Further, Grantee shall have the right from time-to-time to cut and keep clear obstructions or vegetation that may injure, endanger, or interfere with the use, maintenance, or inspection of the communications system(s).

Grantor shall not nor shall Grantor permit others to construct, create, or maintain any reservoir, excavation, obstruction, structure, building, or improvement of any kind, or change the land grade on, over, along, or across the area of the Easement without the prior written consent of Grantee (which shall not be unreasonably withheld).

The terms and provisions of this Agreement shall constitute covenants running with the land and shall be binding upon and inure to the benefit of the parties hereto, their successors, assigns, personal representatives, and heirs. Grantor releases and waives all rights, if any, as against Grantee under and by virtue of dower, curtesy, and homestead exemption of the State of Alabama.
