EXHIBIT "A"

COVENANT FOR STORM WATER RUN-OFF CONTROL

Grantee does, for itself, its successors and or assigns, herewith covenant and agree to take all measures necessary to prevent sediment and other pollutants in water used in the construction process or storm water run-off from disturbed areas from leaving the boundaries of the lot herein conveyed. Grantee further covenants to exercise Best Management Practices (BMPs) for control of pollutants in storm water run-off and to comply with all city, county and state regulations regarding same and more specifically to comply with the Alabama Water Pollution Control Act and the Alabama Environmental Management Act. Should Grantee fail to comply with this covenant, Grantor does reserve an easement over and across the property herein conveyed for itself, its agents, sub-contractors or assigns in order to install, erect or maintain the appropriate measures to meet or exceed Best Management Practices for the control of pollutants or situation in storm water run-off. Grantor further reserves the right and authority to impose a lien on the property herein conveyed for the collection of cost incurred in the installation, erection or maintenance of such measures provided Grantee does not reimburse Grantor for such cost within 10 days after receipt of written demand. The foregoing shall be and is a covenant running with the land to the benefit of Grantor, its successors and or assigns.

Grantee does hereby acknowledge and agree to the matters stated herein:
