The Grantee understands and agrees that the Property will be subject to certain covenants for the benefit of The Water Works and Sewer Board of the City of Birmingham requiring the owners of surrounding property located in the Lake Purdy Watershed to establish and maintain a sedimentation and erosion control plan for storm water drainage on such property and to pay assessments to fund such obligations. Further, Grantee understands and agrees that Grantor has obtained from the Alabama Department of Environmental Management (ADEM) a General Permit for stormwater runoff from construction, excavation, land clearing, other land disturbance activities and associated areas to comply with the terms and conditions of said General Permit in the design and construction of improvements on the Property which shall include, without limitation, the preparation and implementation of a Best Management Practices Plan for structural and non-structural practices to prevent/minimize the discharge of all sources of pollution (i.e., sediment, trash, garbage, debris, oil, grease, chemicals, etc.) to State waters in stormwater run-off in accordance with the requirements of the General Permit.

Grantee hereby constitutes and appoints Grantor as their true and lawful agent(s) and attorney-in-fact with full power and authority to do and perform every act necessary and proper to be done and execute any documentation necessary to accomplish the de-annexation of the Courtside development from the City of Birmingham, should Grantor seek to accomplish said de-annexation. By its acceptance of this deed, Grantee hereby covenants and agrees for itself and its successors, assigns, licensees, lessees, employees and agents that Grantor shall not be liable for, and no action shall be asserted against Grantor for, loss or damage on account of injuries to the Property or to any buildings, improvements, or structures now or hereafter located upon the Property, or on account of injuries to any owner, occupant, or other person in or upon the Property, which are caused by, or arise as a result of, past or future soil and/or subsurface conditions, known or unknown, (including, without limitation, sinkholes, underground mines, and limestone formations) under or on the Property or any other property now or hereafter owned by Grantor, whether contiguous or non-contiguous to the Property. assigns of Grantor; and (iv) any successors and assigns of Grantor's interest in the Property. This covenant and agreement shall run with the land conveyed hereby as against Grantee, and all persons, firms, trusts, partnerships, limited partnerships, corporations, or other entities holding under or through Grantee.

TO HAVE AND TO HOLD to the said Grantees, as joint tenants, with right of survivorship, their heirs and assigns, forever; it being the intention of the parties to this conveyance, that (unless the joint tenancy hereby created is severed or terminated during the joint lives of the grantees herein) in the event one grantee herein survives the other, the entire interest in the fee simple shall pass to the surviving grantee, and if one does not survive the other, then the heirs and assigns of the grantees herein shall take as tenants in common. And said Grantor does for itself, its successors and assigns, covenant with said Grantees, their heirs and assigns that it is lawfully seized in fee simple of said premises, that they are free from all encumbrances, unless otherwise noted above, that it has good right to sell and convey the same as aforesaid, and that it will and its successors and assigns shall, warrant and defend the same to the said Grantees, their heirs, executors and assigns forever, against the lawful claims of all persons.
