Furthermore, this Declaration shall apply only to the Property (and any Additional Property added to the terms and provisions hereof by Developer) but this Declaration shall not apply to any other real property owned by Developer unless the same is subjected specifically by written instrument to this Declaration.

2.2 **Additional Property.** Developer reserves the right, in its sole and absolute discretion, at any time and from time to time during the pendency of this Declaration, to add and submit any Additional Property to the provisions of this Declaration and, to the extent any of the Additional Property is specifically submitted to the terms and provisions of this Declaration by Developer, then any such Additional Property shall constitute part of the Property. Additional Property may be submitted to the provisions of this Declaration by an instrument executed by Developer in the manner required for the execution of deeds and recorded in the Probate Office of Shelby County, Alabama, which instrument shall be deemed an amendment to this Declaration (which need not be consented to or approved by any Owner, Occupant or Mortgagee, other than Developer's Mortgagee consenting hereto, and its successors and assigns) and shall (a) refer to this Declaration stating the book and page number where this Declaration has been recorded in the Probate Office of Shelby County, Alabama, (b) contain a statement that such Additional Property is conveyed subject to the provisions of this Declaration or only specified portions thereof, (c) contain a legal description of such Additional Property and (d) state such other or different covenants, conditions and restrictions as Developer, in its sole discretion, shall specify to regulate and control the use, occupancy and improvement of such Additional Property, including use of such Additional Property for single-family or multi-family residential areas or for commercial or recreational purposes. From and after the date on which an amendment to this Declaration is recorded in the Probate Office of Shelby County, Alabama submitting any Additional Property to the terms and provisions of this Declaration, the number of votes in the Association shall be increased by the number of Lots or Dwellings within the Additional Property which are added and submitted to the Declaration so that there shall continue to be one vote in the Association per Lot or Dwelling within the Development. In no event shall Developer be obligated to submit any Additional Property to the provisions of this Declaration or to impose any of the covenants, conditions or restrictions set forth in this Declaration upon any real property owned by Developer situated adjacent to or in close proximity with the Development. Notwithstanding anything provided in this Declaration to the contrary, (1) the provisions of this Section 2.2 may not be abrogated, modified, rescinded, supplemented or amended, in whole or in part, without the prior written consent of Developer and (2) the rights

reserved by Developer pursuant to this Section 2.2 shall not be deemed to inure to the benefit of any transferee or purchaser of the Additional Property or any portion thereof, unless Developer, in its sole discretion, transfers and conveys to such transferee or purchaser the rights reserved herein by express reference to this Section 2.2 of this Declaration.

With respect to any Lot or other real property within the Development owned by Developer, Developer may, by deed, contract or other instrument filed for record in the manner specified in Section 2.2 above, modify the provisions of this Declaration as the same apply to any such Lot. Developer reserves the right, at any time and from time to time, to change the use of any any single-family residential area to a multi-family residential area.

2.4 Mutuality of Benefit and Obligation. The provisions of this Declaration are made (a) for the mutual and reciprocal benefit of each Lot within the Property and are intended to create mutual, equitable servitudes upon and in favor of each Lot, (b) to create reciprocal rights and obligations between the respective Owners and all future and subsequent Owners of any Lot within the Development and (c) to create a privity of contract and estate between the Owners, their respective heirs, successors and assigns.

2.5 Development of Property. Developer shall have the right, but not the obligation, for so long as Developer owns any Lot in the Development, to make Improvements and changes to all Common Areas, whether owned by Developer or the Association, and to all Lots owned by Developer, including, without limitation, (i) installation and maintenance of any Improvements in or to the Common Areas, (ii) changing the location of the boundaries of any Lots owned by Developer or of the Common Areas whether owned by Developer or the Association, (iii) installation and maintenance of any water, sewer and any other utility systems and facilities within the Common Areas and (iv) installation of security and trash and refuse facilities. The exercise by Developer of any of the rights set forth in this Section 2.5 may be exercised solely by Developer without any requirement that the consent or approval of any Owners, Occupants or Mortgagees be obtained. Each Owner, by acceptance of a deed to any Lot, acknowledges and agrees that Developer or affiliates thereof may either own or may in the future own real property situated adjacent to or in close proximity with the Property, which real property will not be subject to any of the terms and provisions of this Declaration unless Developer, in its sole and absolute discretion, elects to add such real property to the terms and provisions of this Declaration pursuant to the provisions of Section 2.2 above.

2.6 Subdivision Plat. Developer may record, modify, amend, revise and otherwise add to or delete from, at any time and from time to time, a subdivision plat setting forth such information as Developer may deem necessary with regard to the Development, including, without limitation, the locations and dimensions of all Lots, Common Areas, Natural Areas, Additional Property, public or private roads, public or private utility systems, drainage systems, utility easements, drainage easements, access easements, set-back line restrictions, lakes, retention ponds and drainage basins. Any such subdivision plats or any amendments thereto shall be binding on the portions of the Property indicated thereon as if such subdivision plat were specifically incorporated into this Declaration. Notwithstanding anything provided to the contrary in this Declaration, Developer may at any time or from time to time divide and redivide, combine and resubdivide any Lots, Common Areas and other portions of the Property owned by Developer. Notwithstanding anything provided to the contrary in this Declaration, the rights reserved to Developer pursuant to this Section 2.6 may be exercised solely by Developer without any requirement that the consent or approval of any Owners or Mortgagees be obtained.

2.7 Town of Chelsea. Notwithstanding anything provided to the contrary in this Declaration, Developer (i) hereby establishes and reserves the right, in its sole and absolute discretion, at any time and from time to time, to petition the Town of Chelsea, Alabama ("Chelsea") to expand its boundaries to include the Development, and all portions thereof, within Chelsea's boundary without requirement that the approval or consent of any Owner, Occupant, or Mortgagee be obtained and (ii) shall be and hereby is authorized and entitled to execute any and all

agreements, documents, instruments and subdivision plats pursuant to which the Development or any portion thereof is submitted to and included within Chelsea's boundary. Each Owner and Occupant, by acceptance of any deed to a Lot, and each Mortgagee, by the acceptance of any Mortgage on any Lot, shall be deemed to, and each does hereby, irrevocably appoint the Developer as its respective agent and attorney-in-fact for the purpose of executing, signing, acknowledging, swearing to and recording any and all instruments, certificates, documents, agreements and subdivision plats relating to the inclusion of the Development within the Chelsea boundary for and in the name of any such Owner, Occupant and Mortgagee in their name, place and stead. The power and authority granted herein is hereby declared to be irrevocable and a power coupled with an interest which shall survive the death or dissolution of any Owner, Occupant or Mortgagee and to be binding on all Owners, Occupants and Mortgagees and their respective heirs, executors, administrators, personal representatives, successors and assigns and anyone having any interest in any Lot or Common Area or in any of the rights created or granted in this Declaration. The rights reserved by Developer pursuant to this Section 2.7 may be assigned to the Association which, upon such assignment, shall have the same rights reserved herein to Developer.

ARTICLE III

Subject to the terms and conditions of this Declaration and the rules, regulations, fees and charges from time to time established by the Board, Developer does hereby grant to each Owner and Occupant the non-exclusive right, privilege and easement of access to and the use and enjoyment of the Common Areas in common with Developer, the Association, and their successors and assigns, and all other Owners and Occupants. The easement and rights granted pursuant to this Section 3.1(a) are and shall be permanent and perpetual, are nonexclusive, are appurtenant to and shall pass and run with the title to each Lot. The easement to use and enjoy the Common Areas granted hereby shall not mean or imply that the public at large acquires any easement of use or enjoyment or any other rights, licenses or benefits therein or to the use thereof.

(b) Recreational Facilities. Subject to the terms and provisions of this Declaration and the rules, regulations, fees and charges from time to time established by the Board, Developer, the Association, and each Owner and Occupant shall have the nonexclusive right, privilege and easement of access to and the use and enjoyment of the recreational areas, facilities and amenities now or hereafter located in the Common Areas. The easement and rights granted herein are and shall be permanent and perpetual, are nonexclusive, are appurtenant to and shall pass and run with title to each Lot. The easement to use and enjoy the recreational areas and facilities granted hereby shall not mean or imply that the public at large acquires any easement of use or enjoyment or any other rights, licenses or benefits therein or to the use thereof.

(c) Benefit of Easements. The easements, rights and privileges granted in this Section 3.1 shall pass with each Lot as an appurtenance thereto and may not be severed, transferred, assigned or otherwise alienated separate or apart from a Lot.

3.2 Grant of Easement to Governmental Authorities. Developer does hereby grant to each branch, bureau, department and agency of the Governmental Authorities and their respective agents, employees and representatives, a permanent, perpetual and nonexclusive easement over, across, through and upon the Property for the purposes of performing such duties and activities related to law enforcement, fire protection, trash, garbage and refuse collection, building inspection services, mail and package delivery, medical and emergency services and any other functions or duties to be performed by the Governmental Authorities as shall be required or appropriate from time to time.

3.3 **Reservation of Easement.** Developer does hereby establish and reserve for itself, the Association, and their respective agents, employees, representatives, invitees, licensees, successors and assigns, a permanent and perpetual easement appurtenant over, across, through and upon the Property for the purpose of (i) constructing, installing, maintaining, repairing, operating, replacing and the use of roadways, medians, landscaped areas, guard houses, security gates, sidewalks, walkways, trails, bicycle paths, jogging paths, lanes, fences, walls, berms, curbing, gutters, informational and traffic directional signs and related and other improvements thereon and (ii) doing all things reasonably necessary and proper in connection therewith; provided, however, that in no event shall Developer have any obligation to undertake any of the foregoing. The easements established and reserved pursuant to this Section 3.3 shall include the right to cut and remove trees, underbrush, undergrowth and shrubbery, to grade, excavate or fill and to otherwise take all other action reasonably necessary to install any of the improvements contemplated pursuant to this Section 3.3.

3.4 **Reservation of General Access Easement.**

(a) Developer does hereby establish and reserve for itself, the ARC, the Association and their respective agents, employees, representatives, invitees, successors and assigns, a permanent and perpetual non-exclusive easement appurtenant over, across, through and upon each Lot for the purpose of providing ingress to and egress from each Lot for (i) inspecting each Lot and any Improvements thereon in order to determine compliance with the provisions of this Declaration, (ii) for equipment and activities reasonably required in emergency situations in order to prevent or minimize damage to persons or property, and (iii) the performance of the respective duties of Developer, the ARC and the Association hereunder, including, without limitation, taking any action required or permitted to be taken by Developer, the ARC and the Association pursuant to any of the terms or provisions of this Declaration; provided, however, that upon completion and occupancy of any Dwelling, then except in the event of emergencies, the foregoing easement shall be utilized only during normal business hours and then, whenever practicable, only upon advance notice to the Owner or Occupant of such Lot or directly affected thereby.

(b) It is anticipated that a single family residential home shall be constructed on each Lot. In the event a minimum side setback line of zero (0) is established for a Lot pursuant to the provisions of Section 6.4(a) below, the Dwelling to be constructed on each such Lot may be situated so that one side wall of the home is located up to and on one side line of the Lot. Any such Lot shall hereafter be referred to as the "dominant lot" and the side line which the home is located up to or on shall thereafter be referred to as the "dominant side". The owner(s) of each dominant lot shall have, and there is hereby created in favor of each dominant lot, a five (5) foot wide easement across the Lot which joins the dominant lot on its dominant side, the easement to extend along their common property line from the front to the rear thereof, for the limited purpose of facilitating the construction and maintenance of the home. The easement herein created shall apply not only during the construction phase but shall also run with the Lots subject thereto and in favor of the dominant lot, and apply to the continued maintenance and repair of the Dwelling and the reconstruction of a Dwelling in the event of its partial or total destruction. Any party exercising its rights under the easement herein established shall not cause any damage to any Lot which is subject to this easement and, except in the event of emergencies, may exercise its rights only during reasonable hours and in a reasonable manner. The easement herein created shall not permit the alteration in any manner of any area subject to the easement by the Owner of the "dominant lot".

3.5 **Reservation of Easements With Respect to Common Areas.**

(a) **Easement Upon Common Areas.** Developer does hereby establish and reserve for itself, the ARC, the Association and their respective agents, employees, representatives, invitees, successors and assigns, a permanent and perpetual non-exclusive easement appurtenant, over, across, under, through and upon all of the Common Areas for the purpose of (i) constructing Dwellings and other Improvements in and to any Lots, (ii) installing, maintaining, repairing and replacing any other Improvements to the Property or to the Common Areas, including, without limitation, sidewalks, walkways, utility lines, equipment and facilities, signage and traffic directional signs and (iii) doing all other things reasonably necessary and proper in connection therewith; provided,

however, that in no event shall Developer have any obligation to undertake any of the foregoing. In addition to the other rights and easements established and reserved herein and regardless of whether Developer continues to own a Lot within the Development, Developer hereby establishes and reserves for itself, its successors and assigns, a permanent and perpetual, non-exclusive easement to have access, ingress to and egress from and the right and privilege to use and enjoy the Common Areas and all Improvements thereon for such purposes as Developer deems appropriate; provided, however, that Developer should not exercise such rights so as to unreasonably interfere with the rights of the Owners to use the Common Areas.

(b) Changes in Common Areas. Developer does hereby establish and reserve unto itself and its successors and assigns the permanent right to change, modify and realign the boundaries of any of the Common Areas, whether owned by Developer or the Association, and any Lots owned by Developer. Developer further reserves the right, but shall not have any obligation, to convey, and the Association shall accept such conveyance, by quitclaim or other deed to the Association at any time and from time to time any portion of the Property or any Improvements thereto to be utilized as Common Areas or Natural Areas, as Developer, in its sole discretion, may determine.

3.6 Reservation of Easement for Utilities. Developer does hereby establish and reserve for itself, the Association and their respective successors and assigns, a permanent and perpetual non-exclusive easement appurtenant over, across, under, through and upon all portions of the Common Areas and all Lots which are reasonably necessary for the purpose of installing, erecting, replacing, relocating, maintaining and operating master television and/or cable systems, security and similar systems and all utilities necessary or convenient for the use of any portion of the Development or neighboring properties including, without limitation, publicly or privately owned and operated electrical, gas, telephone, water and sewer services, storm drains and sewers, drainage systems, retention ponds, lakes, basins and facilities, lines, pipes, conduits, equipment, machinery and other apparatus and appurtenances necessary or otherwise reasonably required in order to provide any utility service to any portion of the Property or neighboring properties. The easements established and reserved herein shall include the right to cut and remove trees, undergrowth and shrubbery, to grade, excavate or fill and to otherwise take all other action reasonably necessary to provide economical and safe installation, maintenance, repair, operation and replacement of all such utility services and the systems, equipment and machinery used to provide the same.

3.7 Reservation of Maintenance Easement. Subject to the terms and provisions of Section 7.2(b) below, Developer does hereby establish and reserve for itself, the Association and their respective agents, employees, successors and assigns, a permanent and perpetual right and easement to enter upon any Lot for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds, stumps or other unsightly growth and removing trash so as to maintain reasonable standards of health, fire safety and appearance within the Development; provided, however, that such easement shall not impose any duty or obligation upon Developer or the Association to perform any of the foregoing actions.

3.8 Reservation of Environmental Easement. Developer does hereby establish and reserve for itself, the ARC, the Association and their respective agents, employees, successors and assigns, a permanent and perpetual right and easement on, over, across and upon all Lots for the purpose of taking any action necessary to effect compliance with the Architectural Standards, to effect storm water run-off, or to effect any watershed, soil erosion or environmental rules, regulations and procedures from time to time affecting or otherwise promulgated or instituted by any Governmental Authorities or the Board. The easement and right established and reserved herein shall include, without limitation, the right to implement erosion control procedures and practices, the right to drain standing water and the right to take any other action which may be required in order to satisfy the requirements of the Architectural Standards or any applicable Governmental Authority. Except in the case of an emergency situation or a perceived emergency situation, the exercise by Developer or the Association of the rights reserved in this Section 3.8 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot.

3.9 **Establishment of Natural Areas.**

(a) Developer does hereby establish and declare, for the benefit of Developer, the ARC and the Association and their respective successors and assigns, that the Natural Areas (i) shall be and remain a natural, undisturbed green area, free from any Improvements of any nature except that Developer may landscape such area in a manner and to the extent determined by Developer in Developer's sole discretion, and (ii) shall not, without the prior written consent of Developer or the ARC, be used for any activities, whether as play areas for children, picnic areas, recreational areas or any other uses whatsoever.

(b) Developer does hereby grant to the Association and its respective successors and assigns, a permanent, perpetual and non-exclusive easement appurtenant over, across, through and upon the Natural Areas for the purpose of maintaining the Natural Areas as provided in Section 7.2(a) below; provided, however, that nothing contained in this Section 3.9 shall obligate Developer to undertake any maintenance responsibilities with respect to the Natural Areas or preclude Developer's conveyance of a Natural Area to an entity chosen by Developer in Developer's sole discretion for the maintenance and protection of a Natural Area as a natural, undisturbed buffer area.

ARTICLE IV **ASSOCIATION**

4.1 **Membership.** The Owner of each Lot shall be a member of the Association. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot; provided, however, that (a) Developer shall be deemed a member of the Association and shall have one (1) vote for each Lot owned by Developer in the Development, (b) in the event any Lot is owned by more than one (1) person, then the Owners of such Lot shall, by written notice to the Board, designate only one (1) representative to serve as a member of the Association who shall exercise all voting rights attributable to the Lot owned by such Owners and (c) no Mortgagee shall become a member of the Association until such time, if at all, that the Mortgagee becomes an Owner by virtue of foreclosure of its Mortgage and title to such encumbered Lot is vested in Mortgagee pursuant to a duly recorded deed. The transfer or conveyance of fee title to any Lot (other than by a Mortgage as security for the payment of an obligation), shall automatically include the transfer of all membership rights of such Owner in the Association with respect to the Lot transferred and conveyed, notwithstanding any failure of the transferor to endorse to his transferee any certificates, assignments or other evidence of such membership. Membership or the rights and benefits in the Association may not be transferred, assigned, conveyed or otherwise alienated in any manner separately and apart from the ownership of a Lot. Each member of the Association shall at all times comply with the provisions of this Declaration, the Articles of Incorporation, the Bylaws and all rules and regulations which may from time to time be adopted by the Board or the members of the Association.

4.2 **Board.** The Board shall have the rights and duties set forth in the Articles of Incorporation and the Bylaws. Developer hereby retains and shall have the right to appoint or remove, with or without cause, any member or members of the Board and any officer or officers of the Association until such time as Developer no longer is the Owner of any Lot within the Development; provided, however, that Developer may, in its sole discretion, elect to transfer all such rights to the members of the Association prior to the occurrence of the foregoing. Each Owner, by acceptance of a deed to or other conveyance of a Lot, vests in Developer such authority to appoint and remove members of the Board and officers of the Association as provided by this Section 4.2.

4.3 **Voting Rights.** Subject to the rights reserved to Developer herein and in the Articles of Incorporation and Bylaws and the rights of the Association to suspend any Owner's voting rights or privileges in the Association pursuant to Article XI below, the Owner of each Lot shall be entitled to one (1) vote in any matters submitted to the members of the Association for approval. No Owner, whether one or more persons, shall have more than one membership and one vote per Lot owned. Such voting rights shall continue to apply to each Lot upon the

addition of any of the Additional Property to this Declaration. Each Owner, by acceptance of a deed or other conveyance to a Lot, consents and agrees to the dilution of his voting interest in the Association by virtue of the resubdivision of any Lot by Developer pursuant to Section 2.6 above or the submission of any Additional Property to the terms of this Declaration. In no event, whether as a result of there being multiple ownership interests in any Lot or otherwise, shall more than one vote be allowed for any one Lot. Fractional voting shall not be permitted. For purposes of this Section 4.3, Developer shall be deemed to be the Owner of and entitled to all voting rights attributable to any Lots owned by Developer.

4.4 **Duties and Powers of Association**. In addition to the rights, duties, responsibilities and obligations of the Association otherwise set forth in this Declaration, the Association shall have the power to do, cause to be done and otherwise perform or cause to be performed any of the duties and powers set forth in the Articles of Incorporation and the Bylaws. The Association may exercise any other right or privilege granted to it expressly by this Declaration or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. In the event of any conflict, ambiguity or inconsistency between the Code of Alabama, this Declaration, the Articles of Incorporation, the Bylaws or any rules and regulations adopted from time to time by the Association, then the provisions of the Code of Alabama, this Declaration, the Articles of Incorporation, the Bylaws and any rules and regulations adopted by the Association, in that order, shall prevail and each Owner, by acceptance of a deed or other conveyance to a Lot, covenants and agrees to vote in favor of and execute any amendments as may be necessary to remove or alleviate any such conflict, ambiguity or inconsistency. The powers of the Association shall include, but not be limited to, (i) the power to purchase or lease one or more Lots and any other real or personal property, whether tangible or intangible, and to hold, lease, mortgage, sell and otherwise convey the same, (ii) subject to the provisions of this Section 4.4, the right to borrow money for the purpose of acquiring additional Common Areas, for constructing, repairing, maintaining or improving the Common Areas or any portion thereof or for providing any of the services authorized herein, (iii) subject to the provisions of this Section 4.4, the right to give Mortgages or other security instruments encumbering all or any part of the Common Areas as security for any loan obtained by the Association; provided, however, that the lien and encumbrance of any such Mortgage shall be subject and subordinate to all of the rights, interests, privileges, easements, licenses, and options reserved or established herein for the benefit of Developer, the ARC, the Association and all Owners and Occupants, (iv) the right to grant and accept easements, (v) the right to dedicate or transfer from the Association fee simple title to all or any portion of the Common Areas to any Governmental Authority and (vi) the right to arrange with any of the Governmental Authorities or any public or private utilities or others, for the furnishing of trash collection, water, sewer and/or security services for the Common Areas and/or the Lots. For so long as Developer shall own any Lot, the Association shall not, without the consent of Developer, borrow money or pledge, mortgage, encumber, sell or otherwise convey any interest it may have in the Common Areas. Except as otherwise specifically provided to the contrary herein, in the Articles of Incorporation or in the Bylaws, the powers and authority granted to the Association may be exercised by the Board, acting through the officers of the Association, without further consent or action on the part of the Owners.

4.5 **Agreements**. Subject to the conditions, restrictions and other provisions of this Declaration, all agreements, actions and determinations lawfully authorized by the Board shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors and assigns and all others having any interest in the Development. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice, including third party management companies which may be affiliates of Developer, such duties of the Association as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of any portion of the Development, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. All costs and expenses incurred incident to the employment of a manager of the Development or any of the Common Areas shall be a Common Expense. During the term of any such management agreement entered

into by the Association with a third party, such manager may, if authorized by the Board, exercise all the powers and shall be responsible for the performance of all of the duties of the Association, excepting any of such powers or duties specifically and exclusively reserved to the Board or the officers of the Association by the Declaration, the Articles of Incorporation or the Bylaws. Such manager may be an individual, corporation or other legal entity and may be bonded in such manner as the Board may require, with the costs of such bond to be a Common Expense. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Development, or the enforcement of this Declaration, the Articles of Incorporation, the Bylaws or any rules and regulations of the Association.

4.6 **Management by Developer or its Affiliates.** Developer or any affiliate thereof may be employed as the manager of the Association and the Development for so long as Developer owns any Lot within the Development, at such compensation and on such terms as would be usual, customary and obtainable in an arms-length transaction with any third party providing comparable services for any real estate development in the southeastern United States of the size, quality and nature of the Development. Each Owner, by acceptance of a deed to or other conveyance of a Lot, shall be deemed to ratify the provisions of this Section 4.6 and specifically be deemed to have approved any such management agreement entered into by the Association and Developer or any affiliate thereof.

4.7 **Rules and Regulations.** The Board may establish and enforce reasonable rules and regulations governing the use of all Lots and Common Areas. Without limiting the foregoing, the Board may adopt rules and regulations which shall govern the use of any of the Common Areas (including, specifically, the use of any of the recreational facilities, if any, situated within the Common Areas), the enforcement of all of the terms and provisions of this Declaration and any rules and regulations adopted by the Board and such other matters, including, without limitation, the limitation, restriction or prohibition of application of fertilizers, pesticides, and other chemicals within the Development. Copies of such rules and regulations shall be binding upon all Owners and Occupants until and unless such rule or regulation is specifically overruled, canceled or modified by the Board or by the majority vote of the total votes of the Association at any regular or special meeting of the Association; provided, however, that no such rules or regulations may be overruled, canceled or modified unless such action is also approved by Developer so long as Developer owns any Lot in the Development.

4.8 **Indemnification.** The Association shall and does hereby indemnify, defend and agree to hold each and every officer, agent, representative and member of the ARC and the Board harmless from and against any and all expenses, including court costs and reasonable attorneys' fees, suffered, paid or incurred by any of them in connection with any action, suit or other proceeding (including the settlement of any suit or proceeding approved by the Board) to which such person may be made a party by reason of being or having been an officer, agent, representative or member of the ARC or the Board. The officers, agents, representatives and members of the ARC or the Board shall not be liable for any mistake in judgment, negligence or otherwise except for their own willful misconduct or reckless disregard of duty, as finally determined by a court of competent jurisdiction. The officers, agents, representatives and members of the ARC or the Board shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the ARC or the Association and the Association shall and does hereby indemnify, defend and agree to forever hold each such officer, agent, representative and member of the ARC or the Board harmless from any and all liability to others on account of any such contract or commitment. The indemnification obligations and rights provided for herein shall not be exclusive of any other rights to which any officer, agent, representative or member of the ARC or the Board may be entitled, including anything provided to the contrary contained in the Articles of Incorporation or the Bylaws. The Association shall maintain adequate general liability and, to the extent financially feasible, officers and directors liability insurance in order to fulfill its obligations under this Section 4.8 and the costs of such insurance shall constitute a Common Expense.

ARTICLE V
ARCHITECTURAL REVIEW COMMITTEE
AND
ARCHITECTURAL STANDARDS

5.1 **Committee Composition.** The ARC shall consist of not less than three (3) nor more the seven (7) persons, each of whom shall be appointed or elected as provided in Section 5.2 below. The members of the ARC may, but shall not be required to be, members of the Association or Owners of any Lot. The regular term of office for each member of the ARC shall be one (1) year, coinciding with the fiscal year of the Association. Any member appointed or elected as provided in Section 5.2 below may be removed with or without cause in the manner provided in Section 5.2 below. Each Owner, by acceptance of a deed to or other conveyance to a Lot, shall be deemed to ratify the provisions of Section 5.2 below.

5.2 **Appointment and Removal of ARC Members.**

(a) For so long as Developer is the Owner of any Lot within the Development or any portion of the Development, Developer shall have the sole and exclusive right to appoint and remove all of the members of the ARC.

(b) At such time as Developer is no longer the Owner of any Lot within the Property or, upon Developer's written notice to the Association that it no longer desires to exercise the right to appoint and remove members of the ARC as provided in Section 5.2(a) above, then the members of the ARC shall be appointed by the Board.

(c) Any member of the ARC may be removed, with or without cause, by (i) Developer, in its sole discretion, during the period of time that the provisions of Section 5.2(a) above are in effect or (ii) the Board, in the event the provisions of Section 5.2(b) above are in effect. In the event of death or resignation of a member of the ARC, then Developer, in the event of the provisions of Section 5.2(a) above are applicable, or the Board, in the event the provisions of Section 5.2(b) above are applicable, as the case may be, shall appoint a substitute member of the ARC to fill the vacancy of such deceased or resigning member for the remainder of the term of such former member.

5.3 **Procedure and Meetings.** The ARC shall elect a chairman and he, or in his absence, the vice-chairman, shall be the presiding officer at all meetings of the ARC. The ARC shall meet on a regular basis as well as upon call of the chairman or vice-chairmen, and all such meetings shall be held at such places as may be designated by the chairman or vice-chairman. A majority of the total number of members of the ARC shall constitute a quorum of the ARC for the transaction of business and the affirmative vote of a majority of those present in person or by proxy at a meeting of the ARC shall constitute the action of the ARC on any matter which comes before it. The ARC is authorized to retain the services of consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys in order to advise and assist the ARC in performing its functions set forth herein. Each member of the ARC may be paid a stipend or honorarium as may from time to time be determined by the Board and shall otherwise be entitled to a reimbursement of expenses incurred on behalf of the ARC, subject to the approval of such expenses by the Board. The ARC shall have the right from time to time to adopt and establish such rules and regulations as may be determined to be necessary concerning the procedure, notice of meetings and all other matters concerning the conduct of the business of the ARC.

5.4 **Architectural Standards.** The ARC is hereby authorized but not required to promulgate and amend or modify from time to time written Architectural Standards governing policies, guidelines and minimum requirements to be satisfied with respect to the construction, location, landscaping and design of all Dwellings and other Improvements on any Lot, the content and manner in which plans and specifications and other documentation and information concerning the construction of any Dwelling or other Improvement on a Lot are to be submitted

to and approved by the ARC and any other matters affecting the construction, repair or maintenance of any Dwelling or other Improvements on any Lot. The Architectural Standards adopted by the ARC shall be in addition to the provisions and requirements set forth in this Declaration and shall be binding upon and enforceable against all Owners.

5.5 Approval of Plans and Specifications.

(a) IN ORDER TO PRESERVE THE ARCHITECTURAL AND AESTHETIC APPEARANCE AND THE NATURAL SETTING AND BEAUTY OF THE DEVELOPMENT, TO ESTABLISH AND PRESERVE A HARMONIOUS DESIGN FOR THE DEVELOPMENT AND TO PROTECT AND PROMOTE THE VALUE OF THE PROPERTY, THE LOTS, THE DWELLINGS AND ALL IMPROVEMENTS THEREON, NO IMPROVEMENTS OF ANY NATURE SHALL BE COMMENCED, ERECTED, INSTALLED, PLACED, MOVED ONTO, ALTERED, REPLACED, RELOCATED, PERMITTED TO REMAIN ON OR MAINTAINED ON ANY LOT OR DWELLING BY ANY OWNER OR THE ASSOCIATION, OTHER THAN DEVELOPER, WHICH AFFECT THE EXTERIOR APPEARANCE OF ANY LOT OR DWELLING UNLESS PLANS AND SPECIFICATIONS THEREFOR HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.5(b) BELOW. WITHOUT LIMITING THE FOREGOING, THE CONSTRUCTION AND INSTALLATION OF ANY DWELLINGS, SIDEWALKS, DRIVEWAYS, PARKING LOTS, MAILBOXES, DECKS, PATIOS, COURTYARDS, SWIMMING POOLS, TENNIS COURTS, GREENHOUSES, PLAYHOUSES, AWNINGS, WALLS, FENCES, EXTERIOR LIGHTS, GUEST OR SERVANT'S QUARTERS, GARAGES OR ANY OTHER OUTBUILDINGS, SHALL NOT BE UNDERTAKEN, NOR SHALL ANY EXTERIOR ADDITION TO OR CHANGE OR ALTERATION BE MADE (INCLUDING, WITHOUT LIMITATION, PAINTING OR STAINING OF ANY EXTERIOR SURFACE) TO ANY DWELLING OR IMPROVEMENTS, UNLESS THE PLANS AND SPECIFICATIONS FOR THE SAME HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.5(b) BELOW.

(b) The ARC is hereby authorized and empowered to approve all plans and specifications and the construction of all Dwellings and other Improvements on any part of the Property. Prior to the commencement of any Dwelling or other Improvements on any Lot, the Owner thereof shall submit to the ARC plans and specifications and related data for all such Improvements, which shall include the following:

(i) an accurately drawn and dimensioned site development plan indicating the location of any and all Improvements, including, specifically, the Dwelling to be constructed on said Lot, the location of all driveways, walkways, decks, terraces, patios and outbuildings and the relationship of the same to any set-back requirements applicable to the Lot or Dwelling.

(ii) a foundation plan, floor plans and exterior elevation drawings of the front, back and sides of the Dwelling or Improvement to be constructed on the Lot.

(iii) written specifications and, if requested by the ARC, samples indicating the nature, color, type, shape, height and location of all exterior materials to be used in the construction of the Dwelling on such Lot or any other Improvements thereto, including, without limitation, the type and color of all brick, stone, stucco, roofing and other materials to be utilized on the exterior of a Dwelling and the color of paint or stain to be used on all doors, shutters, trim work, eaves and cornices on the exterior of such Dwelling.

(iv) the lighting plan, including specifications, for any exterior lighting to be utilized with respect to such Lot, Dwelling or other Improvement.

(v) a landscaping plan prepared and submitted in accordance with the provisions of Section 5.6 below.

(vi) Such other plans, specifications or other information or documentation as may be required by the ARC or the Architectural Standards.

(c) The ARC shall, in its sole discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. The ARC shall have the right to disapprove any plans and specifications upon any ground which is consistent with the objectives and purposes of this Declaration, including purely aesthetic considerations, any failure to comply with any of the provisions of this Declaration or the Architectural Standards, failure to provide requested information, objection to exterior design, appearance or materials, objection on the ground of incompatibility of any such proposed Improvement with the scheme of development proposed for the Development, objection to the location of any proposed Improvements on any such Lot, objection to the landscaping plan for such Lot or Dwelling, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any Improvement or any other matter which, in the sole judgment of the ARC, would render the proposed Improvement inharmonious with the general plan of development contemplated for the Development. The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements or Dwelling. Approval of plans and specifications by the ARC for Improvements to one particular Lot or Dwelling shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot or Dwelling within the Development. The ARC shall establish a fee sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof. Such fee or fees shall be paid by the Owner who is seeking the ARC's approval of plans and specifications. Notwithstanding anything provided herein to the contrary, an Owner may make interior improvements and alterations within his Dwelling that do not affect exterior appearance and the Association may make interior improvements and alterations within any buildings or structures it maintains or owns that do not affect exterior appearance and, in each case, without the necessity or requirement that the approval or consent of the ARC be obtained.

(d) In the event the ARC fails to approve in writing any such proposed plans and specifications within forty-five (45) days after such plans and specifications have been submitted, then the plans and specifications so submitted will be deemed to have been disapproved.

(e) Any revisions, modifications or changes in any plans and specifications previously approved by the ARC must be approved by the ARC in the same manner specified above.

(f) If construction of the Dwelling or the Improvements has not substantially commenced (e.g., by clearing and grading, pouring of footing and otherwise commencing framing and other related construction work) within one (1) year of approval by the ARC of the plans and specifications for such Dwelling or other Improvements, then no construction may be commenced (or continued) on such Lot or Dwelling and the Owner of such Lot shall be required to resubmit all plans and specifications for any Dwelling or other Improvements to the ARC for approval in the same manner specified above.

5.6 Landscaping Approval. In order to preserve, to the extent practicable, the natural landscaping and plant life currently situated on the Property and in order to enhance the aesthetic appearance of the Property, no landscaping, grading, excavation or fill work of any nature shall be implemented or installed by any Owner or the Association, other than Developer, on any Lot, Dwelling, Common Area, or Natural Area unless and until landscaping plans therefore have been submitted to and approved by the ARC. The provisions of Section 5.5 above

regarding the method that such plans are to be submitted to the ARC, the time for approval or disapproval of the same and the method of approving modifications or changes thereto shall be applicable to such landscaping plans.

5.7 **Construction Without Approval.** If (a) any Improvements are initiated, installed, maintained, altered, replaced or relocated on any Lot or Dwelling without approval of the plans and specifications for the same or (b) the ARC shall determine that any approved plans and specifications for any Improvements or the approved landscaping plans for any Lot or Dwelling are not being complied with, then, in either event, the Owner of such Lot shall be deemed to have violated this Declaration and the ARC shall have the right to exercise any of the rights and remedies set forth in Section 5.13 below.

5.8 **Inspection.** The ARC or any agent, employee or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot, Dwelling or any Improvements being constructed thereon in order to determine whether the approved plans and specifications therefore are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the ARC.

5.9 **Subsurface Conditions.**

(a) The Property may be located in an area which includes underground mines, tunnels, sinkholes and subsurface conditions which may result in sinkholes or other types of ground subsidence. The approval of plans and specifications by the ARC for any Dwelling or other Improvements on a Lot shall not be construed in any respect as a representation or warranty by Developer or the ARC to the Owner submitting such plans or to any of the successors or assigns of such Owner that the surface or subsurface conditions of such Lot are suitable for the construction of the Improvements contemplated by such plans and specifications. It shall be the sole responsibility of each Owner to determine the suitability and adequacy of the surface and subsurface conditions of any Lot for the construction of any contemplated Improvements thereon.

(b) Neither the ARC and its individual members, nor the Association and its members, nor the Developer and its members, agents and employees and the shareholders, officers, directors, agents and employees of its members shall be liable to any Owner or Occupant, or the successors, assigns, licensees, lessees, employees and agents of any Owner or Occupant, for loss or damage on account of injuries to any Lot or parcel of the Property, to any buildings, Improvements, Dwellings or other structures now or hereafter located upon any Lot or parcel of the Property, or on account of any past or future injuries to any Owner, Occupant, or any other person in or upon any Lot or parcel of the Property, which are caused by, or arise as a result of soil and/or subsurface conditions, known or unknown (including, without limitation, underground mines, sinkholes, radon gas, limestone formations, or other geological formations or conditions) under or on the Property.

5.10 **Limitation of Liability.** Notwithstanding anything provided herein to the contrary, neither Developer, the ARC, the Association, nor any agent, employee, representative, member, shareholder, partner, officer or director thereof, shall have any liability of any nature whatsoever for any damage, loss or prejudice suffered, claimed, paid or incurred by any Owner on account of (a) any defects in any plans and specifications submitted, reviewed or approved in accordance with the provisions of this Article V, (b) any defects, structural or otherwise, in any Improvements constructed or done according to such plans and specifications, (c) the failure to approve or the disapproval of any plans, drawings, specifications or other data submitted by any Owner for approval pursuant to the provisions of this Article V, (d) the construction or performance of any work related to such plans, drawings and specifications, (e) bodily injuries (including death) to any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of any such Owner or Occupant, or any damage to any Dwellings, Improvements or the personal property of any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of such Owner or Occupant, which may be caused by, or arise as a result of, any defect, structural or otherwise, in any Dwellings or Improvements or the plans and specifications therefore, or any past, present or future soil and/or subsurface conditions, known or unknown (including, without limitation, sinkholes, radon gas, underground mines, tunnels and water channels and limestone

formations on or under any Lot or Dwelling) and (f) any other loss, claim, damage, liability or expense, including court costs and attorneys' fees, suffered, paid or incurred by any Owner arising out of or in connection with the use and occupancy of any Lot, Dwelling, or any Improvements situated thereon.

5.11 **Commencement and Completion of Construction.** Upon commencement of construction of any Dwelling, construction work thereon shall be prosecuted diligently and continuously and shall be completed within one (1) year of the commencement date of said construction, such completion to be evidenced by a certificate of occupancy issued by the appropriate Governmental Authorities.

5.12 **Sales and Construction Activities.** Notwithstanding any provisions or restrictions contained in this Declaration to the contrary, Developer, its agents, employees, successors and assigns, shall have the right and option to maintain and carry on such facilities and activities as may be reasonably required, convenient, or incidental to the completion, improvement, and sale of Lots and/or Dwellings or the development of Lots, Dwellings, Common Areas and the Additional Property, including, without limitation, the installation and operation of sales and construction trailers and offices, signs and model Dwellings, all as may be approved by Developer from time to time; provided, however, that the location of any construction trailers of any assignees of Developer's rights under this Section 5.12 shall be subject to Developer's approval. The right to maintain and carry on such facilities and activities shall include, without limitation, the right to use Dwellings as model residences and as offices for the sale of Lots and/or Dwellings and for any related activities.

5.13 **Enforcement and Remedies.** In the event any of the provisions of this Article V are breached or are not otherwise being complied with in all respects by any Owner or Occupant or the respective family members, guests, invitees, agents, employees or contractors of any Owner or Occupant, then the Board, the ARC and/or the Association shall each have the right, at their option, to (a) enjoin any further construction on any Lot or Dwelling and require the removal or correction of any work in place which does not comply with the plans and specifications approved by the ARC for such Improvements and/or (b) through their designated agents, employees, representatives and independent contractors, enter upon such Lot or Dwelling and take all action necessary to extinguish such violation or breach. (c) No Owner shall (i) decorate, change or otherwise alter the appearance of any portion of the exterior of a Dwelling or the landscaping, grounds or other improvements within a Lot unless such decoration, change or alteration is first approved, in writing, by the ARC as provided in Sections 5.5 and 5.6 above or (ii) do any work which, in the reasonable opinion of the ARC, would jeopardize the soundness and safety of the Development, reduce the value thereof or impair any easement or hereditament thereto, without in every such case obtaining the prior written approval of the ARC.

7.2 Responsibilities of Association.

(a) The Association henceforth shall, to the extent it has received sufficient funds from the Owners through Assessments, maintain and keep in good repair and condition all portions of the Common Areas, whether owned by Developer or the Association, which responsibility shall include the maintenance, repair and replacement of (i) walks, trails, paths, walkways, bicycle and jogging paths and lanes, parking lots, landscaped areas, recreational areas and other Improvements made by Developer or the Association within any of the Common Areas, or within any of the easements encumbering the Lots as provided in Article III above, (ii) such entrance gates and utility lines, pipes, plumbing, wires, conduits and related systems, appurtenances, equipment and machinery which are a part of the Common Areas and which are not maintained by a public authority, public service district, public or private utility, or other person, (iii) all lawns, trees, shrubs, hedges, grass and other landscaping situated within or upon the Common Areas, (iv) all Natural Areas not otherwise conveyed to another entity subject to such entity's assumption of the Association's obligation to maintain such Natural Area, and (v) all lakes, streams, ponds and other water areas and facilities constructed by Developer or the Association, wherever located (either within or outside of the Development so long as the same are utilized for the benefit of the Development), including, without limitation, implementing and maintaining siltation, soil erosion and sedimentation programs and otherwise dredging, cleaning and maintaining all siltation ponds and appurtenances thereto as may be necessary or otherwise required by any Governmental Authorities. No

diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken by or performed by the Association hereunder or for inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association or from any action taken by the Association to comply with any requirements of the Governmental Authorities.

(b) In the event that the Board determines that (i) any Owner has failed or refused to discharge properly his obligations with regard to the maintenance, cleaning, repair or replacement of items for which he is responsible hereunder or (ii) any maintenance, cleaning, repair or replacement for which the Association is responsible hereunder is caused by the willful or negligent act or omission of an Owner or Occupant, or their respective family members, guests, servants, employees, invitees or contractors, and the costs of such maintenance, cleaning, repair or replacement are not paid in full from insurance proceeds, if any, received by the Association with respect thereto, then, in either event, the Association, in addition to the exercise of any of the rights and remedies set forth in this Declaration, may give such Owner written notice of the Association's intent to provide such necessary maintenance, cleaning, repair or replacement, at the sole cost and expense of such Owner, and setting forth in reasonable detail what action is deemed necessary. Except in the event of emergency situations, such Owner shall have fifteen (15) days within which to complete the same in a good and workmanlike manner or, if the same is not capable of completion within such fifteen (15) day period, to commence such maintenance, cleaning, repair or replacement and to proceed diligently with the completion of the same in a good and workmanlike manner. In the event of emergency situations or the failure by any Owner to comply with the provisions hereof after such notice, the Association may provide (but shall not be obligated to provide) any such maintenance, cleaning, repair or replacement at the sole cost and expense of such Owner and said cost shall be a personal obligation of such Owner, shall constitute an Individual Assessment to such Owner and shall be subject to the lien and foreclosure rights granted pursuant to Section 8.8 below.

ARTICLE VIII

COMMON AREA ASSESSMENTS

8.1 **Assessments and Creation of Lien.** Each Owner of a Lot, except for Developer, by acceptance of a deed or other instrument conveying any interest therein, regardless of whether such deed or instrument contains a reference to this Declaration, is hereby deemed to covenant and agree to pay to the Association (a) Annual Assessments, as established and to be collected as provided in Section 8.4 below, (b) Special Assessments, to be established and collected as provided in Section 8.5 below, and (c) Individual Assessments against any particular Lot which are established or assessed pursuant to the terms of this Declaration, including, but not limited to, any fines as may be levied or imposed against such Lot in accordance with the provisions of this Declaration. All Assessments, together with late charges and interest as provided in Section 8.8(a) below, and all court costs and attorneys' fees incurred by the Association to enforce or collect such Assessments shall be an equitable charge and a continuing lien upon each Lot for which the Owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided in Section 8.8(c) below. Each Owner shall be personally liable for the payment of all Assessments coming due while he is the Owner of a Lot and his grantee shall take title to such Lot subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his grantor any amounts paid by such grantee to the Association which were the legal obligations of the grantor. All Assessments, together with late charges and interest at the Applicable Rate, as specified in Section 8.8(a) below, court costs and attorneys' fees incurred with respect thereto by the Association shall also be a personal obligation of the person who was the Owner of the Lot at the time such Assessments and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot, all of the co-Owners shall be jointly and severally liable for the entire amount of such Assessments. All Assessments shall be paid in such manner and on such dates as may be fixed by the Board. All Assessments shall be payable in all events without offset, diminution or abatement by reason of fire or other casualty or any taking as a result of, in lieu of or in anticipation of the

exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof with respect to any Lot, Common Area, or any other portion of the Development or any other cause or reason of any nature.

8.2 **Purpose of Assessments.** The Annual and Special Assessments provided for herein shall be used for the general purposes of promoting the recreational, health, safety, welfare, common benefit and enjoyment of the Owners and Occupants of the Development and otherwise for the general upkeep and maintenance of the Development, including, specifically, the Common Areas and the Natural Areas and any Improvements thereto, all as may be more specifically authorized from time to time by the Board.

8.3 **Uniform Rate of Assessments.**

(a) Both Annual and Special Assessments, as described in Sections 8.4 and 8.5 below, shall be assessed against each Lot in the Property at a uniform rate, with the Owner of each Lot (other than Developer) being required to pay the same amount of such Annual and Special Assessments.

(b) Notwithstanding anything provided in Section 8.3(a) above to the contrary, in the event any Additional Property is added to the Development, then the Lots and/or Dwellings within the Additional Property shall be subject to the same Annual or Special Assessments then being paid by the Owners of all other Lots and Dwellings in the Development, subject to proration for the actual number of days remaining in the year in which such Additional Property was added to the Property as provided in Section 8.7 below.

8.4 **Computation of Annual Assessments.**

(a) Notwithstanding anything provided to the contrary in this Declaration, the Annual Assessment for each Lot within the Development, except Lots owned by Developer, commencing on the date hereof and continuing until and including December 31, 2003 shall be THREE HUNDRED and NO/100 DOLLARS (\$300.00) per Lot in the Development. The foregoing shall not limit or restrict any Special Assessments levied pursuant to Section 8.5 below or any Individual Assessments levied in accordance with the provisions of Section 8.6 below.

(b) As of January 1, 2004, the Board and Developer, so long as Developer owns any Lot within the Development, shall determine and approve annually an annual budget covering the estimated Common Expenses for the Development for the upcoming year. Based upon such annual budget, the Board and Developer, so long as Developer owns any Lot within the Development, shall determine the Annual Assessments to be levied against the Lots for the following year. A copy of the budget approved by the Board and Developer, so long as Developer owns any Lot within the Development, setting forth the amount of Annual Assessments to be levied against the Lots for the year shall be delivered to each Owner. At such time as Developer no longer owns any Lot within the Development, the Board shall determine and approve the annual budget covering the estimated Common Expenses for the Development. A copy of the budget approved by the Board setting forth the amount of Annual Assessments to be levied against the Lots for the year shall be delivered to each Owner. If any budget or the amount of Annual Assessments collected by the Association at any time proves to be inadequate or insufficient for any reason to fully pay all costs and expenses of the Association and all Common Expenses, then the Board may call a meeting of the Association for the purpose of approving Special Assessments as provided in Section 8.5 below. If the actual amount of Annual Assessments collected in any one year exceeds the actual costs incurred for Common Expenses for such year, the excess shall be retained by the Association as a reserve for subsequent years' Common Expenses.

(c) The Common Expenses to be funded by the Annual Assessments include, but shall not be limited to, the following:

(i) Salaries, fringe benefits and other compensation paid and out-of-pocket expenses reimbursed by the Association for its employees, including but not limited to full time and part time employees, agents, officers, members of the Board and any third party contractors;

(ii) Management fees and expenses of administration, including legal and accounting fees, incurred by the Association;

(iii) Utility charges for any utilities serving any of the Common Areas and charges for other common services for the Property, including, without limitation, trash collection and security services, if any;

(iv) Support and financial assistance to the Chelsea Volunteer Fire Department until such time, if ever, that the Development is within a fire district or other fire protection jurisdiction and invoices Owners directly for fire protection charges, fees or dues, at which time Owners shall be obligated to pay the fire district or other fire protection jurisdiction directly for such charges, fees or dues;

(v) The costs of any insurance policies purchased for the benefit of the Association as required or permitted by this Declaration, including, without limitation, fire, flood and other hazardous coverage, public liability coverage and such other insurance coverage as the Board determines to be in the best interest of the Association, including errors and omissions insurance, directors and officers liability insurance and any other liability insurance coverage for the benefit of the Association, the members of the Board, any officers, employees, agents or representatives of the Association or for any members of the ARC;

(vi) Expenses of maintaining, operating and repairing the Common Areas, amenities and facilities serving the Development, whether located within or without the Development, which the Board determines from time to time would be in the best interest of the Association to so maintain, operate and/or repair;

(vii) Ad valorem real and personal property taxes assessed and levied upon any of the Common Areas as of the date hereof and for all subsequent tax years;

(viii) The expenses of the ARC which are not defrayed by plan review charges;

(ix) All other fees, costs and expenses incurred by the Association in accordance with the terms and provisions of this Declaration or which the Board, in its sole discretion, determines to be appropriate to be paid by the Association, including, without limitation, taxes and governmental charges not separately assessed against Lots; and

(x) The establishment and maintenance of a reasonable reserve fund or funds, if determined necessary by the Board (1) for inspections, maintenance, repair and replacement of any portions of the Common Areas for which the Association is responsible to inspect, maintain, repair or replace on a periodic basis, (2) to cover emergencies and repairs required as a result of casualties which are not funded by insurance proceeds and (3) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

8.5 Special Assessments. In addition to the Annual Assessments authorized in Section 8.4 above and the Special Assessments authorized in Sections 9.1(b) and 9.3(a)(i) below, the Board may levy in any year Special Assessments for Common Expenses or any extraordinary costs incurred by the Association; provided, however, that

any such Special Assessments (other than Special Assessments levied pursuant to Sections 9.1(b) and 9.3(a)(i) below) shall be approved by a majority of the votes of the Owners who are voting in person or by proxy at the meeting called for the purpose of adopting Special Assessments. The Board may make such Special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said Special Assessments are levied and assessed. Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of Section 8.3 above.

8.6 Individual Assessments. Any expenses of the Association occasioned by the conduct of less than all of the Owners or by any Owner or Occupant, or the respective family members, agents, guests, servants, employees, invitees or contractors of any Owner or Occupant, shall be specially assessed against such Owners and their respective Lots. The Individual Assessments provided for in this Section 8.6 shall be levied by the Board and the amount and due date of such Assessment shall be specified by the Board in a notice to such Owner. The provisions of this Section 8.6 shall apply, without limitation, to any Individual Assessments levied pursuant to Section 5.13, Article VI and Section 7.2(b) above and Article XI below.

8.7 Date of Commencement of Assessments.

(a) The Annual Assessments provided for herein shall commence as to each Lot on the day on which such Lot is conveyed to a person other than Developer and shall be due and payable in such manner and on such schedule as may be established from time to time by the Board. Annual Assessments and any outstanding Special Assessments shall be adjusted for each Lot according to the number of months then remaining in the then fiscal year of the Association and the number of days then remaining in the month in which such Lot is conveyed. Annual and Special Assessments for Lots within any portion of the Additional Property hereafter submitted to the terms of this Declaration shall commence with respect to each such Lot on the date on which such Lot is conveyed to a person other than Developer, subject to proration and adjustment according to the number of months then remaining in the fiscal year of the Association and number of days then remaining in the month in which such Assessments commence. Notwithstanding anything provided herein to the contrary, Developer shall not be responsible for the payment of Annual or Special Assessments on any Lots which it, or its affiliates, own in the Development.

(b) In the event a deficit exists between the total amount of Annual Assessments assessed to all other Owners and the actual costs incurred by the Association for Common Expenses for the Development, Developer shall have the option to either pay Annual Assessments on Lots owned by Developer or fund any deficits which may exist between the total amount of Annual Assessments assessed to all other Owners and the actual costs incurred by the Association for Common Expenses for the Development. As of December 31, 2005, Developer shall have no further obligation of any nature to pay any Annual or Special Assessments or otherwise fund any deficits relating to the Common Expenses or Common Areas.

8.8 Effect of Non-Payment; Remedies of the Association.

(a) Each Owner of a Lot, except Developer, is and shall be deemed to covenant and agree to pay to the Association, all Annual and Special Assessments provided for herein and any Individual Assessments levied or assessed pursuant to the terms of this Declaration. In the event any Assessments or any portions thereof are not paid when due, the same shall be subject to a late charge in an amount determined from time to time and uniformly applied by the Board, and the Owner of such Lot shall be deemed in default herewith. In the event any Assessments or any portion thereof are not paid within thirty (30) days after the due date of the same, then the unpaid portion of the Assessments shall accrue simple interest at the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the thirtieth (30th) day from the due date until the same is paid in full. In the event the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs and all other expenses

paid or incurred by the Association. The lien and equitable charge upon each Lot for Assessments shall also include all late charges, interest at the Applicable Rate and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.

(b) In the event any Assessments are not paid by any Owner when the same come due, then, in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

(i) The Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments and any such judgment rendered in any such action shall include the late charge and interest at the Applicable Rate, as specified in Section 8.8(a) above, together with attorneys' fees, court costs and all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or

(ii) The Association may enforce the lien created pursuant to Section 8.1 above in the manner hereinafter provided.

(c) There is hereby created a continuing lien on each Lot, with power of sale, which secures the payment to the Association of any and all Assessments levied against or upon such Lot, all late charges and interest at the Applicable Rate assessed pursuant to Section 8.8(a) above and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in collecting any Assessments. If any portion of the Assessments remains unpaid for more than sixty (60) days, then the Association, through its Board or any officer or authorized representative thereof, as the case may be, may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand or, even without giving demand, the Association may file a claim of lien and perfect its lien against the Lot of such delinquent Owner, which claim shall be executed by any member of the Board or any officer of the Association, contain the following information and be recorded in the Probate Office of Shelby County, Alabama:

(i) The name of the delinquent Owner;

(ii) The legal description and street address of the Lot upon which the lien claim is made;

(iii) The total amount claimed to be due including late charges, interest at the Applicable Rate, collection costs and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and

(iv) A statement that the claim of lien is made by the Association pursuant to this Declaration and is claimed against such Lot in an amount equal to that stated therein.

The lien provided for herein shall be in favor of the Association and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot. Each Owner, by acceptance of a deed to any Lot, shall be deemed to (1) grant to and vest in the Association and/or its respective agents, the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and/or their respective agents, as the case may be, the right and power to bring all actions against such

Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

8.9 Subordination of Lien. Notwithstanding anything provided herein to the contrary, the lien for Assessments or other charges authorized herein with respect to any Lot is and shall be subordinate to the lien of any Mortgage held by any Mortgagee, but only to the extent that the Mortgage held by any such Mortgagee is recorded in the Probate Office of Shelby County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.8(c) above. When a Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot, then such Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for the then unpaid portion of any Assessments or other charges incurred prior to the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Mortgagee was recorded in the Probate Office of Shelby County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.8(c) above, but (b) be liable for all Assessments and other charges levied, assessed or incurred with respect to such Lot from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot has been foreclosed from the personal obligation to pay all Assessments and any other charges levied, assessed or incurred by the Association and the Association shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by an Mortgagee on such Owner's Lot.

8.10 Certificates. The Association (or any officer or authorized representative thereof) shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner a certificate in writing setting forth whether the Assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any Assessments stated therein.

ARTICLE IX

CASUALTY, CONDEMNATION AND INSURANCE

9.1 Damage or Destruction to Common Areas.

(a) In the event of any damage or destruction to any of the Common Areas by fire or other casualty, then, subject to the terms and provisions of this Article IX, the Association shall promptly repair, replace and restore the damaged portions of the Common Areas to the condition to which they existed immediately prior to such fire or other casualty.

(b) Notwithstanding anything provided in Section 9.1(a) above, in the event the amount of insurance proceeds, if any, recovered as a result of such damage or destruction is insufficient to fully repair, replace and restore the damaged portions of the Common Areas, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board may levy a Special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same, pursuant to Section 8.5, which such Special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs necessary to repair, replace or restore the Common Areas to the condition as existed immediately prior to such fire or other casualty. Such Special Assessments shall be levied against each Owner equally as provided in Section 8.3 above. Further Special Assessments may be made by the Board, without the necessity of a vote of the Owners approving or disapproving the same, at any time during or upon completion of any such repair, replacement or restoration of the Common Areas if funds are insufficient to cover the costs of such repair or restoration. Any and all insurance proceeds received by the Association on account of any damage to or destruction of any of the Common Areas or any sums paid to the Association under or by virtue of such Special Assessments shall be held by and for the benefit of the Association and shall be disbursed by the Association in payment for the costs of such

repair or restoration in such manner as may be determined by the Board. In no event shall the Owner or Mortgagee of any Lot or Dwelling be entitled to any portion of the proceeds of insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

9.2 **Damage or Destruction to Lots or Dwellings.** In the event of any fire or other casualty which damages or destroys any portion of any Lot or Dwelling, then the Owner of such damaged Lot or Dwelling shall promptly repair and otherwise restore such Lot or Dwelling to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred eighty (180) days following the occurrence of such fire or other casualty.

9.3 **Condemnation of Common Areas.**

(a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, then the award from such taking or sale in lieu thereof shall be paid to the Association and shall be disbursed or held as follows:

(i) To the extent the Common Areas subject to such taking can either be restored or replaced, then, to the extent practicable, the Board is hereby empowered, authorized and directed to take such action, including the purchase of any remaining lands within the Development or the utilization of any other Common Areas within the Development, to restore, rebuild or replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board may levy a Special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Sections 8.5, which such Special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs of repair, restoration or reconstruction. Such Special Assessments shall be levied against each Owner as provided in Section 8.3 above.

(ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or additional lands within the Development cannot be purchased by the Association in order to repair, replace or restore the Common Areas so taken or if the Board shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and for the benefit of the Association.

(b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and for the benefit of the Association, without any claim thereto by any Owner. Except as specifically provided in Section 9.3(c) below, no Owner or Mortgagee of any Lot or Dwelling shall be entitled to any portion of the award made to the Association as a result of the taking of any portion of the Common Areas.

(c) If any such taking or sale in lieu thereof includes all or any part of a Lot or Dwelling and also includes any part of the Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the Association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot which is subject to any such taking and the Board may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

9.4 **Condemnation of Lots.** In the event that all or any portion of a Lot is taken as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, then, to the extent practicable, the Owner of such Lot shall promptly repair, reconstruct, rebuild and otherwise restore the remaining portions of the Lot as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. In the event the restoration of such Lot is impracticable or would otherwise violate any of the terms and provisions of this Declaration, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot and any remaining Improvements thereon in a clean, orderly, safe and sightly condition.

9.5 **Insurance.**

(a) The Board shall have the authority to obtain and maintain at all times adequate property and casualty insurance in such form as the Board deems appropriate for the benefit of the Association insuring all insurable Improvements in and to the Common Areas against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism and malicious mischief, which coverage shall be in an amount, with such insurance carriers, at such costs and with such deductibles as the Board, in its sole discretion, may determine.

(b) The Board shall have the authority to obtain and maintain in effect at all times such public liability insurance coverage covering all of the Common Areas and any damage or injury caused by the negligence of the Association, its Board and all members, officers, agents and employees thereof, in such amounts, with such insurance carriers, at such costs and with such deductibles as the Board, in its sole discretion, may deem necessary or desirable.

(c) The Board shall have the right and authority to obtain worker's compensation insurance, employer's liability insurance and all other types of insurance required by law, including, without limitation, errors and omissions and directors and officers liability insurance coverage, in such amounts, with such insurance carriers, at such costs and with such deductibles as the Board, in its sole discretion, may determine.

(d) All insurance coverage authorized hereunder shall be written in the name of the Association and all costs thereof shall be a Common Expense. To the extent the same may be obtained at a nominal cost, all such policies shall contain a waiver of subrogation clause pursuant to which the insurer waives any claims against the Developer, the Association, the members of the Board and all officers, agents and employees of the Association, including the manager for the Development and the Association, the Owners and the family members, servants, agents, tenants and guests of the Owners and shall also name Developer as an additional insured.

(e) Each Owner shall be solely responsible for obtaining and maintaining public liability, property damage, title and all other types of insurance with respect to his Lot, Dwelling and all other Improvements situated thereon. The Board may require all Owners and the Association to carry public liability insurance with respect to their respective Lots and Dwellings and to furnish copies or certificates thereof to the Association. Each Owner, by acceptance of a deed to or other conveyance of any interest in a Lot, does hereby waive and release the Developer, the Association and the ARC, and their respective agents, employees, representatives, partners, shareholders, members, managers, officers and directors from any and all liabilities, damages or responsibilities or any other claim by or through such Owner, by way of subrogation or otherwise, for any loss or damage covered by (or which should be covered by) broad form fire and extended coverage insurance (or homeowner's insurance coverage) and comprehensive public or general liability insurance coverage maintained or which should be maintained by any Owner as required herein, even if such loss or damage is caused by the fault or negligence of the

Association, Developer, the ARC or any of their respective agents, employees, representatives, partners, shareholders, members, managers, officers and directors.

9.6 **Indemnity.** Each Owner hereby waives and releases any and all claims against Developer, the Association and the ARC, and any of their respective agents, employees, representatives, partners, shareholders, members, managers, officers and directors, for damages to persons or personal property occurring in, on, about or upon the Common Areas and does hereby indemnify, agree to defend and hold harmless the Developer, the Association and the ARC, and any of their respective agents, employees, representatives, partners, shareholders, members, managers, officers and directors, from and against all claims, demands, liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees) of any nature arising out of or in connection with any injury or damage to person or personal property occurring in, on or about such Owner's Lot or any of the Common Areas caused by or resulting from any negligent act or omission or any willful act or omission of any Owner, Occupant or the respective family members, agents, guests, servants, employees, invitees or contractors of any Owner or Occupant.

The failure at any time to enforce any covenant or restriction set forth herein shall in no event be deemed a waiver of the right thereafter to enforce such covenant or restriction.

12.19 **Reservation of Rights.** Notwithstanding anything provided herein to the contrary, no sale, transfer, conveyance, lease, pledge, encumbrance or other hypothecation of any Lot by Developer to a third party shall constitute or be deemed a transfer of any of the rights reserved herein to Developer unless express reference is made in such instrument of conveyance to the specific rights created in this Declaration which Developer is transferring to any such third party.
