and appurtenances thereunto belonging or in anywise appertaining, including any after-acquired title and easements and all rights, title and interest now or hereafter owned by Mortgagors in and to all buildings and improvements, storm and screen windows and doors, gas, steam, electric, solar and other heating, lighting, ventilating, air-conditioning, refrigerating and cooking apparatus, elevators, plumbing, sprinkling, smoke, fire, and intrusion detection devices, and other equipment and fixtures now or hereafter attached or appertaining to said premises, all of which shall be deemed to be real property and conveyed by this mortgage, and all of which real property, equipment and fixtures are sometimes hereinafter called the "mortgaged property."

TO HAVE AND TO HOLD the same and every part thereof unto Mortgagee, its successors and assigns forever.

For the purpose of further securing the payment of said indebtedness Mortgagors warrant, covenant and agree with Mortgagee, its successors and assigns, as follows:

- 1. That they are lawfully seized in fee and possessed of the mortgaged property and have a good right to convey the same as aforesaid, that they will warrant and forever defend the title against the lawful claims of all persons whomsoever, and that the mortgaged property is free and clear of all encumbrances, easements and restrictions not herein specifically mentioned.
- 2. That they will pay all taxes, assessments, or other liens taking priority over this mortgage when imposed upon the mortgaged property, and should default be made in the payment of the same, or any part thereof, Mortgagee may pay the same (but Mortgagee is not obligated to do so). If the mortgaged property or any part thereof is a unit in a condominium or a planned unit development, Mortgagors shall perform all of Mortgagor's obligations under the declaration or coverants creating or covering the condominium or planned unit development, the bylaws and regulations of the condominium or planned unit development, and constituent documents. Should Mortgagors default in any of such obligations, Mortgagee may perform Mortgagors' obligations (but Mortgagee is not obligated to do so).
- 3. That they will keep the buildings on the mortgaged property continuously insured in such amounts, in such manner and with such companies as may be satisfactory to Mortgagee against loss by fire (including so-called extended coverage), wind and such other hazards (including flood and water damage) as Mortgagee may specify from time to time, with loss, if any, payable to Mortgagee, and will deposit with Mortgagee policies of such insurance or, at Mortgagee's election, certificates thereof, and will pay the premiums therefor as the same become due. Mortgagors shall have the right to provide such insurance through a policy or policies independently obtained and paid for by Mortgagors or through an existing policy. Mortgagee may, for reasonable cause, refuse to accept any policy of insurance obtained by Mortgagors. Mortgagors shall give immediate notice in writing to Mortgages of any loss or damage to the mortgaged property from any cause whatever. If Mortgagors fail to keep said property insured as above specified, Mortgagee may insure said property (but Mortgagee is not obligated to do so) for its insurable value against loss by fire, wind and other hazards for the benefit of Mortgagors and Mortgagee or for the benefit of Mortgagee alone, at Mortgagee's election. The proceeds of such insurance shall be paid by the insurer to Mortgagee, which is hereby granted full power to settle and compromise claims under all policies, to endorse in the name of Mortgagors any check or draft representing the proceeds of any such insurance, and to demand, receive and give receipt for all sums becoming due thereunder. Said insurance proceeds, if collected, may be credited on the indebtedness secured by this mortgage, less costs of collection, or may be used in repairing or reconstructing the premises on the mortgaged property, at Mortgagee's election. Any application of the insurance proceeds to repairing or reconstructing premises on the mortgaged property shall not extend or postpone the due date of any installment payments of the indebtedness hereby secured or reduce the amount of such installments.
- 4. That commencing upon written request by Mortgagee and continuing until the indebtedness secured hereby is paid in full and the Agreement is terminated, Mortgagors will pay to Mortgagee concurrently with, and on the due date of, payments on the indebtedness hereby secured a sum equal to the ground rents, if any, next due on the mortgaged property, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus water rents, fire district charges, taxes and assessments next due on the mortgaged property (all as estimated by Mortgagee), less any sums already paid to Mortgagee therefor, divided by the number of months or other payment periods to elapse before one month or payment period. prior to the date when such ground rents, premiums, water rents, fire district charges, taxes and assessments will become due, such sums to be held by Mortgagee in trust, to pay said ground rents, premiums, water rents, fire district charges, taxes and assessments. All payments mentioned in the preceeding sentence and the payment to be made on the indebtedness secured hereby shall be added together and the aggregate amount thereof shall be paid by Mortgagors each month or other payment period in a single payment to be applied by Mortgagee to the following items in the order set forth: (a) ground rents, taxes, water rents, fire district charges, assessments, fire and other hazard insurance premiums; (b) interest on the indebtedness secured hereby; and (c) the balance, if any, shall be applied toward the payment of the sum hereby secured. Any deficiency in the amount of such aggregate monthly or other periodic payments shall constitute a default under this mortgage. Any excess funds accumulated under this paragraph after payment of the items herein mentioned shall be credited in calculating the monthly or other periodic payments of the same nature required hereunder in the subsequent year; but if the actual amount of any such item shall exceed the estimate therefor, Mortgagors shall without demand forthwith make good the deficiency. Failure by Mortgagors to do so before the due date of such item shall be a default hereunder. If the mortgaged property is sold under foreclosure or is otherwise acquired by Mortgagee after default, any remaining balance of the accumulations under this paragraph shall be credited to the principal of the secured indebtedness as of the date of the foreclosure sale. or as of the date the property is otherwise acquired by Mortgagee after default, any remaining balance of the accumulations under this paragraph shall be credited to the principal of the secured indebtedness as of the date of the foreclosure sale or as of the date the property is otherwise acquired.
- 5. That they will take good care of the mortgaged property and will not commit or permit any waste thereon or thereof, and that they will keep the same repaired and at all times will maintain the same in as good condition as it now is, reasonable wear and tear alone excepted. If Mortgagors fail to make repairs to the mortgaged property, Mortgagee may make such repairs at Mortgagors' expense (but Mortgagee is not obligated to do so). Mortgagee, its agents and employees, may enter the mortgaged property and any improvements thereon at any reasonable time for the purpose of inspecting or repairing such improvements.
