**RECITALS:**

Developer is the owner of that certain real property (the "Property") situated in Shelby County, Alabama identified as Parcel VI, Phase II which is more particularly described in Exhibit A attached hereto and a Master Plan depicting said property attached hereto as Exhibit B and incorporated herein by reference.

Developer desires to develop the Property as part of a planned unit development pursuant to the terms and provisions of Article VIII, Section 3 of the Zoning Regulations of the Town of Chelsea (the "Zoning Ordinance"). Said PUD will include single-family residential housing, multi-family housing, commercial development, parks, lakes, nature areas, a police and fire station facility, and a schoolsite.

The Property is not situated within the corporate limits of any municipality but is contiguous to real property which is located within the corporate limits of the Town.

The Town has determined that the annexation of the Property and the Development of the Property in accordance with the Developer's master plan will be beneficial to the Town and its residents and will enhance and promote the general welfare of the citizens of the Town. Accordingly, the Town has agreed to accept the annexation of the Property on the terms and conditions hereinafter set forth to the fullest extent permitted by law.

NOW, THEREFORE, in consideration of the mutual promises, covenants, agreements hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Annexation. Developer has heretofore caused itself to file this document with the Town and the Town has accepted this document as a Petition for Annexation of Property by act of the City Council pursuant to the provisions of *Ala. Code (1975), §§ 11-4-1 through 11-42-24*. The provisions of this Agreement shall, to the fullest extent permitted by law, apply to all annexations of any portion of the Property, regardless of the method of annexation by the Town.

2. Zoning. The Town hereby agrees that (a) this parcel is a part of a larger tract of Property, consisting of approximately 1400 acres of unimproved land, qualifies to be treated as a Planned Unit Development under the provisions of Article VIII, Section 3 of the Zoning Regulations of the Town of Chelsea (the "Zoning Ordinance"), (b) contemporaneously herewith, the Town will promptly process Developer's application for zoning of the Property in accordance with the provisions of the Zoning Ordinance.

hereof filed by the Developer with the Town (the "Development Plan") and (c) until such time as the Development Plan has been approved by the Town, the existing zoning classifications or lack thereof as adopted by the Shelby County Planning Commission shall continue in full force and effect.

3. Reversal of Annexation. If, for any reason, the Development Plan for the Property is not approved by the Town, then the Town agrees, at the request of Developer or owner, to use its best efforts to nullify the annexation of the Property by de-annexing the Property from the Town and the Town. Further, the Developer and the Town each agree to take any and all action necessary to restore the parties to their respective positions as existed on the date immediately preceding the effective date of the annexation of any proportion of the Property into the Town.

4. Miscellaneous.

(a) This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior or written oral discussions, understandings, agreements and negotiations between the parties hereto. This Agreement may be modified and amended only by a written instrument duly executed by the Town and the then owner of any portions of the Property which shall be affected by any such modification or amendment.

(b) This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(c) This Agreement shall be governed by, construed and interpreted in accordance with, the laws of the State of Alabama.

(d) If any provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of the Agreement or the application of such provision to persons or circumstances other than those as which it is held invalid or unenforceable shall not be affected thereby and each provision shall valid and enforceable to the fullest extent permitted by law.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the day and year first above written.
