- b) Enforce or secure the performance of each and every material obligation, covenant, condition and agreement of the Leases by the tenants thereunder to be performed;

## **2. PROTECTION OF SECURITY**

2.1 **PROTECTION OF SECURITY.** The Assignee shall have the right at Assignor's sole cost and expense to appear in and defend any action or proceeding arising under, growing out of or in any manner connected with any Lease or the obligations, duties or liabilities of the landlord thereunder, and Assignor agrees to pay all costs and expenses of Assignee, including attorney's fees in a reasonable sum, in any such action or proceeding in which the Assignee in its sole discretion may appear.

## **3. REPRESENTATIONS AND WARRANTIES**

3.1 **REPRESENTATIONS AND WARRANTIES.** Assignor represents and warrants:

- a) that it is now the absolute owner of the Rents and Leases with full right and title to assign the same;
- b) that there are no outstanding assignments or pledges of any Lease or Rents;
- c) that there are no existing defaults under the provisions of any Lease on the part of any party to the Lease;
- d) that all obligations on the part of the landlord under any Lease have been fully complied with;
- e) that no Rents have been collected for more than one month in advance of their due date or waived, anticipated, discounted, compromised or released, except as disclosed to Assignee;
- f) that to Assignor's knowledge no tenant has any defenses, setoffs, or counterclaims against Assignor;
- g) Assignor has not executed any instrument that would prevent Assignee from enjoying the benefits of this Assignment; and
- h) that no part of the Property is used as a homestead or agricultural property.

## **4. PRESENT ASSIGNMENT**

4.1 **PRESENT ASSIGNMENT.** This Assignment shall constitute a perfected, absolute and present assignment, provided the Assignor shall have the right to collect, but not prior to accrual, all of the Rents, and to retain, use and enjoy the same unless and until an Event of

Default shall occur hereunder. The right of Assignor to collect the Rents shall constitute a revocable license in favor of Assignor revocable by Assignee in accordance with this Agreement.

## **5. EVENTS OF DEFAULT**

**5.1 EVENT OF DEFAULT.** It shall be an Event of Default under this Assignment upon the happening of any of the following:

- a) Failure to make any payment when due under the Note, the Mortgage or any of the other Loan Documents, followed by the failure to make such payment within ten (10) days after written notice thereof given to Assignor by Assignee; provided, however, that Assignee shall not be obligated to give Assignor written notice prior to exercising its remedies with respect to such default if Assignee had previously given Assignor during that calendar year a notice of default for failure to make a payment of similar type.
- b) Failure to perform any other covenant, agreement or obligation under the Note, the Mortgage or any of the other Loan Documents, followed by the failure to cure such default within thirty (30) days after written notice thereof given to Assignor by Assignee (or if such cure cannot be completed within such thirty (30) day period through the exercise of diligence, the failure by Assignor to commence the required cure within such thirty (30) day period and thereafter to continue the cure with diligence and to complete the cure within ninety (90) days following Assignee's notice of default).
- c) Assignor or any trustee of Assignor files a petition in bankruptcy or for an arrangement, reorganization or any other form of debtor relief; or such a petition is filed against Assignor or any trustee of Assignor and the petition is not dismissed within forty-five (45) days after filing.
- d) A decree or order is entered for the appointment of a trustee, receiver or liquidator for Assignor or Assignor's property, and such decree or order is not vacated within forty-five (45) days after the date of entry.
- e) Assignor commences any proceeding for dissolution or liquidation; or any such proceeding is commenced against Assignor and the proceeding is not dismissed within forty-five (45) days after the date of commencement.
- f) Assignor makes an assignment for the benefit of its creditors, or admits in writing its inability to pay its debts generally as they become due.
- g) There is an attachment, execution or other judicial seizure of any portion of Assignor's assets and such seizure is not discharged within ten (10) days.

- h) Any representation or disclosure made to Assignee by Assignor or any guarantor of the Loan proves to be materially false or misleading when made, whether or not that representation or disclosure is contained herein.

## 6. REMEDIES

6.1 REMEDIES. Upon an Event of Default, the Assignee, without regard to waste, adequacy of the security or solvency of the Assignor, may declare all Secured Obligations immediately due and payable, may revoke the license granted Assignor hereunder to collect the Rents, and may, at its option, without notice, in person, by agent or by a court-appointed receiver, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof in the same manner and to the same extent as Assignor could do the same, including without limitation the execution, enforcement, cancellation and modification of Leases, the collection of all Rents, the removal and eviction of tenants and other occupants, the making of alterations and repairs to the Property, and the execution and termination of contracts providing for management or maintenance of the Property, all on such terms as are deemed best by Assignee to protect the security of the Note. From and after the occurrence of any such Event of Default, if any owner of the Property shall occupy the Property or part thereof such owner shall pay to Assignee in advance on the first day of each month a reasonable rental for the space so occupied, and upon failure so to do Assignee shall be entitled to remove such owner from the Property by any appropriate action or proceedings. Following an Event of Default, Assignee shall be entitled (without notice and regardless of the adequacy of Assignee's security) to the appointment of a receiver, Assignor hereby consenting to the appointment of such receiver, and the receiver shall have, in addition to all the rights and powers customarily given to and exercised by such receivers, all the rights and powers granted to Assignee in the Mortgage and herein. Assignee or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

6.2 APPLICATION OF RENTS. All Rents collected subsequent to delivery of written notice by Assignee to Assignor of an Event of default hereunder shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the Rents, including without limitation attorneys' fees, receiver's fees, premiums on receiver's bonds, costs of maintenance and repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Assignor under the Leases, and then to the Secured Obligations. Assignee or the receiver shall be liable to account only for those Rents actually received.

The exercise of Assignee's rights hereunder, the appointment of a receiver, the collection of such Rents and the application thereof as aforesaid shall not cure or waive any Event of Default or waive, modify or affect notice of default under the Note or Mortgage or invalidate any act done pursuant to said notice, nor in any way operate to prevent the Assignee from pursuing any remedy which now or hereafter it may have under the terms and conditions of the Mortgage or the Note secured thereby or any other instruments securing the same. The rights and powers of the Assignee hereunder shall remain in full force and effect both prior to and after any foreclosure of the Mortgage and any sale pursuant thereto and until expiration of the period of

redemption from said sale, regardless of whether a deficiency remains from said sale. The purchaser at any foreclosure sale, including the Assignee, shall have the right, at any time and without limitation, to advance money to any receiver appointed of the Property to pay any part or all of the items which the receiver would otherwise be authorized to pay if cash were available from the Property and the sum so advanced, with interest at the rate provided for in the Note, shall be a part of the sum required to be paid to redeem from any foreclosure sale.

## **7. GENERAL COVENANTS**

**7.1 NO LIABILITY IMPOSED ON ASSIGNEE.** The Assignee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge any obligation, duty or liability under the Leases nor shall this Assignment operate to place responsibility for the control, care, management or repair of the Property upon the Assignee nor for the carrying out of any of the terms and conditions of the Leases; nor shall it operate to make the Assignee responsible or liable for any waste committed on the Property, or for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger nor liable for laches or failure to collect any Rents.

**7.2 INDEMNIFICATION.** The Assignor shall and does hereby agree to indemnify and to hold Assignee harmless of and from any and all liability, loss or damage which it may or might incur under the Leases or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases excepting the gross negligence or intentional wrongful acts of Assignee. Should the Assignee incur any such liability, or in the defense of any such claims or demands or a judgment be entered against Assignee, the amount thereof, including costs, expenses, and reasonable attorney's fees, shall bear interest thereon at the rate then in effect on the Note, shall be secured hereby, shall be added to the Secured Obligations and Assignor shall reimburse the Assignee for the same immediately upon demand, and upon the failure of Assignor so to do the Assignee may declare all Secured Obligations immediately due and payable.

**7.3 TENANT TO RECOGNIZE ASSIGNEE.** Each tenant under any Lease is hereby irrevocably authorized and directed to recognize the claims of Assignee or any receiver appointed without investigating the reason for any action taken or the validity or the amount of indebtedness owing to the Assignee, or the existence of any default in the Note, Mortgage, or Event of Default hereunder, or the application to be made by the Assignee or such receiver. Assignor hereby irrevocably directs and authorizes the tenants to pay to Assignee or such receiver all sums due under the Leases and consents and directs that said sums shall be paid to any such receiver in accordance with terms of its receivership or to Assignee without the necessity for a judicial determination that a default has occurred hereunder or under the Mortgage or that Assignee is entitled to exercise its rights hereunder, and to the extent such sums are paid to Assignee or such receiver, the Assignor agrees that the tenant shall have no further liability to Assignor for the same. The sole signature of the Assignee or such receiver shall be sufficient for the exercise of any rights under this Assignment and the sole receipt of the

Assignee or such receiver for any sums received shall be a full discharge and release therefor to any such tenant or occupant of the Property. Checks for all or any part of the rentals collected under this Assignment shall upon notice from the Assignee be drawn to the exclusive order of the Assignee or such receiver.

7.4 SECURITY DEPOSITS. Upon an Event of Default Assignor shall on demand transfer to the Assignee any security deposits held by Assignor under the terms of the Leases ("Security Deposits") to be held by Assignee and applied in accordance with the provisions of the Leases. Until Assignee makes such demand and the Security Deposits are paid over to Assignee the Assignee assumes no responsibility for any such Security Deposits. The Assignor shall deposit the same in an account, separated from its general funds, and if such Security Deposits are required by law to be refunded to the respective tenants with interest thereon, such account shall be an interest bearing account.

7.5 ATTORNEY IN FACT. Assignor hereby irrevocably appoints Assignee and its successors and assigns as its agent and attorney in fact, irrevocable, which appointment is coupled with an interest, to exercise any rights or remedies hereunder and to execute and deliver during the term of this Assignment such instruments as Assignee may deem necessary to make this Assignment and any further assignment effective.

7.6 ASSIGNMENT OF FUTURE LEASES. That until the Secured Obligations shall have been paid in full, Assignor will on demand of the Assignee deliver to the Assignee executed copies of any and all other and future Leases upon all or any part of the Property and agrees to make, execute and deliver unto Assignee upon demand and at any time or times, any and all assignments and other instruments sufficient to assign such Leases and Rents thereunder to Assignee or that the Assignee may deem to be advisable for carrying out the true purposes and intent of this Assignment. From time to time on request of the Assignee the Assignor agrees to furnish Assignee with a rent roll of the Property disclosing current tenancies, rents payable, and such other matters as Assignee may reasonably request.

7.7 ASSIGNEE NOT MORTGAGEE IN POSSESSION. Nothing herein shall constitute Assignee a "mortgagee in possession" prior to its actual entry upon and taking possession of the Property and delivery of written notice to the Assignor of its election to be a mortgagee in possession, entry upon and taking possession by a receiver not constituting possession by Assignee.

7.8 ASSIGNEE CREDITOR OF TENANT. Assignor agrees that Assignee, and not Assignor, shall be and be deemed to be the creditor of the Tenant in respect of assignments for the benefit of creditors and bankruptcy, reorganization, insolvency, dissolution, or receivership proceedings affecting such Tenant, (without obligation on the part of Assignee, however, to file or make timely filings of claims in such proceedings or otherwise to pursue creditor's rights therein) with an option to Assignee to apply any money received by Assignee as such creditor in reduction of the Secured Obligations.

7.9 CONTINUING RIGHTS. The rights and powers of Assignee or any receiver hereunder shall continue and remain in full force and effect until all Secured Obligations,

including any deficiency remaining from a foreclosure sale, are paid in full, and shall continue after commencement of a foreclosure action and after foreclosure sale and until expiration of any period of redemption.

## **8. MISCELLANEOUS**

8.1 **SUCCESSORS AND ASSIGNS.** This Assignment and each and every covenant, agreement and provision hereof shall be binding upon the Assignor and its successors and assigns including without limitation each and every from time to time record owner of the Property or any other person having an interest therein and shall inure to the benefit of the Assignee and its successors and assigns. As used herein the words "successors and assigns" shall also be deemed to mean the heirs, executors, representatives and administrators of any natural person who is a party to this Assignment.

8.2 **GOVERNING LAW.** This Assignment is executed pursuant to and shall be governed by the laws of the State of Alabama.

8.3 **SEVERABILITY.** It is the intent of this Assignment to confer to Assignee the rights and benefits hereunder to the full extent allowable by law. The unenforceability or invalidity of any provisions hereof shall not render any other provision or provisions herein contained unenforceable or invalid. Any provisions found to be unenforceable shall be severable from this Assignment.

8.4 **NOTICES.** Any notice which any party hereto may desire or may be required to give to any other party shall be in writing and the mailing thereof by certified mail, or equivalent, to the respective party's address as set forth hereinabove or to such other place such party may subsequently by notice in writing designate as its address shall constitute service of notice hereunder.

8.5 **CAPTIONS AND HEADINGS.** The captions and headings of the various sections of this Assignment are for convenience only and are not to be construed as confining or limiting in any way the scope or intent of the provisions hereof. Whenever the context requires or permits, the singular shall include the plural, the plural shall include the singular and the masculine, feminine and neuter shall be freely interchangeable.

IN WITNESS WHEREOF, this Assignment is executed as of the date first above written.
