(a) The Debtor has good title to the Leases, Guaranties, and Rents hereby assigned and good right to assign the same;

(b) No other person, corporation or entity has any right, title or interest in the Leases, Guaranties, or Rents hereby assigned;

(c) All and singular the terms, covenants, conditions and warranties of the existing Leases on the part of the lessor thereunder have been duly and punctually performed, kept, and observed;

(d) No previous sale, assignment, transfer, mortgage or pledge of the Leases, Guaranties, or the Rents, is superior to the assignment of the Leases and Rents hereunder.

(e) No Rents due for any period subsequent to the date hereof have been collected, and no payment of any of the Rents has otherwise been anticipated, waived, released, discounted, set-off or otherwise discharged or compromised; and

(f) No lessee under any existing Lease is in default in the payment of rent.

To protect the security of this assignment, the Debtor covenants and agrees:

1. To observe, perform and discharge all obligations, covenants and warranties provided for under the terms of the Leases to be kept, observed and performed by the lessor, thereunder and to give prompt notice to the Lender in the event Debtor fails to observe, perform and discharge the same;

2. To enforce or secure the performance of each and every obligation, term, covenant, condition and agreement to be performed by any lessee under the terms of any Lease;

3. To appear in and defend any action or proceeding arising under, or occurring out of, or in any manner connected with the Leases or the obligations, duties or liabilities of the Debtor and any lessee thereunder, and, upon request by the Lender, to do so in the name and on behalf of the Lender but at the expense of the Debtor, and to pay all costs and expenses of the Lender, including reasonable attorney's fees, in any action or proceeding in which the Lender may appear with regard to the Leases;

4. Not to pledge, transfer, mortgage or otherwise encumber or assign future payment of the Rents during the term hereof; and

5. Not to waive, excuse, condone, discount, set-off, compromise, or in any manner release or discharge any lessee of the Subject Property of and from any obligations, covenants, conditions and agreements by said lessee to be kept, observed and performed, including the obligation to pay Rents in the manner and at the place and time specified in any Lease.

It is a condition of the granting of these powers, benefits and privileges, and of the making of the assignment, and the Lender by the acceptance of this instrument so agrees, that, until an act of default shall be made by the Debtor in the performance of any of the agreements, covenants and promises in the Notes, the Mortgage, the Loan Agreement or any of the Security Documents, including the making of the payments as set out in said Note, the Debtor may receive and collect the rents from the Leases; but it is covenanted and agreed by the Debtor, for the consideration aforesaid, upon or at any time after default in the payment of any Indebtedness secured hereby or in the observance or performance of any obligation, covenant or warranty set forth herein, in the Loan Agreement, or in any Security Document, or the occurrence of any event of default under the terms of any of the Notes, the Loan Agreement, or any Security Document, the Lender, at its option, shall have the right, power and authority to exercise and enforce any or all of the following rights and remedies:

- (a) To collect the Rents as aforesaid, and, in the Lender's own name,
- (b) to demand, collect, receive, sue for, attach and levy on the Rents,
- (c) to give proper receipts, releases and acquittance therefor, after deducting all necessary and reasonable costs and expenses of collection, including reasonable attorney's fees,
- (d) to apply the net proceeds thereof, together with any funds of the Debtor deposited with the Lender, upon any Indebtedness secured hereby, or by the Security Documents and in such order as the Lender may determine;
- (e) and to declare all sums secured hereby immediately due and payable and, at its option, to exercise all of the rights and remedies provided for in the Notes, in the Loan Agreement, in the Security Documents, or under the terms hereof.

The collection of the Rents and application thereof as aforesaid shall not cure or waive any default or waive, modify or affect any notice of default under the Notes, the Loan Agreement, the Security Documents or hereunder, or invalidate any act done pursuant to such notice. The enforcement of such right or remedy by the Lender, once exercised, shall continue for so long as the Lender shall elect, notwithstanding that the collection and application aforesaid of the Rents may have cured the original default. If the Lender shall thereafter elect to discontinue the exercise of any such right or remedy, the same or any other right or remedy

hereunder may be reasserted at any time and from time to time following any subsequent default.

This assignment shall remain in effect as long as any part of the Indebtedness remains unpaid and upon the payment in full of said Indebtedness the Lender shall execute a release of this assignment upon the written request and at the expense of the Debtor. This assignment shall run with the land described in Exhibit "A" hereto and shall inure to the benefit of and bind the parties hereto and their respective heirs, successors and assigns.
