for occupation by Charles E. Glaze and wife, Susan Glaze for and during the term of 40 years to-wit: from the 24th day of March, 2003 to the 23rd day of March, 2043.

This instrument replaces and voids the Lease Purchase Agreement dated September 6, 2000 between Hewitt L. Conwill and Charles E. Glaze on Parcel # 2.

IN CONSIDERATION WHEREOF, The party of the second part agrees to pay to the party of the first part the sum of One Hundred Eighty-five Thousand Eight Hundred forty-four DOLLARS (\$185,844.00) divided into 480 monthly payments of \$1,626.00 each evidenced by notes bearing legal interest, payable at Columbiana, Alabama on the 30th day of each month, during said term, in advance, being at the rate of 9% per annum. Beginning March 30, 2003.

IT IS UNDERSTOOD AND AGREED that Lessor agrees to accept \$1400.00 per month in payment and the \$226.27 not being paid as required by said Lease will be adjusted at the time the Lessee makes a substantial payment on the principal.

IT IS FURTHER UNDERSTOOD AND AGREED that the Lessor shall pay the taxes and insurance on said property as they become due.

And should the party of the second part fail to pay the rents as they become due, as aforesaid, or violate any other condition of this Lease, the said party of the first part shall then have the right at his option, to re-enter the premises and annul this Lease. And in order to entitle the party of the first part to re-enter, it shall not be necessary to give notice of the rents being due and unpaid, or to make any demands for the same, the execution of this Lease signed by the said parties of the first and second part, which execution is hereby acknowledged, being sufficient notice of the rents being due and the demand for same, and shall be so construed, any law, usage or custom to the contrary notwithstanding. And the party of the second part agrees to comply with all the laws in regard to nuisance in so far as premises hereby leased are concerned, and by no act render the party of the first part liable therefor, and to commit no waste of property, or allow the same to be done, but to take good care of the same; nor to under-lease said property nor transfer this Lease without the written consent of the party of the first part, hereon endorsed and further, this Lease being terminated, to surrender quiet and peaceable possession of said premises in like good order as at the commencement of said term, natural wear and tear excepted.

In the event of the employment of an attorney by the party of the first part, on account of the violation of the condition of this Lease by the party of the second part, the party of the second part hereby agree that they shall be taxed with said attorney's fee. And as a part of the consideration of this Lease, and for the purpose of securing the party of the first part prompt payments of said rents as herein stipulated, or any damage that party of the first part may suffer, either by failure to surrender quiet and peaceable possession of said premises, as aforesaid, or for any damage whatever, may be awarded said party of the first part under this contract, the said party of the second part hereby waives all right which they may have under the Constitution of

the Law of the State of Alabama, to have any of the personal property of the party of the second part exempted from levy and sale, or other legal process.

The party of the second part agrees to pay all assessments for government improvements, should any be made against said property.

It is understood and agreed that at the end of said term if the party of the second part has complied with each and all conditions of this Lease, then the party of the first part agrees that the rent paid under this Lease shall be considered a payment for said property, and the party of the first part shall make and execute a deed conveying said property to the party of the second part.

It is further understood and agreed that if the party of the second part fails to pay the monthly rent as it becomes due, and becomes as much as two months in arrears during the first year of existence of this Lease, or as much as three months in arrears on such payments at any time thereafter, or should fail to comply with any condition or requirement herein, then on the happenings of any such event the party of the second part forfeits his rights to a conveyance of said property, and the party of the second part shall be liable to the party of the first part as a tenant for the full term of said Lease, and the provisions herein "that the rent paid under this Lease shall be considered a payment for said property, and the party of the first part shall make and execute a deed with a warranty of title conveying said property to the party of the second part," shall be a nullity and of no force or effect; and the failure of the party of the second part to comply with any of the conditions of this instrument shall *ipso facto* render the said provisions a nullity, and make the said party of the second part a lessee under this instrument, without any rights whatever except the rights of lessee without any notice or action whatever upon the part of the party of the first part.

It is further understood and agreed that if the party of the second part should at any time before the maturity thereof desire to pay off the remaining monthly payments, as named herein they shall have the right to do so, and shall be entitled to a rebate on such advance payments of all unearned interest, it being intended that only the earned interest shall be collected.

THIS CONSENT AND SUBORDINATION (the "Subordination") is being executed this 8th day of APRIL, 2003, by Hewitt L. Conhill ("Lienholder," whether one or more).

✓ WHEREAS, under a certain bond-for-title, contract-for-deed, lease-purchase agreement or other dated March 24th, 2003 for the purchase of real property between Lienholder and Charles E. Glaze ("Debtor," whether one or more), Lienholder has an interest and/or lien in and upon the following described real property (the "Property"):

See Attached

The Property is in the possession of Debtor pursuant to that bond-for-title, contract-for-deed, lease-purchase agreement or other conditional sales contract between Lienholder and Debtor.

WHEREAS, Debtor has requested Alabama Power Company ("APCO") to provide purchase money financing for one or more heat pump(s) and related improvements, which Debtor intends to place in and/or near a house located on the Property.

WHEREAS, APCO is willing to provide Debtor with purchase money financing for the Heat Pump upon the condition (among others) that Lienholder execute this Subordination in order to consent to the placement of the Heat Pump on the Property and in order for Lienholder to subordinate any interest and/or lien which it may have on the above-described Heat Pump to the security interest of APCO.

NOW, THEREFORE, intending to be legally bound and for the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Lienholder hereby covenants and agrees as follows:

1. Lienholder hereby consents to the installation of the Heat Pump on the Property and hereby agrees that any and all right, title, claim, lien and interest of the Lienholder in and to the Heat Pump, including but not limited to that arising by reason of a certain bond-for-title, lease-purchase agreement or other contract-for-deed, shall be and hereby subordinate in lien, priority and distribution to the interest and lien of APCO in such Heat Pump.
2. APCO's security interest in the Heat Pump shall be superior to and exclusive of any rights, title, liens and interests in favor of Lienholder.
3. Lienholder hereby further agrees not to take any action of any kind to possess, repossess, foreclose upon, dispose of or otherwise realize upon the Heat Pump without prior written notice to APCO.
4. 5. This Subordination may not be amended, changed, or modified, waived or terminated except by written instrument signed by both APCO and Lienholder.
6. This Subordination and all of the terms, conditions and provisions hereof shall be binding upon and inure to the benefit of APCO and Lienholder and their respective successors and assigns.
7. This Subordination is a continuing Subordination and shall remain in full force and effect until such time as all indebtedness of Debtor to APCO, or its successors and assigns, for the Heat Pump, including principal, interest and other lawful charges, is paid in full and is not subject to being rescinded or set aside.
