The County provides public water and sanitary sewer services to the Development and to the Golf Club, as defined in the Declaration.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Grant of Easements by Developer and GRA.**

(a) Subject to the provisions of Paragraphs 1(c) below, Developer and GRA do hereby jointly and severally grant to the County, its duly authorized employees, agents, contractors and invitees, a permanent, perpetual and non-exclusive easement over, across, through, under and upon (i) all of the Private Streets and other Common Areas within the Development, (ii) any and all areas within the Development which are designated as sewer lift (pump) stations on any of the Subdivision Plats and (iii) any and all areas within the Development which are designated as easements for public utilities or for sanitary sewers on any of the Subdivision Plats. The easements granted pursuant to this Paragraph 1(a) are granted for the purpose of providing access to the Development and the right to inspect, install, operate, repair, maintain and replace any and all water and sanitary sewer lines, pipes, conduit and other appurtenances, including, without limitation, lift (pump) stations, which may be currently situated within any portions of the Development or which in the future may be installed by the County within any portion of the Development.

(b) Subject to the provisions of Paragraph 1(c) below, Developer and GRA do hereby jointly and severally grant to the County, its duly authorized employees, agents, contractors and invitees, a permanent, perpetual and non-exclusive right and easement, in common with Developer, GRA and all others having any rights or interests therein, to exercise any and all of the easement rights reserved by Developer pursuant to Section 3.06 of the Declaration. Pursuant to the terms and provisions of Section 10.04 of the Declaration, the terms and provisions of Section 3.06 of the Declaration may not be amended without the prior written consent and approval of Developer. Accordingly, Developer does hereby acknowledge and agree that it will not consent to or otherwise approve of any amendment to Section 3.06 of the Declaration unless the same has been consented to and approved in writing by the County. GRA, by execution hereof, does hereby acknowledge and consent to the foregoing agreement of Developer not to consent to or approve of any amendment to Section 3.06 of the Declaration without the County's written approval.

(c) Notwithstanding anything provided herein to the contrary, the easements granted to the County pursuant to this Paragraph 1 are subject to and limited as follows:

(i) Except for lift (pump) stations situated within any portion of the Development, any and all water and sanitary sewer lines, pipes, conduit and other appurtenances to be installed, constructed, operated or replaced by the County within the Development shall be constructed and maintained below ground;

damaged or destroyed by the County in the exercise of the easement rights granted pursuant to this Paragraph 1; provided, however, that the County shall not be required to repair or replace any exotic, elaborate or unduly expensive landscaping materials or plants;

(iii) With respect to any water and sanitary sewer lines, pipes, conduit or other apparatus located within the rights-of-way of any Private Streets of the Development and which are not shown on any of the Subdivision Plats, the easements granted pursuant to this Paragraph 1 shall follow (and be as wide and long as) the width and alignment of the rights-of-way of such Private Streets;

(iv) With respect to any water and sanitary sewer lines, pipes, conduit or other apparatus located outside of any Private Streets of the Development but solely within any of the other Common Areas of the Development, the easements granted pursuant to this Paragraph 1 shall (1) follow the alignment of the water or sanitary sewer lines, pipes, conduit or other apparatus as currently situated within such Common Areas of the Development and (2) be limited to a width of 15 feet on either side of such water or sanitary sewer lines, pipes, conduit or other apparatus (for a total easement width of 30 feet);

(v) With respect to any water and sanitary sewer lines, pipes, conduit or other apparatus located outside of any Private Streets or other Common Areas of the Development and which are not shown on any of the Subdivision Plats, the easements granted pursuant to this Paragraph 1 shall (1) follow the alignment of the water or sanitary sewer lines, pipes, conduit or other apparatus as currently situated within the Development and (2) be limited to a width of 15 feet on either side of such water or sanitary sewer lines, pipes, conduit or other apparatus (for a total easement width of 30 feet);

(vi) The easements granted pursuant to this Paragraph 1 shall at all times be exercised by the County in common with all other persons or entities who have any rights and interests in the easement areas described in this Paragraph 1; and

(vii) Nothing contained herein shall place or be construed to place any burden, obligation or responsibility on the County for the maintenance of any individual customer water or sanitary sewer service lines connecting to the County's main (or trunk) water or sanitary sewer lines.

2. Grant of Easements by Golf LLC and Club.

(a) Subject to the terms and provisions of Paragraph 2 below, Golf LLC and Club do hereby jointly and severally grant to the County, its duly authorized employees, agents, contractors and invitees, a permanent, perpetual and non-exclusive easement over, across, through, under and upon all portions of the Golf Club Property for the purpose of providing access to the Golf Club Property and the right to

inspect, install, construct, operate, repair, maintain and replace any and all water and sanitary sewer lines, pipes, conduit and other appurtenances, including, without limitation, lift (pump) stations, which may be currently situated within any portions of the Golf Club Property.

(b) Notwithstanding anything provided herein to the contrary, the easements granted to the County pursuant to this Paragraph 2 above are subject to and limited as follows:

(iv) The County shall not, unless an emergency situation exists, exercise the easement rights granted pursuant to Paragraph 2 above without the prior written consent of Club Owner, which consent shall not be unreasonably withheld or delayed;

(v) The easements granted pursuant to this Paragraph 2 shall at all times be exercised by the County in common with all other persons or entities who have any rights and interests in the easement areas described in this Paragraph 2; and

(vi) Nothing contained herein shall place or be constructed to place any burden, obligation or responsibility on the County for the maintenance of any individual customer water or sanitary sewer service lines connecting to the County's main (or trunk) water or sanitary sewer lines.
