WHEREAS, it will be to the mutual benefit of the owners of said property and to all prospective owners of portions of said property and to the general public to subject said property to restrictions and limitations for the use of said property, therefore, during the time the terms of this instrument are in effect, the owners and their successors in title and assigns, shall not convey any tract of land in the property unless such conveyance is made subject to the following covenants, terms, conditions, restrictions and limitations hereinafter set forth:

NOW, THEREFORE, for and in consideration of the premises, and the mutual covenants herein expressed, and other good and valuable considerations, Robert Riley and Robert A. Enoch as owners and tenants in the above described property located in Shelby County, Alabama, do hereby covenant and agree that no one of them, their heirs, executors, administrators, or assigns, will convey any of said property unless such conveyance is made subject to the following conditions, restrictions and limitations, viz:

1. There shall be no commercial or industrial use of the land, however, commercial breeding, boarding and maintenance of livestock and animals shall be permitted. Such commercial breeding shall not be conducted in such a fashion so as to create an objectionable condition of noise pollution, odor pollution, sanitary pollution or physical intrusion as a direct or indirect consequence of the conduct of said breeding, boarding and maintenance activities. A condition shall be deemed objectionable when it shall impair the free and proper use of adjacent properties for residential purposes.
2. No owner shall create or permit a nuisance on any part of the land.
3. There shall not be built, maintained, or kept on any portion of the land a cesspool, privy, or privy vault or receptacle of any kind for the storage of liquid waste, except septic tanks of an improved type satisfactory to the County Health authorities properly laid with the under-drains. 5. All residential housing on the subject property shall have a minimum square footage of 2,500 square feet in the main living areas which shall include the second story of a two story dwelling, but shall not include any area in a basement or garage, whether finished or unfinished. This restriction shall not prohibit the construction of one guest house per parcel which shall not be required to meet the minimum square footage requirements herein.

6. All residences, stables, pump houses, garages, guest houses, and other out buildings shall be set back a minimum of fifty (50) feet from any boundary line contiguous to any parcel which is in the property.

7. The owners of as many as 2/3 of the acres comprising the property which is subject to these restrictions may at any time, by a declaration to that effect, in writing, filed for record in the Probate Office of Shelby County, Alabama, terminate or modify these covenants as to all owners subject thereto.

8. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant, either to restrain violation or to recover damages. Such enforcement action shall be brought by the owner herein named, their successors or assigns and in the event any subsequent owner fails to act within thirty (30) days after receipt of written notice by any owner of the portion of the land requesting enforcement action, then any owner of any portion of the land shall have the right to institute enforcement action. In the event any such action is brought against an owner of any portion of the land to enforce any of the terms or provisions of these restrictions, then the Court costs and attorney's fees incurred in such proceedings shall be taxed against the owner found in violation.

9. Invalidity of any of these covenants by judgment or Court order shall in no wise effect any of the other provisions which shall remain in full force and effect.

10. This agreement shall take effect and be in full force immediately upon execution by the parties hereto and the same being filed for record and shall continue in force for a period of ten (10) years from the date of said filing unless extended by a vote of the owners of as many as 2/3 of the acres comprising the property which is subject to these restrictions.

(each such lot described in Exhibit C hereto is hereinafter sometimes referred to individually as an "Adjacent Saddle Creek Lot" and collectively as the "Adjacent Saddle Creek Lots").

Developer desires to develop the Developer's Property and those portions of the Saddle Creek Property owned by Developer for single-family residential uses and a golf course with related amenities and, in connection therewith, will construct, install, operate and maintain a roadway (the "Roadway") and underground utility lines on and within those portions of the Saddle Creek Property owned by Developer (the "Roadway Property") as approximately shown on Exhibit D attached hereto and incorporated herein by reference.

The undersigned Owners are the owners of at least two-thirds (2/3rds) of the acreage comprising the Property, have the right and authority to amend the Declaration in accordance with the terms and provisions of this Agreement and have agreed to amend the Declaration in the manner hereinafter set forth.

NOW, THEREFORE, in consideration of the premises, the mutual covenants and agreements hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Owners and Developer do hereby agree as follows:

## ARTICLE I

### Agreement With Respect to Establishment of Certain Restrictions and Other Agreements

\*Denotes that the portion of the Developer's Property situated directly adjacent to and abutting these Adjacent Saddle Creek Lots will be developed only for "Golf Course Purposes", as defined in Article II of this Agreement.

The foregoing limitations shall be applicable only to those Single-Family Lots, as herein defined, which physically abut any Adjacent Saddle Creek Lot and shall not extend to or be binding upon any other

portion of the Developer's Property or any other real property owned by Developer situated adjacent to or in close proximity with the Developer's Property. As used herein, the terms "Single-Family Lot" or "Single-Family Lots" shall mean any portion of the Developer's Property which has been developed and subdivided into a lot or lots for Single-Family Residential Purposes pursuant to a subdivision plat filed in the Probate Office. As used herein, the term "Single-Family Residential Purposes" shall mean and include any detached dwellings for single-family residential use and occupancy, which may include one or more of the following: attached or detached garages, barns, stables, guest houses, servant quarters, pools, pool houses, cabanas, tennis courts, boat houses and similar structures as are normally and customarily found in single-family residential communities. Single-Family Residential Purposes does not mean and specifically excludes any multi-family (i.e., apartment) development.

1.02 Golf Course Development. Developer covenants and agrees that if Developer purchases and acquires any portion of Lot 1E, according to the Survey of Saddle Creek Acres, as recorded in Map Book 14, Page 8 in the Probate Office (the "Golf Course Lot"), then the Golf Course Lot will be developed only for Golf Course Purposes, as defined in Article II below, and for the construction thereon of the Roadway, Utility Lines and the Gates, as defined in Section 1.06 below; provided, however, that no restrooms, maintenance buildings or other permanent buildings shall be constructed on any portion of the Golf Course Lot.

1.03 Rear Building Setback Lines. Developer covenants and agrees that the rear building setback line for any Single-Family Lot on or within the Developer's Property which physically abuts any of the Adjacent Saddle Creek Lots shall be a minimum of 100 feet (as measured from the common boundary of such Single-Family Lot and the applicable Adjacent Saddle Creek Lot). The foregoing rear building setback line shall apply to the home or dwelling and any other buildings, garages or other structures constructed on any such Single-Family Lot on or within that portion of the Developer's Property which physically abuts any of the Adjacent Saddle Creek Lots.

1.04 Natural Buffer Areas. Subject to the terms and provisions of this Section 1.04, Developer does hereby establish a 75-foot natural, undisturbed buffer (the "Buffer Area") along that portion of the Developer's Property which is directly adjacent to and abuts the Adjacent Saddle Creek Lots. Except as hereinafter provided in this Section 1.04, the Buffer Area may not be cleared, graded, excavated, filled or improved. Notwithstanding the foregoing, (a) Developer, its successors and assigns, may (i) clear and remove from the Buffer Area any dead or diseased trees, shrubbery, plant life or other vegetation, (ii) plant additional trees, shrubbery, plant life and other vegetation in the Buffer Area and (iii) install, operate, maintain and replace underground Utility Lines, as hereinafter defined, on, in, under, upon, through and across the Buffer Area; provided, however, that if any portion of the Buffer Area is disturbed by Developer in the initial installation of any Utility Lines, then Developer shall replant such disturbed areas of the Buffer Area with trees, plant life and other vegetation substantially similar to the trees, plant life and other vegetation removed, damaged or destroyed in connection with the installation of such Utility Lines and (b) the Owners of the Adjacent Saddle Creek Lots or Developer may improve the Buffer Area with driveways and other improvements as provided in Section 1.05 below. Developer shall require all contractors and subcontractors of Developer to agree to repair and replace any trees, plant life or other vegetation within the Buffer Area damaged or destroyed in connection with the installation of any such Utility Lines.

**1.05 Utility Connection Rights.**

(a) Developer agrees to grant to each of the Owners of the Adjacent Saddle Creek Lots the right to connect and tie-into any and all Utility Lines, as hereinafter defined, constructed by Developer on the Developer's Property (the "Utility Connection Rights"). As used herein, the term "Utility Lines" shall mean and refer to any and all lines, pipes, conduits, equipment, machinery and appurtenances which may be necessary or required in order to provide any publicly or privately owned or operated utility services (collectively, "Utility Services"), including, without limitation, electrical, gas, telephone, water, sanitary sewer, storm drainage and storm sewer services, master television and cable television services and systems, security services and systems and similar services and systems to any portions of the Developer's Property or any other real property situated adjacent to or in close proximity with the Developer's Property.

(b) The exercise of the Utility Connection Rights by any of the Owners of the Adjacent Saddle Creek Lots shall be subject to all of the following terms and conditions:

(i) Developer agrees, at its sole cost and expense, to construct and install Utility Lines to the common boundary of portions of the Adjacent Saddle Creek Lots and the Developer's Property in the locations agreed to (or deemed agreed to) by both Developer and the Owner of each Adjacent Saddle Creek Lot pursuant to the provisions of Section 1.05(b)(ii) below.

(ii) Unless Developer and the Owner of each Adjacent Saddle Creek Lot otherwise mutually agree in writing to the contrary, Developer shall construct and install Utility Lines to those locations on the common boundary of the Adjacent Saddle Creek Lot and the Developer's Property shown on Exhibit D attached hereto. To the extent Developer and the Owner of any Adjacent Saddle Creek Lot mutually agree that Utility Lines should be constructed to locations other than as shown on Exhibit D, then Developer and the Owner of such applicable Adjacent Saddle Creek Lot must, prior to the recordation of a subdivision plat for that portion of the Developer's Property situated directly adjacent to the applicable Adjacent Saddle Creek Lot, enter into a written easement agreement reflecting the actual locations to which such Utility Lines will be constructed in accordance with the provisions of Section 1.05(b)(iii) below. Developer and each Owner of the Adjacent Saddle Creek Lots, by execution hereof, covenant and agree to at all times exercise good faith efforts in attempting to reach a mutual agreement concerning the proposed location and legal description of all easements evidencing the Utility Connection Rights. To the extent no such mutual agreement is reached by both Developer and the Owner of any Adjacent Saddle Creek Lot, then Developer and the Owner of each Adjacent Saddle Creek Lot shall be deemed to have irrevocably agreed to the locations of the Utility Lines as shown on Exhibit D hereto;

(iii) The Utility Connection Rights shall be evidenced by easements to be granted by Developer to the Owners of the Adjacent Saddle Creek Lots, which easements shall (1) be granted at the time that Developer is then developing that portion of the Developer's Property situated directly adjacent to each applicable Adjacent Saddle Creek Lot, (2) be evidenced by either (A) written easement agreements to be executed by Developer in favor of the applicable Owner of the Adjacent Saddle Creek Lot which shall be recorded in the Probate Office or (B) easements to be specifically reserved for public

utilities in any of the recorded subdivision plats for any of the Developer's Property and (3) be located only on those portions of Developer's Property as may be mutually agreed (or deemed agreed) to by Developer and the Owners of the applicable Adjacent Saddle Creek Lots, as provided in Section 1.05(b)(ii) above;

(iv) The Owner of any Adjacent Saddle Creek Lot who exercises the Utility Connection Rights shall, at such Owner's sole cost and expense, be solely responsible for constructing, operating, maintaining and replacing any and all Utility Lines to be constructed on any portion of such Owner's Adjacent Saddle Creek Lot to serve such Owner's Adjacent Saddle Creek Lot and any other portions of the Saddle Creek Property (it being the understanding and agreement of all parties hereto that Developer shall have no obligation to alter, amend, change or replace any of the Utility Lines on Developer's Property or to construct, install, maintain repair or replace any Utility Lines on any Adjacent Saddle Creek Lot);

(v) All Utility Lines shall be located underground;

(vi) The installation of any Utility Lines by Developer and any of the Owners shall be undertaken in a good and workmanlike manner and in accordance with all statutes, laws, ordinances, code provisions, rules, regulations and requirements of all applicable governmental agencies and those utility companies having jurisdiction over the installation, operation, maintenance and use of any of the Utility Lines or which otherwise provide any Utility Services through the Utility Lines;

(vii) The Owners exercising the Utility Connection Rights shall be solely responsible for (1) constructing, installing, maintaining, repairing and replacing all Utility Lines on any of the Adjacent Saddle Creek Lots, (2) paying all costs and expenses relating to the installation of all meters for any of the Utility Services and (3) paying any and all reservation, tap, impact and other fees, all service, use and demand fees and charges and any other costs and expenses of any nature charged by any utility company or governmental agency in connection with Utility Services being provided to the Owners through or by use of any of the Utility Connection Rights;

(viii) Subject to the terms and provisions of this Section 1.05(b)(viii), the Utility Connection Rights may be utilized to serve any of the Saddle Creek Property, but not further or otherwise. Subject to the terms and provisions of this Section 1.05(b)(viii), without the prior written consent of Developer, which consent may be withheld by Developer in its sole and absolute discretion, no Owner shall (1) extend any Utility Lines to serve or provide any Utility Services to any real property located outside of the Saddle Creek Property or (2) transfer or assign the Utility Connection Rights granted herein to any other person or any other real property (other than any present or subsequent owners of the Saddle Creek Property). Notwithstanding anything provided herein to the contrary, the terms and provisions of this Section 1.05(b)(viii) shall automatically expire and be of no further force or effect from and after ten (10) years from the date of the Agreement;

(ix) Each Owner exercising the Utility Connection Rights shall and does hereby indemnify, agree to defend and hold Developer, its successors and assigns, harmless

from and against any and all actions, causes of action, liabilities, losses, claims, damages, costs and expenses, including reasonable attorneys' fees, suffered, paid or incurred by Developer or its successors and assigns as a result of the violation by such Owner and such Owner's agents, employees, contractors and invitees of any of the terms and provisions of this Section 1.05, including, specifically, any violations of applicable law resulting from the exercise of the Utility Connection Rights (other than the initial installation of the Utility Lines by Developer pursuant to Section 1.05(b)(i) above).

(c) Subject to the terms and provisions of Section 1.05(b)(viii) above which limit, restrict or prohibit the assignment of any of the rights granted pursuant to this Section 1.05, the terms and provisions of this Section 1.05 shall be binding upon and inure to the benefit of Developer, the Owners and their respective heirs, executors, successors and assigns.

**1.06 Construction of Roadway and Private Gates.** Developer shall, at its sole cost and expense, construct the Roadway and any applicable Utility Lines on the Roadway Property for use by and for the benefit of all of the Developer's Property and any other real property owned by Developer or Daniel (as defined in Article II hereof). Developer covenants and agrees, at its sole cost and expense, to construct and install those three (3) electronic gates (the "Gates") along Saddle Creek Trail and adjacent to the Roadway (to be constructed by Developer on the Roadway Property), in the approximate locations as shown on Exhibit D attached hereto and incorporated herein by reference. The Gates will be substantially similar to the electronic gate which is currently utilized for the development known as The Crest at Greystone which is part of the "Greystone" development situated in the City of Hoover, Shelby County, Alabama. The Gates shall be completed at such time as Developer completes construction of the Roadway on the Roadway Property. Developer shall repair any damage to any of the existing roadways serving the Saddle Creek Property caused by Developer's construction of the Roadway, any of the Utility Lines or the Gates. From and after completion of construction of the Gates, the Owners shall be responsible for any and all maintenance costs relating to the maintenance, repair, operation and use of such Gates, including, specifically, paying any and all utility bills relating thereto. By execution hereof, the Owners (a) consent to and approve of the construction by Developer of the (i) Road and Utility Lines on, across and upon Saddle Creek Trail and Saddle Creek Drive in order to provide access to and from Developer's Property and other real property developed or to be developed by Developer or Daniel, as defined in Article II below, as part of the "Greystone" development and (ii) Gates at the locations as shown on Exhibit D hereto and (b) agree to assume all costs and expenses relating to the operation, ownership, maintenance and repair of the Gates from and after completion of installation of the same by Developer.

**1.07 Right of First Offer.**

(a) Developer covenants and agrees to provide written notice (the "Offer Notice") to the Owner (the "Affected Owner") of each Adjacent Saddle Creek Lot at the time that Developer desires to develop any Single-Family Lots on that portion of the Developer's Property (other than on any of those portions of the Saddle Creek Property owned by Developer) which is situated directly adjacent to and abutting the Affected Owner's Adjacent Saddle Creek Lot. The Offer Notice shall (i) identify that portion of the Developer's Property which Developer desires to develop and sell as Single-Family Lots (the "First Offer Property"), (ii) state the minimum price which Developer would be willing to sell such First Offer Property to a third party (as set forth on any price list, if any, which may be published by Developer for such First Offer Property) and any other terms relating to the sale of such First Offer Property and (iii) specify a closing date for such First Offer Property which shall be no sooner than 45 days after the date on which

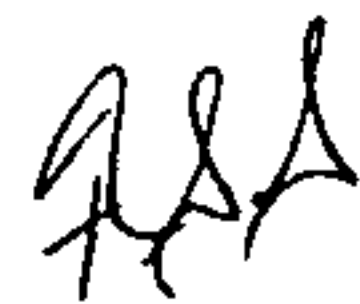

an Affected Owner provides written notice to Developer, as provided below, exercising the Right of First Offer. The Affected Owner shall, on or before thirty (30) days following the giving of the Offer Notice, have the right (the "Right of First Offer") to elect to purchase the First Offer Property described in the Offer Notice by providing written notice thereof to Purchaser. If the Affected Owner timely exercises the Right of First Offer, then such Affected Owner shall purchase and Developer agrees to sell the First Offer Property on the terms and conditions set forth in the Offer Notice on or before the closing date specified in the Offer Notice. The Right of First Offer (if timely accepted by the Affected Owner) shall be enforceable by an action for specific performance by either Developer or the Affected Owner. Notwithstanding anything provided herein to the contrary, the Right of First Offer does not apply to any of the Saddle Creek Property owned by Developer.

(b) If any Affected Owner fails to notify Developer in writing of his or her election to exercise the Right of First Offer on or before thirty (30) days following the giving of Offer Notice, then (i) the Affected Owner shall be deemed to have irrevocably waived the Right of First Offer with respect to the First Offer Property described in such Offer Notice and (ii) the Affected Owner agrees to execute and deliver to Developer within five (5) days following written request therefor any and all releases or other instruments requested by Developer to evidence the waiver of the Right of First Offer with respect to the First Offer Property. In the event any Affected Owner fails to execute and deliver to Developer any requested releases or other documents requested pursuant to the terms and provisions of this Section 1.07(b), then Developer shall have the right, at its option, to either (1) exercise the power of attorney granted in Section 1.07(c) below or (2) enforce the terms and provisions of this Section 1.07(b) by appropriate legal action. If the Right of First Offer has been waived or deemed waived by any Affected Owner, then the Right of First Offer set forth in this Section 1.07 shall automatically terminate, be deemed null and void and of no further force or effect.

(c) The Owner of each Adjacent Saddle Creek Lot for himself/herself and each of his or her heirs, executors, successors and assigns, does hereby irrevocably constitute and appoint Developer (and each successor and assign of Developer) as his or her true and lawful attorney-in-fact in his or her name, place and stead, to do any and all acts and to execute any and all documents which may be necessary or, in the opinion of Developer, desirable, to effect the release and waiver of the Right of First Offer set forth in this Section 1.07. Any such documents executed by Developer as attorney-in-fact for any Owner of any Adjacent Saddle Creek Lot shall contain (i) a certificate of Developer certifying that the Offer Notice was given to an Affected Owner and that such Affected Owner failed to exercise the Right of First Offer with respect to such Offer Notice within the time period specified in this Section 1.07 and (ii) a copy of the applicable Offer Notice. Such document shall be recorded in the Probate Office and, upon recordation of the same, shall constitute and be deemed the irrevocable and unconditional waiver and release by the Affected Owner named therein of the Right of First Offer granted herein. The foregoing power and authority granted herein is hereby declared to be irrevocable and a power coupled with an interest which shall survive the death or dissolution of any Owner of any of the Adjacent Saddle Creek Lots and shall be binding on such Affected Owner and his or her respective heirs, executors, administrators, personal representatives, successors and assigns and anyone having any interest in such Affected Owner's Adjacent Saddle Creek Lot.

(d) Notwithstanding anything provided herein to the contrary, the Right of First Refusal set forth herein shall not apply to any portion of Developer's Property (including, specifically, the Golf Course Lot) which may be developed for Golf Course Purposes, as defined in Article II below.

1.08 Amendments to Article I. The terms and provisions of Sections 1.01 through Section 1.07, inclusive, may be amended at any time and from time to time by a written amendment to this

Agreement executed by Developer and the Owner or Owners of any portion of the Adjacent Saddle Creek Lots which are directly affected by such proposed amendment; provided, however, that any such amendment shall only be applicable to and binding upon Developer and the Owner(s) of the applicable Adjacent Saddle Creek Lot who have consented to and approved such amendment.
