If the property is a condominium, the following must be comple	ted:) This property is part of a condominium project known es
NA	toalled the "Condominium Project"). This property includes my unit and all of my
rights in the common elements of the Condominium Project:	
(B) All buildings and other improvements that are located on the (C) All rights in other property that I have as owner of the	property described in paragraph (A) of this section; property described in paragraph (A) of this section. Thisse rights are known as

- "easements, rights and appurtenances attached to the property"; (D) All rents or royalties from the property described in paragraphs (A) and (B) of this section;
- (E) All mineral, oil and gas rights and profits, water rights and water stock that are part of the property described in paragraph (A) of this section: (F) All rights that I have in the land which lies in the streets or roads in front of, or next to, the property described in paragraph (A) of this section;
- (G) All fixtures that are how or in the future will be on the property despribed in paragraphs (A) and (B) of this section, and all replacements of and additions to those fixtures, except for those fixtures, replacements or additions that under the law are "consumer goods" and that i acquire more than twenty (20) days after the date of the Agreement:
- (H) All of the rights and property described in paragraphs (A) through (F) of this section that I acquire in the future.
- (I) All replacements of oir additions to the property described in paragraphs (B) through (F) and paragraph (H) of this section; and
- (J) All judgments, awards and settlements arising because the property described in paragraphs (A) through (I) of this section has been condemned or damaged in whole or in part (including proceeds of insurance); provided, however, that any sum received by Lender will be applied to any amounts which I owe under the Agreement.

BIORROWER'S RIGHTS TO MORTGAGE THE PROPERTY AND BORROWER'S OBLIGATION TO DEFEND OWNERSHIP OF THE PROPERTY

I promise that except for the "exceptions" listed in the description of the Property: (A) I lawfully own the Property; (B) I have the right to mortgage, grant and convey the Property to Lender, and (C) there are no outstanding claims or charges against the Property.

I give a general warranty of title to Lender. This means that I will be fully responsible for any losses which Lender suffers because someone other than myself has some of the rights in the Property which I promise that I have. I promise that I will defend my ownership of the Property against any claims of such rights.

(promise and I agree with Lender as follows:

BORROWER'S PROMISE TO PAY AMOUNTS ADVANCED UNDER THE AGREEMENT AND FINANCE CHARGES, AND TO FULFILL OTHER PAYMENT OBLIGATIONS

I will promptly pay to Lender when due: all amounts advanced under the Agreement; late charges and other charges all stated in the Agreement and any amounts expended by Lander under this Mortgage.

LENDER'S APPLICATION OF BORROWER'S PAYMENTS

Unless the law requires or Lender chooses otherwise, Lander will apply each of my payments under the Agreement and under Paragraph 1 above in the following order and for the following purposes:

(A) First to pay finance charges then due under the Agreement; and

(B) Next, to late and other charges, if any; and

(C) Next, to Lender's costs and expenses, if any; and

(D) Next, to pay any Advances made under the Agreement or payments made under this Mortgage.

BORROWER'S OBLIGATION TO PAY CHARGES AND ASSESSMENTS AND TO SATISFY CLAIMS AGAINST THE PROPERTY

I will pay all taxes, assessments, and any other charges and fines that may be imposed on the Property and that may be superior to this Mortgage, I will also make payments due under my lease if I am a tenant on the Property and I will pay ground rents (if any) due on the Property. I will do this by making payments, when they are due, directly to the persons entitled to them. Ills this Mortgage, the word "person" means any person, organization, governmental authority, or other party.) Upon request, I will give Lender a receipt which shows that I have made these payments.

Any claim, demand or charge that is made against property because an obligation has not been fulfilled is known as a "lien". I will promptly pay or satisfy all liens against the Property that may be superior to this Mortgage. However, this Mortgage does not require me to satisfy a superior lien if: (a) I agree, in writing, to pay the obligation which gave rise to the superior lien and Lander approves the way in which I agree to pay that obligation; or (b) I, in good faith, argue or defend against the superior lien in a lawsuit so that, during the lawsuit, the superior lien may not be enforced and no part of the Property must be given up.

Condominium Assessments

If the Property includes a unit in a Condominium Project, I will promptly pay when they are due all assessments imposed by the owners association or other organization that governs the Condominium Project. That association or organization will be called the "Owners Association"...

4. BORROWER'S OBLIGATION TO OBTAIN AND TO KEEP HAZARD INSURANCE ON THE PROPERTY

I will obtain hexard insurance to cover all buildings and other improvements that now are or in the future will be located on the Property. The insurance must cover loss or damage caused by fire, hazards normally covered by "extended coverage" hazard insurance policies, and other hazards for which Lender requires coverage. The insurance must be in the amounts and for the periods of time required by Lender. Lender may not require me to obtain an amount of coverage that is more than the value of all buildings and other improvements on the Property.

I may choose the insurance company, but my choice is subject to Lender's approval. Lender may not refuse to approve my choice unless the refusal is reasonable. All of the insurance policies and renewals of those policies must include what is known as a "standard mortgages clause" to protect Lender. The form of all policies and the form of all renewals must be acceptable to Lender. Lender will have the right to hold the policies and renewals.

) will pay the premiums on the insurance policies by paying the insurance company directly when the premium payments are due. If Lender requires. I will promptly give Lender all receipts of paid premiums and all renewal notices that I receive.

If there is a loss or damage to the Property, I will promptly notify the insurance company and Lender. If I do not promptly prove to the insurance company that the loss or damage occurred, then Lender may do so.

The amount paid by the insurance company is called "proceeds". The proceeds will be used to reduce the amount that I owe to Lender under the Agreement and this Mortgage, unless Lender and I have agreed to use the proceeds for repairs, restoration or otherwise.

The Lender has the authority to settle any claim for insurance benefits and to collect the proceeds. Lender then may use the proceeds to reduce the amount that I owe to Lender under the Agreement and under this Mortgage or to repair or restore the Property as Lender may see fit. If any proceeds are used to reduce the amount that I owe to Lender under the Agreement, that use will not delay the due date or change the amount of any of my monthly payments under the Agreement and this Mortgage. However, Lender and I may agree in writing to those delays.

or changes. Il Lender acquires the Property by purchase at foreclosure sale, all of my rights in the insurance policies will belong to Lender. Also, all of my rights in any proceeds which are paid because of damage that occurred before the Property is acquired by Lender will belong to Lender However, Lander's rights in those proceeds will not be greater than the amount that I owe to Lender under the Agreement and under this Mortgage.

(B) Agreements that Apply to Condominiums

(i) If the Property includes a unit in a Condominium Project, the Owners Association may maintain a hazard insurance policy which covers the entire Condominium Project. That policy will be called the "master policy". So long as the master policy remains in effect and meets the requirements stated in this Paragraph 4; (a) my obligation to obtain and to keep hazard insurance on the Property is satisfied; and (b) if there is a conflict, concerning the use of proceeds, between (1) the terms of this Paragraph 4, and (2) the law or the terms of the declaration, by-laws. regulations or other documents preating or governing the Condominium Project, then that law or the terms of those documents will govern the use of proceeds. I will promptly give Lender notice if the master policy is interrupted or terminated. During any time that the master policy is not in effect, the terms of (a) and (b) of this subparagraph 4(B)(i) will not apply.

(ii) If the Property includes a unit in a Condominium Project, it is possible that proceeds will be paid to me instead of being used to repair or to restore the Property. I give Lender my rights to those proceeds. All of the proceeds described in this subparagraph 4(B)(ii) will be paid to Londer and will be used to reduce the amount that I own to Lender under the Agreement and under this Mortgage. If any of those proceeds ramain after the amount that I owe to Lender has been paid in full, the remaining proceeds will be paid to me. The use of proceeds to reduce the amount that I owe to Lander will not be a prepayment that is subject to the prepayment charge provisions, if any, under the Agreement.
