To Whom It May Concern:

The City of Calera issued Wayne Standifer a side setback modification of 5' for lot 426 Savannah Circle in the Savannah Pointe Subdivision. This was done due to the size of the lot and the layout. This was done in an effort to try to help Mr. Standifer locate a house on this recorded lot of record. The zoning for this lot is R-2 and the setback is 10'. The Mayor of the City of Calera and the City Building Official issued this variance on the above date.
