COVENANTS

- 1. Payments, I agree to make all payments on the secured debt when due. Unless we agree otherwise, any payments you receive from me or for my benefit will be applied first to any amounts I owe you on the secured debt (exclusive of interest or principal), second, to interest and then to principal. If partial prepayment of the secured debt occurs for any reason, it will not reduce or excuse any scheduled payment until the secured debt is paid in full.
- 2. Claims against Title. I will pay all taxes, assessments, liens and encumbrances on the property when due and will defend title to the property. against any claims which would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.
- 3. Insurance, I will keep the property insured under terms acceptable to you at my expense and for your benefit. All insurance policies shall include a standard mortgage clause in layor of you. You will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within your discretion, to either the restoration or repair of the damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.

- 6. Default and Acceleration, if I fail to make any payment when due or break any covenants under this mortgage, any prior mortgage or any obligation secured by this mortgage, you may accelerate the maturity of the secured debt and demand immediate payment and exercise any other remedy available to you. This mortgage gives you the power of sale, which you may also invoke under the circumstances described in the previous sentence. If you invoke the power of sale, you will give notice of the sale by publication once a week for three successive weeks In some newspaper published in the county in which the property or any portion of it is located. - 7. Assignment of Rents and Profits. I assign to you the rents and profits of the property. Unless we have agreed otherwise in writing, I may collect and retain the rents as long as I am not in default. If I default, you, your agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents you collect shall be applied first to the costs of managing the property, including court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses.
