2. Paragraph C. of the Mortgage is hereby modified to read:

C. Mortgage Tax. This Mortgage secures open end or revolving indebtedness with residential real property or interests therein. Therefore, under Sections 40-22-2 (1) b, Code of Alabama 1975, as amended, the mortgage filing privilege tax shall not exceed \$.15 for each \$100, or fraction thereof, of the Credit Limit of \$75,000.00, which is the maximum principal indebtedness, or fraction thereof, to be secured by this Mortgage at any one time. Although the interest rate payable on the line of credit may increase if the Index in effect on the first day of the billing cycle increases, the increased finance charges that may result are payable monthly under the Credit Agreement and there is no provision for negative amortization, capitalization of unpaid finance charges or other increases in the principal amount secured hereby over and above the Credit Limit. Therefore, the principal amount secured will never exceed the Credit Limit unless an appropriate amendment hereto is duly recorded and any additional mortgage tax due on the increased principal amount paid at the time of such recording.

3. Except as modified herein, the Mortgage shall remain in full force and effect.

IN WITNESS WHEREOF, each of the undersigned have caused this instrument to be executed on the day and years first above written.
