warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited
variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Agreement and any prepayment and late charges and any other charges due under the Agreement.
2. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraph 1 shall be applied: first, to interest due; second, to principal; third, to late charges; and last to any other charges due under the Agreement.
3. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph and shall promptly furnish to Lender receipts evidencing the payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.
4. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage as described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the collateral in accordance with paragraph 6. All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of the payments. If under paragraph 20 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.
5. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, other than in accordance with the Agreement, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.
6. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 6, Lender does not have to do so. Any amounts disbursed by Lender under this paragraph 6 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Agreement rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.
7. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property.

8. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of such payments.
9. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.
10. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Agreement: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Agreement without that Borrower's consent.
11. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Agreement or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Agreement.
12. **Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Agreement or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 20.
13. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.
14. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Agreement conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Agreement which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Agreement are declared to be severable.
15. **Borrower's Copy.** Borrower shall be given one conformed copy of the Agreement and of this Security Instrument.
16. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

17. Prior Notice and Opportunity to Correct Broken Promise. Lender will give Borrower prior notice and an opportunity to make up a missed payment or correct a broken promise as required by Section 501 of the Depository Institutions Deregulation and Monetary Act of 1980 (or the regulation which implements it.) The statute (and regulation) do not require Lender to give Borrower prior notice before repossession or requiring payment of the entire balance if either (a) Borrower has abandoned the manufactured home, (b) other extreme circumstances apply such as where Borrower has threatened to do damage to the manufactured home, or (c) this would be Borrower's third notice in any one year.

18. Sale of Agreement; Change of Loan Servicer. The Agreement or a partial interest in the Agreement (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Agreement and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to the sale of the Agreement. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 13 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

19. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 19, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 19, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety, or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

20. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument or Agreement (but not prior to acceleration under paragraph 16 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 20, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give a copy of a notice to Borrower in the manner provided in paragraph 13. Lender shall publish the notice of sale once a week for three consecutive weeks in a newspaper published in SHELBY County, Alabama, and thereupon shall sell the Property to the highest bidder at public auction at the front door of the County Courthouse of this County. Lender shall deliver to the purchaser Lender's deed conveying the Property. Lender or its designee may purchase the Property at any sale. Borrower covenants and agrees that the proceeds of the sale shall be applied in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

21. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge a fee to Borrower for releasing this Security Instrument if permitted under applicable law.

22. **Waivers.** Borrower waives all rights of homestead exemption in the Property and relinquishes all rights of curtesy and dower in the Property.

23. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument.

24. **Security Agreement.** This Security Instrument is intended to be a security agreement, pursuant to the Uniform Commercial Code for any building materials, appliances, and goods of every nature whatsoever now or hereafter located in, or on, or used, or intended to be used in connection with the Property and any of the items specified in the Security Instrument as part of the Property, which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and Borrower hereby grants Lender a first and prior security interest in said items. Borrower agrees that Lender may file this Security Instrument, or a reproduction thereof, in the real estate records or other appropriate index, as a financing statement for any of the items specified above as part of the Property. Any reproduction of this Security Instrument or of any other security agreement or financing statement shall be sufficient as well as extensions, renewals and amendments thereof, and reproductions of this Security Instrument in such form as Lender may require to perfect a security interest with respect to said items. Borrower shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements Lender may reasonably require. Without the prior written consent of Lender, Borrower shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said items, including replacements and additions thereto. Upon Borrower's breach of any covenant or agreement of Borrower contained in this Security Instrument, including the covenants to pay when due all sums secured by this party under the Uniform Commercial Code, Lender may also invoke, at Lender's option, the remedies provided in Paragraph 20 of this Security Instrument as to such items. In exercising any of said remedies, Lender may proceed against the items of real property and any items of personal property specified above as part of the Property separately or together in any order whatsoever, without in any way affecting the availability of Lender's remedies under the Uniform Commercial Code or of the remedies provided in Paragraph 20 of this Security Instrument.

LOAN NUMBER: 5330277

THIS CONSTRUCTION LOAN RIDER is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust and Security Deed, and any and all riders or amendments thereto, (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's obligations under the Note, Disclosure and Security Agreement of the same date to Lender and secured by the Property described in the Security Instrument ("Property").

AMENDED AND ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. **Agreement.** For the purposes of the Security Instrument and this Construction Loan Rider, all references to the term Agreement or to Note, Disclosure and Security Agreement shall refer to the Note, Disclosure and Security Agreement, Waiver of Trial by Jury and Agreement to Arbitration or Reference or Trial by Judge Alone of even date ("Agreement").
2. **Construction Loan Agreement.** The principal amount of the Agreement which Borrower promises to pay is the lesser of (1) the Unpaid Balance stated in the Itemization of Amount Financed section of the Agreement, or (2) the aggregate amount advanced by the Lender under the Construction Loan Agreement executed on the same date as the Agreement. Borrower agrees to comply with the covenants and conditions of the Agreement and the Construction Loan Agreement between Borrower and Lender, which is incorporated herein by this reference and made a part of this Security Instrument. The Construction Loan Agreement provides for the construction of certain improvements ("Improvements") on the Property. All advances made by Lender pursuant to the Agreement or the Construction Loan Agreement shall be an indebtedness of Borrower secured by this Security Instrument as amended, and such advances may be obligatory under the terms of the Agreement or the Construction Loan Agreement. The Security Instrument secures the payment of all sums and the performance of all covenants required by the Lender in the Agreement and the Construction Loan Agreement. Upon the failure of Borrower to keep and perform all the covenants, conditions and agreements of the Agreement and the Construction Loan Agreement, the principal sum and all interest and other charges provided for in the loan documents and secured hereby shall, at the option of the Lender, become due and payable.
3. **Disbursements to Protect Security.** All sums disbursed by Lender prior to completion of the Improvements to protect the security of this Security Instrument, up to the principal amount of the Agreement and any future advances, shall be treated as disbursements pursuant to the Construction Loan Agreement. All such sums shall bear interest from the date of disbursement at the rate stated in the Agreement, unless the collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law and shall be payable upon notice from Lender to Borrower requesting payment therefor.
4. **Breach by Borrower.** In case of breach by Borrower of the covenants and conditions of the Agreement or the Construction Loan Agreement, Lender, at Lender's option, with or without entry upon the Property, (a) may invoke any of the rights or remedies provided in the Agreement or the Construction Loan Agreement, or (b) may accelerate the sums secured by this Security Instrument and invoke any of those remedies provided for in this Security Instrument, or (c) may do both although failure to exercise any of its rights and remedies at any one time does not mean a waiver.

5. **Property.** The property covered by this Security Instrument includes the property described or referred to in the Security Instrument, together with the following, all of which are referred to as the "Property":

The Manufactured Housing Unit and any and all buildings, Improvements (provided in the Construction Loan Agreement or otherwise), and tenements now or hereafter erected on the Property; any and all heretofore and hereafter vacated alleys and streets abutting the Property, easements, rights, appurtenances, rents (subject however to any assignment of rents to Lender), leases, royalties, mineral, oil and gas rights and profits, water, water rights and water stock appurtenant to the Property (to the extent they are included in Borrower's fee simple title); any and all fixtures, machinery, equipment, building materials, appliances, and goods of every nature whatsoever now or hereafter located in, on, or used, or intended to be used in connection with the Property and all replacements and accessions of them, including, but not limited to those for the purpose of supplying or distributing heating, cooling, electricity, gas, water, air and light; security and access control apparatus; plumbing and plumbing fixtures; refrigerating, cooking and laundry equipment; carpet, floor coverings and interior and exterior window treatments; furniture and cabinets; interior and exterior sprinkler plant and lawn maintenance equipment; fire prevention and extinguishing apparatus and equipment, water tanks, swimming pool, compressor, vacuum cleaning system, disposal, dishwasher, range, and oven, any shrubbery and landscaping; any and all plans and specifications for development of or construction of Improvements upon the Property; any and all contracts and subcontracts relating to the Property; any and all accounts, contract rights, instruments, documents, general intangibles, and chattel paper arising from or by virtue of any transactions related to the Property; any and all permits, licenses, franchises, certifications, and other rights and privileges obtained in connection with the Property; any and all products and proceeds arising from or by virtue of the sale, lease, or other disposition of any of the Property; any and all proceeds payable or to be payable under each policy of insurance relating to the Property; any and all proceeds arising from the taking of all or part of the Property for any public or quasi-public use under any law, or by right of eminent domain, or by private or other purchase in lieu thereof; all building permits, certificates of occupancy, certificates of compliance, any right to use utilities of any kind including water, sewage, drainage and any other utility rights, however arising whether private or public, present or future, including any reservation, permit, letter, certificate, license, order, contract or otherwise and any other permit, letter certificate, license, order, contract or other document or approval received from or issued by any governmental entity, quasi-governmental entity common carrier, or public utility in any way relating to any part of the Property or the Improvements, fixtures and equipment thereon; all other interests of every kind and character which Borrower now has or at any time hereafter acquires in and to the Property.

The portion of the Property described above which constitutes real property is sometimes referred to as the "Real Property." The portion of the Property which constitutes personal property is sometimes referred to as the "Personal Property."

6. **Completion.** Lender shall not be responsible for the completion of the Improvements, and shall not in any way be considered a guarantor of performance by Contractor. In the event the Improvements are not completed by Contractor according to the drawings and specifications, and it is determined for whatever reason the Lender does not have a lien for the entire Unpaid Balance, then Lender shall have a valid lien for its Unpaid Balance, less the amount reasonably necessary to complete the Improvements, or in such event Lender, at its option, shall have the right to complete the Improvements, and the lien shall be valid for the Unpaid Balance.
7. **Invalid Provisions.** If any provision of this Security Instrument is declared invalid, illegal, or unenforceable by a court of competent jurisdiction, then such invalid, illegal or unenforceable provision shall be severed from this Security Instrument and the remainder enforced as if such invalid, illegal or unenforceable provision is not a part of this Security Instrument.
