MODIFICATION AGREEMENT

THIS MODIFICATION AGREEMENT (hereinafter referred to as "Modification Agreement") is made and entered into **March 1, 2004**, by and between **Build-All Construction Inc., a corporation** (whether one or more, jointly and severally hereinafter referred to as "Borrower"), and **ALiant Bank**, an Alabama banking corporation (sometimes formerly known as First National Bank of Alexander City, Elmore County National Bank, Elmore County Bank or First Montgomery Bank) (hereinafter referred to as "Lender").

A. Borrower previously executed and delivered unto Lender that certain **Note and Security Agreement** Note (the "Note") dated **July 28, 2003**, in the original principal sum of **\$88,800.00**.

B. The Note is secured by that certain Mortgage dated **July 28, 2003**, Borrower to Lender, which Mortgage is recorded in the Office of the Judge of Probate of **Shelby County, AL**, in RLPY/Roll **000499770**, at Page/Frame/Card (the "Mortgage").

C. Borrower desires certain modifications to the Note and/or Mortgage and Lender is willing to make such modifications on the terms and conditions as set forth herein.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower and Lender, intending to be legally bound, do hereby agree as follows (mark box(es) of applicable provision(s)):

1. ☐ Consumer Construction Note. The Note is hereby amended as follows (mark box(es) of applicable provision(s)):

(a) ☐ Principal Sum. The principal sum of the Note (i.e., its face amount) is . It remains subject to the terms and conditions set forth in the Note and related documents regarding advances and interest.

(b) ☐ Interest Rate. The first full paragraph of the Note is hereby amended to reflect the following applicable rate of interest, with all other terms of such paragraph remaining unaffected hereby (mark box of applicable provision):

☐ A fixed rate of % per annum.

☐ At a variable per annum rate which is percentage points (the "Margin") in excess of the Prime Rate / Index, as the case may be (as defined below).

[use with Sections 1(e) or 1(f) of this Modification Agreement unless already provided in Note]

(c) Section 1 of the Note is hereby amended and restated in its entirety to read as follows:

☐ Payment and Maturity. Accrued interest on the unpaid balance of the principal sum of this Note shall be paid and at scheduled maturity of the principal sum of this Note. The unpaid balance of the principal sum of this Note, together with all accrued but unpaid interest thereon and all other sums owing under this Note which remain unpaid, shall be due and payable on ("Scheduled Maturity"). Interest, payable on demand, at the rate of interest payable under this Note (including adjustments, if any, provided under the Note), shall be due and payable on any part of the principal sum which remains unpaid after scheduled maturity of the principal sum of this Note, whether as originally scheduled or upon acceleration following default hereunder.

(d) ☐ Amortization. Not in derogation of any other payments provided for in this Note, Borrower will pay principal and interest by making payments every month beginning on (the "Conversion Date"). Borrower will make Borrower's monthly payments on the day of each month and every month thereafter until Borrower has paid all of the principal and interest and any other charges that Borrower may owe under this Note. Borrower's monthly payments will be applied to interest before principal. If, on Scheduled Maturity, Borrower still owes amounts under this Note, Borrower will pay those amounts in full on that date. Borrower's monthly payment will be in the amount of U.S. . This amount may change. If this Note has a variable rate of interest, changes in Borrower's monthly payment will reflect changes in the unpaid principal under this Note and in the interest rate that Borrower must pay. The Lender will determine the new interest rate and the changed amount of Borrower's monthly payment in accordance with other provisions of the Note.

Borrower's Initials

- (e) ☐ Variable Rate. The rate of interest payable under this Note shall be increased or decreased to reflect changes in the Prime Rate
- ☐ effective on the first date of the month after Prime Rate increases or decreases.
- ☐ effective on each date the Prime Rate increases or decreases.
- ☐ effective on , and on that day every twelfth month thereafter.

As used herein, the term "Prime Rate" means the rate of interest designated by the Holder from time to time as its "Prime Rate", whether or not such rate is advertised or published. The Prime Rate is not necessarily the Holder's lowest rate for any type of loan. The Prime Rate on the date of the Note (as amended by this Modification Agreement) is %.

- ☐ The rate of interest payable under this note shall not exceed %, regardless of any future increase in the Prime Rate.
- ☐ The rate of interest payable under this Note shall not be less than %, regardless of any future decrease in the Prime Rate.

- (f) ☐ Adjustable Rate Mortgage. The interest rate Borrower will pay may change effective on and on that day every twelfth month thereafter. Each date on which Borrower's interest rate could change is called a "Change Date". Beginning on the first Change Date, Borrower's interest rate will be based on an Index. The "Index" is the weekly average yield on the United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index". Before each Change Date the Lender will calculate Borrower's new interest rate by adding the Margin to the Current Index. The Lender will then round the result of this addition to the nearest one-eighth of one percent point (0.125%). Subject to the limits, if any stated herein on interest rate, this rounded amount will be Borrower's new interest rate until the next Change Date. The Lender may then, at Lender's election, determine the amount of the monthly payment that is estimated to be sufficient to repay the unpaid principal that Borrower is expected to owe at the Change Date in full on the maturity date at the new interest rate in substantially equal payments. The result of this calculation, if made, will be the new amount of Borrower's monthly payment.

2. ☐ Adjustable Rate Note (FNMA Single Family ARM 5-2). The Note is hereby amended as follows (mark box(es) of applicable provision(s)):

- (a) ☐ Principal Sum. The principal sum of the Note (i.e., its face amount) is U.S. . It remains subject to the terms and conditions set forth in the Note and related documents regarding advances and interest.

- (e) ☐ Section 3(A) of the Note is hereby amended to reflect monthly payments beginning on .

- (h) ☐ Section 4(A) of the Note is hereby amended to reflect that the “Change Date” shall be the first day of , and on that day every twelfth month thereafter.
- (i) ☐ The first sentence of Section 4(C) of the Note is hereby amended and restated in its entirety to read as follows:
- Before each Change Date, the Note Holder will calculate my new interest rate by adding percentage points (%) to the Current Index.
- (j) ☐ Section 4(D) of the Note is hereby amended and restated in its entirety to read as follows:
- The interest rate I am required to pay the first Change Date will not be greater than % or less than %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding 12 months.
