VI. Myrtle Swinford Callaway died intestate, on or about July 19, 1954, survived by all of her children and her husband, Taylor Acton Callaway. I remember members of the family discussing how the estate would be divided and how certain children wanted to give their share of the estate to their father. I believe that her estate was administered through the Probate Court of Jefferson County, Alabama, but I do not know the date of such administration.

IN WITNESS WHEREOF, I have set my hand and seal on this the 28th,
