1. That the undersigned owners, Ron Brown
its successors, assigns and subsequent purchasers of a single family residence in Lot 39 Rushing Pac Section 2 subdivision shall own the said residence subject to the continuing condition that the right to use the said residence and right to continue to occupy the said residence will be subject to the proper functioning of the alternative sewage disposal system which is being approved by the Shelby County Board of Health through its Health Officer. In the event it is determined by the Health Officer that the alternative sewage disposal system is no longer functioning properly and that the continued occupancy of their residence is detrimental to their health or the health of other occupants or residences in the general area, then the owner or occupant agrees upon written notice from the said Health Department to vacate said residence as directed in said notice.
2. The owners and his successors in title will install and maintain for the disposal of sewage and alternative sewage disposal system approved under the provisions of Alabama's Onsite Sewage Rules Chapter 420-3-1, Alabama Administrative Code.
3. The owners and their successors in title shall install and maintain low water use type flush toilets, shower heads and other water saving fixtures, where applicable, whether new or replacement fixtures as determined to be acceptable by the Shelby County Health Officer.

4. That the whole of the land in Exhibit "A" shall not be subdivided until a public or private sanitary sewer system is available.
5. No repair, alteration or addition shall be made to the approved alternative sewage disposal system without the written approval of the Shelby County Health Officer.
6. That these covenants shall run with the land and be binding on all present owners and future owners or occupants of said residence and the lot on which it is situated until such time as the alternative sewage disposal system is no longer required by the Shelby County Health Officer, the same being the occasion when the residence is connected to a public or private sanitary sewer system.
