Within twenty (20) business days from the date Grantor receives all such preliminary plans and specifications, Grantor will give Grantee written notice of Grantor's approval or disapproval thereof. If such notice is not so given within such period of time, Grantor shall be deemed to have approved such preliminary plans and specifications. Except as provided below, any approval by Grantor, whether actual or implied, of such preliminary plans or specifications or both shall in no event obligate Grantor to approve the final plans and specifications.

2.3.2 Final Plans and Specifications. In the event Grantee so desires to construct an additional building or buildings on the Property for such purpose, Grantee shall not commence construction of such additional building or buildings until Grantee has obtained Grantor's approval of preliminary and final plans and specifications for the exterior of such additional building or buildings and for site development of the Property in connection therewith in the same manner as set forth in Section 2.3 for the approval of preliminary and final plans and specifications relating to the Building and to site development of the Property at the time of initial construction of the Buildings.

2.5 Modification to Building. Any material modifications of the exterior of the Building or of any portion of the interior of the Building which would affect the exterior appearance of the Building or of any portion of the Building or of the site development of the Property which are proposed by Grantee subsequent to Grantor's approval of the final plans and specifications in accordance with Section 2.3.2 will be in character with the final plans and specifications so approved by Grantor and compatible with the architecture of other structures and with the site development (including, without limitations, signs, driveways, curbs, and landscaping) of similar buildings and tracts in Inverness Center. Grantee shall make no such modification unless and until Grantee first obtains Grantor's approval of preliminary and final plans and specifications therefor. Grantor's approval of such preliminary and final plans and specifications shall be obtained in the same manner set forth in Section 2.3, except that Grantor shall give Grantee written notice of its approval or disapproval of such plans within twenty (20) business days of its receipt of all plans and

specifications.

2.6 Signs. Any exterior sign approved by Grantor at any time will conform to the standard of exterior signs at Inverness Center and no modification of or addition to any exterior sign approved by Grantor shall be made unless and until Grantee first obtains Grantor's approval therefor in the manner provided in Section 2.3.

2.7.7 If Grantor repurchases the Property;

(a) The purchase price shall be the same price Grantee paid for the property.

(b) The closing of the repurchase shall take place within thirty (30) days at a time and place in Birmingham, Alabama, designated by Grantor by written notice to Grantee at least five (5) business days prior thereto.

(c) At closing, the purchase price (as provided in Paragraph 2.7.7(a) above) shall be paid by Grantor to Grantee in immediately available funds (including, without limitation, a cashier's check).

(f) Grantee will deliver exclusive possession of the Property on the closing date.

2.8.1 In connection with the construction of the Building and of any modifications

thereof and of any additional buildings and with the site development of the Property, Grantee shall make such provision for drainage of the Property affected by such construction and development as is satisfactory to Grantor and to any appropriate county, municipal, or governmental agencies having authority over such construction and development. Such drainage plan shall be included in those items submitted to Grantor for approval as provided herein. Further, Grantee hereby covenants and agrees to hold Grantor harmless against any and all loss, cost, damage, or injury which Grantor shall ever suffer or endure because of Grantee's failure to make adequate provisions for drainage of the Property after said proposed construction and development.

2.8.2 Existing drainage shall not be altered in such a manner as to divert the flow of water onto an adjacent lot or lots.

2.8.3 Drainage of surface water, storm water, and/or foundation drains may not be connected to sanitary sewers.

2.8.4 Drainage flow shall not be obstructed or be diverted from drainage swales, storm sewers and/or utility easements as designated herein, or as may hereafter appear as a matter of record.

ARTICLE III

3.1 Grantee shall repair, restore, or replace, as Grantor shall direct, any property, whether personal or real, by whomever owned, which is damaged, destroyed, or injured in any way by Grantee, its agents, representatives, designees, employees, or successors or assigns, in connection with the construction of the Building or the site development on the Property, including, without limitation, any right-of-way curbs, median curbs, signs, or pavement in the rights-of-way of dedicated or undedicated roads within; and Grantee hereby agrees to indemnify and hold Grantor

harmless from any and all liabilities, claims, and losses resulting from or arising in connection with any such damage, destruction, or injury, unless such damage or loss is caused by the negligent acts of the Grantor, its agents, representatives or employees.

ARTICLE IV

4.1 **Maintenance of Property.** Before such construction of the Building is commenced, during such construction, and after such construction is completed, the Property and areas contiguous to road right of ways including the Inverness Center Parkway, Inverness Center Drive, Inverness Center Place and Highway 280 right of way and the Access Road, shall be kept grassed, mowed, and otherwise maintained by Grantee in an attractive appearance and to a level of quality equal to or better than maintenance of other sites or common areas maintained by Grantor throughout Inverness Center. Such entrance upon the Property for such purposes shall not be a trespass. Grantee shall give Grantor written notice of Grantee's desire to sell the Property and Grantor shall have thirty (30) days after receipt thereof to give notice to Grantee of its intent to repurchase.

5.3 Time to Repurchase. In the event Grantor, in its sole election and at its sole discretion, so elects to repurchase the Property under the provisions of Section 5.1, Grantor shall give Grantee written notice of such election to repurchase within thirty (30) days after the date which is

eighteen (18) months from the date hereof. If Grantor does not so notify Grantee within such thirty (30) day period, Grantor shall be deemed to have waived its right of repurchase under Section 5.1.

In the event Grantor declines to exercise its right to repurchase under Section 5.1, or fails to notify Grantee within such thirty (30) day period, then Grantee shall be free to construct on the Property such building as shall be compatible with other buildings in Inverness Center and shall be free to choose such site development plan as shall be compatible with other portions of said surrounding Inverness common area, subject to the provisions of Article II. 5.4 Deed. If the Grantor elects to repurchase pursuant to Section 5.1 or 5.2, Grantee shall reconvey good and marketable fee simple title in and to the Property, subject only to the permitted items recorded in the within and foregoing Limited Warranty Deed, to Grantor by Limited Warranty Deed in the form of the within and foregoing Limited Warranty Deed.

7.1 In the event of a violation of breach of any of these restrictions, or any amendments thereto by any property owner, or agent of such owner, Grantor, its successors and assigns, or any other party to whose benefit these restrictions inure shall have the right to proceed at law or in equity to compel compliance with the terms and conditions hereof, to prevent the violation or breach of said

restrictions, to sue for and recover damages or other charges, or take all such courses of action at the same time, or such other legal remedy it may deem appropriate. No delay or failure on the part of any aggrieved party to invoke an available remedy set forth herein shall be held to be a waiver of that party or an estoppel of that party or of any other party to assert any right available to him upon the recurrence or continuation of said violation or the occurrence of a difference violation. Grantor hereby expresses its general intent to use these same restrictions, as they may be modified, on other property in Inverness Center, as it may be specifically

designated by deed as such from time to time.
