Subject to: All restrictions, easements and rights of way of record.

in consideration of the mutual promises and agreements exchanged, the parties hereto agree as follows (notwithstanding anything to the contrary contained in the Note or Security Instrument):

1. As of November 15, 1999, the amount payable under the Note and Security Instrument (the "Unpaid Principal Balance") is U.S. \$154,350.00 consisting of the amount(s) loaned to the borrower by the Lender and any other interest capitalized to date.
2. The borrower promises to pay the Unpaid Principal Balance, plus interest, to the order of the Lender. Interest will be charged on the Unpaid Principal Balance at the yearly rate of 7.875% from November 15, 1999. The Borrower promises to make monthly payments of principal and interest of U.S. \$1,119.14 beginning on January 1, 2000, and continuing thereafter on the same day of each succeeding until principal and interest are paid in full. If on December 1, 2029 (the "Maturity Date") the Borrower still owes amounts under the Note and the Security Instrument, as amended by this Agreement, the Borrower will pay these amounts in full on the Maturity Date. The Borrower will make such payments at 5775 Peachtree Dunwoody Road, Suite D-100, Atlanta, Georgia 30342 or at such other place as the Lender may require.
3. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in the Borrower is sold or transferred and the Borrower is not a natural person) without the Lender's prior written consent, the Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. If the Lender exercises this option, the Lender shall give the Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice was delivered or mailed within which the Borrower must pay all sums secured by this Security Instrument. If the Borrower fails to pay these sums prior to the expiration of this period, the Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on the Borrower.
4. The Borrower also will comply with all other covenant, agreements and requirements of the Security Instrument, including without limitation the Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds and all other payments that the Borrower is obligated to make under the Security Instrument; however, the following terms and provisions are forever canceled, null and void, as of the date specified in paragraph number 1 above.

(a) All terms and provisions of the Note and Security Instrument (if any) providing for, implementing or relating to any change or adjustment in the rate of interest payable under the Note; and

(b) All terms and provisions of any adjustable rate rider or other instrument or document that

Except as otherwise specifically provided in this Agreement, the Note and Security Instrument will remain unchanged, and the Borrower and Lender will be bound by, and comply with all of the terms and provisions thereof as amended by this Agreement.
