On Sunday, September 12, 1999, 28 adult members of the church in a duly called and announced meeting unanimously voted and approved a proposal to borrow the sum of up to four hundred thousand dollars (\$400,000.00) for renovation of the existing building and construction of a formal worship area with church offices. This is an increase in the loan amount of \$100,000.00 over the \$300,000.00 that was approved on May 2, 1999.

The loan is to be obtained from First Commercial Bank and in consideration of the loan, the members agreed to grant a mortgage of the church property to the bank.

The meeting was called to order by Mac Dauphin who serves the church as both a trustee and chairman of the building committee.
