Dear Judge Fuhrmeister:

RE: State at Large Notary Public

A notary public is needed in the daily operations of the Alabama Department of Transportation, Third Division Office. I understand there is a blanket bond that covers all State of Alabama Highway Department employees.

Debra H. Sims has been a notary public since 1986 with the State of Alabama. Her notary expired while she was on a leave of absence. We recommend her notary be renewed and approved as a state at large notary public.

Sincerely,

Sandra K. Eddy
