## SHELBY FOREST ESTATES 2ND SECTOR

Subdivision for single family residences  
located in Shelby County, Alabama

DEPARTMENT OF PUBLIC HEALTH		
SHELBY COUNTY HEALTH DEPARTMENT		
Environmental Health Division		
FINAL CONDITIONS OF APPROVAL		
State of Alabama Shelby County, Alabama		
1. NAME OF SUBDIVISION: SHELBY FOREST ESTATES		
2. No construction of a dwelling shall begin until a permit to install an on-site sewage disposal system has been issued by this office.		
3. A permit to install will be denied, or may be revoked if already issued, if conditions are found on any lot that could, in the opinion of the Health Department, cause the on-site sewage system to malfunction or which could restrain the proper operation of the system.		
4. Issuance of a properly prepared pilot plan in accordance with Solid Waste Management.		
5. Septic tanks and disposal fields may be installed only by persons holding a current permit to install Septic Tanks in Shelby County.		
6. Shelby County Health Department approval is contingent upon approval by the Shelby County Planning Commission.		
7. The following lots are approved with the primary disposal site located at the front lot, and soil bore locations shown on the final map prior to signing:

Final Conditions of Approval

State of Alabama  
Shelby County, Alabama

1. No construction of a dwelling shall begin until a permit to install an on-site sewage disposal system has been issued by this office.

2. A permit to install will be denied, or may be revoked if already issued, if conditions are found on any lot that could, in the opinion of the Health Department, cause the on-site sewage system to malfunction or which could restrain the proper operation of the system.

3. Issuance of a properly prepared pilot plan in accordance with Solid Waste Management.

4. Septic tanks and disposal fields may be installed only by persons holding a current permit to install Septic Tanks in Shelby County.

5. Final Health Department approval is contingent upon approval by the Shelby County Planning Commission.

6. When an indication of approval is required prior to the subdivision being recorded in the office of the Judge of Probate, a statement similar to the following is recommended to be affixed to the record prior to signing:

"This subdivision meets the approval of the Shelby County Health Department subject to certain conditions of approval and lot conditions as set forth in the Shelby County Health Department, which conditions are made a part of this approval as if set out herein."

7. The following lots are approved with the primary disposal site located at the front lot, and soil bore locations shown on the final map prior to signing:
