This conveyance is made upon the covenant and condition which shall constitute a covenant running with said land that no right of action for damages on account of injury to said land or to any buildings, improvements, structures, pipe lines and other sources of water supply now or hereafter located upon said land or to any owners or occupants or other persons in or upon said land, resulting from past mining or other operations of the Grantor, its predecessors, assignees, licensees, lessees or contractors, or resulting from blasting, dewatering or the removal of said minerals, whether said past mining or other past operations be in said land or other lands, shall ever accrue to or be asserted by the Grantee herein or by said Grantees' successors in title, or by any person, this deed made expressly subject to all such past or future injuries. It is understood by the Grantee that Grantor cannot determine to any degree of certainty whether or not any past mining or other operations have occurred in said land or lands in the general vicinity of said land.

As a condition of the conveyance hereunder, Grantee acknowledges and agrees that the physical and environmental condition of said land conveyed hereunder has been inspected by Grantee or their duly authorized agent and that said land is purchased by Grantee as a result of such inspection and not upon any agreement, representation, or warranty made by Grantor. Grantee accepts the physical and environmental condition of said land **"AS IS, WHERE IS, WITH ALL FAULTS"** and hereby releases Grantor from any liability of any nature arising from or in connection with the physical or environmental condition of said land. This condition shall constitute a covenant running with the land as against Grantee and all successors in title.

And the Grantor does for itself and for its successors and assigns covenant with the Grantee, Grantee(s) heirs and assigns, that it is seized and possessed of said land and has the right to convey it, and it warrants the title against all persons claiming by, through or under the Grantor.

IN WITNESS WHEREOF, the Grantor has caused these presents to be executed in its name and behalf and its corporate seal to be hereunto affixed and attested by its officers thereunto duly authorized this, the 1st day of February, 2002.
