

AFFIDAVIT OF TED ALLEN AND SARA ALLEN

STATE OF ALABAMA)

SHELBY COUNTY)

Our names are Ted Allen/Sara Allen. We are over nineteen (19) years of age and reside at 1807 Butler Road, Alabaster, Alabama 35007. We are familiar with the late Mr. Robert G. Butler and his late wife Mrs. Frances Butler.

Mr. Robert Butler predeceased his wife on or about June 22, 1992. At that time he was also survived by his two children namely Mary B. Lee and Martha B. Waugh. There were no other heirs at law. To my knowledge he had a last will and testament as we were witnesses to said will but it is our understanding that it was never probated as Frances was the sole heir.

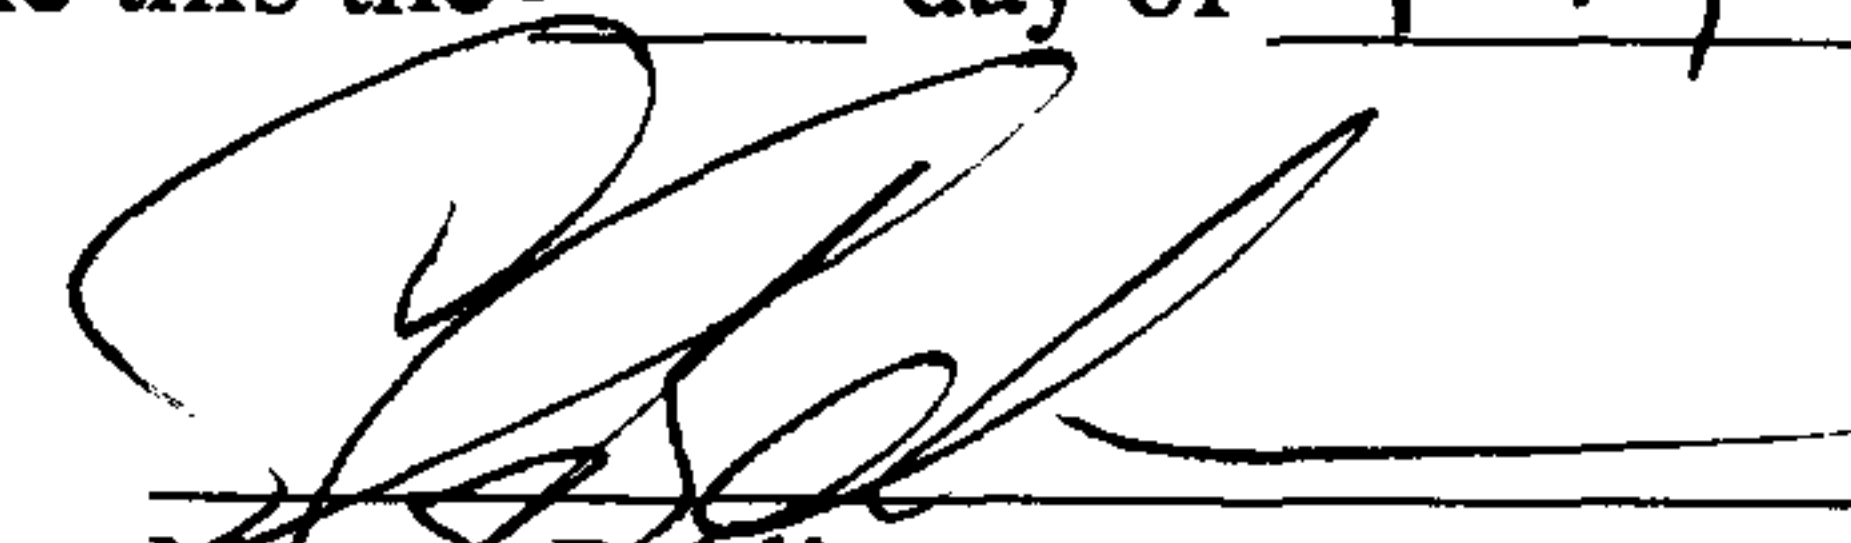

Frances Butler died on or about April 29, 2003. She died with only two heirs at law, namely her children Mary B. Lee and Martha B. Waugh. We were witnesses to her will which was signed on the same day as her late husband's will. It is our understanding that her estate is being probated as we were asked to provide testimony supporting her will. Both of the deceased's children (Marth B. Lee and Martha B. Waugh) are of sound mind and over the age of nineteen (19) years of age.

We provide this affidavit to provide accurate information. We understand that this information is being relied on by Stewart Title in insuring the properties of the late Mr. and Mrs. Robert and Frances Butler
