1. Letter will be signed stating that Inverness Rotary Club will not take the tax advantages on the Portley #2 well. Investment of the purchase price of \$16,000.00 is being secured by Ted Burns, and the tax advantages will be passed to him.
2. All work over expenses for the 1% interest held by Inverness Rotary Club will be paid by Ted Burns until and only until payout. Payout is when the investor has received its initial investment amount in revenue checks (16,000.00). After payout Inverness Rotary Club will be responsible for their 1% portion of any work over expense.
3. The investment amount of \$16,000.00 will be personally guaranteed by Ted Burns. This money should be totally recouped through the production of the well or by Ted Burns within a six year period or 72 months from receipt of the first production revenue check from Ample Energy, Inc.
4. The 15% back-in, contractually stated to be deducted from production revenue checks after payout, is being dismissed for the Inverness Rotary Club's 1% interest in the Portley #2.
