LAST WILL AND TESTAMENT

OF

JR 1530 PG 779

LISA A. LUCAS CASEBERE

I, LISA A. LUCAS CASEBERE, a resident of Jefferson County, Alabama, being of sound mind and disposing memory, do hereby make, publish and declare this instrument as and for my Last Will and Testament and hereby expressly revoke any and all Wills, Codicils and other testamentary dispositions heretofore made by me.

ITEM I

DEBTS AND TAXES

I direct that all my debts and funeral expenses be paid as soon after my death as may be practicable. I further direct that all estate and inheritance taxes which may be asserted or levied with respect to my estate, or any part thereof, whether or not passing under my Will, shall be paid out of my residuary estate as an expense of administration and without apportionment.

Last

ITEM II

PERSONAL ITEMS

(a) I devise to my husband, JOHN FLOYD CASEBERE, if he survives me, all my jewelry, wearing apparel, automobile or automobiles, books, furniture and furnishings, and all other articles of personal and household use, together with any insurance thereon. I hereby vest in my Executor full power and authority to determine what objects of property are included in the foregoing description contained in this ITEM.

(b) If my said husband does not survive me, then I devise all of the property hereinabove described in Paragraph (a) of this ITEM in equal shares to my children who survive me and to the descendants, per stirpes, of any of my children who predeceases me, subject to the provision made below for a beneficiary under twenty-one (21) years of age. The Executor shall have absolute discretion to divide such property among such beneficiaries, having due regard for their personal preferences, and such division shall be conclusive and binding. If any beneficiary entitled to a share of the property disposed of by this Paragraph shall be under the age

of twenty-one (21) years at the time of my death, the Executor shall have absolute discretion, without requiring bond in any case, either to:

(1) Retain for such beneficiary all or any part of such beneficiary's share of said property until such beneficiary attains the age of twenty-one (21) years;

(2) Deliver all or any part of any such beneficiary's share of such property directly to such beneficiary, or to any person deemed suitable by my Executor, for the benefit of such beneficiary; or

(3) Sell all or any part of such beneficiary's share of such property, publicly or privately, and add the net proceeds thereof to the principal of the trust hereinafter referred to or directed to be set apart for such beneficiary.

Upon making any payment or transfer hereunder, my Executor shall be discharged with respect thereto, without liability for the subsequent application thereof. Storage, insurance and other carrying charges incurred in retaining any such property for any beneficiary shall be paid out of funds held for the benefit of such beneficiary under this Will.

LadC

ITEM III

RESIDUARY ESTATE

(a) I devise all of the remaining property of my estate to my husband, JOHN FLOYD CASEBERE, absolutely, irrespective of there being any children born of our marriage or adopted by my husband and me after the execution of this Will; provided, however, that if my husband, JOHN FLOYD CASEBERE, shall make a "qualified disclaimer" pursuant to Internal Revenue Code Section 2518, as amended, with respect to any portion of my estate, then such portion of my estate shall be transferred and paid over to my Trustee hereinafter named, to be held in trust and administered and distributed as hereinafter provided:

(1) Distributions to Husband. The Trustee shall pay to or apply for the benefit and use of my said husband all of the net income of the trust in quarterly or more frequent installments during his lifetime. During the lifetime of my said husband, the Trustee shall also pay to her or apply for his benefit so much of

the principal of the trust as, in the discretion of the Trustee, shall be reasonably necessary for my husband's support and maintenance in his accustomed manner of living, and for his health, including medical, surgical, hospital or other institutional care and expenses of invalidism, taking into account other resources available to him and known to the Trustee.

(2) Power to Invade Principal for Children. Anything in Paragraph (a) of this ITEM to the contrary notwithstanding, the Trustee shall have the authority to pay to or apply for the benefit of any of my children during the lifetime of my said husband such sums out of principal of the Trust as, in the sole discretion of the Trustee, shall be reasonably necessary for such child's support and maintenance in his or her accustomed manner of living, for her health, including medical, surgical, hospital or other institutional care and expenses of invalidism, and for his or her education, taking into account other resources available to such child and known to the Trustee. For all purposes under this Will, the term "education" shall be broadly construed and shall include travel (domestic or international), private or public schools and colleges, post-graduate colleges and professional education, either full or part-time. Such payments may be made disproportionately as to each child, and no such advancements of principal shall be taken into account in computing the ultimate share of any person upon my husband's death. The following is a statement of my general intention as a guide to the Trustee in implementing the provisions of Subparagraphs (1) and (2) of Paragraph (a) this ITEM: first, it is my desire that my husband shall have sufficient funds, taking into consideration his income and principal from other sources, for his reasonable support and maintenance; and, second, it is my desire that my children shall have sufficient funds for their reasonable support, maintenance and a full education. *Ladc*

(3) Allocation and Distribution of Trust. Upon my husband's death, the trust as it then exists shall be divided into as many equal shares as I shall then have children living and

children dead with descendants surviving. Any share allocated to a child shall be transferred and paid over to such child, absolutely, provided, however, that if any living child of mine shall be under the age of thirty (30) years, then the remaining principal of the trust shall be retained by the Trustee and administered under the terms and conditions set forth in Paragraph (b) of this ITEM. Any share allocated to the descendants of any child shall be transferred and paid over to such descendants, per stirpes, absolutely, subject, however, to the provisions hereinafter set forth in Paragraph (c) of this ITEM with respect to any descendant who is under the age of twenty-one (21) years.

(b) If my husband predeceases me, then my residuary estate shall be divided into as many equal shares as I shall have children living and children dead with descendants surviving. I devise any share allocated to the descendants of a deceased child to such descendants, per stirpes, absolutely, subject to the provision hereinafter made with respect to a beneficiary under the age of twenty-one (21) years. I devise any share allocated to a surviving child who has attained the age of thirty (30) years to such child, absolutely. I devise any share allocated to a surviving child who has not attained the age of thirty (30) years to my Trustee hereinafter named, to be held in trust and administered and distributed as hereinafter provided: *Ladc*

(1) Income Distributions Prior to Age Twenty-One (21).

The Trustee shall from time to time use, apply and pay to or for the benefit of a child who is under the age of twenty-one (21) years so much of the income of his or her trust as, in the sole discretion of the Trustee, shall be reasonably necessary to provide for such child's support and maintenance in his or her accustomed manner of living, for his or her health, including medical, surgical, hospital or other institutional care and expenses of invalidism, and for his or her education, taking into account income and principal readily available to such child from other

sources. Any income not so distributed shall be accumulated and added to principal.

(2) Income Distributions After Age Twenty-One (21). The Trustee shall use, apply, or pay to or for the benefit of a child who is over the age of twenty-one (21) years the entire net income from his or her trust, in convenient installments, but at least annually, and if practicable, in monthly or quarterly installments.

(3) Invasion of Principal. If, at any time, the Trustee, after taking into account income and principal readily available for a child from other sources, shall determine that his or her income is not reasonably sufficient for his or her support and maintenance in his or her accustomed manner of living, for his or her health, including medical, surgical, hospital or other institutional care and expenses of invalidism, and for his or her education, then the Trustee may from time to time pay to such child or use for his or her benefit, so much of the principal of his or her trust as, in the sole discretion of the Trustee, shall be reasonably necessary for such purposes, to the complete exhaustion of the principal, if the Trustee shall deem that reasonable and appropriate. *Ladc*

(4) Distribution of Principal. As each child attains the age of thirty (30) years, the Trustee shall transfer and pay over to such child, discharged of trust, the entire remaining balance of the principal and undistributed income of his or her trust. In the event that a child shall die before attaining the age of twenty-five (25) years, then the Trustee shall transfer and pay over the property then constituting such deceased child's trust, including any undistributed income thereof, to his or her descendants then living, in equal shares, per stirpes, or if there be none, to my descendants then living, in equal shares, per stirpes, or if there be none, to those persons who would have taken, and in such shares as they would have taken, under the laws of the State of Alabama as if I had then died intestate and as if my entire estate had consisted of the assets of such trust;

provided, however, if any such person shall then have other property held in trust under this Will, then his or her share in such deceased child's trust shall be added to, merged in and administered and disposed of like such other property so held in trust for him or her.

(5) Advance Distributions of Principal to Children.

Notwithstanding the foregoing provisions as to principal distributions to my children, in the event the Trustee shall be of the opinion that any of my children, at any time after he or she shall attain the age of twenty-one (21) years, is capable of wisely managing and investing the principal of his or her separate trust, or any part thereof, then I direct that the Trustee, after conferring with such child as to the manner in which he or she proposes to invest or expend the same and being satisfied as to the soundness and propriety of his or her plan, may transfer and pay over to such child, discharged of trust, all or such part of the principal of his or her trust as the Trustee may deem such child capable of wisely managing and investing. Upon making any transfer or payment hereunder, the Trustee shall be discharged with respect thereto without liability for the subsequent application thereof. I direct that my Trustee exercise the authority granted in this Paragraph liberally in favor of a child who requests such an advance distribution for the purpose of purchasing a home or establishing or carrying on a business or professional practice.

LadC

(c) Trust for Descendant Under Age Twenty-One (21). If any descendant to whom my Executors or the Trustee shall be directed to distribute any share of my estate or the principal of any trust is under the age of twenty-one (21) years when the distribution is to be made, and if no other trust is then held for his or her primary benefit, then though his or her share shall be fully vested in him or her, the Trustee shall continue to hold the same as a separate trust with all of the powers and authority given the Trustee with respect to other trust property held hereunder. Until such descendant attains the age of twenty-one (21) years, the Trustee

shall use and apply so much of the net income and principal of the trust as the Trustee shall deem reasonably necessary or desirable for such descendant's support and maintenance in his or her accustomed manner of living, for his or her health, including medical, surgical, hospital or other institutional care and expenses of invalidism, and for his or her education. Any excess income not so distributed shall be added to principal. When such descendant attains the age of twenty-one (21) years, or sooner dies, then the Trustee shall transfer and pay over the principal and any undistributed income, free of trust, to such descendant, or his or her estate, as the case may be.

ITEM IV

APPOINTMENT OF EXECUTOR AND TRUSTEE

(a) I hereby nominate and appoint JOHN FLOYD CASEBERE as Executor of this, my Last Will and Testament. In the event that he shall fail to qualify, die, resign, become incompetent, or otherwise fail or cease to serve as Executor, then I appoint such attorneys with the firm of BERKOWITZ, LEFKOVITS, ISOM & KUSHNER, P.C. (or such successor firm) as the executive committee of such firm shall designate to serve as Executor, or if the executive committee of such firm shall fail to designate an attorney from the firm to serve as Executor or if such attorneys appointed by the executive committee shall fail or cease to serve and the executive committee of such firm shall fail to designate a successor Executor from such firm, then I appoint FIRST ALABAMA BANK (or such corporation having trust powers as shall succeed to the business of said bank by purchase, merger, consolidation or change of charter or name) as Executor hereunder. *Lat*

(b) I hereby nominate and appoint JOHN FLOYD CASEBERE as Trustee of any trust which may become operative under this, my Last Will and Testament. In the event he shall fail to qualify, die, resign, become incompetent, or otherwise fail or cease to serve as Trustee, then I appoint JERRY D. KIMBROUGH as Trustee hereunder, or if he shall fail or cease to serve for any reason, I appoint FIRST

ALABAMA BANK (or such corporation having trust power as shall succeed to the business of said bank by purchase, merger, consolidation or change of charter or name) as Trustee.

(c) No Executor or Trustee serving hereunder shall be required to give bond or to file an inventory or accounting in any court, or to render any report in court upon final settlement of acts performed as Executor or Trustee. However, any Executor or Trustee serving hereunder shall make out and keep an inventory and maintain records of all transactions relating hereto and shall exhibit the same to any party in interest at any reasonable time.

(d) I direct that JOHN FLOYD CASEBERE shall serve as Executor and Trustee without compensation, except that he shall be entitled to reasonable compensation for extraordinary services. Any other Executor or Trustee serving hereunder shall be entitled to receive reasonable compensation for services as my Executor or Trustee. *LadC*

(e) During the administration of my estate, I hereby authorize and empower my Executor to exercise all powers conferred upon my Trustee herein, regardless of whether or not any trust authorized by this Will shall become operative.

ITEM V

RESIGNATION OR REMOVAL OF EXECUTOR OR TRUSTEE

(a) Any Executor or Trustee may resign upon ninety (90) days written notice to the successor to such Executor or Trustee designated herein, or if no successor designated herein is available to serve, to the person or persons entitled under this ITEM to appoint a successor to such Executor or Trustee. No resignation by an Executor or Trustee shall be effective until a successor Executor or Trustee shall have accepted appointment and qualified to serve as Executor or Trustee.

(b) An Executor or Trustee may be removed by a majority of the adult income beneficiaries and the guardians of any minor beneficiaries of all trusts then in existence or due to be established hereunder. Such right of removal shall be exercised by

written instrument signed and acknowledged by the person or persons having such power as provided above, and delivered to the Executor or Trustee which is being removed.

(c) If any Executor or Trustee shall resign or otherwise cease to serve hereunder, or shall be removed as herein provided, and if no successor Executor or Trustee designated herein is available to serve in such capacity, then a successor Executor or Trustee may be appointed by a majority of the adult income beneficiaries and the guardians of any minor beneficiaries of all trusts then in existence or due to be established hereunder. Such right of appointment of a successor Executor or Trustee shall be exercised by written instrument signed and acknowledged by the person or persons having such right and delivered to the appointed successor Executor or Trustee. *LadC*

(d) Any successor Executor or Trustee appointed under the provisions of this ITEM shall be a bank or trust company qualified to act as such in any state, with a net capital and surplus of not less than Ten Million Dollars (\$10,000,000.00) in the aggregate, and authorized to accept and administer trusts.

(e) In the event a successor Executor or Trustee is not appointed as provided herein within ninety (90) days after receipt of notice of such resignation by the person or persons entitled to make such appointment of a successor Executor or Trustee, then the Executor or Trustee wishing to resign may petition a court of competent jurisdiction for the appointment of a successor Executor or Trustee and the judicial settlement of its account.

ITEM VI

STATUS OF SUCCESSOR EXECUTOR OR TRUSTEE

(a) Any successor Executor or Trustee shall be vested with all the duties, rights, titles, powers (whether discretionary or otherwise), and exemptions as if originally named as Executor or Trustee.

(b) No successor Executor or Trustee shall be liable or responsible in any way for the actions or defaults of any

(c) Any successor Executor or Trustee serving hereunder may accept the account rendered and the assets and property delivered to it by the predecessor Executor or Trustee as a full and complete discharge of the predecessor Executor or Trustee, and shall incur no liability or responsibility to any beneficiary by reason of so doing, all without the necessity of any court proceedings or judicial supervision or approval, regardless of any beneficial vested or contingent interests of any minors, incompetent beneficiaries, or unborn beneficiaries. Any superseded Executor or Trustee shall, at the cost and expense of the trust, or of my estate, as the case may be, execute and deliver all conveyances and assignments and do or cause to be done any and all acts and things as may be necessary to vest effectually in the remaining Executor or Trustee, if any, and the successor Executor or Trustee all of the rights, titles and interests of the superseded Executor or Trustee hereunder, and effectually to confirm to such remaining or successor Executor or Trustee the authority to act as such. Such action shall be taken by the superseded Executor or Trustee within ninety (90) days after the receipt of the notice of such removal or the giving of notice of resignation. *LdC*

ITEM VII

POWERS OF THE TRUSTEE

(a) Without limitation of the powers conferred by statute or general rules of law, my Trustee shall have the following powers and authorities, with respect to any property contained in any trust created hereunder, in addition to others now or hereafter conferred by law:

(1) To allot to any trust created hereunder an undivided interest in any property transferred hereunder; to make joint investments for such trusts; to make any division

or distribution in kind or partly in kind and partly in money; and to that end to allot specific securities or other property or an undivided interest therein to any person, share, part or trust, although it may differ in kind from securities or property allotted to any other person, share, part or trust; and to determine the value of any property so allotted, divided or distributed;

(2) To hold and continue to hold as an investment the property received hereunder and any additional property which may be received, so long as the Trustee deems proper, and to invest and reinvest in any securities or property, whether or not income producing, deemed by the Trustee to be for the best interest of the trust and the beneficiaries hereunder, without being limited to trust or chancery investments or so-called "legal investments" provided by law, and notwithstanding that the same may constitute general or limited partnership interests, leaseholds, royalty interest, patents, interests in mines, oil or gas wells, or timber lands or other wasting assets, and without any responsibility for any depreciation or loss by or on account of such investments, and without regard for normal requirements of diversification; provided, however, that no new investment shall be made in any security of any corporate Trustee, its holding company, affiliate or successor except upon the exercise of rights given to stockholders thereof;

(3) To rent or lease any property of the trust for such time (including any lease for a period extending beyond the term of the trust) not exceeding a period of ninety-nine (99) years, and upon such terms and for such rental or price as in the Trustee's discretion and judgment may seem just and proper and for the best interest of the trust and the beneficiaries hereunder;

(4) To sell, transfer, assign and convey any of the property of the trust or any interest therein, or to exchange the same for other property, in a public or private sale or transaction, for such price or prices and upon such terms and conditions as in the Trustee's discretion and judgment may be deemed for the best interest of the trust and the beneficiaries hereunder, and to execute and deliver any deeds or conveyances (with or without warranty), receipts, releases, contracts, or other instruments necessary in connection therewith;

(5) To subdivide and develop real estate; to partition, vacate, and abandon real estate; to adjust the boundaries of any real estate; to grant easements, servitudes, rights-of-way, licenses and other interests in real estate; to dedicate real estate for any purpose in connection with the development of any real estate; and to change the use of any real estate to residential, recreational, commercial, cemetery or other usage;

(6) To make all repairs and improvements at any time deemed necessary and proper to and upon real estate, and to build, construct and complete any building or buildings upon such property which in the Trustee's discretion and judgment may be deemed advisable and proper and for the best interests of the trust and the beneficiaries hereunder, and to determine the extent to which the cost of such repairs and improvements shall be apportioned as between principal and income; to demolish

Ladlc

and remove any buildings or other improvements on any real estate;

(7) To keep any property constituting a part of said trust properly insured against fire and tornado, and other hazards, and to deduct, retain, expend, and pay out of any money belonging to the trust any and all necessary and proper expenses in connection with the operation and conduct of the trust, and to pay all taxes and other legal assessments, debts, claims, or charges which at any time may be due and owing by, or which may exist against, the trust;

(c) No person or corporation dealing with the Trustee shall be required to inquire into the terms of this instrument or any trust hereunder, nor shall any purchaser therefrom be required to see to the application of the purchase money.

(d) A majority in interest of the adult and otherwise legally competent beneficiaries then entitled to receive income of any trust established hereunder or, if there shall be no such beneficiaries, then a majority of the guardians or conservators of the beneficiaries of any such trust may, without liability to any present or future beneficiary of any such trust, approve the annual or other current account of the Trustee hereunder. *LadC*

(e) The powers herein granted to the Trustee may be exercised in whole or in part, from time to time, and shall be deemed to be supplementary to and not exclusive of the general powers of trustees pursuant to law, and shall include all powers necessary to carry the same into effect.

(f) Notwithstanding anything herein to the contrary, I direct that no Trustee at any time serving hereunder shall use any part of the property of any trust hereunder to discharge any legal obligation that my husband may have to support any of our children, nor have or exercise any other power or discretion which would cause such trust to be treated as owned by my husband or as includable in computing his gross estate for purposes of the federal estate tax.

ITEM VIII

JR 1530 PG 795

SIMULTANEOUS DEATH

If my husband or any other devisee under this Will and I should die simultaneously or in circumstances which make it difficult to determine which of us died first, I direct that my husband or such other devisee under this Will shall be deemed to have predeceased me for the purposes of this Will, and I direct further that the provisions of this Will shall be construed upon that assumption, irrespective of any provisions of law establishing a contrary presumption.

ITEM IX

APPOINTMENT OF GUARDIAN

In the event one or more of my children shall be minors at the time of the death of the survivor of my husband and me, then I do hereby designate and appoint ^{William F. McSweeney and Kathy D.} ~~THOMAS D. CASBERE and GERALD B.~~ ^{McSweeney} CASBERE, or the survivor of them, as guardians of the person of any such minor child. I do hereby exempt said guardians from the necessity of giving bond or of filing an inventory or of being answerable, as an incident of such guardianship, to any court. It is my intention by the appointment of such guardians that the guardians shall have custody of the person of any such minor child, being responsible for furnishing a proper home environment and seeing to the education of such minor child. Nothing contained in this ITEM shall be construed as a limitation upon the rights, powers, duties and responsibilities of the Trustee of any trust established for the benefit of any such minor child.

ITEM X

DISSOLUTION OF TRUST

After the death of my husband, any trust created hereunder may, but need not be, terminated when, in the sole discretion of the Trustee, the income of such trust shall become too low to cover all fees and expenses of administration and also to yield a reasonable return to the beneficiary. In such event, the Trustee shall distribute the assets of such trust to the then current

beneficiary of the income. If any such beneficiary shall be a minor at the date of such distribution, then the property of his or her trust shall be paid to a parent or relative of such beneficiary selected by the Trustee as custodian under the Uniform Transfers (or Gifts) to Minors Act in effect in the state of such beneficiary's residence.

ITEM XI

PERPETUITIES-TERMINATION

Each trust under this Will shall in any event terminate twenty-one (21) years after the death of the last survivor of such of the beneficiaries thereunder as shall be living at the time of my death, and thereupon the property held in that trust shall be distributed, discharged of trust, to the persons then entitled to the income and in the proportions to which they are entitled to the income.

ITEM XII

LoLC

SPENDTHRIFT PROVISION

To the extent permitted by law, the interest of any beneficiary in principal or income of any trust under this Will shall not be subject to assignment, alienation, pledge, attachment, or to the claims of creditors of such beneficiary.

ITEM XIII

MISCELLANEOUS TAX PROVISIONS

(a) I authorize my Executor to join with my husband in making a joint income tax return or to execute a consent to any gift made by my husband for any taxable year that includes the date of my death or for any periods prior thereto, and in connection therewith, to pay such amounts of tax, interest and penalties as my Executor may deem advisable, even though not attributable entirely to my own income or gifts.

(b) Furthermore, I hereby authorize my Executor, to the extent permitted by law, to deduct administration expenses and commissions, whether against the gross estate in computing the estate tax or against estate income in computing estate income tax,

as my Executor, in his sole discretion, shall elect, and my Executor shall not be required to make any adjustment on account thereof in setting up any of the trusts herein provided for.

ITEM XIV

MISCELLANEOUS

The following provisions shall govern for all purposes of this Will, wherever they may be applicable:

(a) If any beneficiary of my estate or of any trust created hereunder shall be under any legal disability, or in the sole judgment of the Trustee, or Executor, shall otherwise be unable to apply the proceeds of his or her trust or share of my estate to his or her own best interests and advantage, the Trustee or Executor may pay or apply income or principal authorized or directed to be paid to or for the benefit of such beneficiary in any one or more of the following ways:

(1) directly to such beneficiary;

(2) to a legal guardian or conservator of such beneficiary, or to a custodian under the Uniform Transfers (or Gifts) to Minors Act in effect in the state of such beneficiary's residence, for the use and benefit of such beneficiary;

(3) to a relative of such beneficiary, to be expended by such relative for the benefit of such beneficiary; or

(4) by the Trustee or Executor expending any such income or principal for the benefit of such beneficiary.

(b) Upon making any payment or transfer hereunder, the Executor or Trustee shall be discharged as to such payment or transfer, without liability for the subsequent application thereof. When the final payment or transfer is made from the principal of any trust, such trust shall terminate, and the Trustee shall be fully discharged as to such trust.

(c) Throughout this Will, the masculine gender shall be deemed to include the feminine and vice-versa, and both shall be deemed to include the neuter, and vice-versa; and the singular shall be deemed to include the plural, and vice-versa, whenever the context admits such construction.

LadC

(d) In this Will, references to my "children" mean TAYLOR NICOLE CASEBERE, born May 17, 1993; and any other children born to or adopted by my husband and me after the date of this Will. References to "descendants" mean legitimate descendants of the ancestor designated, provided always, however, that an adopted child, whether of myself or of any other person, shall, for all purposes under this Will, whether for the determination of relationships or otherwise, be considered to have and shall be given exactly the same status as a legitimately born child.

(e) All headings and captions contained in this Will have been included for convenience of reference only, shall not be construed *LaJC* as part of this Will and shall in no way be construed as defining, limiting or affecting the scope or intent of the provisions of this Will.

IN WITNESS WHEREOF, I, the said LISA A. LUCAS CASEBERE, do hereunto set my hand and seal to this, my Last Will and Testament (containing in all twenty [20] pages including the attestation clause) on December 13, 1993; and I also affix my initials on the margin of each of the pages hereof.
