Dear Sir/Madam:

Our residence is located at 2055 Hwy. 93, Helena, Alabama. While our residence is in Helena, it is my understanding that we are not currently located within the city limits. I would appreciate it if you would consider extending the city limits to encompass our home. It is my understanding the sub-division of Chestnut Forest which runs behind our house is in the city limits of Helena and therefore the boundaries could easily be extended. Our children have always attended Helena and now Riverchase Schools and we have been very happy with their education and do not want to risk being brought into the Hoover city limits. I would appreciate any consideration you could give to our request. Thank you for your assistance.

Sincerely yours,
