AND the Mortgagor covenants and agrees with the Mortgagee as follows:

ARTICLE I

1.01. Performance of Operative Documents and Mortgage. The Mortgagor will perform, observe and comply or will cause the performance, observation, or compliance with all provisions of this mortgage and of the Operative Documents and duly and punctually will pay or will cause payment to the Mortgagee the sum of money expressed in the Operative Documents, with interest thereon and all other sums required to be paid by the Borrower or the Mortgagor pursuant to the provisions of this mortgage or the Operative Documents, all without any deductions or credit for taxes or other similar charges paid by the Mortgagor.

1.02. Warranty of Title. The Mortgagor is lawfully seized of an indefeasible estate in fee simple in the land and real property hereby mortgaged and has good and absolute title to the timber and to all existing personal property hereby mortgaged and has good right, full power and lawful authority to sell, convey and mortgage the same in the manner and form aforesaid; that, except for Permitted Encumbrances, the same is free and clear of all liens, charges, and encumbrances whatsoever, including, as to the personal property and fixtures, conditional sales contracts, chattel mortgages, security agreements, financing statements, and anything of a similar nature, and that Mortgagor shall and will warrant and forever defend such title thereto unto the Mortgagee, its successors and assigns, against the lawful claims of all persons whomsoever.

1.03. Other Taxes and Utilities.

(a) The Mortgagor will pay promptly, when and as due, and will exhibit promptly to the Mortgagee receipts for the payment of, all taxes, assessments, water rates, dues, charges, fines and impositions of every nature whatsoever imposed, levied or assessed or to be imposed, levied or assessed upon or against the Mortgaged Property or any part thereof, or upon the interest of the Mortgagee in the Mortgaged Property, this mortgage, or the Operative Documents, as well as all income taxes, assessments and other governmental charges lawfully levied and imposed by the United States of America or any state, county, municipality, borough or other taxing authority upon the Mortgagor or in respect of the Mortgaged Property or any part thereof, or any charge which, if unpaid, would become a lien or charge upon the Mortgaged Property, provided, however, in no event shall the Mortgagor be liable for Excluded Taxes.

(b) The Mortgagor will pay promptly all charges by utility companies, whether public or private, for electricity, gas, water, sewer, or other utilities.

1.04. Insurance. The Mortgagor will procure for, deliver to, and maintain for the benefit of, the Mortgagee during the life of this mortgage, any insurance required pursuant to the terms of the Credit Agreement.

1.05. Condemnation. If all or any part of the Mortgaged Property shall be damaged or taken through condemnation (which term when used in this mortgage shall include any damage or taking by any governmental authority, and any transfer by private sale in lieu thereof), either temporarily or permanently, the Mortgagee shall be entitled to all compensation, awards, and other payments or relief therefor and is hereby authorized, at its option, to commence, appear in and prosecute, in its own or the Mortgagor's name, any action or proceedings relating to any condemnation, and to settle or compromise any claim in connection therewith. The Mortgagor agrees to execute such further assignments of any compensations, awards, damages, claims, rights of action and proceeds as the Mortgagee may require.

1.06. Care of the Property.

(a) The Mortgagor will preserve and maintain the Mortgaged Property in good condition and repair, normal wear and tear excepted, and will not commit or suffer any waste. The Mortgagor will manage all timber on the Woodlands in a manner consistent with sound forestry practices. The Mortgagor shall conduct all harvesting operations on the Woodlands in accordance with generally accepted sound industrial forestry practices and procedures and shall use reasonable care to avoid unnecessary damage to remaining timber on the Woodlands. Without limiting the foregoing, Mortgagor will not commit any acts which increase the risk of forest fires or other risks of destruction or diminution in value of the Woodlands and will immediately undertake to extinguish any forest fires on the Woodlands, once discovered, and use all means available to Mortgagor in preventing damage by fire or otherwise to the timber, other trees, and timber growth on the Woodlands.

(b) If the Mortgaged Property or any part thereof which is not de minimus is damaged by fire or any other cause, the Mortgagor will give prompt written notice of the same to the Mortgagee.

(c) The Mortgagee is hereby authorized to enter upon and inspect the Mortgaged Property at any time during normal business hours.

(d) The Mortgagor will comply promptly with all present and future laws, ordinances, rules and regulations of any governmental authority affecting the Mortgaged property or any part thereof, including, without limitation, the Americans with Disabilities Act and regulations thereunder, and all laws, ordinances, rules and regulations relating to timber harvesting, zoning, building codes, set back requirements and environmental matters, and with all present and future restrictive covenants affecting the Mortgaged Property.

(e) If all or any part of the Mortgaged Property shall be damaged by fire or other casualty, the Mortgagor will restore promptly the Mortgaged Property to the condition required by the Credit Agreement, regardless of whether or not there shall be any insurance proceeds therefor. If a part of the Mortgaged Property shall be physically damaged through condemnation, the

Mortgagor will restore promptly, repair or alter the remaining property in a manner reasonably satisfactory to the Mortgagee.

1.07. Further Assurances; After Acquired Property. At any time, and from time to time, upon request by the Mortgagee, the Mortgagor will make, execute and deliver or cause to be made, executed and delivered, to the Mortgagee and, where appropriate, to cause to be recorded and/or filed and from time to time thereafter to be re-recorded and/or refiled at such time and in such offices and places as shall be deemed desirable by the Mortgagee any and all such other and further mortgages, instruments of further assurance, certificates and other documents as may, in the opinion of the Mortgagee, be necessary or desirable in order to effectuate, complete, enlarge, or perfect, or to continue and preserve the obligation of the Mortgagor under the Operative Documents and this mortgage, and the lien of this mortgage as a first and prior lien upon all of the Mortgaged Property, whether now owned or hereafter acquired by the Mortgagor. Upon any failure by the Mortgagor so to do, the Mortgagee may make, execute, and record any and all such mortgages, instruments, certificates, and documents for and in the name of the Mortgagor and the Mortgagor hereby irrevocably appoints the Mortgagee the agent and attorney-in-fact of the Mortgagor so to do. The lien hereof will automatically attach, without further act, to all after acquired property attached to and/or used in the operation of the Mortgaged Property or any part thereof.

1.08. Leases and Timber Contracts Affecting Mortgaged Property. The Mortgagor will comply with and observe its obligations as landlord under all leases and its obligations under all contracts for sale and harvesting of timber affecting the Mortgaged Property or any part thereof. If requested by Mortgagee, Mortgagor will furnish Mortgagee with executed copies of all leases and timber contracts now or hereafter created with respect to all or any part of the Mortgaged Property. Mortgagor will not accept payment of rent or payments for the sale or harvesting of timber more than three (3) months in advance without the express written consent of Mortgagee. If requested by the Mortgagee, the Mortgagor will separately assign to the Mortgagee as additional security any and all such leases and timber contracts whether now existing or hereafter created, including, without limitation, all rents, royalties, issues, and profits of the premises from time to time accruing.

1.09. Performance by Mortgagee of Defaults by Mortgagor. If the Mortgagor shall default in the payment of any tax, lien, assessment, or charge levied or assessed against the premises; in the payment of any utility charge, whether public or private; in the payment of insurance premium; in the procurement of insurance coverage and the delivery of the insurance policies required hereunder; or in the performance or observance of any covenant, condition, or term of this mortgage, then subject to the Mortgagor's right to contest set forth in the Credit Agreement, the Mortgagee, at its option, may perform or observe the same, and all payments made for costs or incurred by the Mortgagee in connection therewith, shall be secured hereby and shall be immediately repaid, upon demand, by the Mortgagor to the Mortgagee with interest thereon at a rate equal to the sum of the U.S. Base Rate in effect from time to time plus the Applicable Margin for a U.S. Base Rate Loan at such time plus two percent (2%). The Mortgagee, acting in a commercially reasonable manner, shall be the sole judge of the legality, validity and priority of any such tax, lien, assessment, charge, claim and premium; of the necessity for any such actions; and of the amount necessary to

be paid in satisfaction thereof. The Mortgagee is hereby empowered to enter and to authorize others to enter upon the Mortgaged Property or any part thereof for the purpose of performing or observing any such defaulted covenant, condition or term, without thereby becoming liable to the Mortgagor or any person in possession holding under the Mortgagor.

1.10. **Estoppel Affidavits.** The Mortgagor within ten (10) days after written request from the Mortgagee shall furnish a written statement, duly acknowledged, setting forth the unpaid principal of, and interest on, the Credit Facilities and whether or not any offsets or defenses exist against such principal and interest.

ARTICLE II

2.01. **Event of Default.** The term Event of Default, wherever used in the mortgage, shall mean an Event of Default as defined in the Credit Agreement.

2.02. **Acceleration of Maturity.** If an Event of Default shall have occurred, then the entire principal amount of the indebtedness secured hereby with interest accrued thereon shall, at the option of the Mortgagee, become due and payable without notice or demand, time being of the essence; and any omission on the part of the Mortgagee to exercise such option when entitled to do so shall not be considered as a waiver of such right.

2.03. Right of Mortgagee to Enter and Take Possession.

(a) If an Event of Default shall have occurred, the Mortgagor, upon demand of the Mortgagee, shall forthwith surrender to the Mortgagee the actual possession, and if and to the extent permitted by law, the Mortgagee may enter and take possession, of all the Mortgaged Property, and may exclude the Mortgagor and its agents and employees wholly therefrom.

(b) Upon every such entering upon or taking of possession, the Mortgagee may hold, store, use, operate, manage, and control the Mortgaged Property and conduct the business thereof, and, from time to time (i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments, and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty, and other property; (ii) insure or keep the Mortgaged Property insured; (iii) manage and operate the Mortgaged Property and exercise all the rights and powers of the Mortgagor in Mortgagor's name (in the event a receiver is appointed) or otherwise (including, without limitation, selling and harvesting timber), with respect to the same; (iv) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted the Mortgagee, all as the Mortgagee from time to time may determine to be to its best advantage; and the Mortgagee may collect and receive all the income, revenues, rents, issues and profits of the same including those past due as well as those accruing thereafter, and, after deducting (A) all reasonable expenses of taking, holding, managing, and operating the Mortgaged Property (including compensation for the services of all persons employed for such purposes); (B) the cost of all such maintenance, repairs, renewals, replacements, additions, betterments, improvements, purchases, and

acquisitions; (C) the cost of such insurance; (D) such taxes, assessments, and other charges prior to the lien of this mortgage as the Mortgagee may determine to pay; (E) other proper charges upon the Mortgaged Property or any part thereof; and (F) the reasonable compensation, expenses, and disbursements of the attorneys and agents of the Mortgagee; shall apply the remainder of the moneys so received by the Mortgagee to the payment of accrued interest, and to the payment of overdue installments of principal, all in such order and priority as the Mortgagee may determine in accordance with the terms of the Credit Agreement.

(c) Whenever all such Events of Default have been cured and satisfied, the Mortgagee may, at its option, surrender possession of the Mortgaged Property to the Mortgagor, its successors or assigns. The same right of taking possession, however, shall exist if any subsequent Event of Default shall occur and be continuing.

2.04. Receiver.

(a) If an Event of Default shall have occurred, the Mortgagee, upon application to a court of competent jurisdiction, shall be entitled, without notice and without regard to the adequacy of any security for the indebtedness hereby secured or the solvency of any party bound for its payment, to the appointment of a receiver to take possession of and to operate the Mortgaged Property and to collect the rents, profits, issues, and revenues thereof.

(b) The Mortgagor will pay to the Mortgagee upon demand all reasonable expenses, including receiver's fees, attorney's fees and costs, and agent's compensation, incurred pursuant to the provisions contained in this Section 2.04; and all such expenses shall be secured by this mortgage.

2.05. Mortgagee's Power of Enforcement. If an Event of Default shall have occurred, the Mortgagee may, either with or without entry or taking possession as hereinabove provided or otherwise, proceed by suit or suits at law or in equity or any other appropriate proceeding or remedy (a) to enforce payment of the Operative Documents or the performance of any term thereof or any other right, (b) to foreclose this mortgage and to sell, as an entirety or in separate lots or parcels, the Mortgaged Property, as provided by law, and (c) to pursue any other remedy available to it, all as the Mortgagee shall deem most effectual for such purposes. The Mortgagee shall take action either by such proceedings or by the exercise of its powers with respect to entry or taking possession, as the Mortgagee may determine.

2.06. Power of Sale. If an Event of Default shall have occurred, Mortgagee may sell the Mortgaged Property at public outcry to the highest bidder for cash in front of the Court House door in the counties where said property is located, either in person or by auctioneer, after having first given notice of the time, place and terms of sale by publication once a week for three (3) successive weeks prior to said sale in some newspaper published in said counties, and, upon payment of the purchase money, Mortgagee or any person conducting the sale for Mortgagee is authorized to execute to the purchaser at said sale a deed to the premises so purchased. Mortgagee may bid at said

sale and purchase said premises, or any part thereof, if the highest bidder therefor. At the foreclosure sale the Mortgaged Property may be offered for sale and sold as a whole without first offering it in any other manner or may be offered for sale and sold in any other manner Mortgagee may elect.

2.07. Application of Foreclosure Proceeds. The proceeds of any foreclosure sale pursuant to Section 2.06 shall be applied as follows:

(a) First, to the expenses of making the sale, including a reasonable attorney's fee for such services as may be necessary in the collection of said indebtedness or the foreclosure of this mortgage;

(b) Second, to the repayment of any money, with interest thereon at a rate equal to the sum of the U.S. Base Rate in effect from time to time plus the Applicable Margin for a U.S. Base Rate Loan at such times plus two percent (2%) which Mortgagee may have paid, or become liable to pay, or which it may then be necessary to pay for taxes, insurance, assessments or other charges, liens, or debts as hereinabove provided;

(c) Third, to the payment and satisfaction of the Indebtedness hereby secured with interest to date of sale in such order as the Mortgage shall deem appropriate; and

(d) Fourth, the balance, if any, shall be paid to the party or parties appearing of record to be the owner of the premises at the time of the sale after deducting any reasonable expense of ascertaining who is such owner.

2.08. Mortgagee's Option on Foreclosure. At the option of the Mortgagee, this mortgage may be foreclosed as provided by law or in equity, in which event a reasonable attorney's fee shall, among other costs and expense, be allowed and paid out of the proceeds of the sale. In the event Mortgagee exercises its option to foreclose the mortgage in equity, Mortgagee may, at its option, foreclose this mortgage subject to the rights of any tenants of the Mortgaged Property, and the failure to make any such tenants party defendants to any such foreclosure proceeding and to foreclose its rights will not be, nor be asserted to be by the Mortgagor, a defense to any proceedings instituted by the Mortgagee to collect the sum secured hereby, or any deficiency remaining unpaid after the foreclosure sale of the Mortgaged Property.

2.09. Waiver of Exemption. Mortgagor waives all rights of exemption pertaining to real or personal property as to any indebtedness secured by or that may be secured by this mortgage, and Mortgagor waives the benefit of any statute regulating the obtaining of a deficiency judgment or requiring that the value of the premises be set off against any part of the indebtedness secured hereby.

2.10. Suits to Protect the Mortgaged Property. The Mortgagee shall have power (a) to institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Mortgaged Property by any acts which may be unlawful or any violation of this

mortgage, (b) to preserve or protect its interest in the Mortgaged Property and in the income, revenues, rents, and profits arising therefrom, and (c) to restrain the enforcement of or compliance with any legislation or other governmental enactment, rule, or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would materially impair the security hereunder or be materially prejudicial to the interest of the Mortgagee.

2.11. Delay or Omission No Waiver. No delay or omission of the Mortgagee to exercise any right, power, or remedy accruing upon any default shall exhaust or impair any such right, power, or remedy or shall be construed to be a waiver of any such default, or acquiescence therein; and every right, power, and remedy given by this mortgage to the Mortgagee may be exercised from time to time and as often as may be deemed expedient by the Mortgagee.

2.12. No Waiver of One Default to Affect Another, etc. No waiver of any default hereunder shall extend to or shall affect any subsequent or any other then existing default or shall impair any rights, powers, or remedies consequent thereon.

If the Mortgagee (a) grants forbearance on or an extension of time for the payment of any sums secured hereby; (b) takes other or additional security for the payment thereof; (c) waives or does not exercise any right granted herein or in the Operative Documents; (d) releases any part of the Mortgaged Property from the lien of this mortgage or otherwise changes any of the terms of the Operative Documents or this mortgage; (e) consents to the filing of any map, plat, or replat thereof; (f) consents to the granting of any easement thereon; or (g) makes or consents to any agreement subordinating the lien or change hereof, any such act or omission shall not release, discharge, modify, change, or affect the original liability under the Operative Documents, this mortgage or otherwise of the Mortgagor or any subsequent purchaser of the Mortgaged Property or any part thereof, or any maker, co-signer, endorser, surety, or guarantor; nor shall any such act or omission preclude the Mortgagee from exercising any right, power, or privilege herein granted or intended to be granted in the event of any other default then made or of any subsequent default, nor, except as otherwise expressly provided in an instrument or instruments executed by the Mortgagee, shall the lien, as defined in the Credit Agreement of this mortgage be altered thereby. In the event of the sale or transfer by operation of law or otherwise of all or any part of the Mortgaged Property, the Mortgagee, at its option, without notice to any person or corporation hereby is authorized and empowered to deal with any such vendee or transferee with reference to the Mortgaged Property or the indebtedness secured hereby, or with reference to any of the terms or conditions hereof, as fully and to the same extent as it might deal with the original parties hereto and without in any way releasing or discharging any of the liabilities or undertakings hereunder.

2.13. Discontinuance of Proceedings - Position of Parties, Restored. In case the Mortgagee shall have proceeded to enforce any right or remedy under this mortgage by foreclosure, entry, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Mortgagee, then and in every such case the Mortgagor and the Mortgagee shall be restored to their former positions and rights hereunder, and

all rights, powers, and remedies of the Mortgagee shall continue as if no such proceeding has been taken.

2.14. Remedies Cumulative. No right, power, or remedy conferred upon or reserved to the Mortgagee by this mortgage is intended to be exclusive of any right, power, or remedy, but each and every such right, power, and remedy shall be cumulative and concurrent and shall be in addition to any other right, power, and remedy given hereunder or now or hereafter existing at law or in equity or by statute.

ARTICLE III

3.01. Successors and Assigns Included in Parties. Whenever in this mortgage one of the parties hereto is named or referred to, the successors and assigns of such party shall be included, and all covenants and agreements contained in this mortgage by or on behalf of the Mortgagor or by or on behalf of Mortgagee shall bind and inure to the benefit of its respective successors and assigns, whether so expressed or not.

3.02. Headings, etc. The headings of the articles, sections, paragraphs, and subdivisions of this mortgage are for convenience of reference only, are not to be considered a part hereof, and shall not limit or otherwise affect any of the terms hereof.

3.03. Invalid Provisions to Affect No Others. In case any one or more of the covenants, agreements, terms, or provisions contained in this mortgage or in the Operative Documents shall be invalid, illegal, or unenforceable in any respect, the validity of the remaining covenants, agreements, terms, and provisions contained herein and in the Operative Documents shall in no way be affected, prejudiced, or disturbed thereby.

3.04. Lien on Personal Property. This mortgage creates a lien on and grants a security interest in the personal property of the Mortgagor described herein which constitutes part of the Mortgaged Property, and it shall constitute a security agreement under the Alabama Uniform Commercial Code or other law applicable to the creation of liens on personal property. Mortgagor covenants and agrees to execute, file, and refile such financing statements, continuation statements or other documents as Mortgagee shall require from time to time with respect to such personal property. This mortgage shall constitute a financing statement under the Alabama Uniform Commercial Code with Mortgagor as the "debtor" and Mortgagee as the "secured party", and their respective addresses are set forth in the heading to this instrument. If an Event of Default occurs, the Mortgagee shall have all rights and remedies of a secured party under the Alabama Uniform Commercial Code.

3.05. Notices. Any and all notices, elections or demands permitted or required to be made under this mortgage, the Operative Documents, or any other agreement executed in connection with or relating to the Operative Documents or this mortgage, or by applicable law, shall be given and addressed in accordance with the provisions of Section 22.1 of the Credit Agreement.

3.06. Interpretation. Terms defined in the Credit Agreement shall have the same meanings when used in this mortgage, unless the context otherwise requires or unless otherwise defined in this mortgage. To the extent there is any conflict between the terms of this mortgage and the terms of the Credit Agreement, the terms of the Credit Agreement shall control.
