ADDENDUM TO UNIFORM COMMERCIAL CODE FINANCING STATEMENTS

STATE OF <u>Alabama</u>	TOTAL NUMBER OF SHEETS <u>2</u>
-------------------------	---------------------------------

- ☐ The Financing Statement to which this addendum is attached covers the types (or items) of property indicated below that I now own and that I may own in the future, together with all parts, accessories, repairs, improvements, and accessions to the property, wherever it is located, and all proceeds and products from the property:
- ☐ **Inventory:** All inventory which I hold for ultimate sale or lease, or which has been or will be supplied under contracts of service, or which are raw materials, work in process, or materials used or consumed in my business.
- ☐ **Equipment:** All equipment including, but not limited to, all machinery, vehicles, furniture, fixtures, manufacturing equipment, farm machinery and equipment, shop equipment, office and recordkeeping equipment, and parts and tools. Any equipment described in a list or schedule which I give to you will also be included in the secured property, but such a list is not necessary for a valid security interest in my equipment.
- ☐ **Farm Products:** All farm products including, but not limited to:
(a) all poultry and livestock and their young, along with their products, produce and replacements;
(b) all crops, annual or perennial, and all products of the crops; and
(c) all feed, seed, fertilizer, medicines, and other supplies used or produced in my farming operations.
- ☐ **Accounts, Instruments, Documents, Chattel Paper and Other Rights to Payment:** All rights I have now or may have in the future to the payment of money including, but not limited to:
(a) payment for goods sold or leased or for services rendered, whether or not I have earned such payment by performance; and
(b) rights to payment arising out of all present and future debt instruments, chattel paper and loans and obligations receivable.
The above include any rights and interests (including all liens and security interests) which I may have by law or agreement against any account debtor or obligor of mine.
- ☒ **General Intangibles:** All general intangibles including, but not limited to, tax refunds, applications for patents, patents, copyrights, trademarks, trade secrets, good will, trade names, customer lists, permits and franchises, and the right to use my name.
- ☐ **Government Payments and Programs:** All payments, accounts, general intangibles, or other benefits (including, but not limited to, payments in kind, deficiency payments, letters of entitlement, warehouse receipts, storage payments, emergency assistance payments, diversion payments and conservation reserve payments) in which I now have and in the future may have any rights or interest and which arise under or as a result of any pre-existing, current or future Federal or state governmental program (including but not limited to all programs administered by the Commodity Credit Corporation and the ASCS.)
