Membership

3.01. Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot.

Voting Classes

3.02. The Association shall have two classes of voting membership:

(a) Class A members shall be all Owners (with the exception of the Declarant and any Owner of a vacant lot for the first four months following the original conveyance from the Declarant) and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any one Lot.

(b) The Class B member(s) shall be the Declarant and any Owner of a vacant lot for the first four months following the original conveyance from the Declarant and shall be entitled to three (3) votes for each Lot owned.

ARTICLE IV. COVENANT FOR MAINTENANCE ASSESSMENTS

Creation of Lien and Personal Obligation of Assessments

4.01. Each Class A Member/Owner of a Lot by acceptance of a deed, whether or not it shall be so expressed in the deed, is deemed to covenant and agree to pay to the Association: annual assessments or charges and special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall be also the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them.

Purpose of Assessment

4.02. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area.

Maximum Annual Assessment

4.03. Until January 1, 2002, the maximum annual assessment shall be \$ 300 per Lot.

(a) From and after January 1, 2002, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous fiscal year without a vote of the membership.

(b) From and after January 1, 2002, the maximum annual assessment may be increase above five percent (5%) by the vote or written assent of two-thirds ($2/3$) of each class of members.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Special Assessments for Capital Improvements

4.04. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, repair, or replacement of a capital improvement upon the

Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds ($2/3$) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Notice and Quorum for Any Action Authorized Under Sections 4.03, 4.04

4.05. Written notice of any meeting called for the purpose of taking any action authorized under Section 4.03 or 4.04 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. The presence at the meeting of members entitled to cast, or of proxies entitled to cast, one-tenth ($1/10$) of the votes of each class of membership shall constitute a quorum for any action except as otherwise provided in the Articles of Incorporation, the Declaration, or these Bylaws. If, however, such quorum shall not be present or represented at any meeting, the members present shall have power to continue the meeting from time to time, without notice other than announcement at the meeting, until a quorum as aforesaid shall be present or be represented.

Uniform Rate of Assessment

4.06. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Date of Commencement of Annual Assessments: Due Dates

4.07. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the common area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Effect of Nonpayment of Assessments: Remedies of the Association

4.08. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen (18) percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, in accordance with the laws of the state of Alabama. No owner may waive or otherwise escape liability for

the assessments by nonuse of the Common Area or abandonment of the Lot.

Subordination of Lien to Mortgages

4.09. The lien of the assessments shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of assessment as to payments that became due prior to the sale or transfer. No sale or transfer shall relieve the Lot from liability for any assessments thereafter becoming due.

ARTICLE V. ARCHITECTURAL CONTROL

Architectural Restrictions

5.01 No building, fence, wall, or other structure shall be commenced, erected, placed, moved on to, permitted, or maintained upon the Properties, nor shall any exterior addition, change, or alteration be made until the plans and specifications (including a description of any proposed new use) have been submitted to and approved in writing as to harmony or external design and location in relation to surrounding structures and topography by the Declarant until such time as the Declarant shall turn this responsibility over to the Association, and thereafter either the Board of Directors of the Association, or an architectural committee composed of three (3) or more representatives appointed by the Board. In the event the Declarant, Board, or its designated committee, as the case may be, fails to approve or disapprove the design and location within thirty (30) days after the plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Such plans and specifications shall be in such form and shall contain such information as may be required by the Declarant, Board or its designated committee, but in any event shall include: (a) a site plan of the lot showing the nature, exterior color scheme, kind, shape, height, materials, and location with respect to the particular lot, including proposed front, rear, and side setbacks and free spaces, if any are proposed, of all structures, the location thereof with reference to structures on adjoining portions of the property, and the number and locations of all parking spaces and driveways on the lot, (2) a clearing plan for the particular lot showing the location of sanitary sewer service lines, and such other information required by the Declarant, Board, or its designated committee, as the case may be, (3) a drainage plan, including a construction drainage plan for silt control, and (4) a plan for landscaping.

ARTICLE VI. GENERAL PROVISIONS

Enforcement

6.01. In the event of a violation or breach of any of these general covenants, restrictions, and

easements or any amendments thereto by a lot owner, or family or agent of such lot owner, the Association, the owners of lots, Declarant, its successors and assigns, or any party to whose benefit these general covenants, restrictions, and easements inure shall have the right to proceed at law or in equity to compel the compliance with the terms and conditions hereof, to prevent the violation or breach of said general covenants, restrictions, and easements, to sue for and recover damages, or take all such courses of action at the same time, or such other legal remedy it may deem appropriate. No delay or failure on the part of the aggrieved party to initiate an available remedy set forth herein shall be held to be a waiver of that party or an estoppel of that party or of any other party to assert any right available to him upon the recurrence or continuation of said violation or the occurrence of a different violation. No lot owner may sue the Declarant for his actions in this development. Damages shall not be deemed adequate compensation for any breach or violation of any provision hereof, but any person or entity entitled to enforce any provision hereof shall be entitled specifically to relief by way of injunction as well as any other available relief at law or in equity. Any party to a proceeding who succeeds in enforcing a general covenant, restriction, or easement or enjoining the violation of the same against a lot owner may be awarded a reasonable attorney's fee against such lot owner.

Severability

6.02 Invalidation of any one of these covenants or restrictions by judgement or court order shall in no wise affect any other provisions, which shall remain in full force and effect.

Amendment

6.03 The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended by an instrument signed by not less than two-thirds of the Lot Owners. Any amendment must be recorded.

Annexation

6.04 (a) Additional residential property and Common Area property may be annexed to the Properties with the consent of two-thirds ($2/3$) of each class of members.

(b) Additional land within the area described in Exhibit "B" which is attached hereto and made a part hereof by reference may be annexed by the Declarant without the consent of members, provided that the Federal Housing Administration (FHA) or the Veterans Administration (VA) determines that the annexation is in accord with the general plan heretofore approved by them.

FHAVA Approval

6.05 As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: annexation of additional properties, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions, and Restrictions.

Zoning and Specific Restrictions

6.06 The general covenants, restrictions, and easements herein shall not be taken as permitting any action or thing prohibited by the applicable zoning laws, or the laws, rules or regulations of any governmental authority, or by specific restrictions imposed by any deed. In the event of conflict, the most restrictive provision of such laws, rules, regulations, deeds, or the general covenants, restrictions, and easements shall be taken to govern and control.

Grantees' Acceptance of Deed

6.07 The grantee of any lot subject to the coverage of these general covenants, restrictions, and easements, by acceptance of the deed or other instrument conveying an interest in or title to, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent owner of such lot, shall:

a. accept such deed or other contract upon and subject to each and all of these general covenants, restrictions, and easements herein contained and

b. agrees that Declarant makes no representation or warranties regarding the condition of the property. Grantee has the obligation prior to acceptance of the deed to determine, either personally or through a representative of Grantee's choosing, any and all conditions of the property material to Grantee's decision to buy the property, including without limitation, subsurface conditions, including the presence or absence of sinkholes, mining activity, wells, or buried tanks or other objects; soil conditions (including but not limited to proper compaction of fill materials on the property), utility and septic tank availability and condition. Grantee accepts property in its "AS IS" condition.

Indemnity for Damages

6.08 Each and every lot owner and future lot owner, in accepting a deed or contract for any lot subject to these general covenants, restrictions, and easements, agrees to indemnify and defend The Association, the Declarant against and hold The Association and the Declarant harmless from any damage caused by such lot owner, or the contractor, agent or employees of such lot owner, to the roads, streets, gutters, walkways, or other aspects of public ways, including all surfacing thereon, or to

water drainage or storm sewer lines or sanitary sewer lines.

Interpretation by Declarant

6.09 Declarant shall have the right to construe and interpret the provisions hereof, and in absence of an adjudication by a court of competent jurisdiction to the contrary, its construction or interpretation shall be final and binding as to all persons or property benefitted or bound by the provisions hereof.

Assignment by Declarant

6.10 In the event that Declarant should sell the development to a third party, Declarant shall be empowered to assign its rights hereunder to said third party and, upon such assignment said third party shall have all the rights and be subject to all the duties of Declarant hereunder.

Rules and Regulations

6.11 All homeowners shall at all times comply with all rules and regulations, orders, laws, ordinances, statutes, and decrees of any governmental or political entity or persons, and any rules and regulations adopted by The Association, Declarant, or their successors, assigns, or designees.

Actions of The Association in regard to right of ways at sufferance to Governmental Entity

6.12 The action of The Association in maintaining the entrance and right-of-ways of the subdivision is at the sufferance of the governmental agency having the title to the same pursuant to the recording of the subdivision plat.

Conveyance or Mortgage of Common Area

6.13 The common area cannot be conveyed or mortgaged without the consent of at least two-thirds (2/3) of the lot owners (excluding the declarant).

ARTICLE VII. PARTY WALLS

General Rules of Law to Apply

7.01. Each wall built as part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article VII, the general rules of law regarding party walls and

liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Sharing of Repair and Maintenance

7.02 The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to that use.

Destruction by Fire or Other Casualty

7.03 If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration in proportion to use, without prejudice, however, to the right of any Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Weatherproofing

7.04 Notwithstanding any other provision of this Article, an Owner who by negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against the elements.

Right of Contribution Runs With the Land

7.05 The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to the Owner's successors in title.

Arbitration

7.06 In the event of any dispute concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and those arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

ARTICLE VIII. EXTERIOR MAINTENANCE

8.01. In the event an Owner of any Lot in the Properties shall fail to maintain the premises and improvements in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2 /3) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon the parcel and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements. The cost of this exterior maintenance shall be added to and become part of the

assessment to which the Lot is subject.

Declarant hereby declares that said provisions of the Original Declaration as so amended and supplemented shall run with the land and be binding upon, and shall inure to the benefit of, the Subject Property, and any future additions thereto, and all parties having or acquiring any right, title or interest in and to the Subject Property or any part thereof, and their successors in interest.
