5. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

6. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

This shall not prevent the lot owners from changing or reviving these covenants and restrictions at any time by a unanimous vote of all owners of lots in the Property.

16. If any owner of a lot in the Property, or his heirs, assigns, guests or permittees shall violate or attempt to violate any of the covenants or restrictions herein, it shall be lawful for any person owning any other lot in the Property to prosecute by proceedings at law or in equity against the person or persons violating or attempting to violate said covenants or restrictions, and either to prevent him or them from so doing or to recover damages for such violations.
